Hon'ble Prime Minister Shri Narendra Modi distributes more than 51,000 appointment letters to the newly appointed youth in Government Under Rozgar Mela India's youth are playing a vital role in accelerating the journey towards a Viksit Bharat: PM

New Delhi, May 23 (PIB)

Hon'ble Prime Minister Shri Narendra Modi today distributed more than 51,000 appointment letters to newly appointed youth in various Government departments and organisations at the 19th Rozgar Mela today at 11 AM via video conferencing. Addressing the gathering, he described the occasion as a profoundly significant day for thousands of young people across the nation. Welcoming the newest entrants into government service, he underscored their imminent contribution to India's development across sectors including railways, banking, defence, health, and education. "In the years to come, all of you will play a crucial role in realizing the vision of a Vikasit Bharat," asserted Shri Modi.

Honouring the dedication and rigorous preparation that brought the appointees to this milestone, the Hon'ble Prime Minister extended his heartfelt congratulations to each one of them. Recognising that no individual achievement stands alone, he also offered his best wishes to the families and parents whose support had been indispensable along the way.

Sharing insights from a just-concluded diplomatic tour spanning five countries, the Hon'ble Prime Minister conveyed the palpable excitement that leaders of global corporations, representing dozens of nations, had expressed about India's youth and its technological advancement. He described a world eager to participate in India's rise. "The world wants to be a part of India's development journey," remarked Shri Modi.

Elaborating on the diplomatic and economic outcomes of the tour, the Hon'ble Prime Minister outlined sector-specific agreements forged and dialogues held with each nation visited, which included discussions on semiconductors, water, agriculture, and advanced manufacturing with the Netherlands; talks on cooperation in the fields of AI and digital innovation with Sweden; discussions on green technology and maritime cooperation with Norway; MoUs on strategic energy and technology partnerships with the UAE; and agreements on defence, critical minerals, and science and technology with Italy. Hon'ble PM Shri Modi

Hon'ble PM addresses the gathering on the occasion of 19th Rozgar Mela via video conferencing on May 23, 2026.

made clear that India's international partnerships are purposefully structured to serve its youth. "The purpose is that India's youth get employment and global exposure," asserted Shri Modi.

Conveying the direct relevance of each agreement to employment generation, the Hon'ble Prime Minister emphasised that every new investment, every technology partnership, and every industrial collaboration ultimately creates fresh opportunities for India's young people. He further underlined the long-range significance of these collaborations.

single ASML-Tata Electronics agreement alone will create thousands of new employment opportunities in India," noted Shri Modi.

Highlighting the rapid rise of clean energy, critical minerals, green hydrogen, and sustainable manufacturing as sectors of immense opportunity, the Hon'ble Prime Minister noted that growing collaboration with Sweden, Norway, and Italy in green transition and sustainable technology would position India strongly in the clean manufacturing industries of the future. "These partnerships are opening the doors of a new economy and new opportunities," affirmed Shri Modi.

Pointing to accelerated work on ports, shipping, and maritime infrastructure agreements, the Hon'ble Prime Minister observed that partnerships with UAE and Norway would fortify India's shipbuilding ecosystem, directly expanding the horizon of opportunity for the country's engineers, technicians, and skilled workers. "New opportunities will be created for India's engineers, technicians, and skilled workers," asserted Shri Modi. Noting that each new

partnership simultaneously widens global connectivity for Indian startups, researchers, and young professionals, the Hon'ble Prime Minister reflected on a world that today respects nations which innovate, build, and deliver at scale. He expressed pride that India is advancing on all three fronts. "The greatest force behind this transformation is India's youth, all of you," affirmed Shri Modi.

Anchoring the moment within the larger national mission, the Hon'ble Prime Minister spoke of the collective resolve to build a Developed India, Viksit Bharat, by 2047, affirming that cross-sectoral investment by the government is generating millions of new employment opportunities as a direct consequence of this ambition. "This investment is creating millions of new employment opportunities for the country's youth," asserted Shri Modi.

Enumerating the scale of India's emerging semiconductor ecosystem, the Hon'ble Prime Minister announced that a complete domestic supply chain for semiconductor manufacturing is being established and that ten major semiconductor units

International Day for Biological Diversity Observed Students and teachers unite under the theme "acting locally for global impact"

Sri Vijaya Puram, May 23

The International Day for Biological Diversity was celebrated with great enthusiasm across schools under the CRCs of GSSS School Line and GSSS Girls', on May 22, 2026, bringing together students, teachers, and education leaders in a collective effort to highlight the importance of biodiversity conservation. This year's theme, "Acting Locally for Global Impact", resonated strongly as participants engaged in a variety of

creative and educational activities designed to inspire eco-friendly practices and environmental stewardship.

