ADVISORY

Port Blair, dated the 26th July, 2016

Sub: Stopping of illegal killing / sacrifices of Cows / Calves, Camels and other animals and taking action against the offenders for violation of Transport of Animals Rules on the occasion of Bakrid – regarding.

1. As per Rule 3 of Prevention of Cruelty to Animals (Slaughter House) Rules, 2001, no person shall slaughter any animal within a municipal area except in a slaughter house recognized or licensed by the concerned authority empowered under the law and no animal which is pregnant has an offspring less the 03 months old, or is under 03 months of age, which has not been certified by a Veterinary Doctor that it is in a fit condition to be slaughtered, shall be slaughtered. Slaughter means the killing or destruction of any animal for the purpose of food and includes the process and operations performed on all such animals in order to prepare it for being slaughtered.

2. The Food Safety and Standards Authority of India under the Ministry of Health and Family Welfare vide Letter No. 1-988/FSSAI/Imp/2014 dated 06th August, 2014 has issued directions that the slaughtering of animals of any other species other than the one listed below is not permissible under the FSS Act and Regulation.

(i) Ovises, (ii) Caprines, (iii) Suillines and (iv) Bovines and includes poultry and fish.

As per the above regulation, camels cannot be slaughtered for food and also wherever the cow slaughter prohibition act is in force, then slaughtering of cows should not be allowed at all.

3. The owner of the animals does not follow the animal welfare laws and Transport of Animals (Amendment) Rules, 2001, which prescribes the number of animals, space requirements, specification which can be transported in a vehicle, resulting in cruelty to the animals. Moreover, it is often noticed that the animals suffer and are subjected to various cruelties, due to which some of the animals even die during transportation.

4. As per the Andaman and Nicobar Islands Prohibition of Cow Slaughter Regulation / Rules, 1967, Bull / Bullocks can be slaughtered, which are over the age of fifteen years and permanently unfit & unserviceable for the purpose of breeding / draught, agricultural operation after obtaining permission of the respective Deputy Commissioners based on the examination certificate issued by the Senior Veterinary Officer concerned. Further, under the Prohibition of Cow Slaughter Regulation, 1967, no cow is slaughtered whether fit or unfit for breeding purpose.

5. Salient points of a judgment of the Supreme Court of India regarding slaughter of animals are reproduced herewith for information:

(i) Hon'ble Supreme Court held vide its judgment passed in the matter title "State of West Bengal etc., Appellants Vs Ashutosh Lahiri and others, Respondents" being Civil Appeals Nos. 6790 of 1983 with 6791 to 6794 of 1983, was as under:

Slaughtering of healthy cows on Bakrid day is not essential or required for religious purposes of Muslims, and accordingly, an order exempting slaughter of such Cows from the operation of the West Bengal Animal Slaughter Control Act, 1950 was illegal.

The slaughtering of healthy cows on Bakrid is not essential or required for religious purpose of Muslims or in other words it is not a part of religious requirement of a Muslim that a cow must necessarily be sacrificed for earning religious merit on Bakrid.

If there is no fundamental right of a Muslim to insist on slaughter of healthy cow on Bakrid Day, it cannot be a valid ground for exemption by the State under Section 12 of the West Bengal Animal Slaughter Control Act, 1950, which would in turn enable slaughtering of such cows on Bakrid. Even Article 25 of the Constitution of India is not relevant in this context and cannot be resorted to:

The copies of letter No. 9-2/2016-17/PCA dated 04th July, 2016 of Animal Welfare Board of India and letter No. 1-988/FSSAI/Imp/2014 dated 06th August, 2014 of FSSAI (Ministry of Health and Family Welfare), New Delhi referred above are annexed herewith.

All concerned authorities are requested to take all precautionary measures to strictly implement the Animal Welfare Laws to stop illegal killing of animals and to take stringent action against the offenders violating the animal laws viz. Prevention of Cruelty to Animals Act, 1960, Transport of Animals (Amendment) Rules, 2001, Slaughter House Rules, 2001, Food Safety & Standards Authority of India directions for slaughtering of animals during Bakrid Festival.

Dipa Karmakar is first Indian gymnast to enter vault finals

Rio De Janeiro, Aug 8
Indian gymnast Dipa Karmakar scripted history as she became the first Indian to make the cut for the individual vault finals in her debut Olympic Games after finishing 8th in the qualifying round here.

