Sri Vijaya Puram, Aug. 9 (PIB)
Hon'ble Vice-President, Shri C. P. Radhakrishnan today inaugurated the 'Har Ghar Tiranga Abhiyan' by hoisting the National Flag at Flag Point, Sri Vijaya Puram, on the occasion of August Kranti Diwas, commemorating the Quit India Movement of 1942. Addressing the gathering at the State Function and Tiranga Concert on Vande Mataram at the DBRAIT Auditorium, the Hon'ble Vice-President said, there could be no more appropriate place to launch the campaign than these historic islands, which are deeply associated with India's freedom struggle and the history of the Tricolour.

Recalling the immortal words of the great Tamil poet Subramania Bharati, Shri C. P. Radhakrishnan said, Bharati's celebration of the 'Mani Kodi' reflects the eternal courage of the Indian spirit and the glory of the flag of Mother Bharat. He said, the Har Ghar Tiranga Abhiyan

carries forward this spirit by bringing every citizen together under one National Flag, one motherland and one common destiny.

Recalling the sacrifices of freedom fighters who endured the dreaded Kala Pani, the Hon'ble Vice President said, the Andaman & Nicobar Islands are much more than a geographical part of Bharat; they are a sacred land of sacrifice. He paid heartfelt tributes to Veer Vinayak Damodar Savarkar and countless other patriots who suffered in the Cellular Jail, saying their courage, patriotism and

sacrifice continue to inspire generations.

The Hon'ble Vice-President recalled that Mahatma Gandhi's clarion call of "Do or Die" on August 8, 1942, awakened millions of Indians and gave a decisive impetus to the freedom struggle. He also highlighted the unique place of the islands in the history of the Tricolour, recalling that Netaji Subhas Chandra Bose hoisted the Indian National Flag here on December 30, 1943, marking a landmark moment in India's freedom struggle.

Sri Vijaya Puram, Aug. 9
Hon'ble Vice President, Shri C. P. Radhakrishnan today visited Netaji Subhash Chandra Bose Island. He was accompanied by Admiral DK Joshi,

Hon'ble Vice President toured the historic places, including the building where Netaji Subhash Chandra Bose stayed during his historic visit to the Andaman Islands in December 1943. He

also visited the Church, Troops Barrack, Gun Point Area and Smritika Museum, where he was briefed on the Island's rich history and proposed plans for its future development.

Hon'ble Vice-President hoists National Flag at Flag Point under 'Har Ghar Tiranga Abhiyaan'

Sri Vijaya Puram, Aug. 9
Hon'ble Vice-President, Shri C. P. Radhakrishnan today hoisted the National Flag at Flag Point, Sri Vijaya Puram under the 'Har Ghar Tiranga Abhiyaan'. Netaji Subhas Chandra

Bose hoisted the Tricolour on December 30, 1943, proclaiming the Andaman & Nicobar Islands free from British rule. On Quit India Movement Day, Hon'ble Vice-President paid heartfelt tributes to the valiant freedom fighters who, inspired by Mahatma Gandhi Ji's clarion call of "Do or Die", united the nation in the struggle for freedom. Their courage, sacrifice and patriotism continue to inspire generations. The event was attended by Hon'ble Lt. Governor, A&N Islands, and Vice Chairman, Islands Development Agency, Admiral DK Joshi, PVSM, AVSM, YSM, NM, VSM (Retd.), and senior officers of A&N Administration and others.

Hon'ble Vice-President Shri C. P. Radhakrishnan launches 'Har Ghar Tiranga Abhiyan' in Andaman & Nicobar Islands.....

(Contd. from page 1)

Highlighting the significance of Har Ghar Tiranga, Shri Radhakrishnan said the campaign, initiated by Hon'ble Prime Minister, Shri Narendra Modi, has evolved into a nationwide people's movement. He called upon every citizen to proudly display the Tricolour and imbibe the values of patriotism, unity and collective responsibility that it represents. "Bharat is one and will always remain one," he affirmed.

The Hon'ble Vice-President highlighted the islands as a living example of 'Unity in Diversity' and 'Ek Bharat, Shreshtha Bharat', while acknowledging their rich tribal heritage and recent progress in connectivity, healthcare, education and infrastructure. He said, the Great Nicobar Island Development Project would further strengthen India's maritime capabilities, connectivity and economic opportunities, while balancing development with environmental conservation.

Emphasising the need for national strength alongside India's tradition of peace and generosity, Shri Radhakrishnan said, "India has always been generous, but our generosity should never be mistaken for weakness. We must remain prepared to protect our national interests and sovereignty." He called upon citizens to let the Tricolour inspire them with courage, unity and hope, and to carry forward the legacy of the freedom fighters in building a stronger and developed Bharat.

