

Hon'ble Lt. Governor, A&N Islands holds meeting with MoEFCC Officials to discuss Great Nicobar project

In the meeting, it was discussed that during the construction and operational phases of mega strategic and infrastructure projects, mitigation measures must be implemented to eliminate environmental damage

Sri Vijaya Puram, July 5

Admiral D K Joshi, PVSM, AVSM, YSM, NM, VSM, (Retd.), Hon'ble Lt. Governor, A&N Islands and Vice-Chairman, Islands Development Agency held a meeting with Shri Chandra Prakash Goyal, Chairman of the high-level committee of the Union Ministry of Environment, Forest and Climate Change (MoEFCC), to review the sustainable development of Great Nicobar Islands, an official said on Saturday.

Shri Goyal and Dr. Satya Prakash Yadav, a permanent member of the committee, called on the Hon'ble Lt. Governor on July 3, 2026 and held detailed

discussions on conservation and regulatory framework under the Environmental Impact Assessment (EIA) and Coastal Regulation Zone (CRZ) notifications, diversion of island forest cover, compensatory afforestation and non-displacement of tribal communities at Great Nicobar Islands, the official said.

In the meeting, it was discussed that during the construction and operational phases of mega strategic and infrastructure projects, mitigation measures must be implemented to eliminate environmental damage, protection of wildlife and socio-cultural ecosystems in

the Great Nicobar Islands.

During the meeting, the Hon'ble Lt. Governor highlighted that the Great Nicobar Island project, which recently secured final environmental clearance from the

National Green Tribunal (NGT), is set to position the Andaman and Nicobar Islands as a major maritime and logistics hub in the Indo-Pacific region.

In the first phase, the terminal

is expected to handle around six million TEUs (twenty-foot equivalent unit) at an estimated cost of Rs. 20,000 crore, with completion targeted within three years of commencement. In the final phase, capacity could scale up to 21 million TEUs, making it one of the largest container ports not only in India but potentially across the Indo-Pacific, another official present in the meeting said.

Highlighting the strategic location of Great Nicobar near the Malacca Strait, he noted that the port could emerge as a dominant transshipment hub in global shipping routes. The project will be executed under the

public-private partnership (PPP) model using the landlord framework, wherein the government will primarily invest in core infrastructure and connectivity, while private players will bring in the bulk of investments.

Alongside the port, a greenfield international airport is also planned, with at least one runway expected to be operational within three years.

Additionally, the existing runway at INS Baaz (Indian Naval Air Station in Campbell Bay) is being extended to nearly three kilometres to accommodate large aircraft. (Source: <https://www.thehindu.com/>)

Scuba Diving sites identified for operation of Dive Centres in Mayabunder & Diglipur

Sri Vijaya Puram, July 5

The Directorate of IP&T continues to promote sustainable tourism by expanding adventure and water-based recreational activities across the Islands. In line with this objective, the Directorate of IP&T in collaboration with Scuba School International (SSI) has identified eight new scuba diving sites in Mayabunder (Middle Andaman) and Diglipur (North Andaman).

The initiative forms part of the DIPT's ongoing efforts to diversify the tourism sector of North & Middle Andaman and promote the region as an emerging destination

for adventure watersports tourism. The newly identified sites offer excellent opportunities for recreational scuba diving, enabling tourists and adventure enthusiasts to experience the pristine coral reefs, rich marine biodiversity and unique underwater ecosystems.

The details of the identified scuba diving sites are as follows:

S.N	Site Name	Type of Scuba Diving	Co-ordinates	Depth Range
1	North of Sound Island Rock, Mayabunder	Boat Diving	13°0.668' N 93°0.715' E	8-20 metres
2	Marker 077, Mayabunder	Boat Diving	12°55.130' N 92°56.301' E	6-15 metres 5-40 metres
3	Bochang, Mayabunder	Boat Diving	13°2.193' N 93°1.002' E	5-40 metres
4	Hiran Tikery, Diglipur	Boat Diving	13°21'59.3" N 93°04'59.9" E	6-15 metres
5	Landfall East, Diglipur	Boat Diving	13°39'45.5" N 93°04'59.9" E	1-18 metres
6	House Reef at Ross & Smith, Diglipur	Shore Diving	13°18'40.2" N 93°04'20.1" E	2-8 metres
7	Paget Island, Diglipur	Boat Diving	13°25'09.2" N 92°52'23.7" E	6-12 metres
8	Landfall South, Diglipur	Boat Diving	13°37'18.1" N 93°01'21.8" E	5-20 metres

