North Bay Road connectivity proves its worth, boosting tourism and everyday utility

Seamless road connectivity enhances access, drives visitor footfall and emerges as fitness corridor

Staff Correspondent

Sri Vijaya Puram, Apr. 26

In a major boost to tourism infrastructure in the islands, seamless road connectivity to North Bay is drawing a steady surge of visitors, offering the convenience of reaching the popular destination not only by sea but also by road. The development has opened up new possibilities for tourists, who can now choose between a scenic boat ride or a comfortable drive to one of the most sought-after attractions in the Andaman and Nicobar Islands.

The road connecting Chunna Bhatta (Ram Mandir) to North Bay, constructed by the Andaman Public Works Department (APWD) under the Andaman and Nicobar Administration, spanning 5.495 km was inaugurated on April 30, 2025.

Built as a modern bituminous (BT) road with 27 culverts for efficient drainage, the stretch has been

A seamless road stretch where greenery meets the glistening blue

Standing tall in stripes of red and white, North Bay's beacon of beauty touches the sky

designed with strengthened embankments and layered surfacing to ensure durability and a smooth driving experience. Notably, the road avoids steep gradients, allowing for a comfortable drive of around half an hour, making it particularly appealing to families, elderly visitors and those preferring road travel.

Adding to the charm of the destination is the iconic North Bay Lighthouse, a prominent landmark that continues to captivate visitors with its panoramic views of the surrounding sea. The lighthouse remains a major attraction, drawing tourists for sightseeing and photography. North Bay is renowned for its vibrant coral reefs and crystal-clear waters, making it a prime destination for marine enthusiasts. The area offers a range of activities, including kayaking along the scenic coastline, glass-bottom boat rides for a safe glimpse of corals and marine life, snorkelling to explore shallow reef ecosystems, and scuba diving for deeper underwater adventures. Visitors can also enjoy sea walking, which allows even non-swimmers to experience the fascinating world beneath the sea. Parasailing and semi submarine are also conducted.

TB Mukht Bharat Abhiyaan - 100 Days Intensified Campaign in A&N Islands Campaign focuses on comprehensive and targeted approach to eliminate Tuberculosis

Sri Vijaya Puram, Apr. 26

The Andaman & Nicobar Administration has been actively implementing the TB Mukht Bharat Abhiyaan - 100 Days Intensified Campaign since its launch on 24th March, 2026, in alignment with national guidelines. The campaign was formally inaugurated on the occasion of World TB Day by Dr. Sachin Shinde, Commissioner-cum-Secretary (Health), at the State level, and by the respective Deputy Commissioners at the district level.

The campaign focuses on a comprehensive and

targeted approach to eliminate Tuberculosis (TB), with key objectives including:

- ◆ Early identification of all missing TB cases through proactive screening using chest X-rays and upfront NAAT testing among vulnerable populations and high-risk settings.
- ◆ Reduction in TB-

related deaths through personalized patient care, nutritional support, management of comorbidities, regular follow-up, and TB Death Audits.

◆ Prevention of new TB cases through screening and provision of TB Preventive Treatment (TPT) to eligible high-risk groups such as

household contacts and People Living with HIV (PLHIV).

◆ Promotion of Janbhagidari through a 'Whole-of-Society' and 'Whole-of-Government' approach to raise awareness, reduce stigma, and encourage timely health-seeking behaviour.

◆ Early detection and management of key comorbidities such as diabetes, hypertension, anaemia, undernutrition, and cancer to improve treatment outcomes. The campaign adopts a multi-pronged service delivery strategy: (Contd. on last page)

Archives Department introduces short-term internship programme for graduates in History Initiative aims to provide practical exposure to Archival Management

Sri Vijaya Puram, Apr. 26

The Archives Department has announced the introduction of a short-term internship programme for students who have recently completed a Bachelor of Arts (B.A.) degree in History. This initiative aims to provide practical exposure to Archival Management while simultaneously strengthening the ongoing work of the

Archives through the engagement of trained interns.

The internship programme is designed to:

- ◆ Provide hands-on training in archival practices, including preservation, cataloguing, and digitization of records.
- ◆ Enhance the employability of History graduates by equipping them with practical skills.
- ◆ Support and

augment archival functions through academic assistance from trained interns.