At the CRC level, a vibrant Summer Camp was organized at GSSS School Line. Twenty-two students representing GSS Dairy

Farm, GSSS School Line, GSSS Prothrapur, GMS Dollygunj, GMS

Brichgunj, and GMS Mariamman Temple showcased their talents in poster making and slogan writing competitions. These activities aimed to spread awareness about biodiversity conservation in a visually impactful and thought-provoking

Hon'ble Prime Minister Shri Narendra Modi distributes more than 51,000 appointment letters to the newly appointed youth in Government Departments Under Rozgar Mela.....
(Contd. from page 1)

will soon make their mark on the global stage, with large numbers of young Indians already finding employment within them. "India's semiconductor units will make their mark in the world," asserted Shri Modi.

Drawing attention to India's expanding shipbuilding, ship-repair, and overhauling ecosystem, backed by an investment of approximately Rs.75,000 crore, the Hon'ble Prime Minister also highlighted the development of a complete MRO ecosystem, encompassing Maintenance, Overhaul, and Repair Facilities, which promises to transform the aviation sector. "A new employment sector is going to open up for India's youth," asserted Shri Modi.

Describing India's rise as a major electronics manufacturer, the Hon'ble Prime Minister pointed to the Production Linked Incentive scheme as the engine driving record electronics production and generating jobs for youth in the millions, with the entire electronics value chain being built domestically. "The PLI scheme is resulting in record electronics production in the country," noted Shri Modi.

Emphasising that both the public and private sectors are jointly channelling large-scale investment into these multiple initiatives, the Hon'ble Prime Minister also called upon the newly appointed government employees to remain mindful of their role in facilitating business and enterprise. "Ease of Doing Business is a great priority for the country," asserted Shri Modi.

Underscoring the foundational role of infrastructure in driving employment generation and inclusive growth, the Hon'ble Prime Minister observed that the true dividend of national progress reaches its full potential only when villages, small towns, and remote regions are integrated into the development fabric. "When

villages and remote areas connect with development, the benefit of the country's progress reaches more people," affirmed Shri Modi.

Cataloguing the breadth of infrastructure built over the past twelve years, spanning railways, highways, airports, logistics, ports, and digital networks, the Hon'ble Prime Minister observed that connectivity has opened new avenues for farmers, small traders, and students alike, with transformation now visibly reshaping even India's villages. "Change is visibly occurring rapidly even in villages," remarked Shri Modi.

Reflecting on the cascading social impact of basic amenities now delivered to crores of Indian households, permanent homes, household toilets, electricity, and tap water under the Jal Jeevan Mission, the Hon'ble Prime Minister noted that these foundational changes extend well beyond convenience. "The impact of these changes is not limited to just conveniences," remarked Shri Modi.

Tracing how rural roads, improved electricity, and digital connectivity have each acted as multipliers for economic activity, easing access to markets, enabling small enterprises to thrive, and bringing villages into new digital systems, the Hon'ble Prime Minister observed that these interconnected improvements have together accelerated India's economy and generated millions of new employment opportunities. "All of this has had a positive impact on employment generation," noted Shri Modi.

Declaring that the opportunities available to India's youth today, across manufacturing, technology, startups, digital services, railways, defence, and space, are unprecedented in the country's history, the Hon'ble Prime Minister reaffirmed the government's commitment to ensuring that the maximum number of young people can seize these opportunities and fully showcase their talent. "The opportunities India's

youth have today to fulfil their dreams were never there before," asserted Shri Modi.

Outlining the government's ongoing investment in skill development, industry-linked education, and future technology, including the modernisation of ITIs, the strengthening of National Skill Training Institutes, and the roll-out of the PM SETU initiative, the Hon'ble Prime Minister stressed the importance of continuous preparation to match the pace of a rapidly evolving economy. "There is continuous emphasis on skill development, industry-linked education, and future technology," asserted Shri Modi.

Celebrating the emergence of a new culture of self-employment and entrepreneurship across the country, the Hon'ble Prime Minister noted that India has become the world's third largest startup ecosystem, with over 2.3 lakh recognised startups, and that this transformation is no longer confined to metropolitan centres. "This change is not limited to just big cities," observed Shri Modi.

Noting with pride that youth from Tier-2 and Tier-3 cities are entering the world of startups and innovation in large numbers, and that this movement has become an important component of the national economy, the Hon'ble Prime Minister highlighted the growing and decisive role of India's women in this entrepreneurial surge. Recognising the financial empowerment of crores of women through the Mudra Yojana and the self-reliance enabled by schemes like PM SVANidhi, Shri Modi observed, "Today, more women than ever before in villages and small towns are launching new ventures entirely on their own."

Pivoting to address the new appointees directly, the Hon'ble Prime Minister reminded them that the true strength of any institution lies in its people, and that the system they are joining is intimately and directly connected to the lives

of crores of citizens. He conveyed that a government job is first and foremost a vehicle for making people's lives easier. "In whichever department you serve, your behavior, empathy, and way of working will be of immense significance," noted Shri Modi.

