PM interacts with students on 'Pareeksha Par Charcha' Urges parents not to make achievements of their child a matter of social prestige

New Delhi, Feb 16 Prime Minister Shri Narendra Modi has urged parents not to make the achievements of their child a matter of social prestige, saying that every child is blessed with unique talent. Interacting with students on 'Pareeksha Par Charcha' in New Delhi, Shri Modi said, parents should also not pay undue attention to the marks and support the students.

He said, efforts should be made to reduce the stress at home. He said, students should always remember what every parent sacrifices for the well-being of their child.

The Prime Minister asked the students not to compete with others but compete with themselves. He said, a student needs self-confidence in addition to the right skills and the

means. He suggested students to do Yoga which is a wonderful way to improve concentration.

The Prime Minister said, concentration is not something that has to be specifically learnt and

every person does concentrate on something or the other during the day,

it may be while reading, hearing a song, talking to a friend.

Shri Modi said, students should have confidence (Contd. on last page)

Sanctioning of major projects by Govt will bring sea change in Isles: Lt. Governor

Developmental activities & projects in pipeline outlined

Port Blair, Feb. 16

The Lt. Governor, A&N Islands, Admiral D. K. Joshi, PVSM, AVSM, YSM, NM, VSM (Retd), has stated that by mid of this year, significant development can be witnessed here in the Islands. He said, since his taking over the Gubernatorial Office, he traversed the entire length and breadth of the Islands and has a clear understanding of the ground realities. The Lt. Governor stated this during his first interactive session with the local media persons in the conference hall of Raj Niwas here this afternoon. Briefing media about the developments taking place in different sectors and projects to come up in the near future in Isles, he disclosed that with a slew of developmental projects progressing at various stages, the A & N Islands is forging ahead towards faster growth and development. After a gap of 3 years, the Administrator's Advisory Council meeting was held in November 2017 in which various developmental issues relating to the Islands were discussed, he remarked.

The Lt. Governor said that the Islands Development Agency (IDA) has been reconstituted under the Chairmanship of the Home Minister and the Lt. Governor has been designated as the Vice Chairman. The IDA has the mandate to formulate an integrated Master Plan for comprehensive development of all our Island territories, initiate projects and their implementation. The principles of sustainability, people's participation, ecosystem preservation and determination of carrying capacity will be the guiding principles for development. Various tourism and important infrastructure development projects will be taken up through the IDA, he mentioned. He said, a comprehensive report is being prepared for the holistic development of Ross & Smith, Avis Islands in Diglipur and Long Island as also other locations in the Lakshadweep group. Besides this, with the support of NITI Aayog, more Islands will be developed in PPP mode through IDA.

About Tourism sector, the Lt. Governor said, the Administration is promoting sustainable tourism which has contributed a lot towards revenue earning and maintaining the ecology of these Islands. Last year (i.e. in the year 2017) 4,87,000 tourists visited the Islands which shows an increase of 21.80 percent from the previous year. As part of efforts to provide better tourism infrastructure here, Sea Mohwa Grove Eco-Friendly tourism site was operationalized by the Forest Department at Lalaji Bay in Long Island recently, where other projects are also under consideration through IDA, he added. On the Shipping sector, the Lt. Governor said, the sea route to Baratang has been opened since October 1, 2017. Out of the four 150 passenger capacity harbour crafts that were ordered, three have already reached Port Blair and will commence sailing soon. Work is under progress for the two 500-pax capacity vessels and two 1200-pax capacity vessels. Providing additional ships to Southern Group of Islands as well as North & Middle Andaman will be a priority, he remarked.

Meanwhile, the work of passenger hall at Hutbay is completed and will become operational soon. The extension work of the existing dry dock by ALHW is also on fast track and is expected to be completed by December, 2018. Steps are being taken with the help of Central Agencies to augment ship repair facilities in the Islands. This will not only give fillip to shipping industry here but also reduce the time required in

ship maintenance and repair. This will also generate employment and help in improving the skill-set of persons associated with shipping sector. All the working CSCs have been linked with Ship Ticketing Advance Reservation System (STARS) besides additional ticketing counters have been opened, one each at Campbell-Bay, Hut Bay and Rangat, the Lt. Governor said. About Civil Aviation, the

Lt. Governor said the Administration is committed towards starting of flight services from Port Blair to Car Nicobar, Campbell Bay and Shibpur for which an MoU has been signed with the Civil Aviation Ministry. Land acquisition process for the construction of airstrips in Shibpur and Campbell Bay is underway and efforts are being undertaken to ensure that the airports will be dual-use and will be available for passenger and defence aircrafts.

