## India seeks New Zealand's cooperation in food processing sector

New Zealand, Apr 1  
Prime Minister Narendra Modi has asked New Zealand to explore market opportunities in food processing sector in India. During his bilateral talks with his New Zealand counterpart John Key in Washington yesterday, on the sidelines of Nuclear Security Summit, Shri Modi said, India is the largest producer of milk and New Zealand could tap Indian market in food processing. He also asked Mr Key to take up a proactive campaign to enthrone more number of Indian students to study in New Zealand. Briefing news persons

after the bilateral talks, Ministry of External Affairs spokesperson Shri Vikas Swaroop said, both the leaders emphasized the need to have direct flights between India and New Zealand to boost tourism. Shri Swaroop said, New Zealand Prime Minister evinced keen interest to have Free Trade Agreement with India at the earliest. The spokesperson said, both leaders began their bilateral talks with Cricket and Mr Key congratulated Shri Modi for successful conduct of the T-20 World Cricket tournament and remarked that Bollywood

helped to make New Zealand a tourist destination.

## Govt. allows Ministry of Minority Affairs to use scholarship funds of 2015-16 in next financial year

New Delhi, Apr 1  
Government has taken a rare step for the first time to allow the Ministry of Minority Affairs to use the scholarship funds earmarked for 2015-16 in the next financial year through an alternative mechanism. This step has been taken by the government to ensure the disbursement of scholarships due in last financial year to Minority students all over the country acknowledging the technical difficulties faced by the students on the new National Scholarship Portal. An official release said, the Ministry has also released an additional fund of 5.75 crore rupees to the University Grant Commission for the Maulana Azad National Fellowship to meet the requirement of pending fellowships of Minority students during 2015-16. The Ministry said, efforts were on to address the

challenges being faced to shift payment of scholarships to Direct Benefit Transfer (DBT) mode. It said, more than 39 lakh minority students have already received scholarships in their bank accounts under DBT mode. The Ministry distributes scholarship to over 80 lakh students every year.

## Centre selects six states for AYUSH project

Tirupati, Apr 1  
The Centre has selected six states including Andhra Pradesh and Gujarat for a pilot project to offer treatment for non-communicable diseases under the Indian medicine systems. Union Minister of State for AYUSH, Shri Shripad Yasso Naik said yesterday that under the project, facilities

would be set up in every district of select states to take up screening for identifying people. ## IT dept notifies new ITRs, taxman eyes people earning over Rs 50 lakh

New Delhi, Apr 1  
People with an income of more than 50 lakh rupees per annum and owning costly movable assets will now have to disclose these assets, with the IT Department notifying a new set of Income Tax Return (ITR) forms for

assessment year 2016-17. Filing for the new forms begins with the onset of the new financial year today. The Finance Ministry published a gazette order in this regard on March 30 and taxpayers can file their ITRs till the stipulated deadline of July 31. The

Department has introduced a fresh reporting column in the new ITRs called 'Asset and Liability at the end of the year' which is applicable in cases where the total income exceeds Rs 50 lakhs. Individuals and entities coming under this income bracket will also have to mention the total cost of such assets. Also for the first time, the ITRs, keeping in spirit the Government's flagship agenda of promoting startup businesses has brought out a separate column for earnings made from this sector.

## Swavalamban subscribers can switch to APY: PFRDA

Mumbai, Apr 1  
Subscribers of micro-pension scheme 'Swavalamban', which closed on March 31, can switch to the 'Atal Pension Yojana' (APY) and retain the government's co-contribution. A senior official of the Pension Fund Regulatory and Development Authority (PFRDA) said in Mumbai that Swavalamban scheme, which was launched in 2010-11, is a government-backed micro-pension scheme aimed at the

unorganised sector and applicable to those who joined the National Pension Scheme (NPS). Under the scheme, the government contributes Rs 1,000 per year to each

NPS account for the first four years. However, this co-contribution will not be there for the 44 lakh subscribers of both micro-pension schemes from April 1 onwards.

'Swavalamban' scheme has been replaced by APY which was launched in June last year and hence no fresh subscription under 'Swavalamban' scheme has been accepted since then. The official added that PFRDA is offering to continue the co-contribution of Rs 1,000 per annum for next three years to all those 'Swavalamban' subscribers who opt to shift to APY from April 1.

