Regional Agricultural Fair at ICAR-CIARI inaugurated Union Minister of Agriculture appeals to farmers to adopt organic farming in scientific manner

Rejuvenating agriculture sector: Agro products & produce on display

PM to interact with students today
Port Blair, Feb.15
The Prime Minister of India, Shri Narendra Modi will interact with school students, from classes 6 upwards, on matters concerning how to reduce exam stress, on 16th Feb 2018. The revised timings of PM's programme is 11.45 AM instead of 11 AM.

Port Blair, Feb. 15
The Union Minister of Agriculture & Farmers Welfare, GoI, Shri Radha Mohan Singh made a clarion call to all that the benefits of the scientific advancements and researches taking place in Agriculture and allied sectors should percolate down to the farmers. Traditional methods of farming should be replaced with modern methods using technology, he said, calling upon the Scientists to ensure that the outcome of the research works reaches from 'Lab to Land', which in turn will help in achieving the target set by the Government in doubling the farmers' income by 2022. The Minister stated this while addressing the gathering as the chief guest during the inaugural function of the three-day Regional Agricultural Fair (Southern Region) on the theme 'Sustainable Agriculture through Integrated Farming System', organized by ICAR-Central Island Agricultural Research Institute in association with A&N Administration at ICAR-CIARI Sports Ground here this morning.

The Member of Parliament, Shri Bishnu Pada Ray, Chief Secretary, A&N Administration, Shri Anindo Majumdar, Additional Commissioner (Extension), DAC & FW, GoI, Shri Y. R. Meena, BJP State President, Shri Vishal Jolly, Adhyaksha, ZPSA, Smti Baby Fareeda, Smti Rupa Ray, Director ICAR-CIARI, Dr. A. Kundu, Secretary (Agri./AH&VS, Fisheries), Shri Ramesh Verma, representatives from various Departments, NABARD, Researchers, farmers and other stakeholders representing from Tamil Nadu, Karnataka, Telangana, Andhra Pradesh, Kerala and UTs of Pondicherry, Lakshadweep as well as

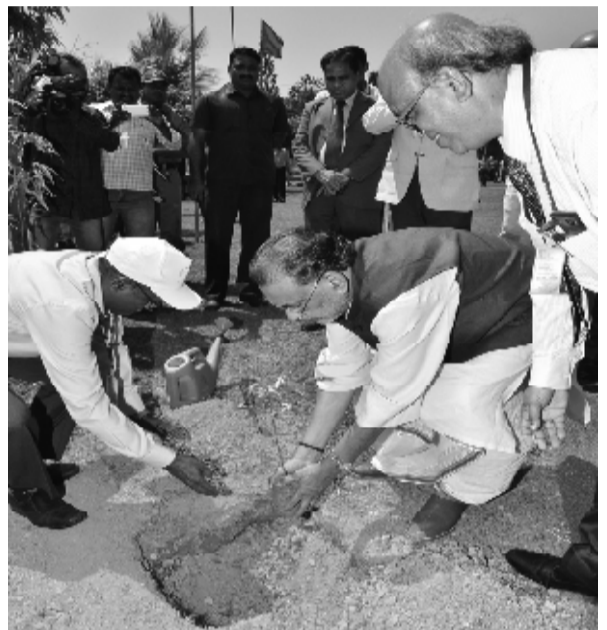

Andaman & Nicobar Islands, attended the programme.

Outlining the plethora of schemes launched by the Govt., led by the Prime Minister, Shri Narendra Modi, the Minister said during the last three and half years, the country has witnessed discernible progress in various fields. He mentioned that the Regional Agricultural Fair is being organized in various parts of the country for the benefit of the farmers in four different regions. This, he said, will enable farmers to have access to information related to Agriculture and allied sectors besides various schemes launched by the Govt. for their upliftment. "Knowledge about correct method of farming with adequate information & subsidy can play a significant role in improving the yields of the farmers", the Minister opined.

