Hon'ble Lt. Governor, A&N Islands calls on Hon'ble Union Home Minister and Minister of Cooperation in New Delhi

Apprised Hon'ble Home Minister of growing market interest in investing in the luxury eco-tourism resort segment in A&N Islands

New Delhi, Mar. 21
 Admiral D. K. Joshi, PVSM, AVSM, YSM, NM, VSM (Retd.), Hon'ble Lt. Governor, A&N Islands and Vice-Chairman, Islands Development Agency, called on Shri Amit Shah, Hon'ble Union Home Minister and Minister of Cooperation, today in New Delhi.

Consequent to highly successful award of four contracts to top end hospitality chains recently, the Hon'ble Lt. Governor apprised the Hon'ble Home Minister of the growing market interest in investing in the luxury eco-tourism

resort segment in the A&N Islands. He further informed that, for the upcoming financial bid opening of the Smith and Ross Islands project scheduled for early April, eighteen high-end prospective project

proponents have expressed keen interest to bid. Additionally, highlighting that several mega hospitality, tourism, and infrastructure projects on other islands are nearing completion, the

Hon'ble Lt. Governor recommended that Little Andaman be taken up in the next phase, given its vast potential to be developed as a niche global tourism destination, a press release from Lok Niwas said.

GREETINGS

On the auspicious occasion of Bihar's Foundation Day, celebrated on 22nd March 2026, I extend my warmest greetings and heartfelt best wishes to the people of Bihar.

This historic occasion commemorates the glorious legacy of Bihar-a land that has been a fountainhead of civilisation, knowledge, and spiritual enlightenment since time immemorial. Endowed with a rich cultural heritage and a tradition of intellectual excellence, Bihar has nurtured eminent scholars, visionary leaders, and reformers whose contributions have profoundly shaped the destiny of our nation.

May this occasion inspire us to draw strength from Bihar's illustrious past and move forward with renewed determination and purpose, contributing meaningfully to the making of a strong, self-reliant, and prosperous India.

As we celebrate this momentous day, it is an occasion to reaffirm our unwavering commitment to the ideals of Ek Bharat Shreshtha Bharat, strengthening the spirit of unity in diversity that defines our great nation. Let us also rededicate ourselves to the vision of Viksit Bharat, striving collectively towards inclusive development, social harmony, and sustainable progress, ensuring that the benefits of growth reach every section of society.

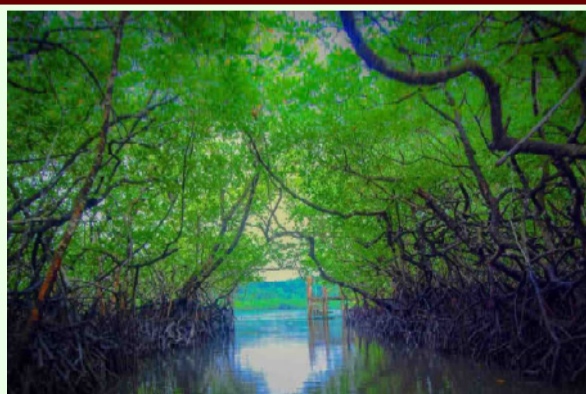

On this special day, I convey my sincere wishes for peace, prosperity, and well-being to the people of Bihar, including those residing in these Islands, and to all who proudly uphold and cherish the enduring legacy of this great state.

(Admiral D K Joshi)

Mangroves-Nature's Coastal Shield Mangrove Workshop marks International Day of Forests with focus on conservation

Sri Vijaya Puram, Mar. 21
 A two-day Mangrove Workshop organized by the Department of Environment & Forests was inaugurated today at Megapode Resort, Haddo, Sri Vijaya Puram, marking the occasion of the International Day of Forests. The workshop was inaugurated by the Chief Secretary, A&N Administration, Dr. Chandra Bhushan Kumar, IAS, who graced the occasion as the chief guest in the presence of the guest of honour, Shri Sanjay Kumar Sinha, IFS, Principal Chief Conservator of Forests-cum-Chief Wildlife

