Launch of Framework for Fertilizer Sale through mobile application by Department of Agriculture

Sri Vijaya Puram, July 3
 The Department of Agriculture is introducing the Framework for Fertilizer Sale (FFS), a digital platform to ensure transparent, efficient and farmer-friendly distribution of subsidized fertilizers through a mobile application integrated with the Point of Sale (PoS) system and Integrated Fertilizer Management System (iFMS).

The FFS enables farmers to apply in advance for fertilizers, reserve stock, generate QR/Token-based allotments and maintain digital records, ensuring timely and transparent distribution.

To promote awareness and adoption of the new system, the Department is organizing Awareness-cum-Training Programmes across the Islands for progressive farmers, Members of Panchayati Raj Institutions (PRIs), Primary Agricultural Cooperative Societies (PACS), Farmers' Interest Groups (FIGs), Farmer Producer Organizations (FPOs), Self-Help Groups (SHGs), Farmer Friends, and other interested farmers.

Farmers can submit applications through the FFS Mobile Application (available on the Google Play Store), the web portal, or through assisted facilities at Departmental Sub-depots, Common Service Centres (CSCs), PACS/Cooperative Societies, authorized fertilizer retailers, and extension workers. Aadhaar-based biometric e-KYC or OTP authentication is mandatory. Based on the selected crop and cultivated area, the system recommends the fertilizer requirement and farmers can apply for the recommended or a lower quantity, subject to prescribed norms.

In the initial phase, the system will facilitate the distribution of Urea, Diammonium Phosphate (DAP) and Mureta of Potash (MOP), ensuring greater transparency, better inventory management, and improved service delivery to the farming community across the Andaman & Nicobar Islands.

For further information and technical guidance, farmers may contact the nearest Agriculture Sub-Depot/ Zonal Agriculture Office or contact at Kisan Call Centre -03192 243434, a press release from Department of Agriculture said.

Significant step towards promoting digital governance Transport Department introduces QR-based digital fare collection in Govt. Bus Services

Sri Vijaya Puram, July 3
 In a significant step towards promoting digital governance and enhancing passenger convenience, the Transport Department, Andaman & Nicobar Administration, has introduced a QR code-based cashless fare collection system in Administration-operated STS bus services under the Bus Terminus, Sri Vijaya Puram, in the first phase of implementation. The initiative aims to provide commuters with a safe, secure, and hassle-free digital payment option while

ensures transparency in fare collection, minimizes cash handling, and supports the Government's vision of a digitally empowered society. The initiative is also expected to improve passenger experience by providing a quick and convenient payment option, especially for daily commuters, students, and tourists. The Transport Department has appealed to the general public to actively utilize this digital payment facility and support the transition towards

cashless public transportation. Commuters are encouraged to keep their preferred UPI applications ready while travelling and make use of the QR-based payment system for a seamless and efficient journey. The Department remains committed to adopting innovative technologies and citizen-friendly initiatives aimed at improving public transport services and promoting ease of doing business in the Union Territory, a press release from Transport Department said.

District Administration (SA) conducts Camp Court for disposal of long-pending Land Diversion Cases

Sri Vijaya Puram, July 3
 The District Administration, South Andaman has undertaken a focused initiative to expedite the disposal of long-pending land diversion cases pertaining to Sri Vijaya Puram Tehsil, with the objective of improving service delivery and reducing pendency.

In this connection, a Camp Court was conducted today at the Community Hall, Prothrapur under the chairmanship of Shri Kamaleshwar Rao S, IAS, Assistant Commissioner, South Andaman. The Camp Court was organized to facilitate the expeditious disposal of pending land diversion cases at the field level, thereby ensuring timely, transparent and accessible redressal of public grievances. A large number of applicants attended the Camp Court, during which 91 land diversion cases were taken up for hearing and disposed off in accordance with the provisions of the relevant rules and regulations. The initiative has significantly streamlined and

expedited the decision-making process and contributed to the substantial reduction of long-pending cases, thereby providing timely relief to the applicants. It also reflects the District Administration's commitment to citizen-centric governance by bringing essential public services closer to the people.

The District Administration, South Andaman, shall continue to organize such Camp Courts and outreach programmes
