# Hon'ble Prime Minister, Shri Narendra Modi inaugurates Bharat Renewable Energy Summit & Expo 2026

## The future of energy security lies in clean energy: Hon'ble PM

**New Delhi, Nov. 2 (PIB)**

Hon'ble Prime Minister, Shri Narendra Modi today inaugurated the Bharat Renewable Energy Summit & Expo 2026 at Bharat Mandapam in New Delhi. Addressing the gathering of industry leaders, investors, startup representatives, and senior officials from India and abroad, the Hon'ble Prime Minister noted that this year's summit takes place amid special circumstances dominated by global energy shocks that have underscored the vital importance of renewable energy in daily life and national development. He pointed out that the scope of this year's event is exceptionally broad as it coincides with the Ninth Assembly of the International Solar Alliance and includes delegates from the Fourth Conference on Green Hydrogen.

Observing that the global economy has weathered unprecedented disruptions ranging from the Corona pandemic to the ongoing West Asia crisis, the Hon'ble Prime Minister stated that 140 crore Indians take pride in how effectively the nation has managed the turmoil while maintaining high economic growth. He emphasized that ten years of sustained domestic investment and systemic reforms in clean energy shielded the country from severe external shocks. "If India had not invested in clean energy and created new systems for this over the past decade, then our crisis could have been much more severe than the rest of the world," noted Hon'ble PM Modi.

Stating that recent global disruptions have demonstrated the direct link between energy security and economic security, the Hon'ble Prime Minister warned that continued over-reliance on fossil fuels will repeatedly disrupt the world economy because fossil reserves are finite and concentrated in a few regions. He contrasted this vulnerability with the boundless, universally accessible potential of clean energy. "And we all know, the future of Energy Security lies in Clean Energy," asserted Shri Modi.

Describing India's 12-year clean energy journey as one defined by Promises, Passion, and Performance exemplified by its COP-26 commitment to achieve 500 Gigawatts of non-fossil capacity by 2030, the Hon'ble Prime Minister highlighted that the nation fulfilled its Paris pledge of sourcing half its installed power capacity from non-fossil sources in 2025, five years ahead of schedule. Noting that India now ranks among the top three nations in solar and renewable energy with over 50 percent non-fossil installed capacity and nearly 300 Gigawatts already achieved toward the 500-Gigawatt target, he announced an ambitious goal to add another 500 Gigawatts of new non-fossil capacity over the next 10 to 11 years. "This target is somewhat difficult, but I have faith in the capability of my country; therefore I say, We will do it!" affirmed Hon'ble PM Modi.

Emphasizing that India wishes to share the benefits of its innovations and experiences with all of humanity, the Hon'ble Prime Minister stated that the nation approaches green energy with the same cooperative spirit before presenting specific examples. "The successes of India in this field will come in handy for numerous countries of the world," remarked Shri Modi.

Detailing the rapid progress of the PM Surya Ghar Muft Bijli Yojana launched in February 2024 to install rooftop solar panels in one crore homes, the Hon'ble Prime Minister noted that over 65 lakh households have joined the movement within 24 to 25 months at a pace of one lakh new homes every six days, cutting electricity bills by roughly 76 percent according to a study and reducing bills to zero for lakhs of families who now earn money by selling surplus power to the grid. "This scheme of India can give great strength to energy security in many countries," observed Hon'ble PM Modi.

Highlighting efforts over the past 12 years to integrate solar power into daily life, industry, and agriculture, the Hon'ble Prime Minister pointed out that connecting over 44,000 Government buildings with solar

## Deepawali Mela records Rs. 4.30 Lakh sales, reflecting growing popularity of SHG products

**Sri Vijaya Puram, Nov. 2**

The Deepawali Mela organised at Marina Park from Oct. 30 to Nov.1 by the Self-Help Groups (SHGs) supported under the A&N Islands Rural Livelihoods Mission (ANIRLM) under the aegis of Directorate of Rural Development have recorded an encouraging sales turnover of Rs.4.30 lakh (approx.). The Mela reflected the growing popularity and market acceptance of locally produced SHG products.

