

Lt Governor lays foundation stone for ANIIMS

Calls upon doctors to work in synergy & provide their best for Islanders

Port Blair, Aug 14
The permanent building complex of the Andaman and Nicobar Islands Institute of Medical Sciences (ANIIMS) will come up at a picturesque location at Corbyn's Cove Extension. The Foundation Stone Laying Ceremony for the building was held at the venue this evening wherein the Lt. Governor, Lt. Gen AK Singh (Retd.) was the chief guest. The Member of Parliament, Shri Bishnu Pada Ray was the guest of honour on the occasion. Also present were the Chief Secretary, Shri Anindo Majumdar and Principal Secretary (Health), Shri Raajiv Yaduvanshi.

The Lt. Governor, along with other dignitaries unveiled the plaque marking the foundation laying for the project. An all religion prayer was also held on the occasion. Among others the function was also attended by the First Lady, A&N Islands, Smt. Sunecti Singh, Chairperson, PBMC, Smt. Sheela Singh, Adhyaksha, ZPSA, Smt. Minati Biswas, Smt. Rupa Ray, DGP, A&N Islands, Shri Rajesh Malik, ACCI President, Shri Girish Arora, Councillors, PRI members, Medical Consultant and Director of ANIIMS, DHS, Senior Officers of the Administration, other HoDs, Doctors and students of ANIIMS.

In his key note address, the Lt. Governor called the occasion as a great moment, as the dreams of the Islanders to have a Medical College is beginning to fructify. "I am confident that the Medical College will serve the Islanders greatly", he said complementing all the

Islanders for this landmark achievement. The Lt. Governor also thanked the Hon'ble Prime Minister, Shri Narendra Modiji, under whose vision and support the Medical College could be established in these Islands.

He also thanked the Political and public representatives including the Member of Parliament for their support in shaping the Medical College. The Lt. Governor also thanked the Chief Secretary, Principal Secretary and others who contributed in the establishment of this Medical College, both the past and present teams. He specially conveyed his appreciation for the work done by the Medical Consultant, the Director, DHS and their teams.

He also mentioned about the recent visit of the MCI team who did not make any observation and have rated the present Medical College of A&N Islands as very good. The Lt. Governor also complimented the first batch students of Medical College as they are the pioneers of this College and urged them to work hard and become top class doctors. "This year 225 students have qualified in the ANIPMT", the Lt. Governor said, and asked the Chief Secretary and Principal Secretary to start preparing our students well in advance for the next year's examination to be held on all India basis (NEET). Regarding the quarry near the site of ANIIMS, the Lt. Governor asked the Principal Secretary and Deputy Commissioner to look into the feasibility of having an

alternative quarry site. He also desired that street art could be used on the rock face to beautify the area. He called upon all the Doctors to work in synergy and serve the people of the Islands. Expressing confidence that our doctors are committed to give the A&N Islands their best, the Lt. Governor assured that the Administration is striving towards providing even better health care facilities in the far flung Islands. He also mentioned that the College of Nursing will start functioning from September 15 onwards while a Trauma Centre with

state of the art facilities and dedicated team of doctors besides a Cancer Care Centre will also be put in place in this financial year. He also spoke about the ANISHI scheme under which 818 people have been benefitted so far, availing free medical treatment on the mainland. The Lt. Governor concluded his speech by praying to Almighty to bless the people of the A&N Islands and all the projects meant for the welfare of the people here. He expressed his satisfaction on the development of A&N Islands during the last

three years, saying that he has tried to serve the people to the best of his abilities and with full commitment.

