Somnath Swabhiman Parv - 1000 Years of Resilience and Unwavering Faith

A&N Administration to organise State-Level Programme at Shiv Temple, Mazar Pahad, Sri Vijaya Puram with live telecast of National Level Programme at Somnath on May 11, 2026

Kalash yatra & cultural programmes will form part of the State Level Prog.

Sri Vijaya Puram, May 8
 The Ministry of Culture, Government of India is organizing the Somnath Swabhiman Parv - 1000 Years of Resilience and Unwavering Faith, a year-long national commemoration from January 11, 2026 to January 11, 2027. This historic occasion marks 1000 years since the first attack on Somnath in 1026 AD and 75 years of the temple's reconstruction and inauguration in May 1951.

"Despite repeated attacks, our Somnath Temple stands unshaken even today. Somnath is the saga of the self-respect and indomitable courage of countless brave sons of Mother India."

- Shri Narendra Modi
Prime Minister

The Somnath Temple stands as an enduring symbol of India's spiritual continuity and unyielding national spirit. Through centuries of changing empires, it has endured repeated destruction and

renewal, with each reconstruction reaffirming the faith, resilience, and cultural identity of the Indian people. More than a sacred shrine, Somnath reflects the strength of a civilization that refuses to forget its roots, rising from adversity with renewed resolve and inspiring generations to preserve their heritage and national pride.

Somnath Swabhiman Parv commemorates 1000 years of unbroken faith and is envisioned as a platform for meaningful cultural

engagement that not only strengthens national identity but also fosters deep respect for India's rich and diverse cultural legacy.

Somnath Swabhiman Parv marks two significant milestones in India's historical journey: one thousand years since the first recorded attack on the Somnath Temple in 1026, and seventy-five years since the reopening of the reconstructed temple in 1951 following Independence.

As part of this nationwide celebration, the Art

& Culture Department of the Andaman & Nicobar Administration will organize a State-level programme on May 11, 2026, coinciding with the grand National event at Somnath.

The State Level event will be organised in the Shiv Temple at Mazar Pahad from 9.30 am onwards. The programme will include a 'Kalash Yatra' starting from Ayyannar Temple near Flag Point, with wide participation of women and community groups prior to this

programme which will culminate at the Shiv Temple, Mazar Pahad. A cultural programme befitting the occasion will also be held. The National Level VVIP programme at Somnath will be live telecast which will be witnessed by the gathering in the Temple.

The commemoration is not only a tribute to Somnath's enduring legacy but also a reaffirmation of India's cultural strength and unity. All citizens have been requested to actively participate in this celebration and make this historic occasion a memorable one for the Islands, a press release from Art & Culture Department said.

A celebration of 1000 years of India's unwavering faith and devotion

Somnath — a symbol of the resolve of countless devotees of Lord Shiveshwar, standing firm against the destructive attacks by barbaric foreign invaders

Somnath — where Mahadev's trident resounds in triumph over cruel swords

Somnath Swabhiman Parv commemorates the spiritual resilience of Sanatan Dharma that has endured for over a millennium.

Come, join in large numbers and be a part of this historic national celebration that honours India's indomitable civilisational consciousness and cultural pride.

Applications invited for Parasailing Operations at Shaheed Dweep

Sri Vijaya Puram, May 8
 The Directorate of Information, Publicity & Tourism (IP&T), A&N Administration, invites applications from eligible tourism stakeholders, watersports operators and boat operators for registration/permission to conduct parasailing activities at Shaheed Dweep.

As part of promoting leisure and recreational water sports activities under the niche tourism segment across various

tourist destinations, the Directorate of IP&T has undertaken a comprehensive "Risk Assessment and Safety Audit" through the National Institute of Water Sports (NIWS), Goa, Ministry of Tourism, Government of India, in accordance with the A&N Islands Watersports Guidelines, 2015.

The following offshore sectors at Shaheed Dweep have been identified for parasailing activities:

- > Laxmanpur Beach No. 1 (Offshore Sector)
- > Laxmanpur Beach No. 2 (Offshore Sector)
- > Ramnagar Beach (Offshore Sector)

Interested applicants have been required to submit their applications in the prescribed format along with all necessary documents, fulfilling the eligibility criteria and safety requirements as stipulated under the A&N Islands

14 divers, 22 metres: Andaman Islands set world record for tallest human stack underwater

The Andaman and Nicobar Islands have created another piece of history by setting a new underwater world record, just a day after unfurling the largest national flag underwater.

The latest feat took place at Swaraj Dweep, where a team of scuba divers successfully created the tallest human stack underwater at the Lighthouse dive site on May 3.

Fourteen divers executed the feat by forming a vertical human stack measuring 22.3 metres in height. The formation was maintained underwater for three minutes. The initiative was organised as part

of efforts to promote the islands as a premier destination for scuba diving and underwater tourism. The dive was led by Admiral D K Joshi, PVSM, AVSM, YSM, NM, VSM (Retd), Hon'ble Lieutenant Governor, Andaman & Nicobar Islands &

Vice-Chairman, Islands Development Agency, who also participated in the record attempt. The video has taken the internet by storm. "Great... To stand under 21.3m is itself a biggest achievement and cherry on cake is

timely.. Absolutely Adorable india. Mera bharaat mahaan," an Instagram user wrote. "Such a proud moment," another commented. "Proud to be Andamanian. Amazing feat achieved," a third user reacted. The achievement

came a day after another record-setting event on May 2, when the largest national flag, measuring 60 x 40 m, was unfurled underwater at Radhanagar Beach. Both events were organized by the Andaman and Nicobar administration to showcase the region's marine beauty and adventure tourism potential.

The record attempt was supported by multiple agencies, including the Tourism Department, Andaman and Nicobar Police, Forest Department, Navy, and Coast Guard, along with divers from various Diving Centres across the islands, the report added. (Source: <https://indianexpress.com/>)

SVPMC undertakes alternative arrangements for collection of water from Rutland Island; general public urged to use water judiciously

Sri Vijaya Puram, May 8

Due to the water level in the dam falling below 50 meters, there has been a significant reduction in the quantity of water being supplied by APWD to SVPMC.

In order to mitigate the ongoing severe water crisis, SVPMC has undertaken alternative arrangements for collection of water from Rutland Island through MV Kalapani barge with effect from May 8, 2026. So far, approximately 200 tons of

water has been collected and transported to Lambaline WTP through SVPMC water tankers for further

treatment and distribution. SVPMC is making every possible effort to minimize the impact of the present water crisis and is fully committed towards ensuring maximum possible water supply to the residents of Sri Vijaya Puram during this difficult period.

The general public have also been requested to cooperate with the Administration and use the precious water judiciously and avoid any unnecessary wastage, a press release from SVPMC said.
