Swasth Bharat Portal unveiled: Unifying fragmented health systems to power India's digital health transformation

New Delhi, May 6 (PIB) Marking another major milestone in India's healthcare transformation, the Swasth Bharat Portal was launched recently during the 10th National Summit on Innovation and Inclusivity: Best Practices Shaping India's Health Future by the Union Minister for Health and Family Welfare, Shri Jagat Prakash Nadda. The launch signifies a decisive shift towards a more integrated, efficient, and scalable digital public health architecture.

Over the years, multiple digital applications have been developed by the Ministry of Health and Family Welfare (MoHFW) under various national health programmes to support service delivery, monitoring, and reporting. While these platforms have enabled digital data capture at scale, they have largely

operated in silos, leading to duplication of efforts, fragmented datasets, and sub-optimal utilization of resources.

Addressing this challenge, the Swasth Bharat Portal has been conceptualized as an aggregator platform that integrates existing programme systems through an API-based federated architecture. It enables interoperability and convergence, creating a unified digital layer across programmes. Envisioned as a one-stop integrated platform, it brings multiple national health programmes onto a single interface, eliminating the need for multiple logins and repetitive data entry, and significantly reducing the administrative burden on healthcare providers while enhancing efficiency at all levels.

India's frontline health workers, including ASHAs,

ANMs, CHOs, and Medical Officers (MOs), often spend considerable time navigating multiple applications for programme reporting. The Swasth Bharat Portal addresses this issue by providing a single platform for easy access, along with data visualisation tools and the use of data at the local level for monitoring and evidence-based planning. The portal is ABDM-compliant and supports integration with ABHA (Ayushman Bharat Health Account), enabling seamless and secure exchange of patient health records. It is designed to evolve into a comprehensive and interoperable digital health ecosystem, further integrating with national registries such as the Healthcare Professionals Registry (HPR) and Health Facility Registry (HFR). Swasth Bharat Portal

envisages the following: **Reduce Infrastructure Duplication:** Independent hosting, storage, and compute resources are maintained across programs, which will reduce when they will be aggregated through Swasth Bharat **Reduce Repetitive Data Entry:** Similar beneficiary data which was entered across multiple systems will be entered on a single platform thus reducing repetitive tasks **Unified HR Deployment:** Separate development and maintenance teams are required in all programs, a unified system will reduce the HR burden **Increase Interoperability:** As the system is designed on federated architecture via APIs, the interoperability will be higher

200+ scuba divers set underwater records in Andamans

Two underwater Guinness World Records (GWR) have been set by scuba divers in the Andaman & Nicobar Islands as part of a drive to promote the Indian union territory as a diving-tourism destination.

The "Tallest Human Stack Underwater" record was achieved on 3 May, the day after the "Largest National Flag Unfurled Underwater", with both records ratified on the spot by a GWR adjudicator.

The stack consisted of 14 scuba divers standing on each others' shoulders to form a 22.3m-high tower that held steady for three minutes. The feat was carried out at the Lighthouse dive-site on Swaraj Dweep in the eastern Bay of Bengal, surpassing a target height of 10m.

The flag display in the shallows at Radhanagar Beach was carried out by more than 200 scuba divers who succeeded in unfurling and displaying India's

national flag beneath the surface.

The 60 x 40m flag, about the size of half a football pitch, was deployed by a dive-team assembled from the Andaman & Nicobar Police, forest department, Indian Navy, Coast Guard and private dive operators, with some divers as young as 14 given the chance to participate.

The team had the task

or anchoring the sections of the flag evenly to resist the drag of the current while maintaining neutral buoyancy.