Warden, along with senior officers of the Administration and Forest Department, eminent scientists, guest speakers, research scholars, students, teachers, and other distinguished guests. In his address, the chief guest expressed his appreciation for organizing the first-ever Mangrove Workshop on

a national platform. He encouraged students, research scholars, and participants to gain deeper insights into the fragile mangrove ecosystems of the country, with special reference to the Andaman & Nicobar Islands. He also emphasized the importance of organizing such

workshops on themes of national interest in the future, with a vision to showcase the rich biodiversity and uniqueness of these islands on a global platform. The guest of honour highlighted the significant role of mangroves in protecting coastal regions from tidal surges and

contributing to climate change mitigation. He stressed the importance of adopting a holistic approach towards sustainable development in the islands. He further stated that the objective of the workshop is to bring together experts, researchers, scientists, forest officials, teachers,

Establishment of dedicated open market space at Junglighat for Sunday Street Vendors

Sri Vijaya Puram, Mar. 21
 The Sri Vijaya Puram Municipal Council (SVPVC), in its continued commitment to orderly urban management and public convenience, has developed a dedicated open market space at Junglighat for street vendors who traditionally carry out vending activities in and around the area on Sundays. All street vendors are

hereby welcomed and encouraged to utilise this newly designated vending space at Junglighat as an organised open market subject to adherence to all applicable norms and rules. The space, developed with due planning, aims to provide a safe, accessible, and well-regulated environment for both vendors and the public, while also ensuring

smooth traffic flow and unhindered pedestrian movement in the surrounding areas. SVPVC has invited all concerned vendors to make full use of this facility on Sundays starting from 22nd March, 2026, and to extend their cooperation in establishing a well-managed and vibrant open market at Junglighat for the benefit of the community at large.

DSW organises Swachhata Pakhwada campaign across various Panchayats

Sri Vijaya Puram, Mar. 21
The Women and Child Control Room is functioning under the Directorate of Social Welfare at VIP Road in which dedicated helplines (For Women Helpline - dial 181 and for Child Helpline - dial 1098) functions as 24/7x365 days emergency response center for women and children experiencing distress or violence.

hygiene, sanitation and community participation in maintaining clean environment.

The Women Helpline-181 organized Swachhata Pakhwada Campaign across various Panchayats (Nayasher Tsunami Shelter Community Hall, Calicut Panchayat Community Hall and Namunghar Community Hall) in coordination with District Hub for Empowerment of Women from 1st to 15th March, 2026 with the objective on promoting

The campaign witnessed active participation from local residents, Women Self Help Groups, Panchayats members and community volunteers. The practical demonstration has been emphasized on waste segregation, elimination of Single use Plastic. The awareness fosters public participation in

sanitation, hygiene and environmental care across their surrounding and working areas. To ensure greener garbage free working area pledge has been taken among the office staff of Women and Child Development Control Room at VIP Road. In addition, an informative session also highlighted to promote best practices on hygiene and sanitation, a press release from Directorate of Social Welfare said.

ZSI organizes commemorative event

(Contd. from page 1)

national productivity. The Vice Chancellor noted that the region's marine and forest ecosystems are the backbone of its flourishing tourism industry.

As part of the celebrations, a drawing competition was conducted by the ZSI for local school students to foster environmental awareness. Dignitaries distributed certificates and mementos to the winners, encouraging the younger generation to become ambassadors for conservation. The event saw the participation of eminent scientists and others, a press release from ZSI said.

PMF, A&N Police rescue drifting fishing dinghy off Rutland Island; saves lives of six crew members

Sri Vijaya Puram, Mar. 21
The A&N Police once again demonstrated exemplary professionalism and prompt response in an operation carried out jointly by the Police Marine Force, Wandoor & Police Station Humfrygunj resulting in the rescue of a drifting fishing dinghy and saving lives of six crew members off the Southern Coast of Rutland Island.

On 18/03/2026 at about 2355 hrs, information was received at the Marine Police Control Room that a mechanized engine dinghy bearing Registration No. IND/AN/SA/MO-2475, had gone missing along with a few persons onboard. The information was immediately relayed to the In-charge, PMF Wandoor and a search and rescue team was formed.

