IND vs ENG, 4th Test: Virat Kohli's double ton, R Ashwin's 12-wicket haul fire India to series triumph

New Delhi, Dec 12

The year 2016 is turning out to be a dream year for the Indian cricket team in Tests as the Virat Kohli led squad completes a 3-0 series triumph over England with a game to spare in the 5-match series.

India vs England 2016: 4th Test, Day 5 of the 4th Test started with India in need of 4 wickets while England needed another 49 runs to make the hosts bat again in 2nd innings. Ravichandran Ashwin started India's proceedings with the ball and it didn't take him long to claim first wicket of the day. First Jonny Bairstow, then Chris Woakes, later Adil Rashid and finally Jimmy Anderson - Ashwin picked up all four pending wickets as the visitors could only manage 13 runs on the day before being bundled up. Apart from picking up a 12-wicket haul in the match, Ashwin also got the best bowling figures for a spinner at Wankhede stadium. England captain Aalastair Cook expressed his disappointment on being ended

up on the losing side despite putting up a 400-run total in first innings and conceded that their mistakes as a team cost them the match rather than India's exceptional performance. This is also only the third time a team batting first has made 400 and then lost by an innings - England twice and Sri Lanka once - which is a massive accomplishment for Kohli and his young squad. Virat Kohli was named Man of the Match for his career best knock of 235 runs.

"It's a very special feeling. The way the crowd came out here and supported it helped us push through the tough moments. The 231-run lead deflated the opposition, we saw their body language and knew the game was wrapped up when we had that lead," said Virat in the post-match presentation. Indian coach Anil Kumble also expressed extreme delight at the way India clinched the series, stating, "This is very special, we have lost three

tosses. The 200-run stand between Jayant and Virat was exceptional. Ashwin has bowled beautifully throughout the series. He's never happy or satisfied, that's the best part about him. You can't really compare different teams, but this is the No. 1 side in the world. They are exception in their intensity and awareness. Everyone has contributed. This team is certainly special." India now head to Chennai for the 5th and final Test hoping to wrap-up the series 4-0.

National Boxing Championships: Shiva Thapa and L Devendro enter semis

Guwahati, Dec 12

Olympian Shiva Thapa and Asian silver-medallist L Devendro Singh entered into the semifinals at the Senior Men's National Boxing Championships being played in Guwahati.

Two-time Olympian and local favourite Shiva defeated Ashok from Uttar Pradesh in a unanimous decision in 60 kilogram category.

In fly weight, L Devendro Singh, representing Manipur, had to toil hard against Haryana's Niraj. The 24-year-

old boxer eked out a 3-2 win in a hard-fought contest.

Among others, former Commonwealth Games gold medallist Manoj Kumar who is representing RSPB, outclassed Jammu and Kashmir's Ashish 4-1 to reach the final four. In welterweight 69kg category, Ankush Hudda of Chandigarh thrashed Andy Chauha of Mizoram 5-0, Delhi boxer Prayag Chavhan also emerged victorious over Manish of Madhya Pradesh to enter 122 kg semis.

Joe Root ready to take over captain's responsibilities, says Aalastair Cook

New Delhi, Dec 12

Soon after England cricket team's failure in home Test series against Pakistan, Aalastair Cook's ability to captain the squad was questioned. The opener admitted that he could decide to step down after the end of India tour and the extent of his side's defeats to the Virat Kohli-led squad seems to have ended Cook's hopes of continuing the role beyond 2016. India humiliated England in the fourth Test in Mumbai to clinch the series 3-0 with a match to spare and the 31-year-old was quickly asked about his present state of mind as the skipper. "Those comments I made don't change," Cook told reporters following England's innings

and 36-run loss at Mumbai's Wankhede Stadium. "It sticks true to the end of this series. Then I'll sit down with Strauss (England's Director of Cricket Andrew Strauss) in the new year, like we made that pact to always talk openly and honestly about stuff." "My position hasn't changed whether we won this game or lost," said Cook, 31, who admitted though that the nature of the defeat could influence his thinking. "You start having questions, of course you do. Naturally you look at stuff. Clearly it's a hard place to come on tour with the balance of our squad," he added, referring to England's lack of world-class spinners.