Affirming the nation's trust in the new appointees, the Hon'ble Prime Minister called upon every young Karmayogi to view their position as a living responsibility, to understand the growing aspirations of India's people and to align their work accordingly. "Now it is your responsibility to strengthen that trust through your work," affirmed Shri Modi.

Urging the new government servants to commit to lifelong learning and continuous adaptation to new technologies, systems, and evolving needs, the Hon'ble Prime Minister commended the iGOT Karmayogi Platform and the Karmayogi Prarambh module as powerful tools to help them understand and discharge their responsibilities with confidence. "I urge you to take maximum advantage of it," affirmed Shri Modi.

Closing with an inspiring call to action, the Hon'ble Prime Minister expressed complete confidence that the youth receiving their appointment letters today carry within them the same spirit and energy with which India's young people are making their mark in every field across the world, and that this spirit must animate their public service. "Viksit Bharat will be built through the efforts of youth who consider their work a means of serving the nation," asserted Shri Modi.

Concluding the address, the Hon'ble Prime Minister reiterated his full confidence that the new appointees will impart fresh momentum to India's development journey, and that through their work and decisions, the resolve of Viksit Bharat will be fulfilled. He extended his warmest best wishes to all the youth receiving appointment letters for the road ahead.

Deptt. of AH&VS launches Mass Deworming prog. in

(Contd. from page 1)

being implemented through all Veterinary Hospitals, Dispensaries and Sub-Centres across South Andaman District. Veterinary Officers and Veterinary Compounders are actively visiting farmers' fields and households to administer deworming treatment and ensure maximum coverage, especially in rural and remote areas. Alongside treatment, awareness is also being created among livestock farmers about the importance of regular deworming for improving animal health, enhancing productivity and building disease resistance.

Till date, a total of 144 cattle and 14 buffaloes have been dewormed under the programme, benefitting 38 livestock farmers in the district. The Department is continuing the campaign in a phased manner to cover more animals in the coming days.

The Directorate of AH&VS has appealed to all livestock farmers to extend full cooperation to the field veterinary staff and avail the benefits of this Mass Deworming Programme for the better health and welfare of their animals. The Department remains committed to strengthening livestock healthcare services and ensuring the well-being of animals across the Andaman & Nicobar Islands, a press release form Deptt. of AH&VS said.

International Day for Biological Diversity.....

(Contd. from page 1)

manner. Adding to the excitement, students participated in an interactive educational game titled "food chain and energy flow", conducted by Shri Chanchal Singha Roy, Science Supervisor, DDE (Science), along with SSCTs of the concerned CRC. The game helped students understand ecological interdependence while reinforcing the importance of protecting natural resources. At the conclusion of the camp, students took a solemn pledge to adopt eco-friendly practices and contribute positively to biodiversity protection through sustainable actions.

The programme was formally inaugurated by Shri Ram Pravesh, Deputy Director of Education (Science) / DDO, School Line. In his address, he emphasized the critical role of biodiversity in maintaining ecological balance and urged students to take responsibility for safeguarding nature through local initiatives. He lauded the spirited participation of the students and also distributed prizes to the winners of the competitions.

Meanwhile, CRC GSSS Girls' also marked the occasion with a series of awareness and educational activities. An essay writing competition on the theme "Importance of Biodiversity for Survival of Human Beings" was conducted for students of Classes IX to XII, alongside a painting competition and an awareness programme on Biological Diversity. Around 25 students actively participated, expressing their concern for the environment and their dedication to sustainable living through creative writing and art.

The observance of the International Day for Biological Diversity across both CRCs successfully instilled awareness among students about the significance of biodiversity, a press release from Shiksh Sadan said.

Global Accessibility Awareness Day.....

Follow-up action in NDPS Case: Anti-Narcotics Police Station cracks interstate drug network; local-based co-accused financier arrested

Sri Vijaya Puram, May 23

Continuing its aggressive crackdown against narcotics trafficking and interstate drug networks, the Anti-Narcotics Police Station achieved another significant breakthrough by arresting a local-based co-accused in connection with Anti-Narcotics Police Station FIR No. 08/2026 dated 17.04.2026 U/s 20(b)(ii)(B)/29 of the NDPS Act, 1985 relating to seizure of 6.330 Kg of illicit ganja.

Earlier, in connection with FIR No. 08/2026 dated 17.04.2026 registered under the relevant provisions of the NDPS Act, 1985, a team of Anti-Narcotics Police Station had successfully intercepted one accused namely R. Murugananthgam, 29 yrs, S/o Shri A. Ramachandran, Pvt. Driver, R/o Near Ganesh Mandir, New Pahargaon, Sri Vijaya Puram, who had arrived at Sri Vijaya Puram from Kolkata on 17.04.2026 by Air India Express flight. Upon checking his luggage, 6.330 Kg of ganja concealed inside his bag was recovered and seized. Thereafter, the accused was arrested under the NDPS Act, 1985 and is presently under Judicial Custody.