The rescue team comprising of Insp (M) Sunil Kumar, SI (ED) Arun Kumar Rai, ASI (SG)/934 Saw Yona, PC/2942 Percy and PS Humfrygunj staff HC/1424 SK Shil and PC/2734 Raja was deployed

onboard 'FIB MV Aberdeen' in the early morning at about 0435hrs. After an extensive search operation, the stranded dinghy was successfully located at about 0735 hrs in the Southern Coast of Rutland Island. All six crew members were found safe and in good health and informed that they had departed towards Cinque Island for fishing and developed a technical snag in its propulsion shaft and drifted towards the high seas.

During the operation, SI Abdul Nazir, I/c MPCR PMF and SI Gaurav Banerjee, SHO PS Humfrygunj played a crucial role in coordinating with the team and assisting in tracing the location of the missing dinghy. The rescue team skilfully secured the stranded boat and

towed it safely to the shores of Chidiyatapu, ensuring the complete safety of both the individuals and the boat. The entire operation was carried out under the supervision of the Superintendent of Police, Police Marine Force.

The Director General of Police, A&N Islands, lauded the efforts of the team and stated that "This operation reflects the highest standards of professionalism, dedication and coordination displayed by our personnel. The timely and courageous action of the Police Marine Force and PS Humfrygunj has saved precious lives. The entire team was appreciated for their exemplary service and unwavering commitment to duty", a press release from SP (PMF) said.

ICDS Project Ferrargunj conducts 'Men-Streaming' activities

Sri Vijaya Puram, Mar. 21
The Office of the Child Development Project Officer, ICDS Project Ferrargunj, has been conducting activities on Men-Streaming Activities and the first 1000 days of pregnancy initiatives under POSHAN 2.0 under the Directorate of Social Welfare. The events were conducted at Anganwadi Centres, with a special focus on enhancing fathers' involvement in child care and nutrition, and promoting awareness about the critical importance of the first 1000 days for maternal and child health. During the programme, various

activities such as 'A n n a p r a s a n Ceremony' led by Fathers, Buddy Father initiative, 'Papa Ki Rasaoi' (father kitchen initiative), DIY (Do-It Yourself) competition for father, nutrition relay race for father, g o d h b h a r a i , complementary feeding (6-24 Months), etc.

These initiatives aim to strengthen community participation and improve nutritional outcomes for mothers and children. The report also documents field-level outcomes and best practices observed during the implementation of the programme, a press release from CDPO Ferrargunj said.

Mangrove Workshop marks International

(Contd. from page 1)

students, and other stakeholders on a common platform to discuss and disseminate recent trends in mangrove conservation and management, both nationally and with special reference to the Andaman & Nicobar Islands.

Earlier, the programme commenced with the welcome address by Dr. S. Dinesh Kannan, IFS, the Chief Conservator of Forests, (R&WP & WL).

Eminent scientists and subject experts from the mainland and the islands will present various themes during the 2-day workshop, followed by presentations of scientific papers by research scholars.

The workshop will focus on the following key themes viz. role of mangroves in coastal protection and climate change mitigation; mangrove biodiversity and associated marine life; scope of eco-tourism in mangrove forests; mangrove restoration techniques and best practices; community participation and livelihood opportunities linked to mangroves.

The inaugural session of the workshop concluded with a vote of thanks delivered by Shri Joju P. Alappatt, IFS, the Deputy Conservator of Forests (Working Plan), a press release from Forest Deptt. said.

Educational prog. to be held at Science Centre

Sri Vijaya Puram, Mar. 21

World Oral Health Day - 2026 observed at JNRM

Sri Vijaya Puram, Mar. 21
The National Oral Health Programme (NOHP) under State Health Society - Union Territory Health Mission in collaboration with the Directorate of Health Services, observed World Oral Health Day - 2026 at JNRM. The National Oral Health Programme (NOHP) is a flagship initiative of the Government of India focuses on promoting preventive and promotive oral health care, strengthening infrastructure and human resources, and creating awareness about oral hygiene practices among the community, particularly among children and vulnerable populations.