The encouraging sales response within a short span of three days highlights the entrepreneurial capabilities of rural women and the increasing recognition of products prepared by SHG members. The ANIRLM has been continuously facilitating market access for SHGs through exhibitions, fairs, institutional procurement, retail outlets and other promotional initiatives. The Mission aims to further strengthen these market linkages and promote SHG products as quality local products, thereby contributing towards the vision of Lakhpati Didi and sustainable livelihood enhancement for rural women, a press release from RD Department said.

**Hon'ble Lieutenant Governor of Andaman and Nicobar Islands, Dr. Dinesh Sharma Ji, today held a meeting with Chief Secretary, Shri Gyanesh Bharti, Director General of Police, Shri Ravinder Singh Yadav, and other senior officials at Lok Niwas, Sri Vijaya Puram, ahead of his visit to Delhi. During the meeting, the Hon'ble Lieutenant Governor directed the officials to ensure strict compliance with law and order, review the directions issued earlier and instructed them to ensure the smooth availability of all civic amenities in view of the upcoming Diwali festival.**

## ANIBOCWWB approves release of Rs. 23.16 lakhs for 99 welfare claims

**Sri Vijaya Puram, Nov. 2**

Smti. Vandana Rao, Chairman of the Andaman and Nicobar Islands Building and Other Construction Workers Welfare Board (ANIBOCWWB) and Secretary (Labour & Employment), convened the 34th meeting of the Board today in the Conference Hall of the Office of the Labour Commissioner. The meeting was attended by nominee of the Central Government, representatives of A&N Administration, employers, and Trade Unions.

During the meeting, various issues relating to the extension of social security benefits to registered construction workers were deliberated upon. The Chairman emphasized the need for effective and timely delivery of welfare benefits to all eligible beneficiaries.

After detailed deliberations on the agenda items, the Board unanimously approved the release of Rs. 23.16 lakhs towards settlement of 99 claims submitted by registered eligible beneficiary workers under various welfare schemes. These include Pension Benefit, Maternity Benefit, Medical Assistance, and Death Assistance. The Board further decided that all approved financial assistance shall be

## Isles Police Officer selected for Prestigious Kendriya Grihmantri Dakshata Padak 2026

**Sri Vijaya Puram, Nov. 2**

In a proud moment for the Andaman & Nicobar Police, Inspector Vijay Kumar, Station House Officer (SHO), Police Station Aberdeen has been selected for the prestigious Kendriya Grihmantri Dakshata Padak 2026. The National-Level award finalized with the approval of the Union Home Minister recognizes outstanding investigative work and service excellence. The Ministry of Home Affairs announced the awards on 31st October, 2026 coinciding with National Unity Day. The medal is instituted to promote high professional standards, dedication and exceptional performance among law enforcement agencies across India.

Inspector Vijay Kumar has been honoured the award in the field of Investigation category for his exceptional contributions, persistent commitment and investigative expertise in A&N Police. His selection reflects the high standards of policing maintained in the Islands. It also shows the professionalism and dedication of the force in safeguarding the people of the Union Territory, a press release from SP (SA) said.

## Historic Milestone: First Embryo Transfer Technology Female Calf born in A&N Islands

*Sri Vijay Puram, Nov. 2*

*The Department of Animal Husbandry & Veterinary Services (AH&VS), Andaman & Nicobar Administration, has achieved a historic milestone in livestock development with the birth of the first female calf produced through Embryo Transfer Technology (ETT) in the Andaman & Nicobar Islands. The calf was born on Nov. 1, 2026 under the jurisdiction of Veterinary Hospital, Garacharma, to the cow of Smti. K. Priya, resident of Kamraj Nagar. The dam and the new born calf are healthy, and the parturition was normal.*

