Climate change could pose a threat to the very existence of Islands: Hon'ble Lieutenant Governor, Dr. Dinesh Sharma

Need to redefine development in the era of climate change

Andaman and Nicobar Islands are Guardians of India's Borders

The waves of the sea should convey the message of life

Lucknow/Sri Vijaya Puram, Nov. 5

The Hon'ble Lieutenant Governor of the Andaman and Nicobar Islands, former Rajya Sabha Member of Parliament and former Deputy Chief Minister of Uttar Pradesh, Dr. Dinesh Sharma, stated that climate change could pose a threat to the very existence of island territories. Rising temperatures, increasing sea levels and the growing intensity of cyclones are further aggravating this crisis. Some of the low-lying islands of Andaman and Nicobar require special action plans to address these challenges.

Addressing a seminar on the topic "The Future of Islands in the Era of Climate Change - With Special Reference to Andaman and Nicobar", the Hon'ble Lieutenant Governor said that, in view of this crisis, there is a need to redefine development. Development must be pursued in a manner that goes hand in hand with the conservation of nature. The Andaman and Nicobar Islands, besides serving as Guardians of India's Borders, also remind us of our responsibility towards nature. The waves of the sea should convey the message of life.

He stated that climate change is also affecting the social life and traditions of the island communities. Human civilisation can remain safe not by confronting nature, but only by establishing harmony with it. It is with this very vision that the mantra of progress along with the conservation of nature has been embraced in the Andaman and Nicobar Islands. The natural beauty of Andaman and other islands is truly remarkable, making them major attractions for tourists; however, climate change is now posing a threat to this very natural beauty.

Describing the Andaman and Nicobar Islands as a symbol of India's strategic strength, natural wealth and cultural diversity, Dr. Sharma said that there is a need to understand the gravity of this crisis and take appropriate action. The coastal areas of the Islands and their inhabitants share an inseparable relationship with the sea. Rising sea levels may not only affect land areas but also pose challenges to drinking water availability, agriculture, fisheries.

To address these challenges, it is essential, first and foremost, to conserve the forests and coral reefs that serve as natural protective barriers and help reduce the impact of sea waves and cyclones. A better balance must be maintained between development activities and the conservation of nature. Along with the adoption of clean energy, effective arrangements for rainwater harvesting are also essential. The experiences and traditional knowledge of local and tribal communities can prove significant in mitigating this crisis.

He further stated that in the coming years, Andaman and Nicobar Islands will emerge as a major centre for maritime trade and serve as a foundation for India's progress towards becoming one of the prosperous nations of the world. The development activities to be undertaken in the Andaman and Nicobar Islands in the coming years will also strengthen the country's strategic capabilities.

On the occasion, eminent scientists Dr. C.M. Nautiyal Ji, Dr. Mukund Sharma Ji, Dr. Dhruv Sen Singh Ji, Dr. Atma Prakash Misra Ji, Dr. Venkatesh Dutta Ji, Prof. Kanchan Lata Ji, Prof. Shalini Srivastava Ji, Councillor, Shri Swadesh Singh Ji, Prof. Poonam Verma Ji and others were present, a press release from Lok Niwas said.

Hon'ble Lieutenant Governor, A&N Islands, Dr. Dinesh Sharma Ji had a cordial meeting with the Hon'ble Union Minister, Shri C. R. Paatil Ji, in New Delhi. During the meeting, constructive discussions were held on exploring sustainable and long-term solutions for water management in the Andaman and Nicobar Islands.

GREETINGS

On the auspicious and joyous occasion of Panchotsav, I extend my heartiest congratulations and warm greetings to all the Islanders of the Andaman and Nicobar Islands.

Panchotsav is a beautiful series of festivals celebrated over five days, commencing with Dhanteras. Under this, auspicious festivals such as Dhanteras, Chhoti Deepawali or Naraka Chaturdashi, Deepawali i.e. Lakshmi Puja, Govardhan Puja or Annakut, and Bhai Dooj are celebrated. All these festivals are symbolic of our rich cultural and spiritual traditions, family unity, love and mutual harmony. They also inspire us to embrace eternal values such as truth, righteousness, compassion and mutual respect, while further strengthening the bonds of unity, harmony and brotherhood in society.

