## Now, service voters can receive e-postal ballots

New Delhi, Oct 25

The Centre has amended the Conduct of Elections Rules, 1961 enabling service voters, including armed forces personnel, to cast their vote in elections through e-postal ballot. Under this system a blank postal ballot paper would be transmitted to them electronically. This would cut short the delay experienced in the present system in two-way transmission of ballot paper by the postal services.

An official release said, the technical team of the Election Commission has developed the system to

transmit blank postal ballot electronically to the voter. Voters entitled to postal ballot such as service voters, can download the postal ballot and print the blank postal ballot and after marking his vote in the blank postal ballot, would return the same to the concerned Returning Officer by post as in the present system of postal ballot.

The Commission proposed that all the categories of voters eligible for postal ballot may be allowed to cast their votes through this new system. However, on a pilot basis, the e-postal ballot system has been

introduced for service voters consisting of central para military forces, other forces subject to the provisions of the Army Act, armed forces of a State serving outside that State and those employed under the Central Government in a post outside India.

every educational institution should have access to a play field and basic sports facilities. He said standard guidelines should also be framed and issued for admission under sports quota, relaxation to sports persons from attendance and appearance in examinations.

**2017 FIFA U-17 World Cup to be held from Oct 6-28**

Kolkata, Oct 25  
India will stage the Under-17 football World Cup from October 6 to 28 next year, the sport's world governing body FIFA announced on Tuesday while ratifying Kolkata as the sixth venue for the mega-event after an inspection here. The draw for the event, to be held across six venues in India, will take place on July 7. "We first came here two years ago to see the stadium. The work that has been done has been staggering. I am confident that the stadium will look 30 years younger. I grew up here, watched football here. It gives me immense pleasure to say

Kolkata has been ratified as one of the venue for World Cup matches," Joy Bhattacharya, Project Director — FIFA U-17 World Cup, said. "Massive amount of work has gone into the stadium, impressive improvements since our last inspection in February. Lot of work has been done, hence the ratification. The stadium has the potential to be one of the best in the country and can also compete internationally," Competitions Department Lead, FIFA Delegation Marion Mayer-Vorfelder said. State Sports Minister Aroop Biswas said 75 to 80 per cent

work has been done and the stadium will be complete by January 31. When asked about the chances of Kolkata holding the final, Tournament Director, Javier Ceppi said, "This question keeps coming back and same thing I keep telling you. Before we can announce about final, we have to complete the work fully. We are extremely satisfied." "Monsoon has been severe here so has been summer. We understand the weather constraint after January, we will have an assessment, then we will see whether a final or a key match can be played here," he added.

**India vs New Zealand 2016, 4th ODI: India aim to close out series in Ranchi**

Ranchi, Oct 25  
Rediscovering himself in the twilight of his career, a rejuvenated Mahendra Singh Dhoni would look to continue his form and aim for a series-clinching win when India take on New Zealand in the fourth ODI, here on Wednesday. A batsman, wicketkeeper, and a cool-headed skipper, all rolled into one, Dhoni promoted himself to No.4 in the last ODI in Mohali and set up the seven-wicket win in the company of Virat Kohli to give the hosts a 2-1 lead in the five-match series. Dhoni's 91-ball 80 in Mohali also took him to the club of 9,000 runs. He became the

first to reach there with an average of 50 or more. India's limited-overs captain and the local boy may be seen in his last appearance at the Jharkhand State Cricket Association Stadium Complex here which has hosted three ODIs and one T20I, with India winning all of them except for a rain-marred one-dayer. Dhoni's deputy, Kohli, will also look forward to return to the venue where he has scores of 77\*, and 139\* in his two unconquered ODI innings here. Regarded among the best batsmen of modern era, Kohli once again showed how dangerous he can be after being dropped early in his innings in

Mohali. He came to his own after the reprieve on six and scripted a flawless 154 not out off 134 balls to take India past New Zealand's 285 in the third ODI. It was Kohli's 26th century - 22nd in a winning cause, equalling Sachin Tendulkar - and 14 in successful chases. And come Wednesday, stopping the 27-year-old Delhi batsman would be a first in New Zealand's wish-list. Venue: JSCA International Stadium Complex, Ranchi Date and Time: Wednesday, October 25, 1:30 pm (IST) Weather: Mostly sunny with a high temperature of 29°C

the fibroids should not be removed at the time of caesarean section as the operation is risky but of late the thinking has been changing. It was decided to remove those fibroids.

Team of doctors consisting of doctors from Department of Gynaecology Dr SK Kathpalia, Dr Manju Mehrotra and Dr Bhabani Pegu, under anaesthesia by Dr Anil Kumar N and Dr Sanjay Kumar, performed this difficult and challenging operation of removal of three large fibroids. This difficult surgery was possible because of help from Department of Blood Transfusion headed by Dr Sahil Sehgal and the operation theatre matrons Ms Ashruand, Ms Kala along with other supporting and ancillary staff of the hospital. She recovered well from the surgery.

This is the first time that such a difficult and challenging operation has been performed at GB Pant Hospital, ANIIMS. The lady had to be given three bottles of blood transfusion.
