Central Sector Scheme financing facility under Agriculture Infrastructure Fund

Sri Vijaya Puram Nov. 11

The development of modern agricultural infrastructure is essential for enhancing agricultural productivity, reducing post-harvest losses, improving market access and promoting value addition in the Islands. The Agriculture Infrastructure Fund aims to strengthen agricultural infrastructure by providing medium- to long-term debt financing for viable projects relating to post-harvest management infrastructure and community farming assets.

The Directorate of Agriculture, Andaman and Nicobar Islands, invites eligible farmers, Farmer Producer Organisations (FPOs), Self Help Groups (SHGs), Primary Agricultural Credit Societies (PACS), Cooperative Societies, Agri-entrepreneurs, Start-ups and other eligible beneficiaries to submit project proposals for availing financial assistance under the Agriculture Infrastructure Fund (AIF), a Central Sector Scheme of the Government of India.

Financial Assistance under AIF

Under the scheme, loans are provided through banks and financial institutions to eligible beneficiaries for setting up and developing agricultural infrastructure. The key financial benefits include:

- **Interest Subvention:** 3% per annum on eligible loans up to Rs.2.00 crore.
- **Subvention Period:** Available for a maximum period of 7 years, subject to the applicable scheme guidelines.
- **Credit Facility:** Medium- to long-term financing through eligible banks and financial institutions.

Eligible Projects under the Scheme

The following categories of projects are eligible for consideration under AIF:

1. Post-Harvest Management Infrastructure

- Supply chain services, including e-marketing platforms.
- Warehouses and pack houses.
- Assaying, sorting and grading units.
- Cold chain and logistics facilities.
- Primary processing centres.
- Ripening chambers.

2. Community Farming Assets

- Organic input production and bio-stimulant production units.

Environmental Compliance by Dairy Farms & Gaushalas in Andaman & Nicobar Islands

Sri Vijaya Puram, Nov. 11

The Andaman & Nicobar Pollution Control Committee (ANPCC) has directed all owners and operators of Dairy Farms and Gaushalas functioning across the Andaman & Nicobar Islands to ensure strict compliance with the applicable environmental regulations and the Central Pollution Control Board (CPCB) Guidelines for Environmental Management of Dairy Farms and Gaushalas, revised in July 2021, pursuant to the directions of the Hon'ble National Green Tribunal (NOT) in O.A. No. 394/2022.

The guidelines aim to prevent environmental pollution arising from improper handling, management and disposal of cattle dung, fodder residues and wastewater, while promoting scientific and sustainable waste management practices.

As per the CPCB guidelines, Dairy Farms refer to establishments engaged in rearing milch animals for milk production and supply, whereas Gaushalas, also known as Gosadans and Pinjrapoles, provide shelter and care for weak, sick, injured, abandoned and homeless cattle.

Further, as per CPCB's Classification of Sectors into Red, Orange, Green, White and Blue Categories, issued in January 2025, Dairy Farms having more than 500 animals are classified under the Red Category, those having 101-500 animals and 15-100 animals under the Orange Category, while Gaushalas are classified under the Green Category.

Mandatory Environmental Compliance

All owners and operators of Dairy Farms and Gaushalas shall ensure compliance with the following requirements:

1. Compliance with CPCB Guidelines: Strictly adhere to the Guidelines for Environmental Management of Dairy Farms and Gaushalas issued by CPCB (revised July 2021).

2. Scientific Management of Cattle Dung: Ensure proper collection, treatment and scientific disposal of cattle dung generated within the premises by adopting feasible technologies such as composting, vermicomposting bio-methanation or cattle dung log-making. Alternatively, the dung shall be handed over to the concerned local body for appropriate management.

3. Wastewater Management: Ensure proper collection and adequate treatment of wastewater generated from Dairy Farms and Gaushalas before discharge. Untreated wastewater shall not be discharged into the environment or allowed to percolate into the ground, thereby contaminating groundwater.

4. Adequate Animal Housing: Ensure adequate

Deptt. of Agriculture appeals to farmers for time-bound completion of Farmer ID Registration

Sri Vijaya Puram, Nov. 11

The Department of Agriculture has appealed to all eligible farmers across the A&N Islands to complete their Farmer Registry enrolment on or before Nov. 30, 2026 to ensure uninterrupted access to Government schemes, subsidies and agricultural services.

The Farmer Registry is being implemented under the Government of India's Digital Agriculture Mission as part of the AgriStack initiative, with the objective of establishing a verified digital identity for every farmer and facilitating seamless delivery of Government benefits.