May the radiance of these festivals illuminate our homes, surroundings and lives with happiness, peace, hope and positive energy. Let us celebrate these auspicious festivals with goodwill and enthusiasm, extend our support to the needy and underprivileged, and rise above mutual differences to work together for the collective welfare and progress of our Islands. Let us also reaffirm our commitment towards building a peaceful, inclusive and prosperous society, where every individual has equal opportunities to grow and contribute to the development of the Islands.

On this joyous occasion, I wish all the Islanders and their family members good health, happiness, prosperity and success. May this auspicious festival of Panchotsav bring new hopes and countless possibilities into everyone's lives, and may our beautiful Islands continue to move forward on the path of peace, inclusive development and sustained progress.

Warm greetings on Panchotsav!

(Dr. Dinesh Sharma)
Lieutenant Governor,
Andaman and Nicobar Islands

Maiden BIMSTEC Maritime Security Exercise culminates at Sri Vijaya Puram

Sri Vijaya Puram, Nov. 5

The maiden BIMSTEC Maritime Security Exercise culminated successfully at Sri Vijaya Puram on November 3, following a series of engagements and coordinated maritime activities conducted from Oct. 30 to Nov. 3 under the aegis of the Andaman and Nicobar Command (ANC), India's only Operational Tri-Service Command.

The exercise witnessed the participation of naval ships from BIMSTEC member States, including Indian Naval Ships INS Taragiri, INS Karmuk and INS Saryu; Myanmar Navy Ship UMS King Aung Zeya; and Sri Lanka Navy Ship SLNS Gajabahu. The landmark initiative marks a significant milestone in advancing regional maritime collaboration and collective security.

The exercise brought together several senior dignitaries and distinguished representatives, including BIMSTEC Secretary General His Excellency Indra Mani Pandey; Vice Admiral Biswajit Dasgupta (Retd.), National Maritime Security Coordinator; Rear

District Administration (SA) conducts Janta Darshan at Shaheed Dweep

Shaheed Dweep, Nov. 5

As per the directions of the Hon'ble Lieutenant Governor, A&N Islands, the District Administration, South Andaman, conducted a Janta Darshan yesterday at Gram Panchayat, Neil Kendra, Shaheed Dweep, under the Chairpersonship of the Deputy Commissioner, South Andaman, to provide an accessible platform for the public to raise their grievances and concerns and facilitate their timely redressal.

During the Janta Darshan, the Deputy Commissioner, South Andaman, interacted with representatives of the Panchayati Raj Institutions (PRIs), departmental officials and members of the public and heard various grievances and issues raised by them. The concerned Heads of Departments were directed to take appropriate action for their expeditious redressal and ensure effective delivery of essential public services to the residents of Shaheed Dweep. To expedite the disposal of pending sub-division, demarcation and land set-apart cases, a Surveyor has been deputed at

A&N Administration urges citizens to actively participate in National e-Governance Service Delivery Assessment 2025

Sri Vijay Puram, Nov. 5

The A&N Administration has appealed to all citizens and beneficiaries of Government services in the Islands to actively participate in the National e-Governance Service Delivery Assessment (NeSDA) 2025 - Citizen Survey, being conducted by the Department of Administrative Reforms and Public Grievances (DARPG), Government of India.

The Citizen Survey is an integral part of the NeSDA 2025 Assessment and aims to obtain valuable feedback from citizens regarding their experience in availing Government services through online platforms. The feedback received will

Patwarkhana, Shaheed Dweep for necessary field-level action. Further, an Islander Card Correction Camp will commence from Nov. 6 at Patwarkhana, Shaheed Dweep, to facilitate necessary corrections in the records of eligible residents. Discussions were also held on the proposed Bharatpur and Sitapur Beach Management Plans, during which the concerns and suggestions of the public were heard and discussed for appropriate consideration by the concerned Departments.

As part of the visit, the Deputy Commissioner, South Andaman also inspected the Government Senior Secondary School (GSSS), Shaheed Dweep and interacted with the school authorities to assess and address the issues concerning the institution. Subsequently, she visited the Primary Health Centre (PHC), Neil Kendra, where she interacted with the medical and supporting staff and reviewed the issues and requirements relating to the functioning of the health facility. The requirements and concerns highlighted during both visits were duly noted and the Deputy Commissioner assured that necessary follow-up action would be taken in coordination with the concerned Departments.

