Ashwin regains number one spot in Test rankings

Dubai, Oct 13  
Indian off-spinner Ravichandran Ashwin yesterday reclaimed the number one spot in Test rankings for bowlers following a career-best match haul of 13 for 140 in the third Test against New Zealand in Indore. Ashwin, who was named man of the series after he finished with 27 wickets in a 3-0 sweep by India, now has 220 wickets, the most by any bowler after 39 Tests. Ranked third before the final Test in Indore, Ashwin, who also holds the top position in rankings for all-rounders, has leapfrogged pace bowlers James Anderson and Dale Steyn to attain a career-best rating of 900 points. In the rankings for Test batsmen, India's middle-order

batsman Ajinkya Rahane has attained a career-best sixth rank with scores of 188 and 23 not out. Prolific scorer in the New Zealand series, Cheteshwar Pujara and captain Virat Kohli also moved up the rankings. For New Zealand, opener Martin Guptill has moved up 10 places to 58th with knocks of

New Delhi, Oct 13  
India and New Zealand began their ODI clash way back in 1975 in a World Cup match. They have played 93 matches so far and India has won 46 matches and New Zealand 41. Five matches saw no results and one was a tie. New Zealand emerged victorious by 4 wickets in the first match, with Glen Turner playing a scintillating unbeaten knock of 114. India batted first and scored 230, with S. Abid Ali coming out with a knock of 70. Chasing a target of 231 in 60 overs, New Zealand's innings was held together by Turner. The Kiwis won the match with 1.1 overs to spare. The next three matches were also won by them. The last ODI played between the two teams was on January 31, 2014 in Wellington. Once again, asked to bat first, New Zealand, riding