The event witnessed active participation from students, faculty members, and health officials which

reinforced the message of this year's theme, 'A Happy Mouth is A Happy Life', underscoring the importance of maintaining good oral health for overall quality of life. Addressing the gathering as the chief guest, Dr. H. M. Siddaraju, DHS, highlighted the importance of oral health in overall well-being while Dr. Pearl Devdas, Principal, JNRM as the guest of honour emphasized the role of awareness and preventive care. The keynote addressed was delivered by Dr. Sanjiv Jaichand, Joint Secretary (NOHP), highlighting the significance of 'World Oral Health Day'. This was followed by a Power Point presentation delivered by Dr. Hariharavel VP, Associate Professor (Pedodontist), ANIMS, GB Pant Hospital, focusing on oral hygiene practices and preventive dental care. As part of the programme, prizes were distributed to the winners of the quiz competition conducted in connection with the observance, a press release from DHS said.

Awareness session on career opportunities in Indian Army conducted at DBRAIT

Sri Vijaya Puram, Mar. 21
An awareness session on career opportunities in the Indian Army was conducted at DBRAIT, providing students with insights into recruitment procedures, eligibility criteria, and various entry avenues into the Armed Forces. The session was delivered by Shri R. K. Sengar, Assistant Recruiting Officer, Recruiting Office (HQ), Chennai, who elaborated on opportunities available after 10th, 12th, Diploma, and Degree programmes, highlighting the importance of discipline, physical fitness, and commitment. Through an engaging presentation, Shri Sengar explained different entry schemes, career pathways, and preparation strategies for aspiring candidates. He also informed students about the ongoing online registration at joinindianarmy.nic.in, open till 1st April, 2026, and expressed his willingness to assist students in the registration process. A total of 227 students (100 girls and 127 boys) from Diploma and B.Tech programmes, along with faculty members, attended the session, a press release from DBRAIT said.

PM e-Vidya

Empowering Every Learner, Everywhere

Key Takeaways

- DIKSHA, a key component of PM e-Vidya, has over 2.00 crore registered users as on March 2026.
- As on January 2026, SWAYAM, India's indigenous MOOC platform, has over 5.80 crore enrolments registered.
- There are 48 DTH SWAYAM Prabha channels delivering 24*7 educational content accessible in various Indian languages.
- SATHEE, launched by Ministry of Education in collaboration with Indian Institute of Technology (IIT) Kanpur, is a portal dedicated exclusively for higher education and entrance examination, accessible via website and 7 DTH SWAYAM Prabha channels.

Introduction

Education and dissemination of knowledge play vital roles in shaping the intellectual and social foundations of students, preparing them to contribute meaningfully to a rapidly changing world. Recognising the need for a future-ready education system that is inclusive and responsive to diverse learner needs, the Government articulated this vision through the National Education Policy (NEP) 2020. The NEP 2020 lays out a transformative vision for India's education system. It aims to ensure equitable access to quality education and promote holistic and multidisciplinary learning. The policy also seeks to foster critical thinking and creativity, while leveraging technology to improve teaching and learning outcomes. India has 24.8 crore school-going children and 4.33 crore students enrolled in higher education (AISHE 2021-22), but many of them live in remote geographies where access to educational institutions remains limited, and regular classroom attendance is often constrained by socio-economic compulsions such as household responsibilities and the need to engage in livelihood activities. These challenges are further compounded by persistent shortages of trained teachers in several regions, leading to uneven learning outcomes. The COVID-19 pandemic also disrupted conventional classroom education, impacting nearly 25 crore school children and accelerated the need for innovative solutions. In this context, digital education was envisioned as a critical enabler of flexibility and inclusion; for students unable to reach classrooms, classrooms were taken to them. The Government of India launched the PM e-VIDYA initiative as a comprehensive digital education programme to ensure continuity of learning online. Built on the principle of "One Nation, One Digital Education Infrastructure," PM e-VIDYA integrates multiple platforms – such as DIKSHA, SWAYAM, SWAYAM Prabha TV channels, radio, podcasts, and community-based digital access to deliver inclusive, accessible, and technology-enabled education to learners across the country, thereby aligning with the long-term objectives of NEP 2020.