*The embryo transfer was performed on Feb. 10, 2026. Pregnancy was confirmed positive on March 20, 2026. The weight of the new born calf, calculated using girth and length measurements, is 21.3 kg. This successful birth marks the culmination of the first cycle of the ETT project, which was launched in the Islands earlier this year in collaboration with NDDB Dairy Services.*

*The Embryo Transfer Technology project was initiated with the objective of rapidly upgrading the genetic quality of local cattle, increasing the female calf ratio, enhancing milk production potential, and accelerating dairy development*

# Andaman Nicobar Sailing Club organises Light Up Regatta 2026

Sri Vijaya Puram, Nov. 2

The Andaman Nicobar Sailing Club (ANSC) organised Light Up Regatta 2026, celebrating the spirit of sailing and encouraging young sailing enthusiasts in the Andaman & Nicobar Islands. It was an initiative of ANIIDCO under Corporate Social Responsibility (CSR).

As part of the event, sailing races were conducted for young sailors, providing them an opportunity to showcase their sailing skills and competitive spirit. Ms. Akanchha Singh, Director (IP&T), A&N Administration, distributed trophies to the winners and certificates to all participants, recognising their achievements and encouraging them to pursue sailing.

The highlight of the event was the spectacular

Light Up Sailing Display, during which beautifully illuminated sailing boats sailed in the waters near Marina Park and Flag Point, Sri Vijaya Puram. The colourful lights reflecting on the sea created a captivating visual spectacle.

The event aimed to promote sailing as a water sport, nurture young sailing talent and showcase the potential of the Andaman & Nicobar Islands as a destination for sailing and marine recreational activities, a press release from ANSC said.

# 70th SGFI National School Football C'ship; Education Deptt. invites articles for souvenir

Sri Vijaya Puram, Nov. 2

The Department of Education will be hosting the 70th SGFI National School Football Championship for Boys (U-19) at Sri Vijaya Puram from Dec. 11 to 20. In this connection, a souvenir will be released by the chief guest during the opening ceremony of the championship. In this regard, Officers, teachers, and students of all Government/Aided and private school and football enthusiasts from the Government and private sectors have been invited to contribute articles related to football, other major sports, and sports activities pertaining to the Andaman & Nicobar Islands.

The articles (below 100 words) should be sent to Sports Section, Directorate of Education, on or before Nov. 20 via email sportsectionpb@gmail.com. For any queries in this regard, one may contact 9434263798, a press release from Education Deptt. said.

## Khelo India Youth Games 2026

# Directorate of Sports & Youth Affairs invites applications for wild card entries

Sri Vijaya Puram, Nov. 2

The Directorate of Sports & Youth Affairs, Andaman and Nicobar Administration has invited applications from interested and eligible Boys and Girls below 18 years of age (U-18) for consideration of Wild Card Entries to represent the Andaman & Nicobar Islands in the Khelo India Youth Games (KIYG) 2026, scheduled to be held from Dec. 11 to 22 in Telangana, in the following sports disciplines.

| | | | | | | | | | |
|---|---|---|---|---|---|---|---|---|---|
| 1. | Archery | 2 | Athletics | 3 | Badminton | 4 | Boxing | 5 | Cycling |
| 6 | Gymnastics | 7 | Judo | 8 | Shooting | 9 | Swimming | 10 | Table Tennis |
| 11 | Tennis | 12 | Thang-Ta | 13 | Weightlifting | 14 | Wrestling | 15 | Yogasana |

As per the official communication received from the Ministry of Youth Affairs and Sports(MYAS), GoI, the athletes selection for representing a State/UT shall be based on the performances in the recognized International/ National/State/District level competitions held during the years 2023 / 2024 / 2025.

It may be noted that, as per the prescribed procedure for KIYG 2026, out of the applications received by this Directorate, the best two Boys and two Girls will be placed before the Wild Card Evaluation Committee (WCEC), KIYG 2026. The names of the athletes recommended by the WCEC will thereafter be nominated for participation in the Khelo India Youth Games (KIYG) 2026, scheduled to be held in Telangana from Dec. 11 to 22. Accordingly, the same will be duly communicated/published through print and electronic media for the information of all eligible athletes.