The Janta Darshan reflects the District Administration's commitment to ensuring accessible, responsive and citizen-centric governance. The District Administration, South Andaman will continue to undertake such public outreach initiatives to facilitate direct interaction with citizens, address their grievances and ensure time-bound delivery of public services, a press release from DC (SA) said.

APPEAL

Deepawali is a festival of light, joy, and happiness. However, this joyous occasion is not always celebrated with due caution and, at times, turns into a festival of noise and fire hazards. It is, therefore, essential to celebrate this festival responsibly, taking all necessary precautions to minimise pollution, fire hazards, and accidents.

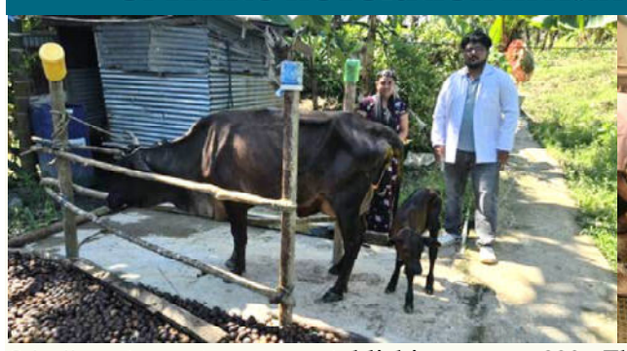

I appeal to everyone to avoid bursting firecrackers, especially in prohibited zones such as hospitals, educational institutions, places of worship, petrol pumps, and on roads. Firecrackers should be burst only between 8:00 pm and 10:00 pm. Your cooperation will go a long way in ensuring that fellow citizens can also celebrate this festival in an atmosphere of joy, peace, and happiness.

Celebrate the festival of light in its true spirit.

I wish you all a very HAPPY & PROSPEROUS DEEPAWALI

Shri, Navya, Sasi - The Prospective Pioneers of White Revolution in A&N Islands

Sri Vijaya Puram, Nov. 5

The Department of Animal Husbandry & Veterinary Services (AH&VS), Andaman & Nicobar Administration, has registered a historic achievement in livestock development with the birth of the first three female calves produced through Embryo Transfer Technology (ETT) in the Andaman & Nicobar Islands. This pioneering initiative, launched earlier this year in collaboration with NDDB Dairy Services, marks the first successful implementation of advanced Embryo Transfer Technology under island conditions. The Department of AH&VS has entered into an agreement with Natern Dairy Services, a subsidiary of the National Dairy Development Board (NDDB), to establish "High Genetic Merit" crossbred pregnancies in local cattle by transferring embryos produced through the in vitro technique. The scheme is being implemented under the Rashtriya Gokul Mission with the objective of establishing 220 pregnancies over a period of two years.

These calves will have the potential to produce an average of 15 litres of milk per day. Implementation of this scheme is part of the Department's initiative to improve the productivity of local cattle and increase the availability of fresh milk. The Department has been implementing crossbreeding through artificial insemination to upgrade the local cattle, which takes 3-4 generations or 10-12 years. By using ETT, the period has been reduced to 3-4 years. Moreover, these high-genetic-merit cattle and their offspring will ensure the establishment of a dairy herd with high milk yield capacity and will gradually replace the low-yielding animals.

Launched in February, 2026, 05 phases has been completed in which 112 embryo transfers have been completed. Pregnancy has been confirmed in 29 recipient animals. While another 34 animals are waiting for confirmation.

The first ETT female calf of the Islands, named "Shri", was born on 1st November 2026 at Kamraj Nagar. The second female calf, named "Navya", was born at Manglutan, and the third female calf, named "Sasi", was born at Port Mout. All three calves are reported to be healthy, and the calvings were normal.

The Department of AH&VS has congratulated the beneficiary farmers and the veterinary teams involved in the successful implantation, pregnancy monitoring and calving. Livestock farmers are encouraged to come forward and avail the benefits of Embryo Transfer Technology and other advanced breeding services available at the nearest veterinary institutions. The Department remains committed to scaling up the programme across more areas in the coming phases, ushering in a new era of advanced dairy development in the Andaman & Nicobar Islands, a press release from Deptt. of AH&VS said.

A&N Administration urges citizens.....

(Contd. from page 1)

help assess the effectiveness, accessibility and quality of digital service delivery and identify areas for further improvement.

