MESSAGE

It gives me immense pleasure and happiness to learn that 'Animal Welfare Fortnight' is being observed in the Andaman and Nicobar Islands from 14th to 30th January 2018 alongwith rest of the country. Animal Welfare refers to the relationship people have with animals and about the responsibility to treat them humanely and responsibly. Our country has always preached and practiced the values of "Ahimsa" towards all living beings. Let us rededicate ourselves to spread the message of compassion and kindness towards animals during the fortnight.

My best wishes for the 'Animal Welfare Fortnight' celebrations.

India Under-19 team faces Australia in World Cup today

Mount Maunganui, Jan 13
Optimism mingled with an eagerness to know what lies ahead as India's potential future stars geared up to lock horns with Australia in their big-ticket campaign opener of the ICC U-19 World Cup in Mount Maunganui on Sunday. Coached by the distinguished Rahul Dravid, there is no dearth of talent in the squad, and the former India captain's sprightly boys would have got acclimatised to the conditions by now having arrived many days prior to the start of the tournament.

India are three-time champions, the last triumph coming in 2014.

While Dravid, who has been at the helm of U-19 and India A squad for some time, may not like to focus on individuals, it is very difficult to not see the likes of skipper Prithvi Shaw as the vital cog in the team's batting wheel.

Alongside Shaw, who has created ripples with his exploits in the domestic circuit for Mumbai, there is Himanshu Rana, who has also amassed

plenty of runs in Youth ODIs. Punjab's Shubhman Gill at number three is one of the most exciting young batsmen going around, and with a few impressive first-class games this Ranji Trophy season, he will have gained in confidence. The top-order's performance is likely to be crucial to India's chances in the tournament. The middle-order is likely to be manned by Anukul Roy and

Abhishek Sharma, and they would certainly want to make