Speaking about the importance of soil health management, the Minister said, "we must care for 'Mother Earth' by taking adequate measures to ensure that sufficient nutrients are provided to her. With an aim to ensure better soil management, Soil Health Cards are being issued to farmers to gauge the health of the soil and accordingly, they can utilize the required quantity of fertilizers and other nutrients to retain the fertility of the soil", he said. The Minister further remarked that Soil Health Laboratory has been established in the Islands to enable farmers to have their soil tested for 12 vital nutrients. He also stated that the information on the Soil Health Card should be made available in local/regional languages, so as to enable farmers to have better understanding of the status of their soil. The Minister also informed that

Union Agriculture Minister, Lt. Governor hold meeting on 'Organic Farming' at Raj Niwas

Port Blair, Feb 15
A meeting was held by the Union Minister for Agriculture & Farmers Welfare, Shri Radha Mohan Singh and the Lt Governor, A&N Islands Admiral D K Joshi, PVSM, AVSM, YSM, NM, VSM (Retd.), on 'Organic Farming', with the officers of ICAR, Agriculture Department, senior officers of the Administration and other stake holders in the conference hall of Raj Niwas today. The Member of Parliament, Shri Bishnu Pada Ray was also present. During the discussion, the Minister highlighted the various schemes & programmes that are being implemented and will be implemented in the coming days in A&N Islands for the welfare of farmers here; under Agriculture, Organic Farming, Animal Husbandry and Fisheries sectors.

Card scheme has been achieved (1200 cards have been distributed). Also, bilingual cards have been distributed in the Neil Island.

A 'Tissue Culture Laboratory' will be set up in Jirkatang this year. Rs One crore has been sanctioned under the RKVY scheme. Tissues will be distributed to the farmers.

NABARD has given the approval for construction of 'Kissan Bhavan' in the three Districts of the Islands, the Minister said.

Organic Farming:-
In our country, under organic production, soya bean comes in the first place with 70% production, grains & millets at 6% and traditional manure at 5%. Other than this, organic

State like Sikkim has been declared as 100% organic State and several other States in the country are moving towards this direction. The aim is to develop Neil Island into an organic Island.

The Andaman and Nicobar Islands is also adopting institutional organic farming (940 hectares organic area) whereas these Islands are fully fit for organic farming. Other than this, there is a large area where crops naturally grow organically. Due to low use of fertilizers and diversity, these Islands are perfect areas for adopting organic farming. The food-chain, ecology system as well as residual insecticide

Agriculture & Farmers Welfare Minister addresses BJP workers

Port Blair, Feb.15
The Union Minister of Agriculture & Farmers Welfare, GoI, Shri. Radha Mohan Singh, during his two day visit to A&N Islands, attended a BJP Workers meeting, held at BJP Bhavan, Head Office, Middle Point here yesterday. While addressing the gathering, the Minister explained the three and half years' achievements of the government and also

interacted with the party workers. Shri Bishnu Pada Ray, Member of Parliament, Shri. I.P. Singh, Chairman, PBMC and all BJP party

workers attended the meeting. Earlier, Shri. Vishal Jolly, State President A&N BJP welcomed the Minister.

Union Minister for Agriculture & Farmers Welfare, Shri Radha Mohan Singh, alongwith Lt Governor, Admiral D K Joshi, PVSM, AVSM, YSM, NM, VSM (Retd.) and Member of Parliament, Shri Bishnu Pada Ray at Raj Niwas on 14th February 2018.

Union Minister highlights achievements of Modi Govt.

