teachers is not limited to the classroom and the world is at their disposal due to technology. He highlighted that there are many digital and technological initiatives in India today to strengthen universities. He added that such futuristic steps will transform knowledge, skills, and research and development. Prime Minister emphasised that the Central Government has focused on internships and apprenticeships to give youth exposure outside the classroom. He said internship culture should be expanded as apprenticeships will help students to become future-ready. He further stated that his government is encouraging apprenticeships through stipends and by building a conducive environment that will help industries to recognize the best-skilled workforce. He said in this Budget, the government has taken forward the previous years' focus on skilling. He said Pradhan Mantri Kaushal Vikas Yojana 4.0 will Skill, Re-skill and Up-skill lakhs of youth in the coming years. He said in this budget, provisions have been made for stipend for 50 lakh youth from the National Apprenticeship Promotion Scheme.

Pradhan Mantri Kaushal Vikas Yojana 4.0 will skill, reskill and upskill youth including Divyangjan, tribals and women for whom tailor-made programmes will be designed. PM Vishwakarma Kaushal Samman Yojana will empower traditional industries like handicrafts to not only manufacture but also have access to new markets. Shri Modi said today, the world is looking at India as a manufacturing hub and there is enthusiasm in the world regarding investment in India. He said in such a situation, a skilled workforce is very useful. (Source: india.gov.in)

and formulate any permanent solution to implement pig catching and fining for violations and also maintenance of the pig centre available at Brookshabad village. The drainage stagnation was also pointed for which the DC SA directed the Councillor to desilt the drains for free flow of drain water.

The DCSA also visited Ranchi Community settlement at Attam Pahad of Garacharama village locally known as Birsa Nagar and interacted with the residents. The residents raised several grievances like water crisis involving damage and rusting of the existing old pipelines resulting in slow water supply, drinking water getting contaminated in some places due to sewage water intrusion, also the public informed the DCSA that the source of their drinking water is alongside the existing graveyard and requested for getting water supply from hygienic sources and also requested for a water tank in their locality for storage of sufficient water for their locality. In addition to these, the issues of streetlights, damaged footpaths, improper drainage system, bus service of transport, electric poles at sufficient distance and maintenance of electric lines which are overlapping in dangerous position and non collection of garbage from door steps were also raised. The DCSA gave a patient hearing and assured of suitable steps within a time frame and directed Tehsildar, Port Blair to call for a meeting of all line departments for the speedy redressal of the grievances. The DCSA urged the Ranchi community to form suitable Self Help Groups and to take up part time works like bamboo weaving etc during their free time and also to come forward with future plans.

The DCSA further visited Ranchi Community areas at Ranchi Tikrey at Lamba Line. The general public expressed their gratitude for the visit of the DC SA and raised several grievances primarily of a retaining wall that is required for safeguarding the houses. In this regard, the DCSA asked the Councillor of the Ward to submit the requisition along with all details to the appropriate authority. The general public informed the DCSA about improper maintenance of drainage by the Defence. In addition to these, the issues related to renovation of the Community Hall, maintenance of fencing and compound wall of Vivekananda Kendra Nagar Palika Vidyalaya and the Community toilet were also stressed. The DC SA assured to take up the issues in a time bound manner after being put up by the area Councillor and the PBMC authorities.

In addition to the above mentioned issues so raised, the DC SA urged the general public to come forward with their grievances in a systematic manner before the competent authorities. The District Administration is committed for the welfare and overall development of South Andaman District and the District Administration requests the public to come forward with genuine issues related to development of their areas, a press release from DC (SA) said here today.