In his address on the occasion, the Member of Parliament, Shri Bishnu Pada Ray spoke about his experience when he recently visited J&K and expressed his gratitude to the defence forces for their services for the Country and its people. He also made suggestions on the Medical College and lauded the doctors of the A&N Islands. The MP urged the Administration to get medical machineries

Narsingh, Yogeshwar begin Rio campaign on Monday

Rio De Janeiro, Aug 14
A turbulent run-up to the Rio Games behind him, Narsingh Yadav will be eyeing a fairytale climax while old warhorse Yogeshwar Dutt would look to bid adieu with a second straight medal when India begin their Olympic wrestling campaign in Rio de Janeiro on Monday.
Midway into the 17-day extravaganza, the biggest ever Indian contingent of 100-plus athletes is yet to land a medal and the onus would now be on the wrestlers to make up for it. Having finished with two medals in wrestling at the London Games four years ago, the expectations are high and it would be up to the eight-member team to shoulder the responsibility.
However, the build-up to the Rio Games hasn't been very smooth for the Indian wrestling contingent with Narsingh fighting to clear his name in a doping scandal till the last moments. While the entire team's

preparations were affected due to a doping "conspiracy" surrounding Narsingh, but the man at the centre of the controversy himself had put up a brave front all through and fought out against all odds to emerge triumphant in the end. It started with two-time Olympic medallist Sushil Kumar demanding a selection trial in men's 74kg freestyle against Narsingh, who had bagged the quota place for India last year in this weight category.
The fight went to the Delhi High Court, which dismissed Sushil's

plea of seeking a trial. However, that was not the end of hurdles for Narsingh as there was more trouble in store. With just 20-odd days for the Olympic Games to start, 27-year-old wrestler from Maharashtra tested positive for a banned substance in two dope tests conducted by the National Anti-Doping Agency (NADA). The failed dope tests almost derailed his participation in the Olympics but Narsingh appealed and NADA constituted a three-member panel to hear his case.

New Delhi, Aug 14

The BCCI on Sunday congratulated the Indian cricket team for winning the four-match Test series against the West Indies by taking a 2-0 lead at the end of the third match in Gros Islet.

US wins 1,000th Olympic gold medal

Rio De Janeiro, Aug 14
Simone Manuel anchored the U.S. women's 4x100 metres medley relay team to the 1,000th gold medal in her country's summer Olympic history on Saturday, and the second of her career.
Australia won the silver, with Cate Campbell touching out just 0.01 ahead of bronze medallists Denmark.
The United States were the defending champions and Manuel's swim came about 40 minutes after she won silver in the 50 freestyle, an event she called a 'work in progress'.

BCCI congratulates Team India on Test series win against West Indies

"On behalf of everyone in Indian cricket I would like to congratulate Team India on their series win in West Indies. This is a result of their dedicated effort, which has translated into a series of successful performances. I also congratulate Mr. Virat Kohli and Mr. Anil Kumble for this victory," BCCI President Anurag Thakur said in statement.

The Secretary of the Board, Ajay Shirke also congratulated the side.

"My hearty congratulations to the Indian Cricket team on the Test series win in West Indies. The team can be very proud of what they have achieved," he said.

The Indian team thrashed West Indies by 237 runs in the third Test to take a 2-0 lead in the series.

and poor sections of the society and Police has set up 'Women and Children Help Desk' at all Police Stations and a dedicated helpline '1144' under Crime Against Women Cell is operational. As part of the Hon'ble Prime Minister's Digital India Vision, an android based application 'SAJAG' has been launched for seeking assistance of police in times of distress. We have also improved our capacity for Disaster Management and undertaken mock drills for various scenarios, he said.

About Tourism, the Lt. Governor said the sector has shown consistent growth in our Islands and is also providing significant employment opportunities for the local population. Increased tourist inflow is seen throughout the year including off season months.

The Administration is making all efforts to develop new destinations and also encourage tourism throughout the year. For this, views of Administration have been submitted to the Government of India for proposed holistic tourism development of 5 Islands namely Ross & Smith, Long Island, Havelock, Neil and Little Andaman. To speed up the process of development of more ecotourism sites, with focus on North and Middle Andaman, administration has also moved a proposal under Swadesh Darshan/ Coastal Circuit Scheme of Government of India. It has been accorded in-principle approval.