Regarding Roads & Bridges in the Isles, the Lt. Governor disclosed that about 80 percent works of the National Highway have been awarded and are in different stages of execution while tender for the remaining 20 percent work will be floated soon. The work for the bridge over Humphrey Strait is progressing well while the tender process for the Middle Strait Bridge has been completed. The execution of these works (Contd. on last page)

among themselves, while preparing for exams. Shri Modi said, self-confidence comes by challenging ourselves and working hard and the students should always think of bettering themselves. He said, several students lack confidence despite working hard for the exams. The Prime Minister also advised students on beating exam stress and appearing for exams with a positive attitude. Calling students his young friends, Shri Modi asked them to always keep the student in alive in them. He asked the students to not bother about how many hours their friends study.

Shri Modi also spoke about the importance of a healthy balance between Intelligence Quotient, IQ and Emotional Quotient, EQ. He said, emotional bonding is essential for overall development of a person and it helps in forging relationships. He said, intelligence without an emotional connect is worthless. He added that IQ might help in achieving success, but EQ gives a purpose in life.

On Telecom, the Lt. Governor informed that tender for the Submarine Optical Fibre Cable connecting Chennai and Port Blair and 5 different Islands have been opened on Feb.6, 2018. Further, the Telecom Commission has granted permission to erect towers in places where the population is over 100 people. The BSNL has been asked to share its towers with private players to expand the telecom coverage. The Central Govt. has also approved the proposal for increasing the Satellite Bandwidth by 1Gbps. The available bandwidth is expected to increase from present 1.3Gbps to 2.7Gbps by end of 2018. This will include augmentation due to satellite bandwidth and use of IP modems.

On the functioning of PRIs & ULB, the Lt. Governor said, under the Swatch Bharat Abhiyan, Port Blair has been declared as 'Open Defecation Free' on October 2, 2017. Under this Abhiyan, 336 private households' toilets, 48 community toilets and 35 scattered community toilets were created. In rural area, approval was given for construction of 14,791 household toilets and 141 community toilets, out of which 100% households have been provided with toilets and 99 community toilets have been constructed. Andaman & Nicobar Islands have effectively become open defecation free and declaration for the same will be made soon.

Further, the PBMC is collecting property tax by adopting Unit Area Rental Value System which has resulted in the increase of revenue collection four times from the earlier system. Under the Smart City scheme, 13,500 street lights have been replaced with LED lights much ahead of the target date. Apart from this, 1300 LED Lights are being installed in the newly created 6 Municipal Wards, he added.

On Power situation, the Lt. Governor said to improve the power situation in Isles, the National Thermal Power Corporation (NTPC) has been tasked to install 15 MW Power Plant in South Andaman by March 31, 2018. Similarly, as a long term solution, 50 MW gas based Power Plant will be installed by NTPC in South Andaman District.

Under the renewable energy sector, the Power Minister has asked the NTPC and the NLC to move forward to install Power Plants with 'Battery Energy Storage System'. Apart from this, the PGCIL will develop an Energy Management Centre in these Islands for which the Power Ministry will provide funds.

The Administration is also taking measures towards self-sufficiency in power generation. Installation of Solar Rooftop Power System and Solar Water Heater System is being made mandatory in all the Govt. and Private buildings for which the Administration will provide financial support.

On the Health sector, the Lt. Governor reiterated the Administration's committed towards providing better health services to the public. Work for a separate 'MDR TB ward' and 'Eye, Burns & Oncology ward' in G B Pant Hospital have been completed and will be operationalized soon. Apart from this, opening of a Trauma Centre in Dr. R P Hospital Mayabunder, Primary Health Centre at Durgapur in Diglipur, Urban Health Centre at Dollygunj, Health Sub Centre at Wrafter Creek Baratang and several other proposals are under consideration.

On the development taking place in the field of Agriculture & Fisheries sectors, the Lt. Governor informed that different Agricultural schemes of the Govt. of India and latest agricultural techniques are being implemented in these Islands. The Administration is also promoting organic farming in the Islands for which a month-long awareness campaign is being organized by Department of Agriculture. A Modern Veterinary Hospital at Diglipur and a Composite Livestock Farm has been started at Nanjappa Nagar in Little Andaman.

A new Fish Landing Centre is under utilization at Neil Island since September 2017. Apart from this, for the safe berthing of boats, 'High Density Polyethylene Floating Jetties' are being constructed in different Islands. The modernized fish markets, one each at Junglighat and Mohanpura are expected to be completed this year itself.

The Lt Governor also thanked the media persons here for bringing to the fore various issues related to the development of the Islands and its people. He assured that the Administration will look into all such genuine issues on priority.