- ◆ Tender for Optical Fibre cable (OFC) opened.
- ◆ Medical College (ANIIMS) established.
- ◆ Andaman Law College becomes a reality.
- ◆ State Bio Control Laboratory to be established at Haddo & Mayabunder.
- ◆ Mushroom cultivation & Fruit cultivation Unit to be revived.
- ◆ Virgin Coconut Oil Unit established at Chouldari and to be set up at Rangat.
- ◆ Rural Knowledge Centre to be strengthened.
- ◆ Kisan Call Centre with toll free no. 18003451145 established.
- ◆ Three Kisan Bhavans to be established by NABARD.
- ◆ National Gokul Mission launched.
- ◆ Two National Breeding Centres established.
- ◆ Rs. 10 crore sanctioned for establishment of breeding centre.
- ◆ Hydroponic cultivation unit to be set up.
- ◆ Under Blue Revolution, Deep sea fishing to be promoted by giving 50% subsidy to fishers.
- ◆ Subsidy for setting up rooftop solar power plant.
- ◆ NTPC to establish LNG plant soon.
- ◆ Navodaya Vidyalaya has started functioning in Chouldari.
- ◆ Alternate sea route to Baratang becomes reality.
- ◆ Bharat Mala and Sagar Mala to strengthen roads and sea routes in Isles.
- ◆ Neil Island to be declared organic soon.
- ◆ Neem coated urea being distributed to farmers.
- ◆ Soil Health Cards distributed to farmers.
- ◆ Rs 1 crore fund sanctioned for construction of ring wells, drip irrigation and ponds in Nicobar.
- ◆ ANISHI scheme being implemented.
- ◆ Free LPG connections distributed to women under Ujjwala Scheme.
- ◆ Subsidy offered to purchase pump sets for farmers.
- ◆ To encourage organic farming, Rs. 20000/- per hectare to be given to farmers.
- ◆ Mobile lab services launched to check fertility of soil.
- ◆ GPRS sets distributed to fishers.
- ◆ Extension work of airstrips at Diglipur and Campbell Bay in progress.
- ◆ Work for bridges connecting ATR begins.
- ◆ Air connectivity in Isles improve.

For information about farmers' schemes, farm operations etc. call Kisan Call Centre No. 18003451145

Regional Agricultural Fair at ICAR-CIARI...

(Contd. from page 1)

apart from reviving the existing Soil Health Laboratory in the Islands, another Soil Health Laboratory will be constructed at Goal Ghar where the farmers can get their soil tested for better yield. He called upon the Officers of Agriculture Department to speed up the process of Soil Health Card distribution to farmers in the Islands. For the benefit of the farmers, one mobile lab is also functioning in the Islands, he added.

On the concept of organic farming, the Minister remarked that the whole world is striving to go organic, as organic products and produce are of higher market value these days and urged farmers to adopt organic farming using scientific method. He remarked that organic farming can be done by using new technologies to get better yield adding that though the yield during the first year of cultivation tends to be low, but in subsequent years it will increase.

The Prime Minister, he said, has been laying stress on organic farming and accordingly schemes were devised to help the farmers in organic cultivation. He informed that a scheme has been devised wherein Rs. 20,000/- per acre will be provided to farmers practicing organic farming. He also mentioned that the Govt. has sanctioned a fund of Rs 1 crore for converting Neil Island as Model Organic Farm and expressed hope that the Island will soon be declared as 'Organic Island'. He also urged the Agriculture Department to organize camps in Nicobar and apprise the farmers about the schemes available for organic farming, so as to encourage them to continue the same. Mentioning that Sikkim was the first state to be declared as Organic State, the Minister said, Meghalaya is also poised to become a fully organic state and expressed hope that in the years to come, the A&N Islands should also be in a position to be declared fully organic. He also highlighted the various initiatives of the Govt. towards doubling farmers income viz. establishment of soil health labs, importance of organic farming and supply of neem coated urea, which have been given utmost priority to improve the Agricultural sector. The Minister also informed about the importance of soil irrigation and disclosed that the Govt. has set aside Rs. 40 crore for implementation of irrigation related projects. Accordingly, Rs. 1 crore has been sanctioned for drip irrigation, construction of ring well and ponds in the Nicobar region.