The Tripura-girl, who is the country's first woman gymnast to qualify for the Olympics, managed to perform her much-appreciated 'Prodnova' vault cleanly to secure 14.850 points after two attempts. It was a nervous wait for the Indian after that. She had ended sixth after the third of five sub-divisions. She dropped to 8th eventually when Canadian Shallon Olsen's terrific effort of 14.950 re-jiggered the overall standings. But that was just about enough to secure her a place in the finals scheduled for August 14 as the top-8 made the cut for the medal round. Dipa secured 7.000 on difficulty and 8.1 on execution in her first attempt. Her score for difficulty was a tad lower at 6.000 in the second attempt. She landed low on her Prodnova vault in the first attempt, while her second vault was a 'Tsuk double full twist' with step to the side. Three-time world all-round champion Simone Biles topped the charts with a sensational score of 16.050. The American scored a brilliant 9.700 on execution in both her attempts.

North Korea's Jong Un Hong was a distant second after securing 15.683 followed by Switzerland's Giulia Steingruber (15.266). In the other routines, Dipa secured 11.666 for her effort on the uneven bars, scoring low on difficulty but decent on execution. Later, Dipa scored 12.866 for her performance on the balance beam. The floor exercise fetched Dipa

a score of 12.033, which also included a 0.300 penalty. Dipa, the first Indian woman gymnast to win a Commonwealth Games medal, stood a poor 47th in the all-round standings with a combined score of 51.665. The eight gymnasts with the highest individual scores in each apparatus move on to compete for an individual event title in that apparatus.

India looks to seal series against Windies in third Test

St. Lucia, Aug 8
Stung by a remarkable fight back from West Indies on the final day of the rain-hit second Test, India will have to look at their bowling combinations and get back to winning ways when the third cricket Test begins in St. Lucia on Tuesday. Riding on rookie batsman Roston Chase's resolute 137 off 269 balls, West Indies held on with a fighting draw in the rain-affected second Test in Jamaica. But the visitors still hold a 1-0 lead in the four-match series after winning the first Test in Antigua by an innings and 92 runs and would look to seal the series when they take the field at the Darren Sammy Stadium. Only four Tests have been

played at this ground, since the inaugural Test here in 2003. India has experienced the playing conditions previously on the 2006 tour, and that game ended in a draw. In fact, three of the four Tests have ended without a result, with West Indies beating Bangladesh by 296 runs in 2014. Unlike the Sabina Park pitch, the wicket laid out here has a brownish hue to it, with dry grass all over the surface. As such, India's play of playing five bowlers should stay untouched but it can be assumed that they ought to have discussed the lines bowled at the West Indies' batsmen and why they couldn't take six wickets on a day five pitch in Jamaica.

India: Virat Kohli (c), Murali Vijay, Shikhar Dhawan, KL Rahul, Cheteshwar Pujara, Ajinkya Rahane, Rohit Sharma, Wriddhiman Saha (wk), R Ashwin, Amit Mishra, Ravindra Jadeja, Stuart Binny, Bhuvneshwar Kumar, Mohd. Shami, Shardul Thakur, Umesh Yadav, Ishant Sharma.
West Indies: Jason Holder (c), Kraigg Brathwaite, Shai Hope, Darren Bravo, Marlon Samuels, Jermaine Blackwood, Roston Chase, Leon Johnson, Shane Dowrich (wk), Devendra Bishoo, Carlos Brathwaite, Shannon Gabriel, Miguel Cummins, Alzarri Joseph.
Match starts at: 7.30 pm IST.

Abhinav Bindra qualifies for final of 10m Air Rifle event

Rio De Janeiro, Aug 8
Star Indian shooter Abhinav Bindra today qualified for the final of the men's 10m Air Rifle event even as Gagan Narang crashed out on day three of the Olympic Games in Rio de Janeiro. Beijing Olympics gold-medallist Bindra finished seventh in the qualifying round to make the cut. However, London Olympics bronze-medallist Narang missed out after finishing at a lowly 23rd position. Bindra, who is taking part in his

fifth and last Olympics, scored 625.7 to book a berth in the finals. This is the only event Bindra is competing in the ongoing Olympics. Campriani Niccolo of Italy topped the qualification with a score of 630.2, which is an Olympic record. The final is slated later today.
