Awareness Rally on judicious use of drinking water conducted by APWD

Sri Vijaya Puram, Jan. 22

In a proactive initiative to promote water conservation and responsible usage of drinking water, the Andaman Public Works Department (APWD) organized an awareness rally today under the leadership of its Chief Engineer, Shri T. K. Prijith Rekh.

The rally was flagged off by the Chief Engineer from the Chief Engineer's Office Complex during the morning hours. The primary objective of the rally was to sensitize the local populace about the

judicious use of drinking water supplied by APWD and the SVPWC, particularly in view of the prevailing water availability.

Addressing the participants prior to the flagging-off ceremony, Shri T. K. Prijith Rekh highlighted the significant deficiency in the North-East monsoon and its impact on water availability and supply distribution across the region. He emphasized that the shortfall in rainfall has placed added stress on existing water

Adhyaksh, ZPSA conducts joint inspection at Guptapara

Sri Vijaya Puram, Jan. 22
The Adhyaksh, Zilla Parishad, South Andaman (ZPSA), Shri Prakash Adhikari, conducted a joint inspection at Guptapara today along with the Chief Engineer, APWD, Shri Prijith Rekh, his technical team, and officials from the Department of Fisheries to assess the damage caused to Govt. and private properties due to the recent floods.

During the inspection, the team reviewed the extent of damage to infrastructure, residential areas, and public assets. Detailed discussions were held on the developmental and remedial measures required to mitigate future flood risks. Special

emphasis was laid on restoration works, strengthening of drainage systems, protection of vulnerable areas, and planning of long-term flood management solutions.

The team also visited the Fish Landing Jetty at Guptapara, where it was decided to immediately undertake repair works of net binding shed, concrete ramp, diesel pump and other essential facilities including dredging. Additionally, discussions were held to resume the functioning of the non-operational Fish Landing Jetty at Wandoor.

The Adhyaksh requested the concerned Departments to prepare detailed estimates and proposals for undertaking the required developmental works on a priority basis, a press release from ZPSA said.

resources, making conservation efforts more critical.

The Chief Engineer urged the participants to act as ambassadors of awareness and actively educate consumers on minimizing water wastage through mindful and efficient usage. He stressed the importance of using water judiciously for various daily activities such as drinking, cooking, flushing, bathing, and other household needs. He further informed that the prescribed minimum norms for drinking water supply range between 55 to 100 litres per capita per day (LPCD), depending on whether the area is rural or urban.

Shri Rekh also encouraged citizens to adopt the practice of self water audits to identify and reduce unnecessary consumption and wastage of water at the household level. He reiterated that collective responsibility and behavioral change are essential to ensure sustainable water availability for the future.

Concluding his address, the Chief Engineer expressed his sincere appreciation to all participants for their enthusiastic involvement and support in making the rally a success and for contributing to this noble cause of water conservation.

A similar awareness rally was organized yesterday in the Bathubasti area under the Executive Engineer, PHED, as part of APWD's continued efforts to spread awareness on the judicious use of drinking water across different localities, a press release from APWD said.