The Minister also highlighted the vision 2022 of the Govt. and stated that efforts are on to strengthen the road ways, sea ways and other necessities such as housing for all, LPG subsidy, electricity and water. The Minister also informed that the State Bio Control Laboratory at Port Blair will be repaired and made functional by April this year while a similar lab will also be established at Mayabunder. The Minister also instructed the officials of the Agriculture Department to ensure that the Mushroom Unit, Fruit Processing Unit at Haddo be revived at the earliest. He stressed on the need for strengthening of Virgin Coconut Oil (VCO) unit at Chouldari and directed for setting up of another VCO unit at Rangat to facilitate farmers there. The Minister also stated that Rural Knowledge Centres in the Islands need to be revived, while to look into the grievance of the farmers, Kisan Call Centre with toll free number 18003451145 has become functional and awareness should be created on this. The Minister also directed NABARD to establish three Kisan Bhawans here in the Islands for the benefit of the farmers.

Speaking about Animal Husbandry sector, the Minister said, "we must strengthen our local cattle breeds which are far more productive than other foreign breeds, as the former is resistant to many important cattle diseases and has good milk producing capacity". To ensure the availability of green fodder, Hydroponic cultivation should be encouraged among farmers. The Minister also mentioned about National Gokul Mission under which the National Breeding Centre have been established in two states viz. Andhra Pradesh and Madhya Pradesh. Besides this, 14 Gokul Grams have been established in various parts of the country. The Minister also informed that in order to further improve the dairy sector here in Isles, Rs. 10 Crore will be sanctioned for establishing a unit under National Gokul Mission at Ferrargunj and embryo transfer technology which will benefit the farmers.

Turning to the Fisheries Sector, the Minister said, "our country is in second position in terms of deep sea fishing and under Blue Revolution, various schemes have been launched which will enable the fisheries sector to boom. The Minister further stated that sea cage culture is being promoted by installing 100 sea cages. To facilitate traditional fishers, a new scheme has been launched by Govt. under blue revolution in which deep sea fishing vessel costing Rs. 80 lakh can be purchased by fishers by availing 50% subsidy i.e. 40 lakh will be provided by Govt, while 10 lakh will be provided by bank as loan and 30 % has to be borne by individual or groups.

The Minister also informed that power issue of the Islands will be settled soon and accordingly, a discussion was held between the Power Minister and the Lt. Governor of A&N Islands in this regard. He said, establishment of solar roof top plants in Govt. establishments and building have already begun here in Isles.

Listing out the achievements of the Govt. during the past three years, the Minister said, the A&N Islands is witnessing tremendous progress since a good number of developmental projects have been established viz. Law College, Medical College, Navodaya Vidyalaya, two bridges and National Highway project besides Optical Fibre Project. To further strengthen the Islands' security, air bases will be established in three more places here in the Islands, the Minister added.

The Minister also released two publications brought out by CIARI and felicitated three progressive farmers of Isles with certificates and also gave away Fish Finder Equipment and Distress Alert Transmitter to two fishermen. The Minister also handed over the legal ownership certificate to the Karen Community for the preservation of indigenous rice variety.

Later, the Minister also inaugurated the flower & innovative farmer's show, Livestock show, IFS models and went around the stalls and interacted with the participants.

Earlier, the Union Minister along with the Lt. Governor, A&N Islands, Admiral D. K. Joshi planted saplings in the premises of CIARI.

Speaking on the occasion, the Member of Parliament, Shri Bishnu Pada Ray said the Govt. is leaving no stone unturned for the welfare of the people. He disclosed that the tender for optical fibre cable has been opened on Feb. 6, 2018 and a Japanese Firm has been given the work. He also informed that under ANISHI scheme for Islanders; both retired Govt. Servants and people whose annual income is below Rs. 3 lakhs are given treatment; free of cost to the tune of Rs. 5 lakh. The MP also spoke about revision of minimum wage of DRMs working in Govt. establishments and private sectors which was implemented on Jan 1, 2018. He said now the minimum wages of DRMs has been increased to Rs. 436 per day including DA. He also urged for establishment of cold storage facility in Diglipur to facilitate farmers. He also encouraged farmers to cultivate tropical fruits available in Isles which are in great demand. The MP also stated that Rs. 50 lakh will be provided from MPLAD fund for setting up a market for SHGs to sell their produce. He also urged for certification of organic tender coconut water and also highlighted about pest attack on coconut palm tree and other seasonal fruit bearing plants caused by a certain species of pest which needs to be looked into.