The administration is also going to encourage "Home stays" to create a product which will give tourists a unique experience of life of people and their history, art, culture and food. We also remain committed to enhancing safety aspects for all tourism related activities

Turning to the education sector, the Lt. Governor said Education and Health are important sectors in the A&N Administration. He congratulated teachers for the better results in class X & XII examinations this year.

He also mentioned about the enhanced allocation of funds to A&N Administration by MHRD, Government of India under SSA and RMSA. With these increased allocations, the quality education will be further improved in these Islands, with special focus on girl child, he said. He also spoke about the new and permanent building of the Second Degree College here- ANCOL. "We are also in the process of setting up a Law College and a Professional College to increase opportunities for our students. The existing Mahatma Gandhi Government College (MGGC) at Mayabunder shall also be upgraded soon", he said.

Speaking about the health sector, the Lt. Governor mentioned about setting up of a Trauma Center with Specialists in Mayabunder, the sanction for which has been accorded. A similar centre in Port Blair is also on the cards. He also spoke about the proposed establishment of Cancer Unit and Cardiology Unit at the new Medical college site. The arrangement for providing super specialty treatment for the needy people of these Islands as per MOU signed with Medical Super Specialty Hospital Kolkata is continuing and has provided succour to a large number of islanders, he said.

Regarding accessibility, the Lt. Governor said that the ship acquisition process for procurement of 17 new ships is being progressed on a fast track while ten harbour ferries will be delivered within 2017, he said. The Lt. Governor also mentioned about the helipad in Long Island that has been completed and developments of helipads at Hanspuri and Sagardweep have been completed under MGNREGA. He also thanked the Defence Ministry for starting the Dornier service to Car Nicobar and Campbell Bay.

In the road transport sector, 28 new long chassis buses have been deployed in State Transport Units at various islands, he informed.
Regarding connectivity, the Lt. Governor said BSNL has taken steps to augment the total satellite bandwidth to 1.5 Gbps, which will meet the requirement of high speed broadband as well as quality of 2G, 3G and landline services in the entire A&N Islands. For launch of broadband services in distant islands like Neil, Kamorta, Little Andaman and Long Island, IP based direct satellite connectivity from these Islands would be established soon, he said adding that all the 69 Gram Panchayats in A&N Islands are going to be provided with Internet connectivity as per Govt. of India programme.

The Lt. Governor also reiterated the Administration's commitment to strengthen the Primary sector, as envisaged by Hon'ble Prime Minister, by creating skilled manpower, assured market, infrastructure for food processing and storage, social security for people engaged in the sector and introduction of new technologies to increase productivity of the primary sector. With this vision, we have gone ahead to create Modern Fish Markets in Port Blair, Model Fisheries Village, Fish Landing Centers, Agri Marketing Store-'Vatika' and launching of Pradhan Mantri Fasal Bima Yojana. He also spoke about the efforts of the Administration in converting the entire Islands to organic by 2018.

The Lt. Governor also stated that the Administration has implemented the National Food Security Act in this UT w.e.f 1st of March 2016 which will ensure food security to the vulnerable sections of the society.

Turning to power sector, the Lt. Governor said the Administration has taken up projects to replace Diesel based power Generation with Solar power. 50 KWp Grid Connected Solar Power Plant has been established at Raj Niwas. Establishment of 1MWp Grid connected Rooftop SPV Plants in 13 Govt buildings through M/s Solar Energy Corporation of India (SECI) is under process.

He also stated that MOU has also been signed with M/s Petronet LNG Ltd. (PLL) for establishment of LNG terminal for replacement of Diesel with non-polluting LNG along with an LNG- Based 30 MW Power Plant at South Andaman. It is also planned to start pilot projects for wind, biomass and tidal wave based power.

"We are endeavoring to replace present lighting system by Energy Efficient LED lamps under DELP scheme. One lakh LED lamps are under distribution in Ist Phase. Remaining 3 lakhs LED bulbs will be distributed in 2nd Phase during the current financial year itself", he said.

