Lays Foundation Stones for Government Polytechnic at Morris Tikrey & Gabion Wall at D.B. Gram

Holds High-Level Meeting on Maritime Security

Announces and lays Foundation Stones for Development Projects worth approximately Rs. 62.29 Crore during Janta Darshan

Sri Vijaya Puram, Nov. 25

The Hon'ble Lieutenant Governor of Andaman and Nicobar Islands, Dr. Dinesh Sharma Ji, yesterday visited Diglipur in North and Middle Andaman District. On his arrival at Diglipur Helipad, he was accorded a traditional welcome by the personnel and officers of the Andaman and Nicobar Police and local residents.

Commencing his visit, the Hon'ble Lieutenant Governor laid the Foundation Stone of a Government Polytechnic to be constructed at Morris Tikrey, Madhupur, at an estimated cost of approximately Rs. 11.62 crore. On the occasion, the Hon'ble Lieutenant Governor stated that with the establishment of this Polytechnic, the youth of North and Middle Andaman would be able to receive technical education in their own region, which would provide them with better employment opportunities and give fresh impetus to the development of the area.

Thereafter, the Hon'ble Lieutenant Governor laid the Foundation Stone for the construction of a Gabion Wall along the Kalpong/Kalyan Nallah near the Bailey Bridge at D.B. Gram, at an estimated cost of approximately Rs. 97 lakh. This project will help prevent soil erosion along the banks of the nallah and ensure the safety of the surrounding areas. During the site inspection, local residents informed him that a Gabion Wall of approximately 400 metres in length was required to prevent soil erosion, whereas only 100 metres of wall had been proposed for construction in the first phase. Taking note of this, the Hon'ble Lieutenant Governor directed that the remaining approximately 300 metres of Gabion Wall should also be constructed immediately and completed together, so that a permanent solution to the problem could be ensured. He also directed that an earthen road be constructed on priority to restore connectivity at the earliest along the route that had been washed away due to soil erosion, thereby facilitating local residents and farmers in transporting their agricultural produce, fruits, vegetables, etc.

Continuing his visit, the Hon'ble Lieutenant Governor also inspected the Sub-District Hospital, Diglipur. He inspected various facilities, wards and healthcare services of the Hospital and interacted with patients to enquire about their well-being. On the request of the patients, he directed the Health Department, from the inspection site itself, to deploy the required manpower. He instructed the doctors and healthcare workers to ensure the availability of medicines, pay special attention to cleanliness and further strengthen healthcare services to make them more public-friendly.
