Strong deterrent needed against those who affect India's progress, security: President

Chennai, Feb 3
President, Shri Pranab Mukherjee has said that a strong deterrent is needed against those who want to adversely affect India's progress and security. He said, the ever changing socio-economic and geo-political scenario in our region of influence demands a strong deterrent against those with nefarious designs to affect the progress, prosperity and security of the country. Shri Mukherjee said, India is a responsible and emerging power in a

multipolar, multilateral world. He was speaking after awarding the President's 'Standard' to 125 Helicopter Squadron and 'Colours' to Mechanical

Training Institute at the Tambaram air base, near Chennai today. Shri Mukherjee said, apart from providing deterrence against inimical entities,

both external and internal, the armed forces have been at the forefront of providing succour to the citizens during natural calamities.

Wary India seek turnaround against upbeat Australia

Bengaluru, Mar 3
Stung by the humiliating defeat in the series-opener, Virat Kohli will face the toughest battle of his fledgling captaincy career when India take on a resurgent Australia in the second cricket Test starting here tomorrow. It's not often that an Indian cricket team goes into a home Test match trailing 0-1 and that's exactly what makes the contest at the 'Garden City' even more enticing. Kohli and Co. are like cornered tigers after being hammered in their 333-run defeat against the Australians on a rank turner where unheralded Steve O'Keefe went home with figures of 12 for 70. With their juggernaut coming to a grinding halt after 19 consecutive victories, it's now

time to pick up the pieces. And the team under Anil Kumble's guidance will look to decipher the winning code on a Chinnaswamy track that promises to be slightly better. The Indian batsmen will have to deal with Australia's newest spin twins Nathan Lyon and O'Keefe while the pace duo of Mitchell Starc and Josh Hazlewood is also expected to ask probing questions. Similarly, the Indians have not yet found a way to get Steve Smith out cheaply and the rival skipper, after his stupendous knock on a devilish pitch, will be itching to get one more. Ravichandran Ashwin and Ravindra Jadeja would certainly like to forget Pune as it was one match where they hardly got anything right with fielding

bloopers adding insult to injuries. Another issue would be the effective usage of DRS, something India got terribly wrong in the first Test. Kohli would certainly like to win the toss as it was one of the crucial factors in Pune. The fighter in him will aim to get even with the Aussie bowlers on whom he had feasted during team's last Test tour Down Under. Skipper Kohli will certainly want batsman Kohli to read Mitchell Starc's reverse swing and O'Keefe's arm balls better than last time. The track is expected to last the distance but the fickle Bengaluru weather will be a concern as there is forecast of showers on Sunday -- the second day of the match.

Rohan Bopanna-Marcin Matkowski reach Dubai Tennis Championships final

Dubai, Feb 4
India's Rohan Bopanna and his Polish partner Marcin Matkowski reached the men's doubles finals of the Dubai Tennis Championships after beating Leander Paes and Guillermo Garcia-Lopez in three sets on Friday. The unseeded Indo-Polish pair knocked out the Indo-Spanish combination 6-3 3-6 10-6 in the semi-finals of the USD 2,617,160 hard court tournament. This is the second best performance of the season for Bopanna, who is playing with his fourth different partner of the season. He had won the season-opening Chennai Open with compatriot Jeevan Nedunchezhiyan.

In the final, Bopanna and Matkowski will clash with the winner of the second semifinal between top seeded duo of Henri Kontinen and John Peers, and fourth seeds Rojer Jean-Julien and Tecau Horia. There is no Indian competing in the singles. Prajnesh

Gunneswaran had lost in the first round of the Qualifying event, suffering a 2-6 2-6 defeat against Romania's 124th ranked Marius Copil.

Djokovic upset, Nadal reaches semis

Acapulco (Mexico), Mar 3
Rafael Nadal booked his semi-final spot at the Mexico Open by battling past Yoshihito Nishioka in straight sets, while top seed Novak Djokovic suffered another stunning exit in a shaky start to 2017. The world No. 2 Djokovic crashed out of the ATP Tour event Thursday night after a 7-6 (11/9), 7-5 upset loss to sixth seeded Australian Nick Kyrgios in the first ever ATP Tour meeting between the two. Djokovic, who was back in action this week for the first time since his shock second-round exit at the Australian Open in January, looked rusty in the one hour, 47 minute quarter-final match.