Evolution of PM e-Vidya: Education Through Digital Platform

PM e-VIDYA was initially launched on 17th May, 2020 as an emergency multi-mode digital education response amid the nationwide COVID-19 lockdown, enabling continuity of learning through television, radio, and online platforms. It was subsequently formalised and renamed under the Atmanirbhar Bharat Abhiyan on August 7, 2020, integrating existing digital assets into a unified framework.

It builds upon foundational programs such as Digital India, the National Mission on Education through Information and Communication Technology (NMEICT) and SWAYAM MOOCs platform, SAMAGRA Shiksha, and NISHTHA's teacher training and capacity-building efforts. Core operational pillars include the One Class, One TV Channel under PM e-VIDYA's SWAYAM PRABHA component, the One Nation, One Digital Platform vision embodied in DIKSHA and SWAYAM MOOCs portal.

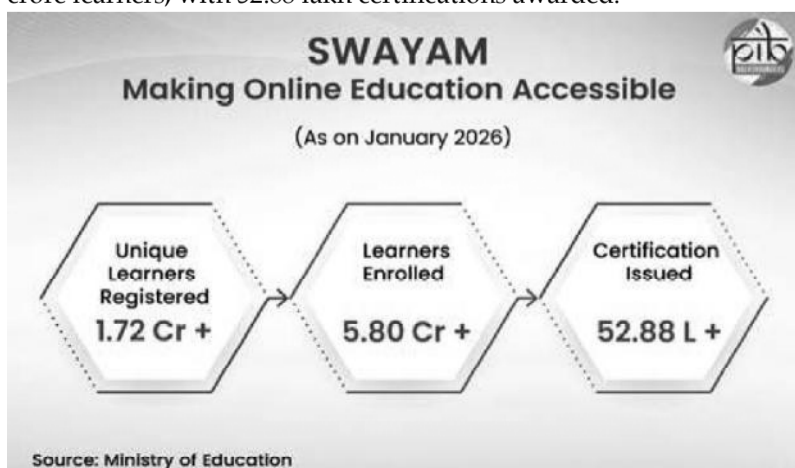

PM e-Vidya: Key Pillars

PM e-Vidya comprises six key pillars, which integrate online, on-air, and offline channels to ensure universal access to inclusive and equitable digital education. These include: Study Webs of Active-Learning for Young Aspiring Minds (SWAYAM), SWAYAM Prabha, Digital Infrastructure for Knowledge Sharing (DIKSHA), Extensive use of Radio, Community radio and Podcasts, Special e-Content for CWSN, and Online Coaching for Competitive Exams.

Study Webs of Active-Learning for Young Aspiring Minds (SWAYAM)

SWAYAM, launched in collaboration with IIT Madras, is a flagship national initiative envisaged to provide learners free access to high-quality educational content in alignment with the vision of "Anyone, Anywhere, Anytime Learning." The platform offers a diverse range of courses across multiple disciplines, curated by premier institutions to support holistic and well-rounded learning. As of January 2026, over 4,400 unique courses have been developed on SWAYAM by ten National Coordinators, namely NPTEL, UGC, AICTE, CEC, IGNOU, IIMB, NITTR, INI, NCERT, and NIOS. Since its inception, SWAYAM MOOCs have witnessed cumulative enrolments of approximately 5.80 crore learners, with 52.88 lakh certifications awarded.

In order to facilitate the seamless integration of online learning within the formal higher education system, the University Grants Commission

(UGC) notified the Credit Framework for Online Learning Courses through SWAYAM Regulations, 2021, which enables higher education institutions to offer up to 40 per cent of the total courses of a programme in a semester through SWAYAM.

