Param Vir Sagar Yatra concludes with grand ceremony at New Delhi

Sacred Mati Kalash containing soil collected from 21 uninhabited Islands named after Param Vir Chakra awardees ceremonially presented to Hon'ble Prime Minister

Sri Vijaya Puram, Feb. 4

The Param Vir Sagar Yatra concluded with a grand ceremony in New Delhi, featuring the active participation of Andaman & Nicobar NCC cadets. During the ceremony, the sacred Mati Kalash containing soil collected from 21 uninhabited Islands named after Param Vir Chakra awardees was ceremonially presented to the Hon'ble Prime Minister of India, Shri Narendra Modi, marking the successful culmination of a significant national initiative dedicated to honouring the valour and supreme sacrifice of the nation's bravest soldier.

The Param Vir Sagar Yatra is a unique sailing expedition in which NCC cadets from the Andaman & Nicobar Islands voyage aboard Indian Naval ship to 21 uninhabited islands named after Param Vir Chakra awardees, paying

tribute to the nation's bravest soldiers.

The Param Vir Sagar Yatra was undertaken by

a core team of 20 NCC cadets from the Andaman

& Nicobar Islands and was ceremonially flagged off on 06th January, 2026 from the historic Flag Point at Sri Vijaya Puram by Vice Admiral Ajay Kochhar, AVSM, NM, Commander-in-Chief, Andaman & Nicobar Command, in the presence of over 600 cadets and officers.

Following the successful completion of the Param Vir Sagar Yatra at Sri Vijaya Puram and their participation in the prestigious Hon'ble Prime Minister's Rally at New Delhi, the Andaman & Nicobar NCC cadets returned safely. Their involvement throughout the Yatra reflected exemplary discipline, dedication, and a strong commitment to national service.

Significantly, the conduct of the Param Vir Sagar Yatra marked the

Hon'ble MP urges for enhancement of MPLAD fund with special ceiling for A&N Islands

Sri Vijaya Puram, Feb. 4

Hon'ble Member of Parliament, A&N Islands, Shri Bishnu Pada Ray, has appealed to the Hon'ble Prime Minister of India, Shri Narendra Modi Ji, for enhancement of MPLAD fund with a special additional ceiling for the Andaman & Nicobar Islands, keeping in view the unique geographical and developmental challenges of the Islands.

In his letter the

Hon'ble MP highlighted that the Andaman & Nicobar Islands are located more than 1,200 kilometres away from the Indian mainland and consist of geographically scattered and remote islands. The Hon'ble MP pointed out that as per DSR-2021, the cost of civil and infrastructure works in the Andaman & Nicobar Islands is about 50 to 70 percent higher compared to similar

works on the mainland, where materials are readily available and transportation costs are minimal.

Shri Bishnu Pada Ray further stated that due to the high cost structure, the genuine developmental aspirations of the islanders cannot be adequately met within the existing MPLAD ceiling of Rs. 5 crore per annum, a press release from MP Office said.

To improve service delivery- 4 Nos. water pump of higher capacity sanctioned

Sri Vijaya Puram, Feb. 4

The A&N Administration has accorded sanction for the installation and commissioning of four high-capacity water pumps to ensure uninterrupted and improved drinking water supply in the SVPMC area. The project involves installation of 4 numbers of 410 HP pumps at the SVP headquarters, with

an approved cost of Rs. 2.69 crore. This initiative reflects the Administration's commitment to strengthening critical water infrastructure and enhancing public service delivery.

With the increased pumping capacity, water will be conveyed more efficiently to the SVPMC command tanks, enabling faster filling and reducing

stress on the existing distribution network. The project addresses a long-pending demand raised by Ward Councillors regarding low pressure in the water supply system and will significantly benefit residents of Garacharma and Bazaar areas, ensuring a more reliable and consistent drinking water supply, a press release from APWD said.

Electricity Department operationalizes 24x7 Centralized Control Room CCR serves as single dedicated platform for general public to report power outages & other power related issues & its prompt redressal

Sri Vijaya Puram, Feb. 4

With the objective of providing fast, reliable and hassle-free resolution of power-related issues, the Electricity Department has made fully operational a 24x7 Centralized Control Room (CCR) at Sri Vijaya Puram for the benefit of all electricity consumers and the general public across A & N Islands. The CCR serves as a single dedicated platform for the consumers and general public for reporting power outages, supply disruptions and other power related issues ensuring prompt and coordinated action.

