Fuel & LPG supply remains steady in A&N Islands

Deptt. of CS&CA establishes Control Room for monitoring real-time stock of LPG & petroleum products and receiving complaints

General public advised not to pay heed to rumours regarding shortages and refrain from panic buying

Sri Vijaya Puram, Apr. 13 Indian Oil Corporation Limited (IOCL) has confirmed that the availability of Petrol, Diesel, and Liquefied Petroleum Gas (LPG) in the Andaman & Nicobar Islands is adequate to meet the current demand.

Shri Rakesh Kumar, State Level Coordinator (SLC) for A&N Islands, stated that IOCL is closely monitoring the supply situation and there has been no disruption in receipt of POL and LPG supplies at its installations in Sri Vijaya Puram. Fuel supplies across the Islands continue to remain uninterrupted. IOCL is working in close coordination with the

Andaman and Nicobar Administration to ensure stability of supplies.

The SLC further informed that a growth of 4.87% in Domestic LPG and 20.21% in Non-Domestic LPG has been recorded during FY 2025-26, and Indian Oil remains fully committed to meeting the future energy demand of the Islands.

Consumers are encouraged to book LPG refills through SMS, missed call, or IVRS platforms. Use of Delivery Authentication Code (DAC) is advised to ensure delivery to the intended consumer.

For migrant workers and students without local address proof, 5 kg LPG

cylinders are available through authorised INDANE distributors upon submission of a valid Government-issued photo identity along with a self-declaration.

As per Government of India guidelines, domestic LPG consumers can book a refill after 25 days of the previous delivery in case of Urban LPG distributorships and after 45 days in case of Rural LPG distributorships.

IOCL has been conducting regular inspections at LPG distributorships to ensure compliance and continuity of supply. The Andaman and Nicobar Administration is also actively monitoring the

market, taking feedback from consumers, and undertaking random checks of LPG refill distribution to prevent hoarding and black marketing.

To strengthen monitoring, the Department of Civil Supplies and Consumer Affairs, A&N Administration, has established a Control Room for:

- Monitoring real-time stock of LPG and petroleum products across the Islands.
- Receiving and verifying complaints through Toll-Free No. 18003453197 and Telephone No. 03192-230337.

Shri R. Linu Nair, AD (PG) (Contact No:9434274093) has been designated as the Nodal Officer for the Control Room.

In case of any grievances related to POL and LPG, consumers may also contact the following IOCL officials:

- Shri Prithwiraj Das, Manager (CC & LPG-Sales), Sri Vijaya Puram LPG Sales Area - Mob: 7033162218
- Shri Ujjwal Kumar, Manager (Retail Sales), Sri Vijaya Puram Retail Sales Area - Mob: 7471122450

The general public have also been advised not to pay heed to rumours regarding shortages and to refrain from panic buying, a press release from Deptt. of CS&CA said.

MESSAGE

Fire Service Day is observed in solemn remembrance of the brave firefighters who made the supreme sacrifice during the Mumbai Dock Explosion on 14th April 1944 while serving the nation in the line of duty. This day stands as a lasting tribute to their courage, dedication, and selfless service, and honours all fire service personnel who work tirelessly to protect lives and property.

The theme for this year, "Safe School, Safe Hospital & Fire Safety Aware Society - Together for Fire Prevention" underscores the shared responsibility of institutions and citizens to strengthen fire prevention measures and foster a culture of safety and preparedness across society.

I commend the Andaman & Nicobar Fire and Emergency Services for their exemplary professionalism in emergency response, fire prevention initiatives, and community outreach. During 2025, the department responded to 268 fire calls and 833 special service calls, reflecting its unwavering commitment to public safety. The recognition of the Fire & Emergency Services Training Centre, Sri Vijaya Puram, as a State Training Centre of the National Fire Service College, Nagpur for conducting External Sub-Officers' course is a matter of great pride for the Islands and a testament to the department's pursuit of excellence and capacity building.
