Schemes brought by NDA govt have ushered in positive changes in lives of people: PM

New Delhi, Jun 24
Prime Minister Shri Narendra Modi today said, schemes brought by NDA government have ushered in positive changes in the lives of people. Shri Modi said, his recent interactions with beneficiaries of different schemes through video conferencing in the past few weeks have been a unique learning experience for him. He was addressing the nation in his Mann Ki Baat programme of All India Radio. Saying that 40 to 50 lakh people participated in this video bridge program, Shri Modi expressed his gratitude towards all for imparting him with new strength.

He pointed out that women in distant villages are providing services ranging from pension to issuance of passport to senior citizens through common service centers. He cited several examples and added that there was not a single corner of the country where people did not have a success story

to share. Shri Modi gave an example where corporate professionals and IT engineers in Bangalore came together and created a 'Samridhi Trust' through which they doubled the income of farmers by successful activation of this trust. The farmers were trained to

unanimous decision in the interest of the nation. He informed that it is a matter of pride that all the decisions taken in the 27 meetings of the GST Council were unanimous despite people from different political ideologies being involved in these meetings. He said, before GST, there

were 17 different types of taxes prevailing in the country, but now only one tax is applicable in the entire country.

He said, earlier, in the case of taxation and allied affairs, there were rampant complaints of Inspector Raj. He stated that in GST, information technology has replaced the inspector and from return to refund is done through online information technology.

He also said, the check post has become extinct after the arrival of the GST scheme and movement of goods has become faster, which not only saves time but also accrues benefits in the area of logistics. He further added, the successful implementation

He said, he will be visiting the Samadhi Sthal of Saint Kabir Das at Maghar in Uttar Pradesh on the 28th of this month.
