MESSAGE

I am thrilled to hear that World TB Day is being celebrated with great enthusiasm in our Islands, along with the rest of the country, under the theme "Yes! We Can End TB."

Every year, on March 24th, World TB Day provides an opportunity to raise public awareness about the significant health, social, and economic impacts of tuberculosis, while also intensifying efforts to put an end to the global TB epidemic.

India carries the heaviest burden of TB globally, with an estimated 26 lakh people contracting the disease and approximately 4 lakh individuals succumbing to it annually. Active engagement from communities and institutions is essential in addressing gaps and addressing social determinants, thus contributing to the national goal of TB elimination.

I encourage institutions and individuals from all walks of life to step forward and lend their support to TB patients, coming together in our collective efforts to eradicate TB from our Islands.

A&N Police issues advisory on fraudsters using heat signatures of fingertips on keypads to crack passwords/pins

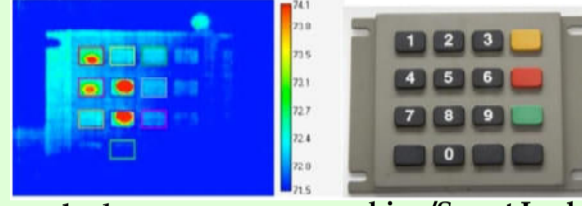

Port Blair, Mar. 23

A new attack technique is being used by fraudsters of cracking passwords/PINs (ATMs, POS machine, Smart doors with keypad locks, etc.) by examining heat signatures that fingerprints leave on keyboards/screens while entering passwords, such frauds use combination of thermal imaging and Artificial Intelligence (AI). AI algorithms are used to accurately guess the passwords as per the snapped heat signatures. The brighter the area appears on the thermal image, the more recently it would have been touched. Using such correlations PINs/passwords are being cracked.

In this regard, the Andaman and Nicobar Police has issued the following advisory to safeguard the citizens:

- Avoid using ATMs which are unguarded and not under proper surveillance with video cameras.
- Always examine the ATMs for any suspicious attachments (in ATM rooms walls or the machine). Hide the keypad area while entering the PIN.
- Press multiple random number keys (buttons) before leaving the ATM
- Machine/POS machine/Smart Locks to generate non meaningful heat signature.

For assistance, information or enquiries, contact the Cyber Crime Police Station, A&N Islands, over National Helpline No. 1930 and A&N Police Helpline No. 9531856083 or visit cybercrime.gov.in, a press release from SP (CID) said.

A&N Police issues advisory against fraudulent emails allegedly from investigative agencies

Port Blair, Mar. 23

There has been a recent surge in fraudulent emails, purportedly from Indian Cyber Crime & Indian Cyber Squad or in the name of Government fictitious agencies, such as BPR&D, IB & CBI. These malicious emails are accompanied by fake and fabricated letters, falsely bearing the letterheads of investigative bodies such as the Intelligence Bureau (IB), Central Bureau of Investigation (CBI), or Bureau of Police Research & Development (BPR&D). They threaten severe legal consequences if recipients do not cooperate and falsely accuse individuals of involvement in pornographic images and materials or narcotics smuggling.

These deceitful emails are intended to intimidate individuals and coerce them into complying with the fraudulent demands of the perpetrators. They aim to exploit fear and manipulate recipients into responding. It's imperative to recognize that these emails are scams, and recipients should not engage or respond to them. The scammers are trying to induce panic and deceive unsuspecting citizens of their hard earned money.

It is important to note that legitimate law enforcement agencies such as IB, CBI, or BPR&D do not engage in such unsolicited communication. Citizens should remain vigilant and report any suspicious emails to the appropriate authorities.

In this regard, the Andaman and Nicobar Police has issued the following advisory to safeguard the citizens:

- Refrain from responding to or engaging with any emails claiming to be from Cyber Cell India, Intelligence Bureau (IB), Central Bureau of Investigation (CBI) or Bureau of Police Research & Development (BPR&D), if received unexpectedly.
- Before taking any action/replying, verify the legitimacy of the email by contacting your local Police Station/Cyber Crime Police Station.
- Avoid clicking on links from suspicious emails or posts, as they could lead to compromised pages, and lead to financial loss.
- Spread awareness among friends, family, and colleagues to prevent further victims falling prey to these scams.
- Report any such incidents on [Cybercrime.gov.in](https://cybercrime.gov.in) portal and follow @CyberDost on Twitter, Youtube, Facebook, Instagram, Koo and LinkedIn to know more about safety tips.

For assistance, information or enquiries, contact the Cyber Crime Police Station, A&N Islands, over National Helpline No. 1930 and A&N Police Helpline No. 9531856083 or visit cybercrime.gov.in, a press release from SP (CID) said.