During sustained investigation, technical analysis, examination of digital evidence development of inter state linkages, accused S. Stalin David, 34 yrs, S/o Shri S. Satyanarayana, R/o Dolly Gunj, Sri Vijaya Puram, was identified and arrested on 21.05.2026 for allegedly facilitating transportation, local coordination and delivery of contraband ganja from Kolkata to Sri Vijaya Puram, and for distributing the contraband in small quantities to local drug addicts for illegal monetary gain.

Investigation further revealed that the accused was allegedly involved in coordinating inter state transportation of ganja consignments from Kolkata and local distribution in Sri Vijaya Puram through carriers and other associates. Financial transactions connected with the narcotics network are also being examined as part of the ongoing investigation.

The investigation of the case is being carried out by SI Manoj Lal, Anti-Narcotics Police Station, under the close supervision of Inspector K. Binoj, SHO, Anti-Narcotics Police Station. The case was successfully detected and investigated under the supervision of Smt. Suma Madda, DANIPS, Dy.SP (Narcotics) and the overall supervision of Shri Jitendra Kumar Meena, IPS, Deputy Inspector General of Police (CID), A&N Islands, a press release from Dy. Inspector General of Police (CID) said.

LEGAL NOTICE

Under instruction from and on behalf of my clients Smti. Alliamma W/o Late K Perumal, Smti. Subhalakshmi D/o Late K Perumal, Smti. Elamathi D/o Late K Perumal, Smti.Thilakam D/o Late K Perumal, Smti. Amirdham D/o Late K Perumal R/o Sri Vijaya Puram, South Andaman. I hereby serve this following Notice upon Shri Amul Kumar S/o Late V Yacub @ V Jacob R/o Wimberlygunj, South Andaman and Shri John Kanedy S/o Late V Yacub @ V Jacob R/o Lilipur, Haddo, Sri Vijaya Puram on factual backgrounds, which are set out hereunder:- You are the Legal Heirs of Late V Yacub @ V Jacob S/o Late Vellakanni being the Sons and my clients are the Legal Heirs of Late K Perumal S/o Late Kandaswamy being the Wife and Daughters. Late V Yacub @ V Jacob during his life time executed a Sale Agreement in the shape of receipt on 07.09.1978 in favour of my clients Husband / Father for the land bearing Survey No 295 measuring area 340 Sq. Mtrs. situated at Bindraban Village, under Ferrargunj Tehsil, South Andaman for a total consideration of Rs 1,000/-(Rupees One thousand only) and on the same day the entire consideration amount was paid and the same was acknowledged in presence of witnesses and delivered physical possession of the scheduled property to my clients Husband / Father. Your Father had also executed a Power of Attorney in favour of my clients Husband / Father, which was duly registered before the Sub- Registrar on 28.05.1984 and authorised him to improve the property and to construct building. On the basis of a power of attorney had applied before the authorities for No Dues and Non Encumbrances Certificate and thereafter applied for Sale permission before the competent authority but prior to completion of the sale deed your father expired on 04.12.2002. Thereafter my clients Husband / Father approached you all many times for registering the same in his name and on 20.02.2007 my clients Husband / Father also expired. Thereafter my clients approached you all many times and you always assured that once the mutation is done in your favour you will proceed for getting sale permission and subsequently registration will be done in the name of my clients. My clients husband/father and thereafter my clients have always been ready and willing to perform their part of the contract and has repeatedly requested to execute and register the Sale Deed but you always sought time for mutation of the land first in your name. Relying upon your repeated assurances, my client refrained from initiating legal proceedings and continued to remain patient in good faith. On 09.04.2026 when my client was clearing the garden, Shri John Peter came and asked to stop the work and said it is his land and nobody should do anything in the land. After that my clients obtained an ROR wherein it was found that the land has mutated in the name of Shri John Peter on 06.08.2025. Presently you have stopped responding my clients and are avoiding meetings despite repeated visits by my clients, and are deliberately evading execution of the sale deed thereby acting in clear breach of your contractual obligations and your conduct clearly demonstrates mala fide intention and to defeat the lawful rights. My clients have also send the Legal Notice through speed post but the same has deliberately did not receive by you. I, therefore on behalf of my clients Call upon you to execute and register the Sale Deed for the land mentioned above in favour of my clients within 10 (Ten) days from the date of publication of this Notice, failing which I have instructed by my clients to take appropriate legal action Civil/Criminal against you all before the appropriate Court of law and to which you all shall be held responsible for every consequence thereof.