Admiral D K Joshi, PVSM, AVSM, YSM, NM, VSM (Retd), Hon'ble Lieutenant Governor, Andaman & Nicobar Islands & Vice-Chairman, Islands Development Agency took part in both dives, and senior government

officials were in attendance at the event. There are 836 islands in the Andaman & Nicobar group, though only 31 are inhabited. Geographically closer to Thailand, the archipelago is regarded as among the few parts of India to offer scuba diving of a quality likely to attract international divers, with sites around Swaraj Dweep *(Contd. on last page)*

Hon'ble MP urges continuation of Guest Lecturers in Degree Colleges

Sri Vijaya Puram, May 6 Shri Bishnu Pada Ray, Hon'ble Member of Parliament, A&N Islands, has urged the A&N Administration to ensure the continuation/extension of engagement of Guest Lecturers in degree colleges across the Islands for the upcoming academic session 2026-2027.

Drawing attention to the grievances of Guest Lecturers serving in institutions such as JNRM, ANCOL, MGGC, TGCE, DBRAIT, and others, the Hon'ble MP highlighted that the matter had earlier been taken up with the Administration. The Hon'ble MP has requested the Chief

Secretary, A&N Administration to issue necessary directions to the concerned Head of Institutions for the continuation/extension of existing Guest Lecturers for the academic session 2026-2027 and beyond, in the interest of students and the academic system in the Islands, a press release from MP Office said.

District Administration (SA) hands over land possession to 105 landless beneficiaries identified under PMAY-G

Sri Vijaya Puram, May 6

In a significant step towards achieving the goal of "Housing for All," the District Administration of South Andaman has successfully handed over land possession to 105 landless beneficiaries identified under the Pradhan Mantri Awaas Yojana - Gramin (PMAY-G) in C.D. Block Ferrargunj.

Although licences for 50 sqm land parcels had been allotted to each landless beneficiaries on 3rd September 2025, construction work could not commence earlier due to pending demarcation of the land. The Administration has now completed the demarcation process, enabling beneficiaries to begin building their permanent homes.

The demarcation was carried out by the Tehsildar along with revenue officials, and land possession was formally handed over to beneficiaries from 13 Gram Panchayats. The event was conducted in the presence of the respective Pradhans and the Block Development Officer (BDO), C.D. Block Ferrargunj.

This achievement marks a significant milestone in strengthening the implementation of PMAY-G in the district and reflects the Administration's proactive approach toward inclusive rural development.

The District Administration remains committed to continuing such initiatives to ensure that all eligible beneficiaries receive timely support and assistance, a press release from DC (SA) said.

TB Mukta Bharat Abhiyaan - 100 Days Intensified Campaign in Andaman & Nicobar Islands

Sri Vijaya Puram, May 6

The A&N Administration has been actively implementing the TB Mukta Bharat Abhiyaan - 100 Days Intensified Campaign since its launch on 24th March 2026, in alignment with national guidelines. The campaign focuses on a comprehensive and targeted approach to eliminate Tuberculosis (TB), with key objectives including:

- ♦ Early identification of all missing TB cases through proactive screening using chest X-rays and upfront NAAT testing among vulnerable populations and high-risk settings.
- ♦ Reduction in TB-related deaths through personalized patient care, nutritional support, management of comorbidities, regular follow-up, and TB Death Audits.
- ♦ Prevention of new TB cases through screening and provision of TB Preventive Treatment (TPT) to eligible high-risk groups such as household contacts and People Living with HIV (PLHIV).
- ♦ Promotion of Janbhagidari through a 'Whole-of-Society' and 'Whole-of-Government' approach to raise awareness, reduce stigma, and encourage timely health-seeking behaviour.
- ♦ Early detection and management of key comorbidities such as diabetes, hypertension, anaemia, under nutrition, and cancer to improve treatment outcomes.

The campaign adopts

a multi-pronged service delivery strategy:

- ♦ **Outreach Activities:** Ayushman Arogya Shivirs (health camps) conducted across communities, including TB screening using handheld X-ray machines.
- ♦ **Facility-Based Services:** Intensified screening of all individuals visiting health facilities, integrated with Non-Communicable Disease (NCD) services.
- ♦ **Integrated Screening:** Convergence of TB, NCD, and general health services.
- ♦ **NCD Screening Components:** Blood pressure, blood sugar, BMI assessment, and anaemia testing.