Mentioning about various others welfare schemes, the Lt. Governor said the Administration has achieved the target of Aadhar seeding of 96.74% to start the Direct Benefit Transfer (DBT). This will help in stopping leakages in Welfare schemes. He also mentioned about the Centre for Holistic Wellness cum One Stop Centre for women in distress-'Arunodaya', by the Social Welfare Department, to provide services for physical, emotional and mental well being and other referral services.

For Tribal Welfare, 15 Andamanese tribes have been covered under Pradhan Mantri Suraksha Bima Yojana for accident insurance and Pradhan Mantri Jeevan Jyoti Yojana for life insurance, he said.

About Forest Department, the Lt. Governor said the revised Working Plans of Diglipur and South Andaman Forest Divisions have recently been approved by the Ministry enabling the Department to sustainably use its resources for meeting the much needed requirement of timber and minor forest produce for the islanders.

The lush green forests and pristine beaches of these Islands have been attracting tourists in larger numbers. In order to give further boost to ecotourism, the Department is creating infrastructure at Long Island and also opening up new Islands for promoting ecotourism for providing gainful employment to the youth living in and around the areas.

Work on the Botanical garden is progressing as per schedule and the citizens and tourists alike will be able to avail this attraction soon, he said.

The Lt. Governor also mentioned about the Kamsarat Nallah Dam by APWD in Wimberlygunj benefiting about 40,000 population. He also lauded the APWD for completing various projects in a time bound manner. "Two Desalination Plants at Mayabunder and Chowra will become operational by the next summer season. The tenders for the two major bridges at Middle Strait and Humphry Strait have been called. The National Highway work along with the two major bridges has been assigned to NHIDCL, who will use innovative technology in the construction of roads and bridges. Discussions are also ongoing for the Chatham - Bambooflat Bridge", he said.

Turning to Smart City project, the Lt. Governor expressed happiness that Port Blair city has been included in the fast track for developing as a smart city and complimented the people and the PBMC team.

Emphasizing the need for employment generation in the Islands, the Lt. Governor urged for promoting entrepreneurship. Under Mudra Yojana in 2015-16, 3757 beneficiaries availed loan worth Rs. 84.35 crores, he said.

He also spoke about Andaman Bazaar, for giving platform to Self Help Groups and farmers to interact directly. He also expressed happiness that in 2015, 53 recruits got enrolled in the Army and 62 recruits joined Territorial Army. This year 200 vacancies in the Army are earmarked for the Islanders for which the recruitment is likely to take place next month. We are also focussing on recruitment in the Navy, Air force and Coast Guard, he said.

The Lt. Governor also stated that the large number of vacant posts in the Administration will be filled up in phases.

Regarding the e.Governance initiatives of the Administration, the Lt. Governor said that the entire process of Registration of property has been computerised. Issuing of certificates for identified nine services have been computerised and physical acceptance for applications has been stopped.

The Lt. Governor sought the cooperation and support of the people in meeting the challenges and take these Islands on the path of all round progress.

The Lt. Governor also thanked the Civil Administration, Andaman and Nicobar Command for their contribution, print & electronic media for highlighting the developmental activities of the Islands, besides its constructive criticism in bringing to the fore problems of the people. The Lt. Governor expressed gratitude towards Hon'ble Prime Minister Shri Narendra Modi for showing the path to progress and continuous guidance. He also thanked the Member of Parliament, Shri Bishnu Pada Ray for his support and also lauded the efforts of the Chief Secretary, Shri Anindo Majumdar under whose leadership the A&N Administration has been performing as a committed team while under the leadership of DGP, the A&N Police has been providing security to the far flung Islands. The Lt. Governor further appealed all the officers of the Administration to work dedicatedly for the betterment of the Islands.

