### The Somnath Temple stands as a beacon of unwavering faith, divinity and a sacred symbol of India's eternal soul: Hon'ble PM

New Delhi, May 11 (PIB)

Hon'ble Prime Minister, Shri Narendra Modi today participated in Somnath Amrut Mahotsav, marking 75 years since the inauguration of the restored Somnath Temple, Gujarat.

Addressing a grand gathering at the Somnath Temple complex on the occasion of its 75th consecration anniversary, Hon'ble Prime Minister Shri Narendra Modi hailed the event as far more than a ceremonial occasion, but rather a declaration of India's eternal consciousness and civilizational resilience. The

tradition," remarked Shri Modi.

Drawing the nation's cultural recovery into focus, the Hon'ble Prime Minister acknowledged the contributions of luminaries like sages Lakulisha and Soma Sharma who preserved the region's sacred heritage. He

acknowledged the scholarly contributions of Bhava Brihaspati, Pashupatacharyas and many scholars that sustained the area's spiritual traditions. PM Modi recognized intellectual Personalities like Vishaldev and Tripurantak who

momentous gathering witnessed celestial devotion interwoven with national pride as vedic chants, cultural performances, and the roar of ocean waves converged to celebrate the sacred site's restoration.

Invoking ancient scriptural wisdom, the Hon'ble Prime Minister described how this creation springs from the divine and merges back into it. "Yato jayate palyate yena vishwam, tamisham bhaje liyate yatra vishwam, today we are celebrating the festival of reconstruction of His abode," asserted Shri Modi. Sharing his personal devotion, the Hon'ble Prime Minister recalled his countless visits to the temple as an ardent devotee of Dada Somnath. "I have bowed before Him countless times, but today when I was coming here, this journey through time was giving me a delightful experience," remarked Shri Modi.

Recalling his recent visit just a few months ago during the Somnath Swabhiman Parv, the Hon'ble Prime Minister highlighted the unique significance of witnessing both commemorations in close succession. "The pride of Somnath being indestructible even 1000 years after the first

destruction, and today 75 years of the Pran Pratishtha of this modern form, we have got the opportunity to experience the immortal journey of a thousand years," affirmed Shri Modi.

Emphasizing the historical importance of the 1951 consecration, the Hon'ble Prime Minister stated that it was no ordinary occasion. "If India became independent in 1947, then in 1951, the Pran Pratishtha of Somnath proclaimed the independent consciousness of India," asserted Shri Modi.

Articulating the multilayered significance of the occasion, the Hon'ble Prime Minister stated he is not merely witnessing a 75-year retrospective. "I am seeing here the resolve of creation in destruction, which Somnath has fulfilled," observed Shri Modi. He described perceiving the eternal victory of truth over falsehood in the sacred precincts.

Emphasizing the forward-looking dimension of the celebration, he stated that the Somnath Amrit Mahotsav transcends mere commemoration. "This is not just a celebration of the past, this is also India's inspiration for the next

one thousand years," affirmed Shri Modi. The Hon'ble Prime Minister extended his congratulations to all countrymen and crores of devotees of Lord Somnath on this momentous occasion.

Connecting the day to another landmark in national history, he reminded the gathering that May 11 also marks the anniversary of India's Pokhran nuclear tests in 1998. He detailed how the country conducted three nuclear tests on May 11, demonstrating the capability of Indian scientists. He highlighted the subsequent tests on May 13 as proof of India's unwavering political resolve. "At that time the entire world's pressure was on India, but under the leadership of Atal ji, the then government demonstrated that for us, nation comes first, no power in the world can make India bow or bring it under pressure," asserted Shri Modi.

Explaining the significance of the operation's name, the Hon'ble Prime Minister noted that the Pokhran nuclear test was called Operation Shakti for profound cultural reasons. "Because the worship of Shakti along with Shiva has been our

safeguarded the region's consciousness. Expanding the circle of reverence, he named numerous other great personalities like Veer Hamirji Gohil, Veer Vegdaji Bhil, Punyashloka Ahilyabai Holkar ji, Gaekwads of Baroda, Jam Saheb Maharaja Digvijay Singh ji who dedicated themselves to Somnath's service. He specifically bowed to the modern architects of Somnath's restoration like Sardar Patel, Dr. Rajendra Prasad, KM Munshi ji and all such divine souls. He drew inspiration from their legacy for contemporary responsibility. "Their remembrance inspires us that we not only have to carry forward our cultural heritage but also have to pass on this responsibility into the hands of coming generations," affirmed Shri Modi.

Reflecting on India's vast cultural inheritance, the Hon'ble Prime Minister noted that cultural sites have been the nation's identity for thousands of years. Yet he pointed to a painful irony in post-independence India. Drawing international comparisons, he noted that elsewhere in the world, nations whose heritage was destroyed by

diverse cultural legacy. 'Somnath Swabhiman Parv' marked two significant milestones in India's historical journey: one thousand years since the first recorded attack on the Somnath Temple in 1026, and seventy-five years since the reopening of the reconstructed temple in 1951 following Independence.

The commemoration is not only a tribute to Somnath's enduring legacy but also a reaffirmation of India's cultural strength and unity. The active participation by the devotees and the people from all walks of life made the event a memorable one.

invaders later came together to restore it. The Hon'ble Prime Minister acknowledged the tremendous efforts made by the founding leaders toward this goal. However, he also referenced the unfortunate opposition they faced from within the leadership. "Yet Sardar Sahab's unwavering resolve ensured that the nation washed away centuries of shame," remarked Shri Modi.

"This temple draws people from every corner of the world, and their visits generate prosperity across the entire region," he observed.

Expanding his vision to India's sacred pilgrimage network, the Prime Minister catalogued the transformative development undertaken across the country in recent years, the reconstruction of Kedarnath, the beautification of Kashi's Vishwanath Dham, Ujjain's Mahakal Mahalok, the Chardham highway project, the ropeway project from Govindghat to Hemkund Sahib the Kartarpur Corridor, and the Buddhist Circuit. "All of this has occurred within 10-12 years, demonstrating that cultural sites are not obstacles to progress, but are indeed centers of India's spiritual-social system, and have also been sources of the country's economic progress and gateways to genuine development," asserted Shri Modi.

Emphasizing the role of cultural continuity in national strength, the Hon'ble Prime Minister asserted that when new generations reconnect with their history, faith, and values, the nation's inner strength deepens immeasurably.