The Department has clarified that Farmer ID registration is mandatory for availing benefits under all Centrally Sponsored Schemes (CSS). As advised by the Ministry, benefits under Government schemes, including subsidized fertilizer booking, will be stopped for farmers who do not possess a valid Farmer ID. Further, farmers who fail to complete their enrolment may face disruption in the receipt of agricultural inputs and PM-KISAN benefits from the upcoming Rabi Season 2027. The Department has therefore urged all eligible farmers to accord priority to their registration within the stipulated timeline.

To facilitate the enrolment process, the Department has made arrangements through Agriculture Sub-Depots, designated enrolment centres and special Farmer Registry camps being organised across the Islands. Farmers may visit their nearest Agriculture Sub-Depot, Common Service Centre (CSC) or Farmer Registry camp along with the necessary details and supporting documents to complete their registration.

The Department of Agriculture has appealed to all eligible farmers to cooperate with the field functionaries and make full use of the enrolment facilities available across the Islands to achieve 100% coverage under the Farmer Registry, a press release from Department of Agriculture said.

ANIIMS hosts National One Health training prog. for medical professionals to strengthen Zoonotic Diseases preparedness in A&N Islands

Sri Vijaya Puram, Nov. 11

In a significant initiative towards strengthening public health preparedness and disease surveillance in the Andaman and Nicobar Islands, a training programme on the National One Health Programme was organised at G.B. Pant Hospital recently. The programme was conducted under the leadership and guidance of Director, ANIIMS, Dr. Mukesh Tripathi, and was further enriched by the presence and encouragement of Dr. Avijit Roy, Deputy Director (Health) along with faculty members Dr. Ajay Raj, Dr Pragathesh P, Dr. Sweta V.R., Dr. Samar Hossain, Dr. Aanchal Anand, Dr. Ezhilarasan and Dr Mitul Saha.

The training programme emphasised the importance of the One Health approach, which recognises the close interconnection between human health, animal health and environmental health. With emerging and re-emerging infectious diseases, zoonotic infections and changing environmental conditions posing significant public health challenges, the programme highlighted the need for coordinated, multidisciplinary action, integrated disease surveillance, early detection and timely response.

The initiative holds special significance for the Andaman and Nicobar Islands, given their unique ecosystem and vulnerability to emerging infectious diseases, a press release from ANIIMS said.

Pashu Aushadhi Vikray Kendras to provide affordable veterinary medicines to livestock farmers

Sri Vijaya Puram, Nov. 11

The Government of India has launched Pashu Aushadhi Vikray Kendras under the Livestock Health and Disease Control Programme to improve animal healthcare by making quality generic veterinary medicines available at affordable prices to livestock owners, particularly in rural and remote areas. The initiative aims to reduce treatment costs for farmers and strengthen livestock health services across the country, including the Andaman & Nicobar Islands.

These Kendras can be opened by registered Pradhan Mantri Kisan Samridhi Kendras (PM-KSKs) and Cooperative Societies. Applicants must have at least 120 square feet of space (owned or rented), employ a registered pharmacist with a B. Pharma or D. Pharma qualification, and hold a drug sale licence from the State Drug Control Authority. Only one Kendra is permitted per revenue block, with priority given to areas having larger livestock populations.

Store operators will receive a 20 per cent margin on the selling price (excluding tax) of each medicine. A one-time incentive of Rs.1.5 lakh is available for Kendras opened in aspirational districts, hilly areas, islands and northeastern states. A monthly incentive of up to Rs.20,000 will also be provided based on the stock maintained and the volume of medicines purchased and sold. Only medicines supplied by the Pharmaceutical and Medical Devices Bureau of India (PMBI) can be sold at these centres, and billing must be done through the official Point-of-Sale system. Ethno-veterinary products and certified animal feeds can also be sold.

The scheme is jointly implemented by the Department of Animal Husbandry and Dairying, Ministry of Cooperation and PMBI. Applications are to be submitted online through the portal https://pashuaushadhi.dahd.gov.in/ . An application fee of Rs.5,000 is applicable, which is waived for stores in aspirational areas. Detailed guidelines can be downloaded from the Department of Animal Husbandry and Dairying website.

Registered PM-KSKs and Cooperative Societies in the Islands are encouraged to apply and take part in this initiative to improve access to affordable veterinary medicines and support animal health and rural livelihoods, a press release from Deptt. of AH&VS said.