Monsoon festival-2016 gets underway at ITF Ground

Port Blair, Aug 14
The two day 'Monsoon Festival-2016' got underway at the ITF ground here this evening. The First Lady of the Islands, Smt. Suneeti Singh inaugurated the Festival as the chief guest. The First Lady lit a ritual oil lamp to inaugurate the Festival. The Festival is being organised by the Directorate of Tourism, with the support of tourism stakeholders, SHGs, NGOs and Departments like Art & Culture, Agriculture, Police (Prison), Fisheries and PBMC with the objective to promote A & N Islands as 'round the year tourist

destination'. The First Lady went round the stalls put up by different departments as well as private stall and evinced interest in the exhibits displayed in the stalls. The exhibits include handicrafts of local artisans, such as mats, baskets, decorative items made of cane and bamboo. The artisans apprised the First Lady of the use and benefits and the techniques in preparing the handicrafts items.

The First Lady also witnessed a colourful cultural programme organised as part of the Festival. The colourful

cultural events were presented by the artistes from Kailashpati Dance Academy, Pragati Social & Cultural Organisation, Dance Natya Acaemy, Bala Krishna Nritya Academy and Subash Recreational Youth Club. As many as 40 stalls are put

up in the Festival, of which 10 stalls have been put up by Govt. Departments and the rest by SHGs, NGOs and tourism stakeholders. The two day Festival, which remains open for general public from 3.00 pm to 10.00 pm will conclude tomorrow (Aug.15, 2016).

Calls upon doctors...

(Contd. from page 1)
under Annual Maintenance Contract (AMC) and also to engage isles' doctors to teach students. Medical faculties from MIOT, FORTIS can also be brought so that the students of ANIIMS get more exposure, he said. The MP lauded the students of A&N Islands studying in ANIIMS and had a special mention of Ms. Tasleen Banu who topped the first year examinations with an astounding 77.3% marks, securing distinction in all the 3 subjects of Anatomy, Physiology and Biochemistry. He also recounted his work in various Parliamentary Committees.

In his address on the occasion, the Chief Secretary, Shri Anindo Majumdar stated that the stone laying for the new campus is another milestone achieved by the Administration under the able guidance of the Lt Governor. The Chief Secretary urged the faculty members of ANIIMS to put their best efforts in making this medical college a centre of excellence. "The Medical College is not only for the students but also for the people of these islands who will get specialised medical care. The specialists will also be deputed in Inter-Islands so that the people residing there get better health care", the CS added. From next year, the students intending to get admission in medical college will have

to compete at the national level by taking common entrance exam NEET as per the Supreme Court order, the Chief Secretary said urging the students to work hard.

The consultant ANIIMS, Maj Gen. Dutta presented the project outline through a power point presentation. "Four decades old dream of the Islanders since 1969 to have a Medical College in isles has been fulfilled in 2015-16", he said adding that the ANIIMS is the first Institute to be established under the visionary and ambitious centrally sponsored scheme of Hon'ble Prime Minister, Shri Narendra Modi. This vision has been translated into reality under the leadership of Hon'ble Lt Governor.

Earlier welcoming the gathering, the Principal Secretary (Health), Shri Raajiv Yaduvanshi said ANIIMS, the first Medical College of Andaman and Nicobar Islands became functional in 2015 with 100 students, who were

admitted in the College. Of them, 85 were from A&N Islands while 15 were from all India quota. "The Medical College has been set up with the State of Art facilities and the campus has been planned in this picturesque location", he said thanking the Lt. Governor for his fervent efforts in materializing the dreams of the Islanders. He also thanked the Member of Parliament for his support and guidance in this regard, the Consultant from ANIMERS, Maj. Gen AK Dutta also for his guidance. He further said the medical college has been set under the Centrally Sponsored Scheme under which 75% of the funds are provided by the Central Government while the 25% is to borne by the UT Administration. He informed that the total cost of the Medical College is Rs.342.14 crore. While Rs. 213.8 crores was sanctioned by the Ministry, Rs.71 crores is being spent by the UT Administration.

On the occasion, a 3D model of the proposed Medical College campus design by Technical Teams from ANIMERS was also screened. The foundation laying ceremony concluded with the vote of thanks proposed by the Director, ANIIMS, Maj. Gen. RP Choubey (Retd).