Earlier, welcoming the gathering, the Director, ICAR-CIARI, Dr. A. Kundu said today marks a glorious occasion for CIARI as well as farmers and other stakeholders with the inauguration of the Regional Agriculture Fair here in the Islands. He also outlined the various programmes implemented by CIARI for extending support towards the farmers of these Islands.

The inaugural programme concluded with the vote of thanks proposed by Sr. AO, ICAR-CIARI, Port Blair & Co- Convenor, RAF, Shri Sushil Kumar.

The three-day mela provides a platform for the school and college students to visit and interact with the scientists and inculcate scientific temperament. More than 1200 farmers inclusive of other stake holders are participating in the programme. The mela has stalls representing the States and UTs of Southern Region, Self Help Group, Bankers, NGOs, Input suppliers, ICAR-CIARI and KVVKs, showcasing their activities for the benefit of the stakeholders. Beside Scientist-farmers interaction, screening of movies on technologies for livelihood in agriculture and allied fields, display of innovative products, interface meetings on organic farming, value addition in coconuts and fruits, food processing, farm machinery etc are also being organized. Livestock, flower, innovative products/ process show, display of ethnic food and culture by Nicobaris and Karen communities are the added attractions of the mela.

'Flea Market' at Marina Park on Feb 17, & 18; participation invited

Port Blair, Feb.15

With the sole motto to promote the local culture, cuisine & lifestyle of this Island as 'Unique Tourism Product', the Tourism Department will be organizing 'Flea Market' at Marina Park from 5 pm to 9 pm on Feb 17, & 18, 2018.

The applicants who have already registered their name during the previous flea market have been asked to contact Manager (GH) on Feb 16, by 3 pm, for participating in the flea market at Marina Park on Feb 17 & 18. The allotment of stall will be done as per the criteria fixed by the Department by 4 pm on Feb 16, in the chamber of Manager (GH) of Tourism Department.

Further, the fresh participants if any, from reputed organizations, handicraft units, SHGs, NGOs, individuals, have been asked to register themselves with Department of Tourism under the categories art & handicrafts, painting, jewelry, flowering & ornamental plants, decorative items made of wood, bamboo works, educational books/ DVDs, designer clothes, tattoos work, live sketch, mehandi work, homemade food & drinks, decorative pots made of clay, furniture items, fun games etc. on by 3 pm of Feb 16, for preparing proper allotment for the flea market.

Technical snag in Power Plant; efforts on to restore normalcy

Port Blair, Feb.15

Due to major technical snag developed in the 33 KV Switchgear Panels of 10 MW Hiring Power Plant at Phoenix Bay Power House complex, the power output from this power plant has become 'Zero' with effect from 8 PM of Feb 14, 2018. Due to this problem, an additional load shedding on round the clock basis is being carried out by the Electricity Department w.e.f. 8 PM of 15.2.2018, in Port Blair and South Andaman area. If required, this load shedding will be carried out continuously till completion of repairing work of 10 MW HPP switchgear panels. All efforts are being made by the Electricity Department to set right the problem.

All the consignors are advised to book actual quantity of cargo to be transhipped, as no excess cargo will be allowed.

MAYABUNDER & DIGLIPUR:

MV Coral Queen will sail for Mayabunder on 16.02.2018 (Fri) at 0800 Hrs from Haddo Wharf and will sail for Port Blair on the same day at 2100 Hrs from Mayabunder. MV Coral Queen will sail for Diglipur on 17.02.2018 (Sat) at 1800 Hrs from Haddo Wharf and will sail for Port Blair on 18.02.2018 (Sun) at 0800 Hrs from Diglipur. MV Coral Queen will sail for Diglipur via Mayabunder on 19.02.2018 (Mon) at 2100 Hrs from Haddo Wharf and will sail for Port Blair on 20.02.2018 (Tue) at 1400 Hrs from Diglipur via Mayabunder.