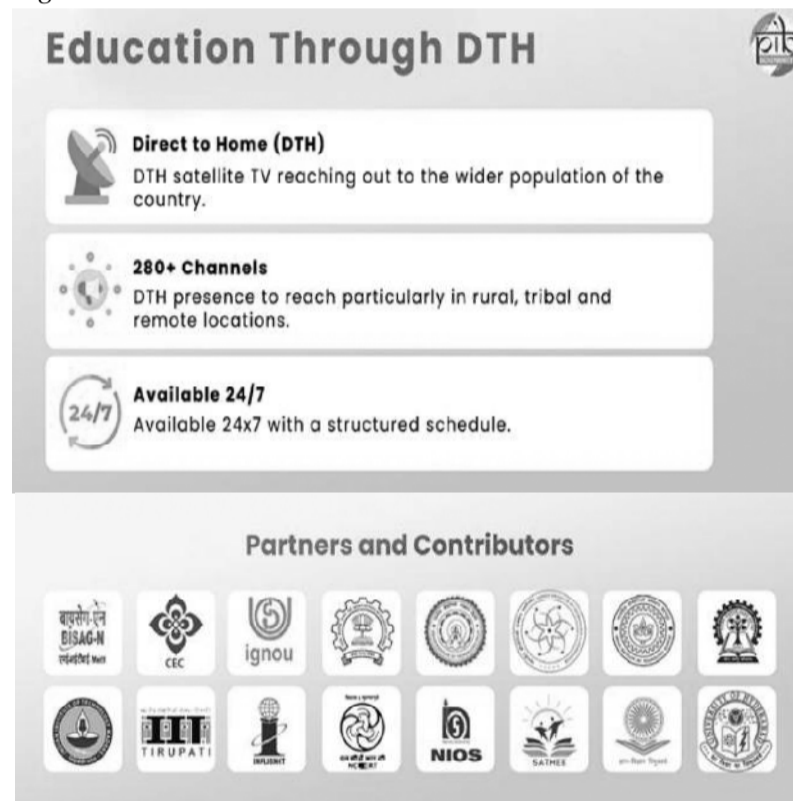

Further, with a view to enhancing academic flexibility and learner convenience, UGC has also notified a framework for universities to conduct examinations for SWAYAM courses. This framework permits universities that have adopted the regulations to conduct SWAYAM examinations, thereby further strengthening institutional participation and student-centric implementation of online learning.

The courses on SWAYAM incorporate four key components: (1) video lectures, (2) downloadable and printable reading materials, (3) self-assessment tests via quizzes and exams, and (4) an online discussion forum to resolve doubts. The learning process is enhanced through the integration of audio-video elements, multimedia, and advanced pedagogical and technological methods.

All courses provided via SWAYAM are free for learners. However, those seeking an official SWAYAM certificate must register for proctored final exams, which involve a fee, and attend them in person at designated centers on scheduled dates. Certificate eligibility details are specified on each course page, and certificates are awarded only upon meeting these requirements. Universities and colleges that approve credit transfers can incorporate the marks or certificates from these courses into students' academic records.

SWAYAM Prabha

The SWAYAM PRABHA is a group of 48 DTH channels devoted to telecasting of high-quality educational programmes with an aim to make education accessible especially for rural area students. These channels are freely available for all learners across the country and broadcast through DD Free dish and internet applications. In December 2024, the Government of India launched Channel 31 on DTH, dedicated to Indian Sign Language (ISL) training for hearing-impaired students, special educators, interpreters, and relevant organisations.

SATHEE

Ministry of Education in collaboration with IIT Kanpur has launched Self-Assessment, Test, and Help for Entrance Examination (SATHEE) platform in November 2023.

The platform provides free access to quality content, curated by the academicians from prestigious institutions such as the Indian Institutes of Technology (IITs) and All India Institute of Medical Sciences (AIIMS). These contents are designed to support students/learners in their preparation for various competitive examinations, including JEE, NEET, SSC, ICAR, CUET, IBPS, etc.

Key features of SATHEE include:

- Recorded and live lectures by expert faculty from IITs and AIIMS
- Daily Practice Problems (DPPs), mock tests, and self-assessment tools to continuously track and improve performance
- Motivational sessions and mentorship from top institutional mentors
- Access to a comprehensive repository of 80,000+ high-quality questions aligned with competitive exam standards.
- Interactive doubt-clearing sessions conducted by IIT and AIIMS students.
- Intensive crash courses before exams, including All India Mock Test Series for real exam simulation.
- Multilingual content, available in Hindi, English, and several regional languages.

Smart AI features for personalised study plans, performance analytics, and gamified learning experiences to boost engagement.