Eligibility Criteria:

1. The age eligibility for participation in KIYG 2026 is, "athlete born on or after 1st January 2009" (U-18).
2. For athlete age verification, any two of the following documents must be submitted:
a) Aadhaar Card or Passport
b) Matriculate Certificate
c) Birth Certificate (issued at least 5 years ago i.e., on or before 01 January 2021 by Municipal Corporation/ Gram Panchayat)
3. To be eligible to represent a State, one of the following documents is required:
a) State Domicile b ) Passport c) Place of Posting/ Working/School Bonafide

Interested and eligible athletes may submit their applications to the Assistant Supervisor (Sports) of the concerned Zone on or before 10th November, 2026. The applications shall be duly filled in the prescribed format (Annexure-A), signed by the applicant, and enclosed with self-attested copies their sports achievements in recognized International/National/State/ UT/District-level tournaments / competitions during the years 2023, 2024 and 2025, along with self-attested copies of all relevant documents in support of candidature as per the prescribed eligibility criteria.

The prescribed application format (Annexure-A) is available on the Sports Department Portal: https:// sports.andamannicobar.gov.in and the A&N-UT Portal: https:/ /andamannicobar.gov.in, a press release from Directorate of Sports & Youth Affairs said.

## Historic Milestone: First Embryo.....

*(Contd. from page 1)*

*in the Union Territory. The first embryo transfers were carried out in February 2026, beginning with selected clusters in South Andaman. The birth of the first ETT female calf is a significant validation of the technology under island conditions and opens the way for further scaling of advanced reproductive techniques.*

*The Department of AH&VS has congratulated the beneficiary farmer and the veterinary team involved in the successful implantation, pregnancy monitoring and calving. Officials have emphasised that this achievement is expected to encourage more livestock farmers to adopt scientific breeding practices, including Embryo Transfer Technology and Sex Sorted Semen, for higher milk yield and better returns. (Source: Deptt. of AH&VS)*

# South Andaman District Police organises live screening of National Unity Day programme

Sri Vijaya Puram, Nov. 2

On the occasion of National Unity Day, South Andaman District Police organised live screening of the National Unity Day programme held at Ekta Nagar (Kevadia), Gujarat at all Police Stations under its jurisdiction on Oct. 31. The initiative witnessed the participation of school students and members of the general public, who came together to watch the programme and reaffirm their commitment to the values of national unity, integrity and solidarity.

The programme aimed to instil a sense of patriotism, mutual harmony and national pride particularly among the youth while creating awareness about the life, ideals and invaluable contribution of Sardar Vallabhbhai Patel, whose vision and leadership played a pivotal role in the political integration of India, a press release from SP (SA) said.

## Hon'ble Prime Minister, Shri Narendra Modi inaugurates .....

*(Contd. from page 1)*

energy is saving nearly 700 crore rupees annually, while the KUSUM scheme has provided solar irrigation to over 30 lakh farmers and saved each solar pump beneficiary nearly one lakh rupees every year. He also cited the PM Surya Sarovar Yojana, which installs solar panels over reservoirs, ponds, and lakes to optimize water bodies and save land acquisition costs. "India is making solar power a part of the lives of its citizens," noted Shri Modi.

Stating that India's clean energy ecosystem extends beyond hydro, solar, wind, and nuclear power, the Hon'ble Prime Minister explained that the country is advancing in mission mode under the National Green Hydrogen Mission to produce 50 lakh tonnes of green hydrogen by the end of the decade while integrating green hydrogen into the transport sector. "Just a few months ago, India started its first Green Hydrogen Train," noted PM Modi.

Stressing that the nation must maintain its rapid momentum rather than resting on its laurels, the Hon'ble Prime Minister called for swiftly connecting every Government building, school, college, hospital, and streetlight network to solar energy. He proposed fostering healthy competition among states and local bodies to incentivize top performers and enable peer learning from local success stories. "We have to do this work at a fast pace," asserted Shri Modi.