Overall Progress (24 March 2026 - 6 May 2026)

- ♦ The campaign has achieved significant outreach and impact across the islands: **Ayushman Arogya Shivirs:**
 - ♦ Total Shivirs conducted: 544 (Urban: 130, Rural: 414, Congregate Settings: 2, Other Areas: 2)
 - ♦ Total Footfall: 17,529 (Male: 7,956; Female: 9,573)
 - ♦ Ni-kshay Enrolments (New + New Episodes): 4,970
 - ♦ Total Chest X-rays conducted: 6,331
- ♦ **NAAT Tests conducted:** 1363
- ♦ **TB Cases Notified:** 54
- ♦ **Janbhagidari & Community Engagement Activities:**
 - ♦ Total Janbhagidari activities: 151
 - ♦ Elected Representatives involved: 149 (ULB: 19; PRI: 130)
 - ♦ Activities in Schools & Colleges: 125
 - ♦ Activities in Line Ministries: 20
 - ♦ Activities in PSUs/Corporates/Business Associations: 2

The Andaman & Nicobar Administration urges all citizens to actively participate in the fight against TB:

- ♦ Spread awareness that TB is preventable and curable.
- ♦ Help eliminate stigma and discrimination associated with TB.
- ♦ Individuals at higher risk-such as those aged 60 years and above, undernourished (BMI <18), diabetics, smokers or alcohol users (current or former), close contacts of TB patients, or those who had TB in the last 5 years-are encouraged to get screened at the nearest public health facility.
- ♦ Come forward as Nikshay Mitra to support TB patients through nutritional and psychosocial assistance. (Source: State Health Society, A&N Islands)

PS Billiground busts illicit brewing, 400 ltrs destroyed

Mayabunder, May 6

On 04.05.2026, acting on credible intelligence regarding illicit liquor brewing in the dense forest area of Nimbudera, a police team from PS Billiground launched a targeted search operation in the suspected location. During the operation, the team detected and recovered approximately 400 litres of illicit lehan (fermented wash), concealed within the forest. As no claimant or suspect was found present at the site, the entire quantity of recovered lehan, along with the containers, was destroyed on the spot, a press release from SP, N&MA said.

Industrial Units & stakeholders urged to obtain CTE & CTO prior to commencement of operations

Sri Vijaya Puram, May 6

All industrial units and stakeholders have been informed that, as per Section 25 (Restrictions on New Outlets and New Discharges) of the Water (Prevention and Control of Pollution) Act, 1974, no person shall, without the previous consent of the State Board, establish or take any steps to establish any industry, operation, or process, or any treatment and disposal system or any extension or addition thereto, which is likely to discharge sewage or trade effluent into a stream, well, sewer, or on land.

Further, as per Section 21 (Restrictions on Use of Certain Industrial Plants) of the

Air (Prevention and Control of Pollution) Act, 1981, no person shall, without the previous consent of the State Board, establish or operate any industrial plant in an air pollution control area.

Accordingly, no industrial unit shall be established without obtaining Consent to Establish (CTE), nor shall any unit operate without obtaining Consent to Operate (CTO) from the State Pollution Control Board. Compliance with these requirements is mandatory under the Environment (Protection) Act, 1986." The Andaman and Nicobar Pollution Control Committee (ANPCC) has observed that several industrial

Units in the Andaman and Nicobar Islands have been established and are operating without obtaining the requisite consents, which is in violation of the above-mentioned statutory provisions.

All stakeholders and industrial entrepreneurs have been advised to obtain CTE prior to establishment and CTO prior to commencement of operations. Applications for the same shall be submitted online through the portal: www.anocmms.nic.in.

Failure to comply with these provisions will invite strict action under the Environment (Protection) Act, 1986, a press release from ANPCC said.