In order to facilitate wider outreach and enable effective preparation for various competitive examinations, a set of seven dedicated Direct-to-Home (DTH) channels has been made operational. Furthermore, to enhance accessibility and ensure seamless user experience across devices, mobile applications for both iOS and Android platforms have been launched, allowing learners and students to access the platform's resources anytime and anywhere.

Aligned with NEP 2020's emphasis on technology-enabled equitable education and skill development, SATHEE has empowered lakhs of aspirants with data-backed preparation strategies, real-time progress tracking, and mentorship from IIT faculty and toppers. This, in turn, aptly bridges the gap between aspiration and achievement in higher education and employment.

Digital Infrastructure for Knowledge Sharing (DIKSHA)

The DIKSHA (Digital Infrastructure for Knowledge Sharing) portal and mobile app serve as India's flagship national digital ecosystem for school education. It has been developed under the aegis of the Ministry of Education, Government of India. The platform is spearheaded by the National Council of Educational Research and Training (NCERT) in collaboration with the Central Institute of Educational Technology (CIET). Launched in 2017, DIKSHA is an open-source platform that gives students, teachers, and administrators across India easy access to high-quality, curriculum-linked digital learning materials. It can be customised and works in a federated way to suit different needs.

DIKSHA enables complete K-12 digital learning across NCERT, CBSE, NIOS, and State/UT boards, covering foundational literacy and numeracy (FLN) to senior secondary education. It promotes equity by providing standardised, syllabus-aligned digital content accessible to learners nationwide. It features media-rich, interactive resources, including 2D/3D animations, AR experiences, simulations, virtual labs, and sign language videos, designed to enhance conceptual clarity and cater to diverse learning styles. The platform bridges the print-digital divide through QR-coded Energised Textbooks, linking physical NCERT books to videos, interactives, and teacher guides for seamless classroom engagement. For the differently-abled learners it provides inclusive features like DAISY (Digital Accessible Information System) format, text-to-speech, and Indian Sign Language (ISL) videos. DIKSHA empowers personalised learning with unlimited practice questions, detailed solutions, adaptive assessments, and competency-based question banks that identify gaps and enable timely remediation. It supports teacher professional development via NISHTHA and state-specific TPD modules, offering self-paced, certified training to upskill educators nationwide. This integrated ecosystem – combining content creation, curation, consumption, and analytics – drives inclusive, data-informed, and joyful learning aligned with NEP 2020.

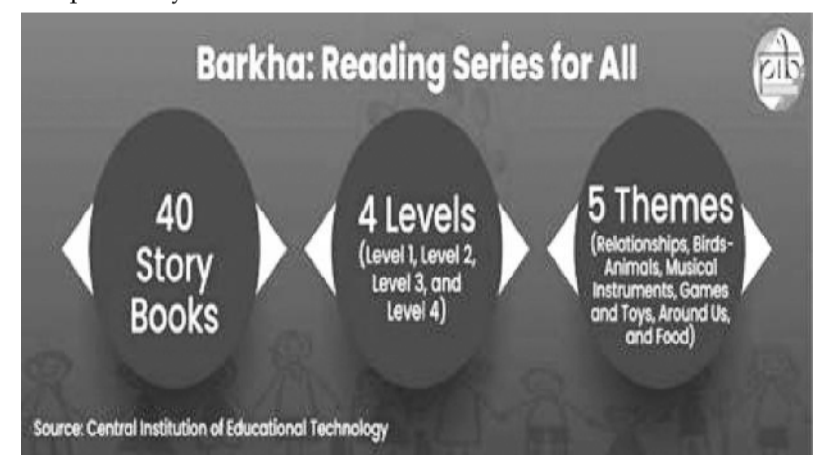

Education on AIR: Mukta Vidya Vani and Shiksha Vani

Under the PM e-Vidya initiative, Mukta Vidya Vani, operated by the National Institute of Open Schooling (NIOS), is India's pioneering educational web radio, delivering live, interactive audio streaming for learners in Secondary, Senior Secondary, and Vocational streams. Celebrating over five years of impactful service, it facilitates two-way communication through live Personal Contact Programmes (PCPs) on academic subjects, broadcast via web streaming and rebroadcast on Radio Vahini (FM 91.2 MHz), to extend reach to non-digital audiences. All sessions are archived 24x7 on the NIOS platform, with additional dissemination through YouTube and Facebook, ensuring anytime, anywhere access for open school learners. Complementing this, CBSE's Shiksha Vani Podcast offers over 400 curriculum-aligned audio modules for Classes 9-12, covering NCERT topics in a concise, engaging format, freely accessible via the Shiksha Vani mobile app on Google Play.