Consumers and general public are encouraged to use the Toll-free number 1800-345-1111 to register their complaints any time, day or night 24x7 round the

clock. Every complaint received at the CCR is continuously monitored, and attended to on a priority basis in a time-

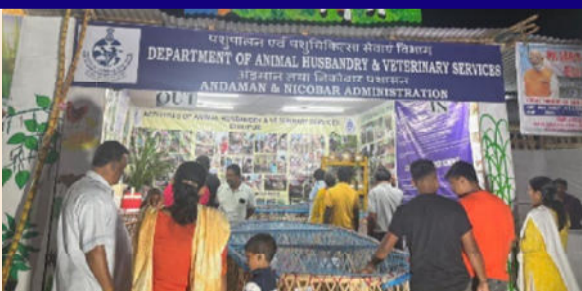

bound manner. In addition, the CCR provides information on scheduled power interruptions, expected

restoration time and also responds to reports of unsafe electrical conditions or emergency situations. The Electricity Department appeals to all consumers and general public to make this toll-free number their primary and preferred mode for redressal of all power-related issues and to avoid visiting site offices for lodging complaints. Active use of the CCR will enable quicker response, better coordination and improved service delivery ensuring a seamless and consumer friendly system in larger public interest. "Your Power Complaint, Our Priority - 24x7. No Office Visits - Just One Toll-Free Call", a press release from Electricity Department said.

Dept. of AH&VS showcases active participation and public outreach at multiple melas across Islands

Sri Vijaya Puram, Feb. 4

The Department of Animal Husbandry & Veterinary Services (AH&VS) actively participated in several prominent melas during January 2026, setting up informative and interactive departmental stalls to engage directly with farmers, livestock owners, students, and the general public. These participations formed part of the Department's ongoing efforts to promote scientific animal husbandry practices, raise awareness about Government schemes, and strengthen community outreach in both rural and tourist areas.

From classrooms to communities: APWD trains teachers on water conservation Master Trainers to shape responsible water habits among children

Sri Vijaya Puram, Feb. 4

In an important initiative to promote water conservation, a training program for Master Trainers was conducted by the Andaman Public Works Department (APWD), A&N Administration in the conference hall of the Chief Engineer's Office, APWD, with the aim to foster awareness on water conservation among school children.

The training saw the participation of one teacher from each Government and private school from the Headquarter area. Shri Jose P John, Assistant Engineer, APWD,

welcomed the participants and explained the key objectives of the training. He emphasized that the

children would be the most effective ambassadors for spreading water conservation awareness, not just in schools but also at home and within their communities. "When children are taught about the importance of water conservation, they naturally take it upon themselves to spread the message, creating a ripple effect throughout society," said Shri Jose.

Dr. Arun Kumar, Superintending Engineer (Planning), APWD, made an insightful Power Point presentation

outlining the critical issues surrounding water usage and conservation. He elaborated on practical steps to conserve water and introduced various formats for conducting water audits. A simplified water auditing format was distributed to all participants to assist students in gathering data on water usage within their respective schools and homes.

Dr. Arun further encouraged the teachers to instill habits in students that promote water reuse and conservation, suggesting that they incorporate short talks on water-saving practices during morning assemblies. "Every small action matters, and making it a daily habit will go a long way in conserving our precious water resources," he stated.

In the conclusion of the training, one of the participants Ms. Sudha Dixit from GMS Corbyn's Cove summarized the key takeaways and expressed a commitment to encourage students to undertake water audits and adopt water conservation practices in their daily lives.

The Public Grievance Officer, in his closing remarks, extended his gratitude to the Director of Education and the heads of educational institutions for supporting the training initiative and allowing their teachers to participate. He also thanked the participants and the organizing team for their efforts in conducting the training at short notice. This program marks an essential step towards empowering educators to become effective change agents in promoting water conservation among future generations, a press release from APWD said.