The Hon'ble Vice-President also witnessed a cultural programme and visited the 'Har Ghar Tiranga' Exhibition, showcasing the spirit of the campaign and its message of national unity and patriotism.

The event was attended by Hon'ble Lt. Governor, A&N Islands, and Vice Chairman Islands Development Agency, Admiral D K Joshi, PVSM, AVSM, YSM, NM, VSM (Retd.), Chief Secretary, A&N Administration, Ms. Chanchal Yadav, DGP, Shri Ravindra Singh Yadav, Adhyaksh, ZPSA, Shri P. Ummer, Chairperson (SVPNC), Smt. M. Vasantha, senior officers of A&N Administration and others.

In his address on the occasion, the Hon'ble Lt. Governor extended a warm and respectful welcome to Hon'ble Vice President of India, Shri C P Radhakrishnan, on his first visit to these islands as the Hon'ble Vice President holding the second highest constitutional office in the country. "We are deeply honoured by your gracious presence at this event, celebrating the spirit of Har Ghar Tiranga and the timeless inspiration of Vande Mataram's 150th anniversary, the Hon'ble Lt. Governor said.

Hon'ble Lt. Governor said that these islands occupy a sacred place in the country's freedom struggle. Following the first war of independence in 1857, freedom fighters were deported to these distant shores where the penal settlements, solitary cells, forced labour and gallows witnessed their extraordinary suffering and sacrifice. Veer Savarkar's incarceration and the historic hunger strike by freedom fighters in the Cellular Jail

remain enduring symbols of resistance to the colonial rules.

Hon'ble Lt. Governor said that on 30th of December, 1943, Netaji Subhash Chandra Bose unfurled the tricolor here, declaring these islands free from the British rule. To commemorate the 75th anniversary of this historic event, the Hon'ble Prime Minister unveiled the 150-foot high flag post at the Flag Point here on 30th of December, 2018. Carrying forward this proud legacy, the National Flag has now been successfully unfurled across 754 islands, including those named after Paramveer Chakra awardees on the directions of the Hon'ble Prime Minister, reaffirming our commitment towards unity, sovereignty and territorial integrity.

Hon'ble Lt. Governor said that the visit of the Hon'ble Vice President coincides with the visionary transformation these strategically pivotal islands are currently witnessing their historic march towards 'Viksit Bharat'. On 2nd and 3rd of May, two Guinness World Records in scuba diving were created through unfurling the world's largest National Flag of 2,400 square metres Underwater and the Tallest Underwater Human Stack of 22

metres, with the objective of honouring the National Flag and promoting the islands as a premier Scuba Diving Hub globally. Introducing a paradigm shift in tourism and hospitality sectors, 12 new scuba diving sites have been opened this year, while four major ecotourism project contracts on PPP mode have been awarded, and 11 more are in the pipeline for internationally benchmarked hospitality facilities across the islands.

Hon'ble Lt. Governor said that our Blue Economy vision brings together sustainable fisheries, marine tourism, maritime connectivity, value addition and the responsible use of ocean resources to create livelihoods and drive long-term growth across the islands. Connectivity is being strengthened through the double-laning of Andaman Trunk Road, construction of bridges, new Greenfield Airports and ports, improving shipping services and regional air connectivity. A 50-megawatt LNG-based power plant is also under implementation for energy security of these islands.

Hon'ble Lt. Governor said, looking at the futuristic vision, the Great Nicobar Island

projects, comprising of components of transshipment terminals, Greenfield Airport, township and supporting infrastructure, along with a Greenfield multipurpose deepwater port at Atlanta Bay, shall establish these islands as a major maritime gateway in the Indo-Pacific region.

Earlier, welcoming the gathering, the Chief Secretary, A&N Administration, Ms. Chanchal Yadav, said that today's State Function celebrates the spirit of 'Har Ghar Tiranga'. As the tri-colour flies proudly in our homes and the call of 'Vande Matram' resonates across the country, we have come together to reaffirm our love for the motherland and remember the sacrifices that made our freedom possible, she said.

The Chief Secretary said that A&N Islands hold a very special place in India's freedom struggle and have a deep connect with the National Flag. She further said that the A&N Administration has taken the spirit of Har Ghar Tiranga beyond homes and settlements, carrying the tri-colour to the remote and uninhabited islands of the Union Territory.

No charges for UPI users

Vast majority of the transactions to remain free of charge for merchants as well

New Delhi, Aug. 9 (PIB)

The Government of India wishes to categorically state:

- > **No charges for users:** Consumers making payments will not face any transaction charges.
- > **P2P transactions free:** All Person-to-Person transactions will continue to be free of charge.
- > **Nominal MDR for merchants:** As and when MDR charges are introduced, they will apply only to a limited set of merchant transactions, above a certain threshold, at a nominal rate, far lower than debit or credit card MDRs.
- > Vast majority of the transactions will remain free of charge for merchants on UPI. MDR, if introduced, will only be threshold based and not blanketly levied to all.
- > Once the Parliament passes the Taxation and Other Laws (Amendment) Bill, 2026, which proposes to amend Section 10A of the Payment and Settlement Systems Act, 2007, the "UPI and Services Steering Committee" headed by NPCI will

decide on the MDR, if any.