The Administration has requested citizens, Government employees and beneficiaries of various Government services to participate in the survey and submit their responses online. The Administration is also making efforts to ensure wide publicity and maximum participation through various Departments and media platforms.

Citizens can participate in the survey by accessing the following direct link: https://forms.gle/MPDGVJ6tKPBnMKsEA

Alternatively, the survey can also be accessed through the NeSDA Way Forward Portal: https://nesda.gov.in/wayforward/citizen-survey

The links are available in the A & N Administration state portal: https://andamannicobar.gov.in/

The last date for submission of responses is Nov. 15. The A&N Administration urges all citizens to come forward and participate in this important exercise. Every response matters and will contribute towards making Government services more accessible, transparent, efficient and citizen-friendly. Your Feedback Matters! Participate Today for Better Digital Governance, a press release from Department of IT said.

ANPCC installs monitoring stations to assess the impact of firecracker bursting during Deepawali festival in compliance with Supreme Court's Judgment

Bursting of firecrackers is restricted to the time slot of 8 pm to10 pm

Sri Vijaya Puram, Nov. 5

Air pollution is a major concern in today's world, especially for people who suffer from respiratory health issues. Awareness about air pollution is important to inform citizens about the pollution caused by the use of firecrackers, which poses greater risks to the lives and health of vulnerable groups.

In compliance with the orders of the Hon'ble Supreme Court of India and the Hon'ble National Green Tribunal (NGT) order dated 23.10.2018 in the matter of O.A. No. 728 of 2015, the Andaman and Nicobar Administration has taken various steps to control air pollution caused by the bursting of firecrackers by restricting the timing to two hours, from 8:00 PM to 10:00 PM, during Deepawali.

As per the directions, the Andaman and Nicobar Pollution Control Committee (ANPCC) is carrying out short-term monitoring of ambient air quality and noise levels for the upcoming Deepawali festival. The monitoring programme is in accordance with the protocol of the Central Pollution Control Board (CPCB), New Delhi.

ANPCC has installed three monitoring stations at Aberdeen Bazaar, Dollygunj and Mithakari. These stations will operate for 15 days, commencing seven days prior to Deepawali (from 01.11.2026) and concluding seven days after Deepawali (up to 15.11.2026). The parameters to be monitored include Sulphur Dioxide (SO_2), Nitrogen Dioxide (NO_2), Particulate Matter (PM22 and PM22), metals such as Lead (Pb), Nickel (Ni) and Arsenic (As) in PM22, and selected metals/elements such as Aluminium (Al), Barium (Ba) and Iron (Fe) in PM22. Noise levels will also be monitored continuously on pre-Deepawali and Deepawali days.

This year, Deepawali falls on 08.11.2026, and ANPCC's monitoring programme will extend from 01.11.2026 to 15.11.2026, ensuring data collection during the crucial seven days before and after the festival.

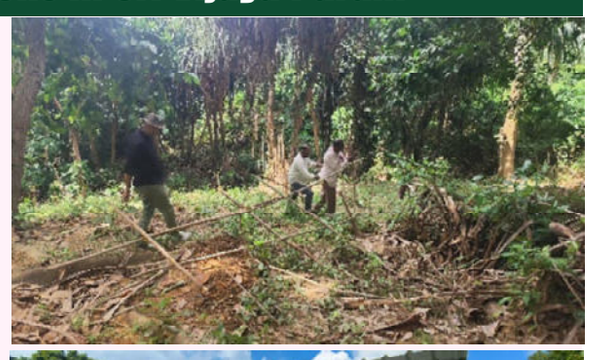

Ambient air quality is assessed through the Air Quality Index (AQI), which classifies air quality into six categories ranging from Good to Severe, helping citizens understand pollution levels and their potential health implications.

AQI	Possible Health Impacts
Good (0–50)	Minimal impact.
Satisfactory (51–100)	Minor breathing discomfort to sensitive people.
Moderate (101–200)	Breathing discomfort to people with lung, asthma and heart disease.
Poor (201–300)	Breathing discomfort to most people on prolonged exposure.
Very Poor (301–400)	Respiratory illness on prolonged exposure.
Severe (>400)	Affects healthy people and seriously impacts those with existing diseases.