Offering a dedicated suggestion for expanding solar power in agriculture, the Hon'ble Prime Minister urged moving beyond the distribution of lakhs of solar pumps to utilizing uncultivated farm spaces. He emphasized the need to encourage farmers across maximum villages to install solar panels on vacant land as well as along farm boundary ridges. "We have to move beyond solar pumps," remarked PM Modi.

Stating that the new era of the solar revolution relies on innovation as much as adoption, the Hon'ble Prime Minister urged startups, IITs, innovators, and entrepreneurs to design round-the-clock, all-weather solar models capable of meeting maximum household needs, including rooftop solar cooking to minimize reliance on imported gas and home solar charging for electric two-wheelers and cars. "Through this, middle-class families of the country can save thousands of rupees every year," noted Shri Modi. Highlighting the need for specialized clean energy applications in rural allied sectors, the Hon'ble Prime Minister called for developing dedicated solar products to promote solar power in the dairy sector. "For animal fodder, crop harvesting, and post-harvest, solar equipment should be developed for every such work," asserted PM Modi.

Emphasizing that achieving these goals requires next-generation innovation, indigenous storage hardware, and new battery storage capacity, the Hon'ble Prime Minister described this need as a massive opportunity for India's youth and urged researchers and investors to seize the moment. "The solutions that you prepare in India will come in handy for numerous countries of the world," affirmed Shri Modi.

Pointing out that every clean energy initiative in one of the world's youngest nations is generating thousands of jobs across panel and hardware manufacturing, installation, servicing, and transportation, the Hon'ble Prime Minister noted that further expansion of solar capacity will multiply employment opportunities across the economy. "From the kitchen stove to the means of transport, when everything is solar-power-driven and green-energy-driven, then a new industry will be created," observed PM Modi.

Emphasizing that the coming decade is vital for global climate goals, the Hon'ble Prime Minister expressed confidence that summit participants will play a pivotal role in securing the future by connecting every country and region to this transformation before concluding with his best wishes. "Only then will we be able to build a Clean Future, a Green Future, and a Secure Future," asserted Shri Modi.

# 8-day Training and Certification Prog. in Photography, Videography & Camera Handling under RAMP scheme concludes with valedictory session

Sri Vijaya Puram, Nov. 2

The Department of Tourism, A&N Administration, in association with the Indian Institute of Photography (IIP), Noida, successfully concluded a comprehensive 8-day Training and Certification Programme under the Raising and Accelerating MSME Performance (RAMP) Scheme. Held from October 26 to November 2, 2026, at Sri Vijaya Puram, the program aimed to empower local youth with industry-relevant creative and technical skills.

The intensive course covered a wide spectrum of visual arts and technology, including Photography, Videography, Drone Imaging, Camera Handling, and Post-Production. Participants also received specialized training in niche disciplines such as Underwater Photography and Astro-Photography. The sessions were conducted by expert faculty members from IIP Noida, Ms. Garima Chaudhary and Shri Aasif Khan.

Speaking at the valedictory session, Director of Tourism, Ms. Akanchha Singh, briefed the aspirants on the immense potential of tourism in the Andaman & Nicobar Islands and highlighted how photography can open up sustainable livelihood opportunities. She informed attendees that under the RAMP scheme, the Department will be organizing continuous skill-development programs to enhance employability and improve self-reliance among local communities.

Highlighting the program's reach, Ms. Akanchha Singh shared that photography training workshops are also being rolled out across different locations in the Islands, including Swaraj Dweep and Shaheed Dweep.

Furthermore, the Director announced upcoming RAMP-sponsored training programs covering diverse domain areas such as homestay operations, culinary skills, professional chef training, cab operations, and boat & adventure sports management. She motivated the youth to actively participate in these initiatives to upskill themselves. She also requested the aspirants to spread the word among friends and relatives who might miss newspaper announcements, encouraging them to stay informed and take full advantage of these Government-backed opportunities.