Why Amend the Payment and Settlement Systems Act?

The recent amendment to the Payment and Settlement Systems Act (PSS Act) has generated debate, with some misinterpreting it as a move to impose charges on ordinary users. In reality, the amendment is an enabling provision designed to ensure UPI's long-term sustainability, technological advancement, and resilience against emerging risks.

- > **Growth of UPI:** With exponential transaction volumes, the system requires significant and continuous upgrades in cybersecurity, fraud prevention, and infrastructure.
- > **Market Expansion:** It is necessary to increase competition by encouraging more companies to expand their operations, which requires a self-sustaining revenue model.
- > **Self-sustainability:** Reliance on subsidies alone is not viable for the

next wave of growth. A balanced framework is required to ensure that UPI remains robust, inclusive, and future-ready.

Addressing Concerns on False Narratives

Some of the media reports have suggested that external influences may be driving policy changes. This is unfounded, completely false and misleading. If external pressure had been a factor, the government would not have introduced UPI in 2016 or made it free of charge for both merchants as well as citizens since January 2020 and ensured that it became the world's largest real time interoperable payment system.

The amendment should therefore be viewed in the context of the Government's broader objective of ensuring that India's digital payment infrastructure remains sustainable, competitive, innovative and capable of serving the country's rapidly expanding digital economy.

The truth is simple: UPI is India's own innovation,

and the government remains committed to keeping it free for citizens while ensuring its sustainability for decades to come.

The Next Wave of Growth

India now stands at the cusp of the next wave of digital payments growth. To expand UPI further into rural and semi-urban areas and maintain competitiveness, the UPI ecosystem must be self-sustainable and affordable. The amendment to the PSS Act is a forward-looking step to ensure that UPI continues to thrive as a secure, affordable, inclusive, and globally recognized payment system.

Conclusion: The Government of India reaffirms:

- > UPI will remain free for citizens.
- > No charges on everyday transactions on citizens.
- > Any future MDR will be nominal, and only on limited set of merchant transactions.
- > UPI continues to be India's flagship digital innovation, expanding globally.

Since its launch in 2016-

17, the Unified Payments Interface (UPI) has transformed India's digital economy into one of the most inclusive and dynamic payment ecosystems in the world. What began as a bold experiment in real-time, interoperable payments has now become a global benchmark, processing billions of transactions every month and reaching deep into the fabric of everyday life. Today, UPI has grown into the world's largest real-time payment system, processing 2,366 crore transactions worth Rs. 29.9 lakh crore in July 2026 alone. UPI is now also live in 11 foreign countries, and many other countries have shown interest.

UPI is a national achievement built by Indians, for Indians. The Government has promoted, funded and grown it for a decade, and will continue to do so. Citizens are requested to rely only on official information from the Ministry of Finance, the Reserve Bank of India and NPCI, and not to forward unverified messages.

Hon'ble Vice President given an

National De-worming Day to be observed in A&N Islands today

Albendazole Tablet to be administered to all children & adolescents through schools & Anganwadi Centres

Sri Vijaya Puram, Aug. 9

The Government of India is committed towards Anaemia Mukta Bharat and a worm-free future for the children of India. Worm infestation impairs the nutritional status of the children. The nutritional status of the children has significant impact on growth and physical development. Worms consume nutrients meant for the human body and cause blood loss, poor nutrition and stunted growth. Due to heavy infection, children are often too sick or tired to concentrate at school or attend school/Anganwadi. Worm infestations negatively affect children's physical and cognitive development which could have long term negative impact on

them. Studies show that absenteeism in schools decreases with regular deworming.

In order to reduce the load of intestinal worms which is a major cause of Anaemia and related morbidity in the country, the Ministry of Health & Family Welfare in co-ordination with Department of Women and Child Development and Department of School Education and Literacy, Government of India has initiated National De-Worming Day (NDD) all over the country, wherein all children and adolescents from 1-19 years of age are given de-worming tablet through the platform of Schools and Anganwadi Centres.

National De-worming Day 2026 (August round) will be observed in A&N Islands on 10th August, 2026 followed by Mop up on 17th August, 2026. During this round, Albendazole Tablet will be administered through schools and Anganwadi Centres. All parents have been requested to ensure that their children are administered Tab Albendazole in Schools and Anganwadi Centres. The general public have also been requested to extend their co-operation to ANMs, Anganwadi Workers and ASHAs and give wide publicity for effective implementation of the National De-worming Day, 2026 in A&N Islands, a press release from DHS said.