Based on the data recorded during the monitoring period, the AQI will be computed for each location. In the previous year (2025), the AQI was assessed as "Satisfactory" at both Aberdeen Bazaar and Dollygunj monitoring stations.

ANPCC continues its efforts to maintain and improve air and noise quality during the festive season, ensuring a safe, clean and healthy environment for the residents of the Andaman and Nicobar Islands, a press release from ANPCC said.

District Administration (SA) takes swift action against fresh encroachment at various locations in Sri Vijaya Puram

Sri Vijaya Puram, Nov. 5

The District Administration, South Andaman, in its continued efforts to safeguard Government land and prevent unauthorised occupation, has taken prompt action against fresh encroachments in Sri Vijaya Puram Tehsil.

During an inspection conducted on Nov. 3, four temporary sheds along with fencing were found unauthorisedly erected on Government land at Atam Pahar, Garacharma Village. Accordingly, an eviction drive was conducted by the Revenue authorities, resulting in the removal of the unauthorised structures and fencing and retrieval of approximately 1,000 square metres of Government revenue land.

Further, on Nov. 5, eviction drives were conducted at Brookshabad and Austinabad villages to prevent unauthorised occupation of Government revenue land. During the drives, one temporary structure each was removed from Government land at Brookshabad Village and Austinabad Village. Encroachments in the form of fencing were also removed from Government land in both villages. Altogether, approximately 0.10 hectares of Government land was cleared and restored to its original status.

The District Administration reiterates its zero-tolerance policy towards encroachment on Government land and cautions the general public against any such unauthorised activities. Citizens have been advised to strictly adhere to the legal provisions governing land use and ownership and are encouraged to report instances of encroachment to the Administration.

Such information may be shared with the District Control Room through the helpline numbers 03192-240127/238881/1070 or via WhatsApp at 9531888844. The identity of informants shall be kept strictly confidential, and appropriate action will be initiated on all genuine complaints received, a press release from DC (SA) said.

Island Tourism Festival - 2026

Art & Culture Department to present cultural programmes at various venues across A&N Islands

Sri Vijaya Puram, Nov. 5

The Island Tourism Festival-2026 is scheduled to be organised by the Tourism Department, A&N Administration from 27th to 31st December, 2026. As part of ITF-2026, the Art & Culture Department, A&N Administration will be presenting cultural programmes at various venues across the A&N Islands.

Applications have already been invited from local cultural associations and organisations interested in participating in the festival. The last date for submission of applications has now been extended till 10th November 2026, up to 4 PM.

Each group is required to submit details of at least four to six cultural programmes, with a minimum duration of 30 minutes for dance performances and 45 minutes to 1 hour for singing performances per occasion. This will enable the Programme Selection Committee to assess and select from a diverse range of performances for presentations at different venues.

Participating artists must be 8 years of age or above and each group must consist of a minimum of 8 members and a maximum of 15 members per venue. A self-certificate must be submitted along with the application, confirming the group's willingness to perform at any of the designated venues during the festival as allotted by this Department. Non-compliance may result in withdrawal from participation in the cultural programmes during the ITF and may be reviewed by the Department when considering future programmes.

The applications must be submitted by 4:00 PM of 10th November, 2026 either in person at the Directorate of Art & Culture, Cellular Jail Complex, Atlanta Point, Sri Vijaya Puram or via email to artand.culture@and.nic.in. The prescribed application form (Annexure-I) can be downloaded from either https://andaman.gov.in OR https://artculture.andamannicobar.gov.in

The Programme Selection Committee will select programmes for different venues during the rehearsals to be conducted on 11th and 12th November 2026 for dance groups and 13th November 2026 for singing groups at Andaman Club from 2 to 7 PM. The Department encourages presentation of classical, semi-classical, traditional and folk dances along with related musical forms such as bhajans, qawwalis and folk songs from different States.

The participants have been asked to be present before the Selection Committee to showcase their performances as per the above mentioned date and time. Changing of date, time and venue after being selected will be on the discretion of the Department. For any queries, interested organizations may contact at 03192-234775 during working hours, a press release from Art & Culture Department said.

Tourism Department to organise 6-day training on Culinary Skills Presentation & Hygiene for Homestay Operators

Sri Vijaya Puram, Nov. 5

The Department of Tourism, in association with the Institute of Hotel Management, Catering Technology and Applied Nutrition (IHM), Mumbai, will be organizing a comprehensive 06-day Training and Certification Programme for Homestay operators under the RAMP Scheme.

