Three more beaches in A&N Islands earn prestigious Blue Flag Certification

Radhanagar Beach's Blue Flag Certification successfully renewed for 2026-27

Sri Vijaya Puram, Nov. 12

In yet another significant achievement in its endeavour to promote sustainable, responsible and environment-friendly tourism, the Andaman & Nicobar Islands have added three more beaches to the prestigious list of internationally recognised Blue Flag-certified beaches for 2026-27.

The three beaches are Ramanagar Beach at Diglipur, Karmatang Beach at Mayabunder and Raman Bagicha Beach at Rangat, all located in North & Middle Andaman District. In addition, the Blue Flag Certification of the renowned Radhanagar Beach at Swaraj Dweep in South Andaman District has been successfully renewed for the period 2026-27. This recognition further strengthens the Islands' standing as an emerging destination for sustainable coastal tourism.

The Blue Flag Certification is an internationally acclaimed eco-label awarded to beaches that fulfil stringent 33 criteria i.e. environmental and quality standards, including environmental education and awareness, bathing water quality, management, safety and tourists' amenities. The certification reflects a beach's commitment to maintaining high standards of cleanliness, environmental sustainability and tourist safety.

This achievement is the result of the concerted efforts and inter-departmental coordination of the Tourism Department, Forest Department and Rural Development Department/ Panchayati Raj Institutions (PRIs) of the Andaman & Nicobar Administration. Their collective efforts have been instrumental in improving beach infrastructure, strengthening environmental management measures and ensuring compliance with the prescribed certification criteria.

The National Institute of Ocean Technology (NIOT), Ministry of Earth Sciences, Government of India, also extended valuable technical support by undertaking water quality sampling and testing and conducting Safety and Risk Assessments for the above beaches, which formed an important part of the certification process.

This accomplishment is expected to further enhance the national and international recognition of the Andaman & Nicobar Islands as a premier sustainable tourism destination. It will also encourage responsible tourism practices, strengthen conservation of the Islands' fragile coastal and marine ecosystems and provide visitors with safe, clean and environmentally friendly beach experiences, a press release from Directorate of IP&T said.

U-19 Asia Cup: India thrash Afghanistan by eight wickets to set up blockbuster final against arch-rivals Pakistan

Oman, Nov 12

In Men's ODI Cricket, India have entered the final of Under-19 Asia Cup beating Afghanistan by 8 wickets in the second semi-final match in Oman. Riding on impressive 93 runs scored by Captain Lakshya Rajesh Raichandani, India comfortably surpassed the target of 228 runs scoring 230 for 2 in 36.5 overs.

Earlier, opting to bat first, Afghanistan had posted 227 runs for the loss of eight wickets in their allotted 50 overs. India will face Pakistan in the final on Saturday.

In the first semi-final today, Pakistan defeated Bangladesh by nine wickets to seal the place in the final.

4th ODI between India & New Zealand to be played today at Mount Maunganui

Mount Maunganui, Nov 12

India will look to close out the series when the fourth ODI begins at Bay Oval, Mount Maunganui, New Zealand on Friday, November 13. They lead 2-0 with two matches to go, after the third match was abandoned due to rain.

Shreyas Iyer captains India for the first time in the format, with Ishan Kishan as his Deputy and wicketkeeper. Shubman Gill and KL Rahul have moved across to Test preparation, and Tilak Varma, Yash Thakur and Kumar Kushagra are the three additions to the squad.

PM SVANidhi Mahotsav organised at Bathubasti Community Hall

Sri Vijaya Puram, Nov. 12

Sri Vijaya Puram Municipal Council organised PM SVANidhi Mahotsav today in the Councillor's Office, Ward No. 19, Bathubasti, with the objective of creating awareness among street vendors about the benefits of the PM SVANidhi Scheme and encouraging them to avail the financial assistance and other benefits available under the Scheme.

Addressing the gathering as the chief guest, Shri V. Vetrivel, Senior Vice-Chairperson, SVPMC encouraged the street vendors to remain aware of the various welfare schemes launched by the Government and the Ministry and to make the fullest possible use of such initiatives for improving their livelihoods and strengthening their businesses.

During the programme, the Community Organiser, SVPMC, briefed the street vendors about the various features and benefits of the PM SVANidhi Scheme, including the availability of collateral-free working capital loans and the procedure for applying for loans under the Scheme. The vendors were also sensitised about the importance of timely loan repayment and adoption of digital transactions.

During the interaction, few beneficiaries also shared their success stories and expressed satisfaction over the assistance received under the PM SVANidhi Scheme during the COVID-19 pandemic. They highlighted that the timely availability of micro-credit loans had helped them restart their businesses, which had been severely affected during the lockdown.

As part of the Mahotsav, the top three best-performing PM SVANidhi beneficiaries were felicitated in recognition of their performance and contribution towards the objectives of the Scheme.

