Virat Kohli's 35th ODI century takes India to 5-1 series win vs South Africa

1st T20, Preview: Suresh Raina in focus as Virat Kohli and team aim to continue dominance

Centurion, Feb 17
Skipper Virat Kohli broke a plethora of records en route his 35th century as India crushed South Africa by eight wickets to win the ODI series by a comprehensive 5-1 margin Centurion in South Africa.

Not only this was India's first ever series win on South African soil but also their biggest ever in terms of margin outside the sub-continent.

Having kept their date with history by sealing the series in the previous encounter, India made short work of a paltry target of 205 by winning in only 32.1 overs with Kohli scoring an unbeaten 129 off 96 balls in another effortless chase.

This was Indian captain's third hundred in the series.

While batting, South African

openers Aiden Markram (24) and Hashim Amla (10) made another sedate start. Thakur was impressive in his first spell, even though Markram took him for two boundaries to start off proceedings.

Jasprit Bumrah (2/24) kept a check on the scoring with his guile at the other end. The duo

caught well for a change.

It brought AB de Villiers (30) and Khaya Zondo (54 runs) to the crease, and they rebuilt the innings with a 62-run partnership for the third wicket. They rotated the strike well and looked to be positive even against the spinners.

Zondo was even harsh on Chahal and smacked him for two sixes in an over. It was perhaps the liveliest session of batting from South Africa in this series, barring their late assault during the Pink ODI.

De Villiers and Zondo brought up their 50-partnership off 52 balls as the Proteas crossed 100 in the 19th over.

But not for once did they look convincing, a testimony to that was the final result of the series.

Johannesburg, Feb 17

An upbeat India will look to continue their dominance over the South African team in the first Twenty20 International (T20i) match at Johannesburg on Sunday. Having scripted history by winning their first-ever One-Day International (ODI) series in South Africa, Virat Kohli and his team would aim to carry the momentum and intensity forward into the shortest format. Focus, though, will be on Suresh Raina as he makes a comeback into the national team after a year away. When it comes to T20s, India have enjoyed playing in South Africa, having won their first ever match back in 2006 followed by the historic World T20 triumph under former India captain Mahendra Singh Dhoni a year later.

Since the 2017 Champions Trophy, India have played 10 T20is, winning seven of those matches. As such, they have a stable formula to rely on in the shortest format as well.

Raina, KL Rahul and Jaydev Unadkat are the new additions