HUT BAY SECTOR:

MV Bharat Seema will sail for Hut Bay on 16.02.2018 (Fri) at 0700 Hrs from Haddo Wharf and will sail for Port Blair on the same day at 2000 Hrs from Hut Bay. MV Campbell Bay will sail for Hut Bay on 18.02.2018 (Sun) at 0630 Hrs from Haddo Wharf and will sail for Port Blair on the same day at 1300 Hrs from Hut Bay. MV Bharat Seema will sail for Hut Bay on 19.02.2018 (Mon) at 0700 Hrs from Haddo Wharf and will sail for Port Blair on the same day at 2000 Hrs from Hut Bay. Note: Passenger tickets for the above sailings for Hut Bay on 16th, 18th & 19th Feb., 2018 will be issued to the general public from 15.02.2018 (Thu) from 0900 Hrs onwards at STARS Ticketing Counters & CSC's.

Union Agriculture Minister, ...

(Contd. from page 1)

are being studied by the ICAR and most of the samples are in acceptable limits. Organic farming has commenced in Nicobar Island and in order to declare Neil Island an organic farming zone, the Department of Agriculture, A&N Administration, has taken up organic farming projects besides, the scope and challenges related to this system of farming are being estimated. An exhibition on organic produce and related aspects is being organized at the organic farm established by the A&N Administration. Similarly, the Central Agriculture Research Institution in the Sippighat farm has developed coconut cultivation through organic farming which is a perfect model for encouraging and gaining the acceptance of organic farming among the farming community.

To achieve the objective of organic farming, 47 Clusters have been formed and farmers are being trained through the PKVY scheme. 13 Clusters have been formed in the Neil Island.

Identification of organic products is a main challenge in these Islands. The Administration is working in this regard by providing training to officials, alongwith adopting the partnership guarantee system.

Under the local marketing programme, the organic market is being developed which will provide organic products to domestic consumers. To confirm the sale of organic products, the Administration is organizing various events like Andaman Bazaar, etc. In addition, APEDA has taken the responsibility of exporting of organic products.

Coconut and coconut products can be exported to a large extent. APEDA will provide support in this regard. The Regional Office of Coconut Development Board of Port Blair region is working for the promotion of organic farming.

Organic farming programmes should be implemented among the farmers with the same zeal as the Green Revolution was started in India. The country should move forward to achieve the goal of becoming chemical free as per the wish of Hon'ble Prime Minister of India. The Agriculture Minister called upon all to join hands and take strong action to fulfill the objective of becoming a chemical free country, said the Minister.

Animal Husbandry:

Under the 'Gokulgram' scheme Rs 10 crores has been approved for development of a Gokulgram in 20 hectares of land in the Sansad Gram at Ferrargunj village.

Through the 'Hydroponic Technique' the problem of green fodder is being solved which will also enhance milk production in the Islands and these Islands will become self-reliant. Approval has been given to improve the breed through 'Embryo Transfer' technology.

In addition to animal rearing through value addition, efforts are being made to increase the livelihood by giving the produce to the tourists, said the Minister.

Fisheries:

Under the 'Inland Fisheries' or fresh water fish cultivation scheme, seeds are being procured from mainland for rejuvenating 2600 ponds.

Under the 'Blue Revolution' permission has been given to procure vessels by availing the subsidy under scheme for 'Deep Sea Fishing'.

Sea Cage culture is being promoted by installing 100 Sea Cage.