The identification of these dive sites fulfils the long-standing demand of tourism stakeholders & boat operators of North & Middle Andaman. The initiative is expected to attract more tourists, diversify tourism products available in the North & Middle Andaman, generate employment opportunities for local

youth, and provide a significant boost to the local tourism economy.

Earlier, in May 2026, four scuba diving sites in Diglipur were identified and incorporated into the Scuba Diving Guidelines with the consent of the Forest Department. With the inclusion of these sites, a total of 12 scuba diving locations is now available across North & Middle Andaman, providing visitors with enhanced opportunities to experience the region's unique underwater biodiversity and adventure scuba diving.

Govt. to provide financial support for opening Pashu Aushadhi Vikray Kendras

Sri Vijaya Puram, July 5

The Government of India has launched a new initiative under the Livestock Health and Disease Control Programme to improve animal healthcare by opening Pashu Aushadhi Vikray Kendras - dedicated stores that will sell quality generic veterinary medicines at affordable prices to livestock owners, especially in rural and remote areas.

These Kendras can be set up by registered Pradhan Mantri Kisan Samridhi Kendras

(PM-KSKs) and Cooperative Societies. To qualify, the applicant must have at least 120 square feet of space, employ a registered pharmacist (B. Pharma or D. Pharma), and possess a valid drug sale license from the State Drug Control Authority. Only one Kendra will be permitted per revenue block, with priority given to areas having large livestock populations.

The Government is offering attractive financial support to encourage

participation. Store operators will receive a 20% margin on the selling price of medicines (excluding tax). A one-time incentive of Rs.1.5 lakh is available for Kendras opened in aspirational districts, hilly areas, islands, and northeastern states. Additionally, a monthly incentive of up to Rs. 20,000 will be provided based on stock maintenance and sales performance.

Only medicines supplied by the Pharmaceutical and

Major step towards promoting digital governance

Transport Department introduces QR-based digital fare collection in Govt. Bus Services

Sri Vijaya Puram, July 5

In a significant step towards promoting digital governance and enhancing passenger convenience, the Transport Department, Andaman & Nicobar Administration, has introduced a QR code-based cashless fare collection system in Administration-operated STS bus services under the Bus Terminus, Sri Vijaya Puram, in the first phase of implementation. The initiative aims to provide commuters with a safe, secure, and hassle-free digital payment option while promoting transparency, efficiency, and ease of doing business in public transport services.

Under this initiative, commuters can now pay their bus fares instantly through any UPI-enabled mobile application by scanning the QR code available with the Bus Conductors. The system offers a

safe, mode of payment, eliminating the need to carry exact cash while reducing transaction time and improving operational efficiency.

The QR-based payment facility ensures transparency in fare collection, minimizes cash handling, and supports the Government's vision of a digitally empowered society. The initiative is also expected to improve passenger experience

by providing a quick and convenient payment option, especially for daily commuters, students, and tourists.

The Transport Department has appealed to the general public to actively utilize this digital payment facility and support the transition towards cashless public transportation. Commuters are encouraged to keep their preferred UPI applications ready while travelling and make use of the QR-based payment system for a seamless and efficient journey.

The Department remains committed to adopting innovative technologies and citizen-friendly initiatives aimed at improving public transport services and promoting ease of doing business in the Union Territory, a press release from Transport Department said.

