Run up to 2021 WC: India stun a hapless South Africa by 88 runs

Diamond Oval, Feb 6
India produced a clinical all-round performance to thrash hosts South Africa by 88 runs in the first one-dayer of the ICC Women's Championship at Diamond Oval on Monday. Opener Smriti Mandhana (84 off 98) scored a strokeful fifty while pace duo of Jhulan Goswami (4/24) and Shikha Pandey (3/23) shared seven wickets between them to emerge as the architects of India's victory. Electing to bat, left-handed batswoman Mandhana hit eight boundaries and a six in her 98-ball innings and shared a 99-run stand with skipper Mithali Raj (45) to help India post 213 for seven in their allotted 50 overs. Chasing 214 for a win, South Africa failed to stitch partnerships and kept losing wickets at regular intervals. Skipper D van Niekerk top-scored for South Africa with a 41. Pandey rocked the hosts early by removing opener Lizelle Lee (3), wicket-keeper Trisha Chetty (5) and Mignon

du Preez (0) to leave them at 23/3 in 9.2 overs. Spinner Poonam Yadav (2/22) then accounted for the other opener Laura Wolvaardt (21), while Goswami trapped Chloe Tryon LBW as South Africa lost half their side in 22.5 overs. Marizanne Kapp (23) and Niekerk tried to resurrect the run chase but Yadav sent the former back to the hut and left-arm spinner Rajeshwari Gayakwad removed the home side skipper after they reached the 100-mark. Goswami then mopped up the

tail, dismissing the remaining three batswomen -- Ismail (4), A Khaka (2) and M Klaas (1) - to complete the win. Earlier electing to bat, India lost their first wicket when Ayabonga Khaka dismissed opener Punam Raut (19) with Shabnim Ismail taking the catch. Mandhana and Raj then steadied the ship before the opener was removed by Khaka with Sune Luus taking the catch.

Next over, Masabata Klaas got rid of Raj as India slipped to 155/3 in 36.1 overs. South Africa then effected two run outs,

dismissing V Krishnamurthy (2) and DB Sharma (6) to further reduce the visitors to 168-5 in 42 overs. H Kaur and wicket-keeper S Verma then added 27 runs before the former was trapped by Kapp in the 48th over. Two balls later, Verma was caught by Khaka off Kapp. **Brief Score: India women's team: 213 for 7 in 50 overs (S Mandhana 84; M Kapp 2/26) South Africa women's team: 125 all out in 43.2 overs (Dvan Niekerk 41; Jhulan Goswami 4/24).**

India eye historic series lead against injury-hit South Africa

Cape Town, Feb 6
India will have their sights set on an unprecedented 3-0 lead when they take on South Africa, who have quite literally fallen apart due to injury blows, in the third ODI of the six-match series, here, on Wednesday. The visitors won the first two matches of the series in Durban and Centurion by six and nine wickets, respectively, dismantling the home side with consummate ease. Only twice previously India have managed to win two ODIs in a bilateral series in South Africa - in 1992-93 and in 2010-11. In the latter instance, the visitors shot into a 2-1 lead, only to lose the five-match series 3-2 in the end. They had also lost 5-2 in the other instance. But given

the hosts' current travails, history repeating itself would be a major disaster. This is because South Africa are beset with injury problems. AB de Villiers was ruled out before the first ODI, Faf du Plessis before the second (both suffered finger injuries). And the list has only grown with Quinton de Kock (left wrist injury) ruled

Bhubaneswar, Feb 6
India today successfully test-fired its short-range nuclear capable ballistic missile Agni-1 with a strike range of over 700 km from a test range off the Odisha coast. Defence officials said the indigenously developed surface-to-surface missile was launched as a part of a periodic training activity by the Strategic Forces Command of the Army to consolidate operational readiness. The state-of-the-art missile was launched around 8.30 am from a mobile

launcher at of the Integrated Test Range at the Dr Abdul Kalam Island. Describing the trial a complete success, they said that all the mission objectives were met during the test. The missile, which has already been inducted into the armed forces, has proved its performance in terms of range, accuracy and lethality. Weighing around 12 tonnes, the 15-metre-long Agni-1 can carry payloads up to 1,000 kg and is capable of hitting a target beyond 700 km. The missile is also capable of carrying nuclear warheads.

the site for the work 'C/o rural road' at W. No.8 at Wimberlygunj under ZPSA recently and inspected the construction work.

Tender of the work was invited on 06.05.2015 and subsequently awarded to the lowest quoted tenderer viz. A.R. Construction, Mathura with a tendered value of Rs. 28,51,725/-. Due to administrative reasons this tender was cancelled. Further, the tender for the balance work was invited on 26.07.2017 and awarded to the lowest quoted tenderer viz. JAS Construction, Wimberlygunj with a tendered value of Rs.34,67,877/-.

Now, it is quite evident that said work could not be completed even after a lapse of considerable period of nearly 3 years and accordingly, considering the need & hardships expressed by the villagers and different social activists, the site has been visited. The Adhyaksha, directed all the authorities of respective Departments such as Electricity and A.P.W.D. to extend full co-operation for shifting of electric poles & pipe lines in order to get the work completed in full shape in the interest of general public, a communication from ZPSA said.
