## SOMNATH

### Virasat Ke 75 Saal

Somnath is a symbol of India's indomitable civilisation. Even after facing destructive attacks for over 1000 years, Somnath continues to stand tall as an embodiment of our pride and courage.

75 years ago, the resolve of the Iron Man Sardar Vallabhbhai Patel, paved the way for the modern revival of Somnath. Today, under the leadership of Prime Minister Shri Narendra Modi, this sacred land proudly heralds India's cultural renaissance.

# Somnath and Bharat's unconquerable spirit!

At the start of 2026, I had gone to Somnath for the Somnath Swabhiman Parv, marking a thousand years since the first attack on the Somnath Temple. Now, I will be back in Somnath on 11<sup>th</sup> May to mark 75 years since the inauguration of the restored Temple by the then President of India, Dr. Rajendra Prasad. In less than half a year, it is a privilege to be attending two important milestones relating to Somnath and its journey from ruin to renewal or what we describe as from Vidhvans to Srijan.

Somnath gives us a civilisational message. The vast sea before it evokes timelessness. The waves tell us...that no matter how fierce the storms are or how turbulent the tides are, one can always rise again with dignity and strength. The waves return to the shore, as though reminding every generation that the spirit of the people can never be subdued for long.

Our ancient scriptures say: प्रभासं च परिक्रम्य पृथिवीक्रमसंभवम्. It means, a Pradakshina of the divine Prabhasa (Somnath) is equal to a Pradakshina of the whole earth itself! While people have come here to pray, they have also experienced the remarkable continuity of a civilisation whose flame could never be extinguished. Empires rose and fell, tides changed, history moved through conquest and upheaval, yet Somnath continued to endure in our consciousness.

It is time to remember the countless greats who stood firm in the face of tyranny. There were Lakulisha and Soma Sarman, who transformed Prabhasa into a great centre of philosophy. Chakravarti Maharaja Dharasena IV of Vallabhi built the Second Temple three centuries ago. Bhima Deva, Jayapala and Anandapala will always be remembered for defending civilisational honour

against invasions. It is said that Raja Bhoja too helped with the reconstruction. Karna Deva and Siddharaja Jayasimha played a vital role in restoring Gujarat's political and cultural strength. Bhava Brihaspati, Kumarapala Solanki and the Pashupata Acharyas rebuilt and sustained the shrine as a great centre of worship and learning. Vishaladeva Vaghela and Tripurantaka protected its intellectual and spiritual traditions. Mahipaladeva and Ra Khangar were instrumental in reviving worship after destruction. Punyashlok Ahilyabai Holkar, whose 300<sup>th</sup> birth centenary is being marked, ensured the continuity of devotion in the most difficult of times. There were the Gaekwads of Baroda, who safeguarded the rights of pilgrims. And of course, our soil is blessed to have nurtured brave personalities like Veer Hamirji Gohil and Veer Vegdaji Bhil, whose sacrifice and courage have become a part of Somnath's living memory.

In the 1940s, when the spirit of freedom swept across India and the foundations of a new republic were being laid under the leadership of towering figures like Sardar Patel, one thing continued to trouble him deeply...the condition of Somnath. On 13<sup>th</sup> November 1947, during Diwali time, he stood next to the dilapidated ruins of the temple with sea-water in his hands and said, "On this auspicious day of the (Gujarati) New Year, we have decided that Somnath should be reconstructed. You, people of Saurashtra, should do your best. This is a holy task in which all should participate." On one clarion call of Sardar Patel, it was not only the people of Gujarat but also the people of the whole of India that responded enthusiastically.

Unfortunately, fate did not allow Sardar Patel to witness the fulfilment of the dream he had so passionately championed. Before the restored

Somnath Temple could open its doors to devotees, he had departed from this world. Yet, his impact continued to be felt over the sacred shores of Prabhas Patan. His vision was championed by Shri KM Munshi, ably supported by the Jamsaheb of Nawanagar. In 1951, when the Temple was complete, it was decided to call the President of India, Dr. Rajendra Prasad, for the ceremony. Overcoming strong objections from the then Prime Minister Pandit Nehru, Dr. Prasad graced the ceremony, thus making it even more special and historic.

My mind also goes back to October 2001, when I had just taken over as Chief Minister. On 31<sup>st</sup> October 2001, the Jayanti of Sardar Patel, the Gujarat Government had the honour of organising a programme to mark 50 years since the Somnath Temple opened its doors. It also coincided with the 125<sup>th</sup> birth anniversary celebrations of Sardar Patel. The then Prime Minister, Shri Atal Bihari Vajpayee and the then Home Minister, Shri LK Advani attended the programme.

During his speech on 11<sup>th</sup> May 1951, Dr. Rajendra Prasad said that the Somnath Temple proclaims to the world that anything with unparalleled faith and love cannot be destroyed. He expressed hope that this Temple will live in the hearts of people. He also said that the restoration of the Temple was a fulfilment of Sardar Patel's dream, but taking that spirit forward, it is important that we restore prosperity to the lives of people. These are important and inspiring messages he gave.