The Union Minister also directed the Administration to submit a detailed proposal to the Ministry for getting additional fund. He asked to consider those Islands where the usage of chemicals is less or negligible, on priority, under Organic cultivation. He also directed the Department to ensure the availability of organic inputs to the farmer. To promote organic farming, 'waste decomposer'- an organic input developed by National Centre for Organic Farming (NCOF) to be popularized among the farmers. It was also suggested to give special focus on Organic Certification under Participatory Guarantee System (PGS). The Nicobar Groups of Islands, except Great Nicobar which are by default organic, will be brought under organic certification with in a period of two years. The Minister also directed for conducting a workshop involving APEDA, NCOF, Agriculture and Allied Departments, farmers and other stake holders in the month of March.

Speaking on the occasion, the Lt. Governor termed it a red letter day as many new initiatives & programmes are going to begin in the Islands, as per the direction of the Union Minister. He further stated that the Administration is focusing on bringing complete

Units functioning under Agriculture Department

Sl No	Name	Purpose
1.	Seed Testing Laboratory- Sippighat	For testing seed health, genetic health and quality control of the seeds produced.
2.	Soil Testing Laboratory (both Mobile & Static) at Goalghar (1 Lab & 1 Mobile)	Analysis of macro/micro nutrient analysis.
3.	State Bio Control Laboratory, Directorate Complex, Haddo & Mayabunder	Rearing of Corecya moth, preparation of tricho card for multiplication of bio agents to release in farmers field.
4.	Fruit Preservation Unit, Haddo	Demonstration-cum-training centre for value addition of fruits and other farm produce.
5.	Mushroom Unit, Haddo (Active)	Production of mushroom spawn for distribution.
6.	Cold Room Chambers	Chambers constructed for the benefit of Gram Panchayats, Tribal Councils and Cooperatives by providing 75% & 100% subsidy respectively for Post Harvest Management.
7.	Marketing & Oil Processing Unit, Haddo	Production of coconut oil and its marketing.
8.	Virgin Coconut Oil Unit, Chouldari	Virgin coconut oil with capacity to process 1000 nuts per day. 2 VCO units are proposed to be established at Katchal and Car Nicobar.
9.	Marketing Counter Goalghar	Distribution of Agriculture inputs for the urban population.
10.	Rural Knowledge Centre (10Nos)	As per the recommendation of MSSRF 10 nos. of RKC's are established. Static and dynamic information about latest technologies are provided to the farmers through Rural Knowledge Centres.
11.	Kisan Call Centre	For providing information to the farmers related to schemes, farm operations etc. Kisan Call Centre No. 18003451145
12.	Vatika Store	Marketing outlet for farm produce and value added agri products.

area under organic agriculture in a phased manner and work in this direction has already been started with special emphasis on PKVY scheme. Our goal of Organic Farming is achievable as consumption of chemical inputs is very less in these Islands, he said adding that A&N Islands is nearer to South Eastern countries like Indonesia, Thailand and Malaysia having similar climatic condition where flowers and fruits are cultivated in large scale and they are the net exporter of these produce. "So we have to develop similar strategy for development, giving emphasis also on floriculture and fruits", said the Lt Governor. While speaking, the Member of Parliament, A&N Islands, Shri. Bishnu Pada Ray also emphasized on promotion of organic farming in these Islands. He stressed to ensure supply of quality organic inputs to the farmers.

The Chief Secretary, A&N Administration, Shri. Anindo Majumdar briefed about the agricultural scenario of these Islands. Out of the total geographical area of 8249 Sq Km, only 45794 hectares is available for cultivation which is around 5.6 % of the total area. Paddy is the main field crop grown in about 9125 ha. Plantation crops occupy more than 40% of the total area of which majority is under coconut plantation. Forest cover is about 94 % of the geographical area, he informed.

The Secretary (Agri/AH&VS/Fy), Shri. Ramesh Verma explained about the status and steps taken by Agriculture Department for promotion of Organic farming, with special reference to Neil Island. He added that the Department is involving National Centre for Organic Farming (NCOF), Ghaziabad and Regional Centre for Organic farming (RCOF), Bhubaneswar for training to the farmers.