The valedictory session concluded with the distribution of certificates to the participants who successfully completed the 8-day training program, a press release from Directorate of IP&T said.

# RAMP Scheme: Photography trainees gain practical exposure in Astro-Photography - Unlocking the magic of Island night skies

Sri Vijaya Puram, Nov. 2

As part of the 08-day Training and Certification Programme on Photography and Camera Handling organized by the Department of Tourism under the World Bank-assisted RAMP Scheme, candidates were provided immersive field exposure in the fast-emerging niche segment of Astro-Photography on Nov. 1.

During the night field visit on November 1, the trainees were taken to Whistling Woods, Chidiyatapu where they received practical training on long-exposure night photography, focusing on capturing the Milky Way, star trails, and distinct constellations against the clear night sky.

Conducting an interactive session for the cohort, Shri Udhay Bhasker, prominent Astro-communicator highlighted the immense potential of Astro-Tourism across the Andaman and Nicobar Islands. Addressing the aspirants, Shri Bhasker emphasized that astro-photography remains a highly specialized and untapped market with a negligible number of certified practitioners locally, alongside a rapidly surging global and domestic demand.

Officials from the Department of Tourism further briefed the participants on financial assistance available under the RAMP Scheme to help set up astro-tourism infrastructure. Under the scheme, financial subsidies are offered for the procurement and installation of astronomical telescopes:

- Male Beneficiaries: 50% reimbursement of the total cost of the telescope, including installation.
- Female & Tribal Beneficiaries: Enhanced financial support of 75% reimbursement of the total cost, including installation, to encourage inclusive micro-entrepreneurship.

The candidates were also apprised of proactive administrative initiatives currently underway in this niche segment of tourism, a press release from Directorate of IP&T said.

## ANIBOCWWB approves release .....

*(Contd. from page 1)*

disbursed through Direct Benefit Transfer (DBT) to ensure transparency and efficiency. The Andaman and Nicobar Islands Building and Other Construction Workers Welfare Board was established in 2009 with the objective of providing social security and welfare benefits to the registered building and other construction workers. At present, the Board is implementing nine welfare schemes for registered beneficiaries, a press release from ANIBOCWWB said.

# Surf Training Programme for Islanders at Little Andaman

Sri Vijaya Puram, Nov. 2

The Directorate of Tourism, A&N Administration, in association with the Surfing Federation of India (SFI), will conduct a surf training programme at Little Andaman. The programme aims to build a pool of qualified local surf instructors on the island.

The programme includes two months of surf training, followed by the ISA Surf Instructor Level 1 course and the ISA/ILS Aquatic Rescue course. Successful candidates will receive internationally recognised certifications.

Six candidates will be selected, and the course for them be provided free of cost, and all training and certification fees for the six selected candidates will be fully borne by the Directorate of Tourism. In addition to the six selected candidates, training will be imparted to other qualified candidates. However, the certification fees must be borne by them.

Selections will be held on Nov. 1 at Little Andaman and will include a 200 metre swim in under 5 minutes, a surf fitness test, a surfing ability assessment and a personal interview.

Interested islanders above 18 years of age must apply through the Google Form at https:// forms.gle/ GQWtvcGPhvesZtGt5 and upload Islander ID card, Aadhaar Card and Medical fitness certificate.

The last date to apply is Nov. 4. Shortlisted candidates will be informed of the selection venue and reporting time by phone or email. For details, contact Planning Section, Directorate of Tourism, a press release from IP&T Deptt. said.

# Skill Development Training prog. concludes at GP Sippighat

Sri Vijaya Puram, Nov. 2

Gram Panchayat Sippighat, in collaboration with the Directorate of Industries, concluded a comprehensive 15-day Skill Development Training program today at the Gram Panchayat Hall. The initiative successfully trained 15 local women, members of Self-Help Groups (SHGs), and community members, equipping them with practical vocational skills designed to foster self-employment and local micro-entrepreneurship.

