## Hon'ble Lt Governor conferred "On the Spot Commendation" to young Island girl Aksa Abraham

Port Blair, July 1

Today on the occasion of the National Doctor's Day 2021, recognizing her noble act, Ms. Aksa Abraham was awarded with LG's Commendation by Admiral DK Joshi, PVSM, AVSM, YSM, NM, VSM (Retd.), Hon'ble Lt Governor, A&N Islands and Vice Chairman, Islands Development Agency at Raj Niwas for her selfless act.

As the world battles the most challenging scenario in the form of pandemic, yet there are moments that make life worth living and keeps humanity alive. Exhibiting this humanitarian gesture, Ms. Aksa Abraham, D/o Ajai Kumar (Seaman in Directorate of Shipping Services), resident of

Junglight, Port Blair, a student of BA First Year, JNRM voluntarily proceeded to donate blood on an emergency request from a critically ill patient unknown to her, needing her rare AB-ve blood type while forgoing her vaccination slot.

This noble act exhibited by Ms. Aksa is quite inspiring and sets an example to motivate many youths to extend their helping hands in times of need of community.

Shri Kulanand Joshi, Secretary to LG, Shri Ram Niwas Sharma, Secretary (Health), Dr. Avijit Roy, Nodal Officer (COVID) and Dr. Rajeev Ghosh, In-charge (Vaccination) were also present on the occasion.

### MESSAGE

The Department of Environment & Forests, A & N Administration, is celebrating the 72<sup>nd</sup> Van Mahotsava in the monsoon month of July 2021.

Van Mahotsav- the festival of plantation owes its origin to the great visionary Late K.M. Munshi, the then Union Minister for Food & Agriculture who launched the programme in 1950 with the slogan "Tree means water, water means bread and bread is life". The benevolent services rendered by trees and forests in supporting the life on Earth and their contribution in mitigating the ill effects of soil erosion, air pollution, global warming, climate change etc. deserves not only our respect but also our obligation to protect and conserve them for our posterity.

Over the years there has been ever increasing demand for timber, fuel and fodder. To meet such demand there is a need on the part of one and all to grow more trees. The farmers should also grow on some part of their land holdings so that their daily requirement can be easily met. Similarly all Departments/Organizations/Institutions and public should make efforts to take up tree planting on their vacant lands to improve environment around them. Van Mahotsava should not end with the ritual of planting saplings but should also continue with nurturing them till they grow fully.

On this occasion, I would appeal to all inhabitants of these Islands to plant as many trees as possible and ensure their proper protection and maintenance to keep these Islands more green, clean and prosperous.

I am confident that the 72<sup>nd</sup> Van Mahotsava this year shall also be observed in a befitting manner as ever with enthusiastic support of all stake holders.

I extend my whole hearted wishes to all officers, employees and Islanders concerned with conservation of trees & forests for successful "Van Mahotsav".

JAI HIND!

(Admiral D K Joshi)

PVSM, AVSM, YSM, NM, VSM (Retd.)

**Vaccination drive being smoothly conducted in A&N Islands**  
**1,79,963 beneficiaries vaccinated so far in Isles ; 52,105 persons in the age group of 18 to 44 years inoculated**

Port Blair, July 1  
The vaccination drive is continuing smoothly in A&N Islands. As per data available, a total of 1,79,963 beneficiaries have been vaccinated so far in A&N Islands, out of the target beneficiaries of 2,81,603 (approx.). A total of 52,105 eligible people in the age group of 18 to 44 years have been vaccinated till date. A total of 2358 people were vaccinated today in A&N Islands. 1391 Andaman District, 556 beneficiaries were vaccinated in South Andaman District, out of which, 392 were in the age group of 18-44 years. In North & Middle Andaman District, 411 beneficiaries were vaccinated, out of which, 152 were in the age group of 18-44 years.

**Tracking COVID in rural areas through RAT**  
**District Administration conducts RAT test on 102 persons at Beodnabad; all samples found negative**

Port Blair, July 1  
The District Administration, South Andaman has taken various preventive measures following the outbreak of the second wave of COVID. To track the disease in rural areas, the District Administration, is making the Rapid Antigen Test (RAT)- a pillar to track COVID in rural areas thereby making testing easier, faster and accessible to people. More than 100 random RAT tests are being conducted in rural areas on a daily basis. As part of this, the District Administration conducted mobile RAT screening at Beodnabad today. The random test conducted on 102 persons, showed encouraging result as all the samples tested were found negative, a press release from DC (SA) said.

