Celebrating the joy of reading Second edition of Andaman Nicobar Book Fair to be held at ITF Ground from Feb. 14 to 22

Sri Vijaya Puram, Feb. 11

The Art & Culture Department, A&N Administration, in association with the National Book Trust (NBT), New Delhi, will be organizing the nine-day Andaman Nicobar Book Fair, the second in the series, at the sprawling ITF Ground at Sri Vijaya Puram, from February 14 to 22, 2026. The event aims to foster a love for reading and promote literary culture amongst the people, especially youth & students of these Islands. This Book Fair would not only benefit readers of all ages but also serve as an opportunity for publishing houses and authors to connect with the public.

The book fair will feature a number of stalls displaying books

from different publishers from mainland India, offering a diverse collection of genres and authors. Renowned authors from the mainland are also expected to participate in this mega event, engaging with participants through

book signings, interactive sessions, and more. This book fair will provide an excellent opportunity for people to browse through a wide variety of books and purchase them directly from the stalls.

Book fairs play a crucial role in

promoting reading habits, providing access to a wide range of books, and offering a platform for authors and readers to interact. They serve as a hub for literary enthusiasts, educators, students, and the general public to explore new ideas, gain knowledge, and

celebrate the joy of reading.

All have been invited to participate in this second edition of Andaman Nicobar Book Fair, explore the world of literature, and celebrate the joy of reading, a press release from Art & Culture Department said.

All OPD registrations at G.B. Pant Hospital to be carried out exclusively through ABHA/Health ID

Sri Vijaya Puram, Feb. 11

The Ayushman Bharat Digital Mission (ABDM) is a flagship initiative of the Government of India, launched in 2021 with the objective of establishing a unified and integrated digital health ecosystem across the country. The mission seeks to address existing gaps among various stakeholders in the healthcare system by leveraging digital technologies and enabling standardized, secure exchange of health data.

Under ABDM, the

Ayushman Bharat Health Account (ABHA)/Health ID, provides citizens with a unique digital health identity. This enables secure access to personal health records and facilitates their seamless sharing across healthcare facilities, strictly based on patient consent.

In line with the implementation of the Ayushman Bharat Digital Mission (ABDM) in this Union Territory, it is hereby informed that all Outpatient Department (OPD) registrations at G.B. Pant Hospital, SVP,

shall henceforth be carried out exclusively through the ABHA/Health ID. This initiative is aimed at ensuring faster OPD services, accurate patient identification, and secure digital sharing of medical records across healthcare facilities.

Patients visiting G.B. Pant Hospital, SVP, have been requested to carry their ABHA/Health ID, or the mobile number linked with their ABHA, or the Aadhaar-linked mobile number for OPD registration. To further enhance patient

Historic Milestone: Embryo Transfer Technology project launched in A&N Islands Initiative to upgrade local cattle genetics, boost milk output & dairy self-reliance

Sri Vijaya Puram, Feb. 11

In a landmark achievement for Dairy development in the Andaman & Nicobar Islands, the Department of Animal Husbandry and Veterinary Services (AH&VS), Andaman & Nicobar Administration, has initiated the Embryo Transfer Technology (ETT) Project, the first-ever implementation of this advanced reproductive technology in livestock in these islands. The project is funded by the Central Scheme-Rashtriya Gokul Mission. This pioneering initiative aims to rapidly upgrade the genetic quality of local cattle, significantly boost milk production,

increase female calf ratio, and accelerate dairy self-reliance in the Union Territory.

The project is executed by the NDDDB Dairy Services, which is a pioneer in the Technology in India. The first embryo transfers were performed on Feb. 10, marking the official

launch of ETT operations in the islands. A dedicated project team has been constituted to implement and monitor the initiative, with Senior Veterinary Officers from respective jurisdictions to be included as the project progresses.

The Secretary

(AH&VS), Ms. Pallavi Sarkar, IAS, witnessed the procedure of Embryo transfer, including recipient preparation and embryo implantation, at the Government Cattle Farm, Dollygunj, and wished the project success. She expressed confidence that this

technological

intervention will script a new beginning in the Dairy sector of these islands. The advantage of ETT is the birth of female calf having the genetic potential of high milk yield without any legacy of the recipient animal.

The first phase of the project will focus on

selected clusters in South Andaman and recipients will be selected based on the reproductive ability and other established criteria of the animals. Owners of the selected recipients will enter into a MoU with the department and all necessary documentation and health evaluations will be taken up to minimize risks and ensure the best outcomes for ET calves. The ETT project delivers transformative benefits: it enables rapid multiplication of high-yielding, genetically superior female calves, shortens the time required for breed improvement compared to conventional AI, increases milk yield potential, reduces unwanted male calf population, and strengthens dairy farming economics for island farmers. This initiative is part of the Department's long-term vision to achieve self-sufficiency in milk production, improve nutritional security, and uplift rural and tribal livelihoods through modern reproductive technologies. The Department is committed to scaling the project across more clusters and islands in the coming phases, to cover all major milk producing areas in the UT. All interested cattle owners are requested to contact their nearest Veterinary institution for more information on this scheme and are encouraged to come forward to gain from this initiative which aims to improve the milk production of these islands, a press release from Department of AH&VS said.