Complementing digital and broadcast media, Doordarshan (DD) and All India Radio (AIR) deliver nationwide educational programming under PM e-Vidya, broadcasting curriculum-based virtual classes for primary to senior secondary levels, board exam preparation (including model question papers), JEE/NEET entrance guidance, and enrichment content like storytelling and quizzes. Scheduled in morning and afternoon slots for optimal reach, these programs leverage TV, radio, and YouTube to support learners in remote and underserved areas with no internet dependency.

Universal Design, Early Inclusion: Digital Learning for CwSN

Under the PM e-Vidya initiative, inclusive digital education for Children with Special Needs (CwSN) is prioritised through tailored resources on the DIKSHA platform and NIOS systems. Audiobooks in Digitally Accessible Information System (DAISY) format and an Indian Sign Language (ISL) Dictionary are readily available, enabling visually and hearing-impaired learners to access curriculum-aligned content independently.

NIOS has developed over 270 ISL videos covering 7 secondary-level subjects and Yoga[10], hosted on YouTube and distributed via DVDs. Additionally, NCERT has converted textbooks into digital e-books (UNICCODE) compatible with Text-to-Speech (TTS) tools and developed tactile maps and low-cost e-learning modules for home-based education for students with severe disabilities – ensuring continuity of learning in alignment with NEP 2020's vision of equitable and barrier-free education.

A pioneering effort in early inclusion, Barkha: A Reading Series for 'All', developed by the Department of School Education & Literacy, exemplifies Universal Design for Learning (UDL) through 40 multilingual story booklets[11] [12] available in both print and digital formats. Featuring tactile visuals, high-contrast illustrations, accessible scripts, and audio-video introductions in ISL and spoken language, Barkha fosters foundational literacy in diverse learners, including those with visual, cognitive, or motor challenges. The digital version, accessible via NCERT's website and ePathshala, allows personalised, self-paced reading on any device, promoting privacy, autonomy, and joy in learning. By embedding sign language as a regular communication mode from the foundational stage, Barkha not only supports CwSN but also sensitises all children to inclusive practices, thus serving as a scalable model for developing accessible textbooks and learning materials across all educational stages.

Conclusion

PM e-Vidya has evolved from an emergency response during the COVID-19 pandemic into a robust, scalable, and inclusive digital public infrastructure that embodies the transformative vision of NEP 2020. It ensures multi-modal access – online, on-air, and offline – to high-quality, curriculum-aligned, and multilingual learning resources for over 24.8 crore school-going children, educators, adult learners, and competitive exam aspirants across urban and rural India. PM e-Vidya has effectively bridged the digital divide while advancing foundational literacy, teacher empowerment, and lifelong learning.

As India marches ahead towards Viksit Bharat@2047, PM e-Vidya stands as a global benchmark for technology-enabled, equitable, and adaptive education system. By prioritising inclusion and last-mile connectivity, it empowers every learner regardless of location, language, or ability, to realise their full potential. Sustained investment, stakeholder collaboration, and continuous innovation will ensure that PM e-Vidya not only sustains but accelerates India's journey toward universal, joyful, and future-ready education.

Late AMMINI PEARSON
DoD: 22-03-1999
"Her absence is a silent grief. Her life a beautiful memory"
Fondly Remembered By: Children, Grand Children, Great Grand Children & Family Members

IN LOVING MEMORY

S. Ishwar Rao
19th Years of Remembrance
To the world you were just one person, but to me you were the world. Every challenge I face reminds me of your courage and wisdom.
Whenever I close my eyes, I can see your face. I know you are happy in heaven but your little daughter is not well. Miss you more than you know Nanna !!!
By Daughter, S.SNEHA