Saina reaches semi-final of the India Super Series

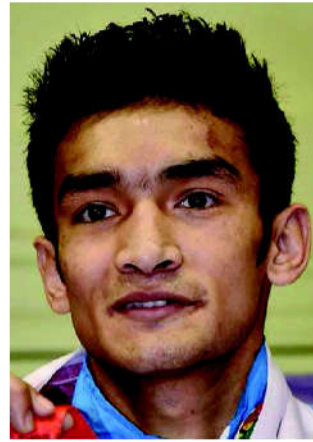

New Delhi, April 1  
Defending champion Saina Nehwal took another step towards retaining her title when she played out of her skin to eke out a thrilling win over Korea's Sung Ji Hyun in the quarterfinals of the India Super Series here today. Olympic bronze medalist Saina defeated Sung 19-21 14-21-19 in an energy-sapping women's last-eight match at the Siri Fort stadium. There was hardly any winner in the grueling three-game match as each rode on the other's unforced errors. Saina, who has beaten Sung five times in the past used her drops early on to catch the Korean at the fourcourt. However, unforced errors and a few deceptive returns helped Sung

to lead 8-4. The Indian showed her resilience to claw back at 10 before a shot from Sung left her stranded. After the break, Saina turned the tables to lead 14-12 but soon Sung once again drew parity. The Indian once again nosed ahead to 17-15 but once again Sung fought back and grabbed a 18-17 lead after Saina made a wrong line call and then hit the net. Another return going to net and then failure to retrieve a shot at the right side gave Sung a 20-17 lead. Saina saved two but left the net thinking it will drop inside the line. In the second game, Saina lead 3-1 when Sung took a break to attend to her right ankle. When the match resumed, Saina continued her good run to lead 6-2. Sung slowly leveled par at 6-6 when a low return from Saina went

to the net. The Indian again surged ahead and entered the break at 11-7. After the interval, Saina extended the lead to 13-8 and then zoomed to 19-10 with the Korean crumbling. Sung grabbed three points before another long shot gave Saina a 20-13 lead. The Korean saved one but Saina roared into contest when Sung failed at the net. In the decider, Sung lead 5-2 early on but she failed to rein her unforced errors as Saina soon turned it around at 8-6. The Korean looked visibly tired as she didn't even try to retrieve some of the shots as Saina reached the break with a 11-7 advantage. A change of side seemed to change the fortune of Sung, who reeled off six straight points to grab the lead 13-11. A net error broke the rhythm but Saina again hit wide as Sung lead 14-12.

New Delhi, Apr 1  
World Championships bronze-medallist Shiva Thapa (56kg) today became the first Indian boxer to make the cut for this year's Olympics by entering the Asian Qualifying Tournament's final in Qianan, China. Shiva sailed past 2013 World Championship bronze-medallist Kairat Yerallyev of Kazakhstan in the semifinal. He will face second seed Chatchai Butdee of Thailand in the final tomorrow. But, it was heartbreak for another top seed, Mary Kom, who went down to Ren Cancan of China in the semifinals, which will only translate into a bronze medal for her. However, Mary Kom has another chance of qualifying for the Rio Games during the World Championships in May. Another Indian in fray in the men's draw, fourth seed L Devendro Singh (49kg) lost to top seed Rogan Ladon of Mongolia in the semifinals. Assured of a bronze medal, Devendro will now fight it out for an Olympic quota place by taking on Mongolia's third-seeded Gan Erdene Gankhuyag tomorrow.

Inactivated Poliovirus.....

(Contd. from page 1)  
She also highlighted about Swachh Bharat Abhiyan and open defecation free programmes, initiated by the Govt. of India and being implemented in the Islands as well. She assured the support of PBMC in making these Islands clean and green and help prevent the spread of Polio virus.

In her address, the Director of Health Services, Dr. Shipra Paul called upon one and all to extend cooperation in eradicating Polio from A&N Islands and help in successful implementation on IPV. She also assured the full support of DHS for the cause. In his speech, the Deputy Director, (Health) Dr. Avijit Roy, described about the launching of inactivated poliovirus vaccine (IPV) in the Islands and said babies getting their third dose of oral polio vaccine (OPV) will now also be administered an injection with inactivated polio vaccine (IPV), as part of India's efforts to boost its polio immunization programme. IPV and OPV together can provide additional protection to a child. He further said, IPV is a key step towards global endgame strategy and we are now looking forward to a transition from Oral Polio Vaccine (OPV) to injectable inactivated polio vaccine (IPV).

The advantage of IPV is that it serves the dual purpose of quickly boosting child's immunity to polio, thus overall population immunity and helps in preventing any possible polio outbreak in the country. IPV is extremely safe and effective and has been used successfully in many countries for several decades. IPV is administered intramuscularly and can be given along with other injectable vaccine such as DPT, Hepatitis-B and Pentavalent Vaccine.

Three babies namely M.S.Reyaz Ali, Rishika Raj and Nikita were vaccinated with Inactivated Polio Vaccine (IPV) on the occasion. Earlier, Dy. Director (Malaria), Dr. Amitab Dey welcomed the gathering and said that though India has been declared Polio free by WHO, yet the chances of importation from endemic countries like Afghanistan and Pakistan has to be taken care of and for which the IPV has been launched across the country. The Dy. Director (Medical) Dr. A.K. Saha proposed the vote of thanks on the occasion.