**Seaweed Cultivation - A new initiative...** (Contd. from page 1)

bay of Wandoor, A&N Islands. The project is sanctioned by Ministry of Fisheries, Animal Husbandry and Dairying, Govt. of India under Pradhan Mantri Matsya Sampada Yojana (PMMSY) at a cost of Rs. 82.74 Lakh. The project includes establishment of Seed Bank for multiple species of Seaweed, Identification of suitable sites for commercial farming, EIA studies and imparting training to 200 selected beneficiaries of A&N Islands. The project is implemented by a scientific team led by Dr. M Ganesan, Principal Scientist and Dr. S Tirupati, Technical Officer from the Mandapam camp of CSIR-CSMCR.

Ms. Veditha Reddy, Secretary (Fisheries), A&N Administration visited the seed bank site at Wandoor along with the officials of Department of Fisheries and enquired about the progress of implementation. Dr. M. Ganesan, Principal Investigator of the project explained about various species like Gracilaria, Kappaphycus and Salicornia and commercial applications for which the seed bank will be developed in the identified location at Wandoor. For this purpose, 45 Nos. of bamboo rafts (2.5 mx 2.5m) will be installed initially. The initial seed bank development will be completed by the end of this week and the first harvest can be taken after 45 days of seeding. It was further informed that the approx. cost for fabrication of 01 raft would be Rs. 1500/- and the same raft could be used for taking 06-08 crops over a period of two years.

He further informed that detailed survey and identification of locations at various places in the Islands including North & Middle Andaman District will be taken up shortly and preferably beneficiaries from the nearby localities will be mobilized to promote the activities in cluster mode.

The Secretary (Fisheries) appreciated the efforts made by CSIR-CSMCR for the commencement of the project and discussed about the implementation and marketing strategy to be adopted by the farmers of A&N Islands for promotion of commercial Seaweed farming. She also directed that CSIR-CSMCR may visit potential areas in South Andaman and North & Middle Andaman District to identify potential locations for cultivation so that more beneficiaries could be identified for the activities. She also advised that CSIR-CSMCR may arrange a demonstration session for introducing various products and by-products of Seaweed available in market to motivate the local Fishers of the Islands. The Department of Fisheries was also directed to involve its field functionaries to assist the CSMCR team in the implementation of the project and popularization of commercial cultivation.

The Director of Fisheries, Dr. Utpal Kr. Sar informed that the Govt. of India has emphasized the need to promote Seaweed cultivation in the A&N Islands as an alternative livelihood option for Fisher community and projected a production target of 10,000 MT of Seaweed from the Islands by 2024-2025. To foster this effort, Govt. of India has introduced a sub component under PMMSY where in subsidy (@ 40% for General category and 60% for ST and Women) can be availed for establishing Seaweed rafts at unit cost of Rs.1500/rafts. The individual beneficiaries can avail benefits of 15 such rafts whereas Groups/SHGs/Cooperatives can avail for 500 Nos. of rafts under the scheme. The Director of Fisheries also added that the Seaweed cultivation activity gains its importance as the products extracted from Seaweeds like Agar, Alginates, Carrageenan, Gums, Gels etc. has great demand in the Pharmaceuticals, Cosmetics, Fertilizers, Beverages, Food and Bakery Industries etc. Any stakeholders or Fisher interested in taking up commercial Seaweed cultivation may contact the Zonal Fisheries Offices, South Andaman, N&M Andaman and Nicobars for required assistance, a press release from Directorate of Fisheries said.

**Chief Secretary issues order ...** (Contd. from page 1)

management in accordance with the advisories issued by Ministry of Health & Family Welfare (MoHFW) dated 28<sup>th</sup> June, 2021 shall remain in force upto 31<sup>st</sup> July, 2021 for the whole of Andaman and Nicobar Islands. The Deputy Commissioners and Departments concerned may issue necessary Standard Operating Procedures to implement the orders. (Detailed Orders along with Annexure I & II is published on pg 2 of this issue).

**Hon'ble MP along with...** (Contd. from page 1)

fulfilled. The MP also interacted with the staff and in-patients at BJR Hospital. He congratulated the doctors on Doctor's Day and requested them to continue to work with dedication in serving humanity. Thereafter, the MP held a meeting at the conference hall of DC Office wherein the Deputy Commissioner (Nicobars), Shri Yash Chaudhary briefed about the facilities available in the district for taking care of COVID patients. The MP expressed happiness that 73% of Nicobar population have been vaccinated. Later, the MP and Health team visited Hut Bay and interacted with the PRI members and the general public, a press release from DHS said.