◆ The internship will be for a period of three (03) months. Re-engagement of interns for a further period of three (03) months may be considered based on performance, subject to approval by the Secretary (Archives).

Eligibility and Selection Criteria:

- ◆ Applicants must have completed a B.A.

degree in History from a recognized university.

◆ Only candidates who have completed their degree in the current or immediately preceding two academic years are eligible.

◆ Selection will be made strictly on the basis of academic merit, determined by the aggregate percentage of marks obtained in B.A. (History).

◆ A merit list will be prepared based on (Contd. on last page)

Director (RD, PRIs & ULBs) visits Little Andaman; reviews works & inaugurates Fish Market

Sri Vijaya Puram, Apr. 26

Dr. Apurva Sharma, Director (RD, PRIs & ULBs), visited Little Andaman on 25th-26th April, 2026 and chaired a review meeting at Panchayat Samiti, Little Andaman with PRI representatives, officials, and SHG members.

During the meeting, issues relating to non-availability of quarry materials and white moorum, delays in

execution of works, MGNREGA implementation, and infrastructure constraints were discussed. The

Director directed concerned officials to resolve bottlenecks on priority, ensure timely execution of works, and strengthen

monitoring and coordination. He also interacted with Self Help Groups (SHGs) and emphasized promotion of market-oriented and eco-friendly products, along with improved marketing linkages and tourism-based opportunities.

As part of the visit, the Director conducted field inspections of Solid Waste

Sri Vijaya Puram, Apr. 26

Smt. Sudha Rani Biswas, aged 69 years, a resident of Bachara Pahaar, Chouldari village in South Andaman, has become an inspiring example of determination and self-reliance. Through dedication and smart farming practices, she has turned duck rearing into a sustainable source of income, proving that age is no barrier when passion meets opportunity and departmental support.

Smt. Biswas began on a small scale during the COVID period by

procuring 30 Vigova ducklings from the Central Hatchery of the Department of Animal Husbandry & Veterinary Services (AH&VS). Encouraged by early profits, she expanded her unit by constructing a duck shed and procuring 100 more ducklings. She adopted a practical

strategy, selling male ducks for meat while retaining female ducks for egg production, thus generating income from both sources.

To reduce costs, she innovatively collects waste vegetables from the Chouldari market, boils them, and mixes with rice polish to prepare nutritious feed

for her ducks. With consistent hard work and timely technical guidance from the AH&VS Department, she is now earning a steady income through duck farming.

Her success story highlights how small initiatives, supported by the Department, can transform into reliable livelihoods. Smt. Biswas's journey serves as a powerful motivation for rural women across the islands to take up duck farming for self-employment and economic independence. (Source: Deptt. of AH&VS)

accessibility, North Bay is witnessing increased tourist footfall, with visitors enjoying greater flexibility in planning their trips. Many are now opting to experience both road and sea routes, enriching their overall travel experience. The scenic stretch has also evolved into a vibrant corridor for fitness and recreation. Walkers, runners and cycling enthusiasts are increasingly using the road, especially during early mornings and evenings, taking advantage of the smooth surface and serene surroundings.

Interacting with the DT Correspondent at North Bay, several visitors expressed satisfaction over the newly developed road connectivity. Tourists highlighted that the smooth drive and scenic surroundings added to their overall experience, making the visit more enjoyable. Many visitors were particularly impressed by the iconic lighthouse, perched amid the serene landscape and overlooking crystal-clear waters and vibrant coral reefs. They highlighted its breathtaking panoramic views and tranquil ambience, making it a favourite spot for photography and sightseeing. With convenient access now available by both road and sea, visitors affirmed that the North Bay Lighthouse remains a must-visit attraction, adding charm to their exploration of the islands.

Significantly, the Transport Department is plying buses on the Bamboflat-North Bay route via Chunna Bhatta, further strengthening connectivity for both local residents and tourists. The service is providing a reliable and affordable mode of transport, greatly enhancing accessibility to North Bay while benefiting daily commuters, self-help groups and visitors alike.

The initiative with improved connectivity is not only enhancing visitor experience but also opening up new opportunities for tourism-related activities and local businesses in the surrounding areas. With the added convenience, scenic appeal and multi-purpose usage, North Bay is fast emerging as an even more accessible and dynamic destination, marking a new chapter in the islands' tourism landscape.