This is the path we have been walking for over a decade. I consider it my good fortune that, inspired by the principle of 'Vikas Bhi, Virasat Bhi', from Somnath to Kashi, Kamakhya to Kedarnath, Ayodhya to Ujjain, Trimbakeshwar to Srisailem, our team has had the opportunity to equip our spiritual centres with the latest facilities while at

the same time preserving their traditional character. This, along with efforts to improve connectivity, ensures more people can visit them. It boosts the local economy, secures livelihoods and deepens the spirit of 'Ek Bharat, Shreshtha Bharat.'

The struggles and sacrifices of those who laid down their lives to protect Somnath and those who rebuilt it time and again will never be forgotten. Countless individuals from different corners of India contributed to restoring its glory. They saw every part of Bharat as sacred, bound together by a sense of oneness that transcended geography. In a world often marked by divisions, this spirit of unity is more relevant than ever. Somnath will continue to stand tall in all its glory because the sense of unity and shared civilisational consciousness lives on in the hearts of every Indian. As a tribute to this, remembering the extraordinary courage of a thousand years, there will be special Pujas at Somnath for the next thousand days. It is gladdening to see several people donating for these Pujas as well.

I urge my fellow Indians to travel to Somnath in this special time. When you stand on the shores of Somnath, let its ancient echoes speak to you. You will not only be overwhelmed by devotion but will also feel the strong pulse of a civilisational spirit that refuses to fade, that is unbroken and unyielding. You will experience Bharat's unconquerable spirit and understand why, despite every effort, our culture remained undefeated and you will have the opportunity to behold the vision of eternal triumph. It will surely be unforgettable.

Jai Somnath.

## Chief Pay & Accounts Office organizes orientation-cum-training prog. on Pension & Pay Fixation

Sri Vijaya Puram, May 7  
A One-Day Orientation-cum-Training Programme on Pension and Pay Fixation was organised by the Chief Pay & Accounts Office, A&N Administration today in the Seminar Hall of TGCE, Sri Vijaya Puram, with the objective of sensitizing Heads of Offices and dealing staff on pension rules, pay fixation procedures and common procedural deficiencies noticed in pension cases. The programme was inaugurated by lighting of the ceremonial lamp by Dr. Sachin Shinde, IAS, Commissioner-cum-Secretary (Finance), in the gracious presence of Ms. Pallavi Sarkar, IAS, Secretary, A&N Administration and Shri S Dasgupta, Director of Accounts & Budget.

pension cases should not be treated merely as files or routine official matters, but as issues concerning the welfare and dignity of retired employees and their families. He stressed that after rendering years of dedicated service, every employee should receive all pensionary benefits promptly on the date of retirement without being made to wander from office to office.

Ms. Pallavi Sarkar, IAS, Secretary, A&N Administration, also emphasised the

regularly reviewed at higher levels.

The programme was conducted in two shifts. The morning session was attended by more than 150 participants comprising Heads of Offices and dealing staff from various Departments of Sri Vijaya Puram region, while around 100 participants attended the afternoon session, including officials from Forest and APWD Divisions and Wimberlygunj region. In addition, around 100 officials from far-flung areas, joined the programme through online mode.

Technical sessions on Pension Matters and Pay Fixation were conducted by Shri M. Mohammed Ashraf, Senior Accounts Officer & Smti Sameera Thoufique, Assistant Accounts Officer respectively, a press release received from Director of Accounts & Budget said.

### PUBLIC NOTICE

It is hereby informed to all industrial units and stakeholders that, as per Section 25 (Restrictions on New Outlets and New Discharges) of the Water (Prevention and Control of Pollution) Act, 1974, no person shall, without the previous consent of the State Board, establish or take any steps to establish any industry, operation, or process, or any treatment and disposal system or any extension or addition thereto, which is likely to discharge sewage or trade effluent into a stream, well, sewer, or on land.

Further, as per Section 21 (Restrictions on Use of Certain Industrial Plants) of the Air (Prevention and Control of Pollution) Act, 1981, no person shall, without the previous consent of the State Board, establish or operate any industrial plant in an air pollution control area.

Accordingly, no industrial unit shall be established without obtaining Consent to Establish (CTE), nor shall any unit operate without obtaining Consent to Operate (CTO) from the State Pollution Control Board. Compliance with these requirements is mandatory under the Environment (Protection) Act, 1986.

The Andaman and Nicobar Pollution Control Committee (ANPCC) has observed that several industrial units in the Andaman and Nicobar Islands have been established and are operating without obtaining the requisite consents, which is in violation of the above-mentioned statutory provisions.

All stakeholders and industrial entrepreneurs are hereby advised to obtain CTE prior to establishment and CTO prior to commencement of operations. Applications for the same shall be submitted online through the portal: [www.anocmms.nic.in](http://www.anocmms.nic.in).

Failure to comply with these provisions will invite strict action under the Environment (Protection) Act, 1986.