The programme concluded with the felicitation of the selected beneficiaries and a renewed appeal to street vendors to actively participate in the PM SVANidhi Scheme and avail its benefits. The PM SVANidhi Mahotsav concluded on a positive note with the participation of street vendors and officials of SVPMC, a press release from SVPMC said.

session focusing on the basics of camera techniques, the core mechanics of the exposure triangle (aperture, shutter speed, and ISO), camera handling ergonomics, and practical exposure metering. Special emphasis was laid on understanding how the camera interacts with light under varied ambient conditions, giving participants hands-on exposure from the outset.

This capacity-building initiative is designed to substantially upgrade the technical competencies of local youth, enabling them to establish viable enterprises and transition into the organized sector through formal MSME registration, in direct alignment with RAMP objectives.

By elevating local talent to professional industry standards, the programme ensures that visiting tourists gain access to professionally trained photographers and videographers to capture their cherished memories across the islands' iconic landscapes and marine locales, a press release from IP&T said.

Livestock Insurance Scheme under National Livestock Mission Made Operational

Farmers invited to enrol & protect their livestock

Sri Vijaya Puram, Nov. 12

The Department of Animal Husbandry & Veterinary Services (AH&VS), Andaman & Nicobar Administration, has operationalised the Livestock Insurance Scheme under the National Livestock Mission (NLM) for the financial year 2026-27. The scheme is designed to provide financial security to livestock farmers against the loss of their animals due to disease, accidents or natural calamities. By covering these risks, the initiative aims to reduce the vulnerability of farmers and encourage them to invest confidently in animal husbandry as a sustainable source of income.

Under the scheme, insurance coverage is available for milch cattle, milch buffaloes, goats and pigs, which form the backbone of livestock rearing in the Islands. The premium has been kept highly affordable. The Central Government bears 85 per cent of the premium amount, while the beneficiary is required to pay only 15 per cent. This low farmer contribution makes the scheme particularly beneficial for small and marginal farmers, Self Help Groups and women livestock rearers who depend on animals for their livelihood and household nutrition.

Livestock owners interested in availing the benefits are requested to apply through the official Livestock Insurance Portal. Farmers may visit bharatpashudhan.ndlm.co.in and click on the Insurance Portal, or go directly to rashtriyapashubima.dahd.gov.in. Registration requires the NDLM-registered mobile number and the ear tag number of the animal. Once registered, the application can be submitted online in a simple and convenient manner. Farmers may also contact the nearest Veterinary Hospital or Dispensary for guidance, clarification and any assistance required during the enrolment process.

The Department of AH&VS has appealed to all eligible livestock farmers across the Andaman & Nicobar Islands to come forward and insure their animals under the scheme. Timely enrolment will help protect their valuable livestock assets, safeguard their livelihood and contribute to the overall strengthening of the animal husbandry sector in the Islands, a press release from Deptt. of AH&VS said.

CIARI-DASD launches incubation facility for extraction of essential oil from Spices & Aromatic Plants for Island farmers

Sri Vijaya Puram, Nov. 12

A distillation facility for extraction of essential oil has been created by ICAR-Central Island Agricultural Research Institute, Sri Vijaya Puram under CSS-MIDH (NHM) Project on Spices of the institute. As a part of the Khet Bachao Abhiyan, an exposure visit cum training programme was conducted on the theme 'Systematic Cultivation and Value Addition Opportunities in Spice and Plantation Crops' on November 9, 2026 under CSS-MIDH (NHM) Project on Spices and AICRP on Plantation Crops Project.

The prime purpose of the programme was to provide an overview of the scientific management of spices and plantation crops. The programme started at the Horticulture Research Farm, Sippighat wherein live demonstrations were conducted by Dr. Ajit Arun Waman and Dr. Pooja Bohra, Senior Scientists and Course Directors about scientific cinnamon harvesting using Dweep CinnRub, coconut dehusking using mechanical dehusker and coconut climbing device. During the second session, farmers visited Field Distillation Unit of the institute where distillation of essential oil was demonstrated to them followed by their packaging and uses.

In the valedictory session of the event, Dr. Jai Sunder, Director (A), ICAR-CIARI declared the distillation facility as an incubation facility for the island stakeholders in the presence of Dr. Raj Narayan, Head (Horticulture). He informed that interested people can bring their quality raw material of spices and aromatic plants at the Bathubasti campus of the institute and get the oil distilled at a nominal charge of Rs. 100/- per batch. The programme was attended by 40 female and 21 male participants from nine villages of South Andaman Island which was coordinated by Shri. T. Yaghambaram, Pradhan, Calicut, Smt. Ramya, PRI Member and others, a press release from CIARI said.

pan-India digital storefront. Historically, the local artisans crafting wood, coconut shell and seashell handicrafts relied almost exclusively on seasonal footfall of tourists, however ONDC breaks this geographic isolation, allowing these self-employed island craftsmen to reach buyers across the country through any ONDC-compliant app, ensuring year-round demand and livelihood stability.

Shri Praveen Choudhary, Vice-President, ONDC, and Ms. Tamanna Sharma, Programme Manager, ONDC, addressed the gathering and extended their good wishes. Speaking on the occasion, they informed that the open network provides a cost-effective alternative to traditional e-commerce giants. By eliminating steep commission fees and offering multi-lingual digital support, ONDC enables Island's artisans to sell their authentic handicrafts at fair prices while keeping a larger share of their profits.