Addressing the gathering at the valedictory function, Pradhan, Smti. Jyothi Raj commended the trainees for their dedication and active involvement throughout the two-week program. Representatives from the Directorate of Industries reiterated their ongoing commitment to nurturing local talent, emphasizing that skill empowerment for women and SHGs serves as a direct driver of rural economic resilience and sustainable community growth.

Trainees noted that the hands-on practical knowledge gained during the workshop significantly increased their confidence and readiness to launch their own income-generating micro-ventures, a press release from Directorate of Industries said.

# Pondicherry University Semester Exam from Nov. 16

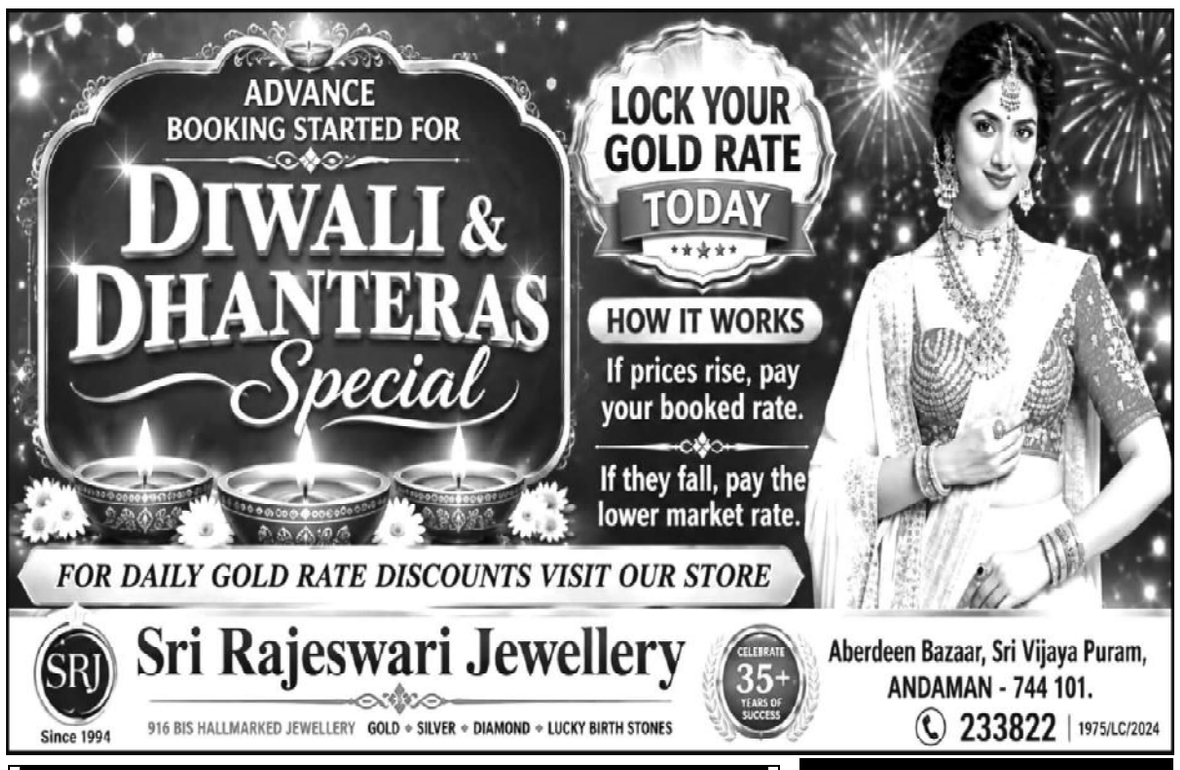

Sri Vijaya Puram, Nov. 2

Pondicherry University will conduct the semester examinations for various UG and PG courses under the NEP/CBCS curriculum at the JNRM Centre from Nov.16, 2026. For details regarding the exam schedule, visit the official university link: https://exam.pondiuni.edu.in/oasis/ugpg_tt.htm

Hall Tickets will be issued to ex-students from Nov. 12 on working days. For further inquiries, one may contact the Examination Section at JNRM, a press release from JNRM said.