ANCA Cup cricket final to be played today

Port Blair, Mar 3

Isles' first solar ATM ...

(Contd. from page 1)

Govt. of India was held at JNRM Auditorium, in which, Shri Kuldeep Rai was the chief guest. Addressing the gathering, he said the long pending demand of the students have been fulfilled today with the opening of a solar ATM right at the college campus. This ATM shall cater to the needs of students of JNRM College as well as tourists visiting Marina Park area and local residents; he said adding that the prime concern of the bank is to cooperate with the needs of the customers besides implementing social schemes.

Speaking on the occasion, the MD, ANSCB, Shri Ravinder Rao highlighted the benefits of digital banking. He said, ANSCB for the last 50 years have been catering to the islanders at large. The bank has a total of 41 branches starting from Diglipur to Campbell Bay including the most remote area, Chowra Island. He informed that soon ANSCB will also initiate transaction through ATM. Dr. N. Rajavel, HOD, Department of Commerce, JNRM spoke about the need for digital banking and cashless payment which has been emphasized by the Govt. of India. He also urged students to open account in any of the bank and help in the successful implementation of cashless economy.

Shri R. Palaniswamy, lecturer, Department of Commerce while speaking threw light on the concept of VISAKA Abhiyan launched by the Ministry of HRD for promoting digital economy especially by the students of Higher education and through youth volunteer.

D. Veera Kumar, student of 2nd year MA (English) spoke about the benefit of cashless transaction and how it helps in making life easier without carrying much cash.

Welcoming the gathering, Principal JNRM, Dr. Francis Xavier said the inauguration of first solar ATM in the premises of JNRM marks a landmark event in the history of JNRM. He also requested for a small extension counter at the college to facilitate students during examination and admission for easy payment of fee through cashless transaction. The Principal also informed about the college which has been accredited with 'A' grade by NAAC recently.

The seminar concluded with the vote of thanks proposed by D. Prabhakaran, a student of BCA 1st, JNRM.

food or with available raw materials in these Islands, the Secretary observed.

The Deputy Secretary, Ministry of Food Processing Industries, GoI, Shri Ganesh Dutt Sharma through a presentation gave a bird's eye view about the Food Processing Industry in India and the schemes available for its promotion. The level of Food Processing Industries in India is 10 percent when compared Foreign Countries. Food processing is very essential to save post harvest losses, he said. Mega Food Park, Integrated Food Chain, modernization of Abattoirs and Food Testing Labs are some of the schemes, among others, propagated by the Ministry, he said.

In his speech, the Director of Agriculture, Shri AK Das said value addition in Agri produces including fruits will further contribute towards the economic development of these islands. He said Islands are blessed with kalpavrksh (coconut tree) and there is great potential for value addition in coconut. He also informed the Mission Coconut started in Car Nicobar has started yielding result as the nut productivity per tree have increased which was less after tsunami.

In his address on the occasion, the Director Industries, Shri Ajith Anand said this conclave has been organised here as part of the Govt of India's initiative to promote food processing industry all over India. Referring that Food Processing Industry has good scope in these islands and gov't support is needed for its development in these Islands, Shri Anand said this conclave has provided an opportunity to place our requirements before the Ministry of food Processing Industry GoI. Prof. R. Jaganmohan, Sr. Scientist Indian Institute of Crop Processing Technology, Tanjavur, Tamil Nadu, Shri Avinash Norman, Technical Officer, Coconut Development Board, Chennai, Dr. Srinivas Head of Department CPTRA, Mysore, Shri S. Dam Roy, Director (CIARI), Shri Hemant B. Songadkar, GM NABARD also addressed and provided inputs on the related topics. Prospective entrepreneurs were present in good numbers in the conclave.

In the technical session, the stakeholders' interacted threadbare. They sought formulation of incentives schemes especially for the sector in A&N Islands at par with North Eastern States for the growth of SME sector especially in food processing for generation of quality employment.

Welcoming the gathering, the Additional Director & Head of Department- Agriculture & Food Indian Chamber of Commerce, Ms. Madhupama Bhowmick said the A&N Food Pro Conclave is organised to generate investor and interest among the stakeholders in the latent agri-potentials of Andaman & Nicobar and to identify opportunities in production, processing and marketing of the horticulture crops, agri and animal husbandry products.
