**With Neymar's golden kick, Brazil wins first Olympic soccer title**

Rio De Janeiro, Aug 21  
With a kiss of the ball and an unforgettable kick, Brazil's biggest soccer star gave the Olympic host its biggest moment of the games. Brazil won its first Olympic gold medal in soccer on Saturday with a dramatic penalty kick by Neymar to defeat Germany, sending the nation into a frenzy after a 1-1 (5-4 shootout) victory. Before the decisive shot, Neymar picked up the ball and kissed it before placing it on the penalty spot. With a stutter step and a smooth kick, he calmly sent a shot into the top corner and fell to his knees before being mobbed by his teammates. It was a victory that was about more than soccer for a nation that desperately needed something to celebrate. Brazil had been battered by recession, political scandal, health scares over polluted water and the Zika virus and questions over whether it could pull off hosting the Olympics. All the troubles were forgotten when Neymar's kick sailed into the net. "Obviously this tournament had a special meaning for Brazil," Neymar said. "This is one of the happiest things that have happened to me." Jubilant celebrations broke out around Rio, reminiscent of parties following the five World Cup

championships won by this soccer-mad nation. Fireworks burst over the stadium, car horns blared and fans sang and tossed beer into the air. As the team stood atop the medal podium, gold draped around their necks, tears streamed down the faces of fans as all of Maracana Stadium joined in belting out the national anthem. Germany, playing with a young team that looked nothing

like the World Cup-winning squad, made it hard for Brazil, hitting the crossbar three times in the first half. Neymar put Brazil ahead 1-0 with a superb free kick in the 26th minute and Usain Bolt celebrated along with their raucous crowd. Neymar paid tribute to the fastest man in the world by flashing the Jamaican nine-time gold medalist's "To the World" pose on the pitch.

said: "Saina had sustained an intra-articular injury (inside the joint) to her right knee. A small fragment of bone had separated from her patella (knee cap bone). This displaced fragment was causing her impingement and pain. She underwent arthroscopic surgery and is back in her room."

**No stopping Bolt from his triple treble**

Rio De Janeiro, Aug 21

The Jamaicans hold the World and Olympic record at 36.84 from the London Games. Canada won the bronze with a national record time of 37.64. The Japanese Ryota Yamagata, Shota Iizuka, Yoshihide Kiryu

and Aska Cambridge may not be impressive individually, but as a team they showed months of hard training can bear fruit even against the best in the business on the biggest stage.