Healthcare facilities urged to ensure strict adherence to Bio-Medical Waste Management Rules, 2016

Sri Vijaya Puram, July 5

It is brought to the knowledge of all concerned that, under the provisions of the Bio-Medical Waste Management Rules, 2016, every biomedical waste generator is required to obtain authorization for the generation, handling, treatment, processing and disposal of biomedical waste. Further, under the provisions of the Water (Prevention and Control of Pollution) Act, 1974 and the Air (Prevention and Control of Pollution) Act, 1981, all such facilities are mandated to obtain Consent to Establish (CTE), Consent to Operate (CTO) and renewal thereof, from Andaman & Nicobar Pollution Control Committee (ANPCC).

However, it has been observed that several Healthcare Facilities (HCFs) operating in the Andaman & Nicobar Islands are required to strengthen compliance with the above statutory provisions.

Therefore, all Healthcare Facilities both Government and Private are hereby urged to ensure strict adherence to the Bio-Medical Waste Management Rules, 2016 (as amended), particularly with respect to the following:

1. All HCFs shall obtain valid Consent to Establish (CTE)/Consent to Operate

(CTO) under the Water Act, 1974 and Air Act, 1981, along with authorization under BMW Rules, 2016 from the Andaman & Nicobar Pollution Control Committee (ANPCC) through the OCMMS portal (<https://anocmms.nic.in>).

2. As per the revised classification issued by the Central Pollution Control Board (CPCB), industries are categorized into Red, Orange, Green, and White categories based on their pollution potential. Healthcare Facilities (HCFs) falling under the Red category are required to have adequate wastewater management systems and scientific waste disposal mechanisms. HCFs with 501 to more than 1000 beds are classified under the Red category, those with 201 to 500 beds under the Orange category, and HCFs with up to 200 beds under the Green category. Further, all HCFs having more than 10 beds required to install appropriate Effluent Treatment Plants (ETPs) for treatment of effluents prior to discharge.

3. HCFs having captive incineration facilities shall have installation of Online Continuous Emission Monitoring Systems (OCEMS) with real-time data transmission to CPCB servers. The HCFs in

isolated/ far flung areas can practice deep burial method for biomedical waste management (Yellow category), however shall be duly authorized and designed in accordance with standards prescribed under Schedule II of BMW Rules, 2016.

4. HCFs (bedded) not connected to sewerage systems or without terminal treatment facilities shall comply with standards specified under Schedule II of BMW Rules, 2016. HCFs connected to public sewers with terminal treatment facilities shall comply with general discharge standards notified under the Environment (Protection) Act, 1986. HCFs with less than 10 beds shall comply with discharge standards under Schedule II (S. No. 8). Non-bedded occupiers shall treat infectious liquid waste through disinfection prior to disposal, as per prescribed guidelines. For more information, follow the guidelines.

In view of the provisions, all the Healthcare Facilities in the Andaman & Nicobar Islands are hereby advised to ensure strict compliance with the above provisions, a press release received from Member Secretary, A&N Pollution Control Committee said.

AFFIDAVIT

I, IBRAHIM ALI, S/o Md. Niroz Ali, residing at Anarkali, Sri Vijaya Puram under South Andaman, do hereby solemnly affirm and declare as follows:

- 1. That I am the father of TUHINA KHATUN, whose birth has been registered with the concerned Birth Registration Authority, Registration No. 229.
- 2. That in my daughter's Birth Certificate, my name has been incorrectly recorded as "IBRAHIM GAZI" instead of my correct name, "IBRAHIM ALI".
- 3. That my correct name is "IBRAHIM ALI", as reflected in my official identity documents such as Aadhaar Card / PAN Card / Passport / Voter ID.
- 4. That the incorrect entry in the Birth Certificate is due to an inadvertent clerical / typographical error and there has been no change in my identity.
- 5. That I request the concerned authority to correct my name in my daughter's Birth Certificate from "IBRAHIM GAZI" to "IBRAHIM ALI".
- 6. That this affidavit is made for the purpose of correcting my name in my daughter's Birth Certificate and for all other legal purposes. I hereby declare that the statements made above are true and correct to the best of my knowledge and belief and nothing material has been concealed.
