## PM addresses inaugural session of India Global week India is playing a leading role in the global revival: PM

New Delhi, July 9 (PIB)

The Prime Minister, Shri Narendra Modi today addressed the inaugural session of India Global week via video-conference. Referring to the current times of crisis, the Prime Minister said India would play a leading role in the global revival. He said that this is closely linked with two factors. First is 'Indian talent' and second is 'India's ability to reform and rejuvenate'. He elaborated that world over, the contribution of India's talent-force

is highly recognized, especially the contribution of the Indian tech industry and tech professionals. The Prime Minister described India as a power-house of talent that is eager to contribute. He added that Indians are natural reformers and

history has shown that India has overcome every challenge, be it social or economic. He said that when India talks of revival it is: Revival with care, Revival with compassion, Revival which is sustainable - both for the environment and the economy.

The Prime Minister listed the gains made during the last six years such as: total financial inclusion, record housing and infra construction, Ease of Doing Business, bold tax reforms including the GST. The Prime Minister said that the green-

shoots of economic recovery could already be seen as owing to the indomitable Indian spirit. He said that technology today helps the Government's every benefit reach to the beneficiaries directly, including, providing free cooking gas, cash in the bank accounts, free food grains to millions of people and many other things. PM said India is one of the most open economies in the World and is inviting all the Multinational Companies to set up

## 'Marine Esplanade' with landscaping & state of art lighting to come up at Port Blair Walking track, seating decks/street furniture to be added attraction

Port Blair, July 9 Another interesting project namely 'Marine Esplanade' will come up in Port Blair city. The Marine Esplanade is one of the signature projects proposed under Smart City, in order to attract both national and international tourists and also to improve the leisure spaces for citizens of Port Blair to enjoy the sea front. The

development includes revitalization of water front with access to water at suitable locations, encouraging pedestrian activity with exclusive walking track, consistent necklace lighting, viewing decks, look out space/vantage points with seating arrangements to enjoy the sea front and coastal character. Further, to enhance the sea front recreational activities, retail

and food kiosks on land side at various important locations, angling points along the coast are proposed. The select coastal stretch from Chatham to Corbyn's Cove is taken up for this ambitious project. The entire coastal stretch will be developed in phases of which restructuring of coastal road from Marina Park to Flag Mast has been prioritized. The road

will be developed as a signature road with exclusive walking track, seating decks/street furniture with landscaping and state of art lighting. The length of the road will be 1.495 kms with project cost of Rs.9.92 Cr. The work has been awarded and will be completed in six months' time, a press release from Secretary, PBMC said

their business in India. The Prime Minister described India as a land of many possibilities and opportunities. He described the various reforms initiated in the Agriculture Sector and said that it provides a very attractive investment opportunity for the global industry.

The Prime Minister said that the latest reforms are providing a boost to the MSME Sector and that they would be complimenting the big industry. He said that there are investment opportunities in the defence sector and the space sector. The Prime Minister said that the pandemic has once again shown that India's Pharma industry is an asset not just for India but for the entire world. It has played a leading role in reducing the cost of medicines, especially for developing countries. He said that **Aatma Nirbhar Bharat** is not about being self-contained or being closed to the world but about being self-sustaining and self-generating.

This is an **India that is reforming, performing and transforming**. This is an India that offers new economic opportunities. This is an India that is adopting a human-centric and inclusive approach to development. India awaits you all, he said. He expressed happiness that the Forum was also marking the 100th birth anniversary of Pandit Ravi Shankar, who took the beauty of Indian classical music to the world. He also highlighted how **Namaste** has gone global as a form of greeting. He said that India is ready to do whatever it can to further global good and prosperity.

congratulated all ranks of BRO for completing the works of six bridges in record time and complimented them for contributing towards nation building by working in the most difficult terrain and weather conditions. He said that roads and bridges are the lifeline of any nation and play a vital role in the socio-economic development of far-flung regions. Reiterating the Central Government's commitment to prioritize development activities in J&K, he said that our Prime Minister, Shri Narendra Modi is regularly monitoring the progress of these projects and adequate funds are being provided for their timely execution.

Shri Rajnath Singh said, "It is a pleasant experience to inaugurate these bridges that 'connect people', at a time when the world is insisting on keeping distance, being isolated from each other (due to COVID-19). I would like to congratulate the Border Road Organisation on completing this important task with great skill."

Complimenting BRO, Raksha Mantri said, "Continued construction of roads and bridges in the border areas of the country with total commitment by BRO would help in realisation of the efforts of the Government to reach to the remotest areas."

has one of the lowest cases per million (538) and deaths per million (15) compared to the global average of 1453 and 68.7, respectively. Within the country, eight States (Maharashtra, Tamil Nadu, Delhi, Karnataka, Telangana, Andhra Pradesh, Uttar Pradesh and Gujarat) contribute to around 90% of the active caseload and 49 Districts account for 80% of active caseload, as of today. Moreover, six States (Maharashtra, Delhi, Gujarat, Tamil Nadu, Uttar Pradesh and West Bengal) account for 86% of total deaths, and 32 districts account for 80% deaths. The GoM was briefed that special efforts were made in the regions showing higher Case Fatality Rate.

Speaking on the COVID-19 healthcare infrastructure in the country, the GoM was briefed that as on today, there are total 3914 facilities in the country with 3,77,737 Isolation beds (without ICU support), 39,820 ICU beds and 1,42,415 oxygen supported beds along with 20,047 ventilators. In terms of healthcare logistics, cumulatively 213.55 lakh N95 masks, 120.94 lakh PPEs and 612.57 lakh HCQ tablets have been distributed.

During the period of Unlock 2.0, the future steps include sharp focus on containment and surveillance including demarcation of Containment Zones according to the guidelines of Ministry of Health & Family Welfare; Containment Zones to be notified on the websites; strict perimeter control & with only essential activities to be allowed; intensive contact tracing, house-to-house search/surveillance; and Buffer Zones to be identified outside the Containment Zones to contain potential new cases.

It was mentioned that the Centre and State/UT cooperation measures taken at regular intervals include regular visit by Central Teams of public health experts to the most affected States for handholding and supporting States for more effective containment & control measures. The regular VCs chaired by Cabinet Secretary with all States/UTs focus on containment of the spread, ramping up the testing and reducing the mortality.

Dr Harsh Vardhan stated that "as we move forward, our focus shall be on the management of COVID-19 through strict containment measures and surveillance; utilizing full testing capacity; focus on monitoring of co-morbid and elderly population; predicting emerging hotspots leveraging digital tools such as Aarogya Setu; ensuring seamless patient admission processes; focus on infrastructure preparedness (critical care beds, oxygen, ventilators and logistics)." He pointed out that "along with States/UTs, our aim is to reduce and keep the Case Fatality Rate low by early identification and effective clinical management".