The training program will be conducted from Nov. 16 to 21 at the Hotel Management Department, Dr. B. R. Ambedkar institute of technology (DBRAIT), Dollygunj.

This initiative aims to empower existing homestay operators, aspiring homestay operators, and their staff with essential culinary skills Presentation & Hygiene in homestay operations,

All registered and aspiring homestay operators or their staff have been encouraged to take advantage of this opportunity to elevate their service skills and standards and are requested to register at the earliest via the link https://forms.gle/mnePf5YkffAUE7bJ8. For further details, contact the Planning Section, Department of Tourism at tourismplanning2013@gmail.com, a press release from Directorate of IP&T said.

Ayushman Arogya Shivir organized at Diglipur under TB-Free workplace initiative

Diglipur, Nov. 5

As part of the TB-Free workplace initiative, under the TB Mukt Bharat Abhiyaan, Ayushman Arogya Shivir were organized at the Office of the Assistant Commissioner, Diglipur, today by the TB Unit, Sub-District Hospital, Diglipur under the supervision of Assistant Commissioner, Diglipur and Chief Medical Officer, Sub District Hospital, Diglipur.

The health camp witnessed active participation from staff members of various departments working under the Administrative Building. During the camp, a total of 79 staff members were examined and screened for health parameters, including blood pressure (BP) and blood sugar levels. Portable handheld X-ray machine was utilized for rapid screening and generation of quick diagnostic data.

Through such workplace-based health initiatives, the Administration seeks to promote a healthy working environment and strengthen collective efforts towards achieving the vision of a TB-Free India.

The camp further aims to extend similar health screening facilities to staff members of other Government Departments, ensuring wider coverage and promoting a healthy workplace across the Administration, a press release from AC, Diglipur said.

Maiden BIMSTEC Maritime Security Exercise .....

(Contd. from page 1)

Admiral Kyaw Kyaw Htoo, Commander, Central Naval Command, Myanmar Navy; Air Vice Marshal MDR Prasad (Retd.), Director (Monitoring and Evaluation), Ministry of Ports and Civil Aviation, Sri Lanka; and Captain Mohammad Monzurul Islam, Commanding Officer, BNS Prottoy, Bangladesh.

Conducted in the spirit of the Delhi Declaration and in furtherance of the outcomes of the 4th BIMSTEC Experts Group Meeting on Maritime Security Cooperation held in November 2025, the exercise provided a valuable platform for participating navies to enhance interoperability, strengthen professional interactions and foster mutual understanding through collaborative maritime engagements.

The harbour phase at Sri Vijaya Puram featured high-level engagements, professional interactions and cultural exchanges, providing opportunities for participating delegations to deepen institutional ties and strengthen bonds of friendship. The subsequent sea phase, conducted off Sri Vijaya Puram on Nov. 2 and 3, involved coordinated maritime deployments and collaborative operational activities.

Beyond operational cooperation, the exercise fostered enduring camaraderie among participating personnel and reinforced the shared vision of a prosperous, resilient and open Bay of Bengal. It demonstrated the collective resolve of BIMSTEC nations to address common maritime challenges and safeguard shared maritime interests through sustained cooperation.

The successful culmination of this maiden exercise marks an important step towards institutionalising greater maritime engagement among BIMSTEC member states. For the Andaman and Nicobar Command, hosting this landmark event reaffirms its pivotal role in promoting regional maritime cooperation and contributing to peace, security and stability across the Bay of Bengal region. The exercise also lays a strong foundation for future collaborative initiatives under the BIMSTEC framework. Shared Seas, Shared Security, Shared Prosperity, a press release from PIB, Sri Vijaya Puram said.

1st DEATH ANNIVERSARY

On 06.11.2026

LATE WELLINGTON HARRY
Retd. DRCS

One year has passed since you left us, Dad, but the pain of losing you still feels like yesterday. There so many moments when I wish I could hear your voice, see your smile, and feel your presence once agin. Life has never been the same without you, Your love, guidance, and memories will forever remain a part of me. Though heaven is now your home, you will always have a special place in my heart.
Not a day goes by without missing you. Until we meet again, Dad, may your soul rest in eternal peace.
Forever loved. Forever missed. Forever our Dad.