The technical session began with a recap of the recommended model of Sagarika as an umbrella brand and aggregator, with a seller app and mainland warehousing. Five sessions followed on catalogue and packaging, marketing and visibility, logistics and warehousing, pricing, and a live demonstration of the white-label seller app. Participants benefited from practical, hands-on guidance on preparing product listings and meeting labelling and compliance requirements, on reaching buyers across the network, on moving stock from Sri Vijaya Puram to the mainland, on building prices that keep the producer's earnings in view, and on operating the seller app. The Sagarika team and officials also received a clearer picture of the support ONDC will provide towards onboarding onto ONDC.

The Department expressed its appreciation to the ONDC team for their visit and their support in helping the artisans of Andaman & Nicobar Islands in getting awareness on the ONDC initiative, a press release from Directorate of Industries said.

ANDAMAN AND NICOBAR ADMINISTRATION
SECRETARIAT
NOTIFICATION

Sri Vijaya Puram, dated 2nd November, 2026.

No. 280/2026/F.No.34-725/2026-Rev.- WHEREAS, a preliminary notification under Sub-section (1) of Section 11 of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (30 of 2013) (hereinafter referred to as "the said Act") was issued vide Notification No. 88/2025/F. No. 34-725/2021-Rev. dated the 6th November, 2025, published in the Andaman and Nicobar Gazette, Extraordinary, No. 93 dated the 6th November, 2025, for the acquisition of 834.6437 hectares of land in Gandhi Nagar and Shastri Nagar villages, Campbell Bay Tehsil, Nicobar District, for the public purpose of the Greenfield International Airport Project, Great Nicobar Island (hereinafter referred to as "the said preliminary notification");

AND, WHEREAS, Sub-section (7) of Section 19 of the said Act provides that where no declaration under Sub-section (1) of that Section is made within twelve months from the date of the preliminary notification, such notification shall be deemed to have been rescinded, and in respect of the said preliminary notification the said period of twelve months expires on the 5th November, 2026;

AND, WHEREAS, the Administrator for Rehabilitation and Resettlement has submitted his report under Sub-section (6) of Section 16 of the said Act on the 25th June, 2026, but the following steps, which are required before a declaration under Sub-section (1) of Section 19 can be published, are yet to be completed :

a. Review of the draft Rehabilitation and Resettlement Scheme by the Project-level Rehabilitation and Resettlement Committee under Sub-section (1) of Section 17;

b Approval of the Scheme by the Commissioner for Rehabilitation and Resettlement under Sub-section (2) of Section 17;

c. Publication of the approved Scheme under Section 18; and

d. Deposit of the prescribed amount by the Requiring Body under Sub-section (2) of Section 19;

AND WHEREAS, the Appropriate Government is of the opinion that circumstances exist justifying the extension of the said period, namely :

i. the acquisition relates to a strategically significant public infrastructure project, and the public purpose stated in the said preliminary notification continues to subsist;

ii. the statutory Rehabilitation and Resettlement process is substantially advanced, but the mandatory review, approval and publication steps under Sections 17 and 18 are required to be completed before a legally sustainable declaration under Sub-section (1) of Section 19 can be made;

iii. the costs and implementation requirements of the Rehabilitation and Resettlement Scheme, including housing and the infrastructural amenities under the Third Schedule, require finalisation, to be followed by the deposit by the Requiring Body under Sub-section (2) of Section 19; and

iv. a lapse of the said preliminary notification would render the statutory work already completed infructuous and require the acquisition process to be commenced afresh, whereas an extension would enable the remaining mandatory steps to be completed without curtailing any safeguard available to the affected families under the said Act;

NOW, THEREFORE, in exercise of the powers conferred by the second proviso to Sub-section (7) of Section 19 of the said Act, read with the Ministry of Home Affairs Notification No. 1997(E) dated 23.06.2017 the Lieutenant Governor (Administrator), Andaman and Nicobar Islands, is pleased to extend the period of twelve months specified in Sub-section (7) of Section 19 of the said Act, for the making of the declaration under Sub-section (1) of Section 19 in respect of the said preliminary notification, by a further period of twelve months, that is, from the 6th November, 2026 upto and including the 5th November, 2027.

1. In compliance with the third proviso to Sub-section (7) of Section 19 of the said Act, this decision has been recorded in writing in File No. 34-725/2021-Rev., is hereby notified, and shall be uploaded on the website of the Andaman and Nicobar Administration and of the District Administration, Nicobar.

2. Nothing in this notification shall be deemed to alter the extent, description, boundaries or public purpose of the land, or any other particular, stated in the said preliminary notification.

3. This notification shall come into force on the date of its publication in the Official Gazette.

By Order and in name of the Lieutenant Governor,
Andaman and Nicobar Islands.

Sd./-
Assistant Secretary(Revenue)
Andaman and Nicobar Administration.
