## Indo-Pak Border to be completely sealed in two years

### India is ready to help Pakistan to control terrorism on its soil: HM

Chandigarh, Oct 17

The Government has decided to completely seal the International Border (IB) with Pakistan by physical/non-physical barriers by December, 2018. There is about 181.85 km stretch in which construction of physical barrier is not feasible due to geographic constraints like riverine, low-lying, creek, marshy etc. areas. In this stretch, advance technology solutions including cameras,

sensors, radars, lasers, etc will be deployed. BSF is testing the available technologies through pilot projects in Jammu, Punjab and Gujarat. Announcing this during Regional Editors' Conference in Chandigarh today, the Union Home Minister Shri Rajnath Singh said that Border Security is a very sensitive issue and India is engaging all the neighbours except Pakistan diplomatically to ensure peace on the borders. He

added that because of development work, transgression incidents at China border have also come down drastically. Shri Rajnath Singh categorized our borders as friendly, active and strategic borders.

Referring to recent surgical operations, Shri Rajnath Singh said that it was pre-emptive action against Pakistan and India does not have any ill will against the people of Pakistan. Pakistan has adopted

terrorism as its state policy and harbouring terrorists. That is the reason it has been isolated not only in South Asia, but also in the world. He said India is ready to help Pakistan in taking action against

**Fantastic show by the speedsters, says Dhoni**

Dharamshala, Oct 17  
It isn't often that India's new-ball bowlers corner all glory in a winning cause, but with debutant Hardik Pandya and Umesh Yadav doing the bulk of the damage against New Zealand here on Sunday, captain Mahendra Singh Dhoni was effusive in his praise.  
"It was a fantastic performance from the fast bowlers. We had no clue it would help them. Hardik exploited the good length and Umesh is somebody who has been quite quick consistently, he has gone from fit to one of the fittest. Bumrah is very good in the middle overs, he can get me wickets then and also at the death."  
"Hardik is deceptive, he bowls

big and he's got movement and can get purchase off the pitch. That's why I wanted to give him a chance to exploit the new ball. Umesh bowled a good line and has generally been bowling in the right areas. It's a good opportunity to showcase his talent. Not just him, but all the fast bowlers. It's good to see
