## Islands on the move to achieve Hon'ble Prime Minister's vision of Digital India Online services for ease of living launched and many more are coming up

Port Blair, Sept. 25

Andaman and Nicobar Islands that was once lacking good tele-connectivity due to shortage of bandwidth will now witness transformational change through Digital India Mission. It may be recalled that the Hon'ble Prime Minister of India, understanding the problems of the Islanders, had sanctioned Chennai-Andaman and Nicobar Islands Submarine Optical Fibre Cable Project (CANI) costing about Rs.1224 Crores and also was kind enough to lay the foundation stone. The project has been executed on time, despite the challenges of COVID-19 and the Hon'ble Prime Minister dedicated the project to the nation on 10.08.2020 in view of the importance of the project to the Islanders. Islands have now bandwidth at par with mainland paving way for accomplishing the vision of Digital India. There has been tremendous increase in telephone/internet connections in short

period viz. Fibre To The Home (FTTH) increased from 3500 to 5780, Broadband connection increased from 11710 to 12357 and Mobile connection increased from 5.23 lakh to 5.30 lakh. The high-speed bandwidth has improved the quality of video conferencing and the Government of India is now having most of the meetings virtually with Officers of the UT Administration, resulting in saving to Government exchequer and leading to improvement in Governance.

The District Administration of North &

Middle Andaman has started public hearing through video conferencing and thereby the citizen need not visit/travel to District Office for redressal of their grievances. The Pay and Accounts Office (PAO), Port Blair has become online through Public Financial Management System (PFMS) and all the transactions are carried out electronically and payments are released directly to the beneficiaries' bank account. Administration is in the process of shifting all PAOs and DDOs to the online platform so that all employees/beneficiaries of social benefit schemes can get benefit of online platform for the salary, GPF and pension etc. Implementation of e-Governance initiatives will also bring transparency in the Administration.

The Administration has been working towards implementation of Digital platform for improving ease of living. 57 e-services of the Administration and all

noodles, pickles, sauces, squashes etc. In Andaman & Nicobar Islands, there are 154 agro and food based industries registered with Department of Industries. The major crops in the Islands are coconut, arecanut, paddy, pulses, banana, vegetables etc.  
NABARD has conceived a Special Refinance Scheme to encourage banks to lend for micro-food processing activities and create sustainable livelihood and employment opportunities for SHGs, FPOs, Producer Groups, rural youth as well as reverse migrants due to COVID-19 pandemic in the rural areas. The scheme also envisages modernization and enhancing the competitiveness of the existing individual micro enterprises and ensure their transition to formal sector in rural areas.  
Under the scheme, NABARD has decided to extend concessional long term refinance to all eligible bank/FIs at 4% rate of interest to enable banks to accelerate capital formation in micro-food processing enterprises. The refinance will be sanctioned under Automatic Refinance Facility (ARF) which shall enable banks to obtain financial accommodation from NABARD, without going through the detailed pre-sanction procedure formalities. The refinance will give fillip to the recently launched 'PM Scheme for Formalisation of Micro Food Processing Enterprises (PM MFE)' under Aatmanirbhar Bharat Abhiyan by MoFPI, GOI, under which about Rs.25000 crore investment is expected in the sector.  
Persons interested in availing the benefit of concessional credit have been requested to approach their banks for necessary finance, a press release from NABARD said.
