4200 medicine kits distributed to COVID patients & quarantined ILI cases till date

People urged to 'Wear Masks' & maintain 'Do Gaj ki Doori'

Port Blair, Sept. 18

In its bid to contain the further spread of COVID-19 infection in a targeted manner, the District Administration, South Andaman has already identified approximately 15,000 co-morbid persons across South Andaman District.

As part of the first round of surveillance, out of approx. 15,000 co-morbid persons, approx. 150 ILI symptomatic persons were identified. They were given timely medical intervention and were regularly monitored by the field staff.

Now, the second round is being carried

out after 14 days of first round- 2 level surveillance, wherein, out of the approx. 15000 co-morbid, 47 people have been identified having ILI symptoms.

The saturation levels and body temperature of these suspects are being monitored closely by deputing field staff such as ASHA workers and ANMs. This will help in early detection and better treatment.

About 4200 medicine kits have been distributed till date amongst the COVID patients and whoever is quarantined as ILI