**Media briefed on COVID-19...** (Contd. from page 1)

endangering their own life to save the life of the Islanders during this pandemic. The Secretary mentioned that the vaccination drive is continuing smoothly and till 3 pm today, 298 eligible persons of 18 plus were inoculated in JNRM while the number of beneficiaries vaccinated under 45 plus age group stood at 500 which also includes second dose beneficiaries. He said, the number of beneficiaries who have been inoculated with first dose in the age group of 45 plus in A&N Islands is 1,0,3,997 while the number of 18 plus beneficiaries vaccinated stood at 51,561 till yesterday. He further said that we have almost reached the saturation in vaccinating the 45 plus beneficiaries, however, the Secretary once again requested the left out beneficiaries if any, to come forward and get vaccinated so that the target beneficiaries in this age group are covered. About the vaccination drive, he said, 38.89% population have been vaccinated with first dose of Covishield till yesterday, out of the total population of 4,00,000. He said till yesterday, 1,77,605 persons have been inoculated in Isles, out of which 1,55,558 beneficiaries have completed their first does constituting 55.24%. The second dose has been given to 22,047 beneficiaries the percentage of which stands at 14.17, the Secretary said adding that number of second dose beneficiaries is also pacing up gradually as the vaccine is administered as per the given due date. Sharing data on corona cases in isles, the Secretary said there are 31 corona active cases in South Andaman as on 30.06.21 while there are no cases in North & Middle Andaman and Nicobar District. The number of corona positive patients admitted in the G. B Pant Hospital is presently 4 and all of them are on Oxygen support and none on ventilator. No patient is admitted in the three COVID Care Centres set up in Port Blair while 3 patients are being taken care of at COVID Care Centre, Wimberlygunj. He reiterated that people should follow COVID Appropriate Behaviour and continue to wear mask, use hand sanitizer, maintain social distancing and wash hands regularly.

Dated 29th June, 2021

**ORDER**

Whereas, an Order of even number dated 29th April 2021, was issued to ensure compliance to the containment measures for COVID-19, as conveyed vide Ministry of Health & Family Welfare (MoHFW) DO No. Z.28015/85/2021-DM Cell dated 25th April 2021, which was further extended for a period upto 30.06.2021 vide an Order of even number dated 27.05.2021;

And whereas, considering the need for containment of COVID-19 cases across the country, MoHFW vide DO No. Z.28015/85/2021-DM Cell dated 28th June 2021, has issued an advisory to all States and Union Territories (UTs), for implementing targeted and prompt actions for bringing the pandemic under control;

Whereas, in exercise of the powers under section 6(2)(i) of the Disaster Management Act, 2005, National Disaster Management Authority (NDMA) has directed the undersigned to issue an order, for containment of COVID-19 in the country;

Now therefore, in exercise of the powers, conferred under Section 10(2)(1) of the Disaster Management Act 2005, the undersigned, hereby directs the State/ Union Territory Governments and State/ Union Territory Authorities to consider implementation of targeted and prompt actions for COVID-19 management, as conveyed vide aforesaid MoHFW advisory dated 28.06.2021, as per Annexure-I, until 31.07.2021. States/ UTs, will take the necessary measures, under the relevant provisions of the Disaster Management Act 2005. It is further directed that:

- (i) The National Directives for COVID-19 Management, as specified in Annexure II, shall continue to be strictly followed throughout the country.
- (ii) All the District Magistrates shall strictly enforce the above measures. For the enforcement of social distancing, State/ UT Governments may, as far as possible, use the provisions of Section 144 of the Criminal Procedure Code (CrPC) of 1973.
- (iii) Any person violating these measures will be liable to be proceeded against as per the provisions of Section 51 to 60 of the Disaster Management Act, 2005, besides legal action under Section 188 of the IPC, and other legal provisions as applicable.

Sd/-  
**Union Home Secretary**  
**and, Chairman, National Executive Committee (NEC)**

**ANNEXURE-I**

**Government of India**  
**Department of Health and Family Welfare**  
**Ministry of Health and Family Welfare**  
**D.O No. Z.28015/85/2021-DM Cell**

**28<sup>th</sup> June 2021**

This is in reference to my earlier DO letter of even number dated 25<sup>th</sup> April, 2021 wherein Ministry of Health and Family Welfare had shared with all States/UTs an implementation framework for intensive action and local containment in specific and well defined geographic units, to break and suppress the chain of transmission of SARS COV-2. This was also later reiterated by the Ministry of Home Affairs and orders regarding the same were issued under the DM Act 205 vide letter no. 40-3/2020-DM-I(A) dated 29<sup>th</sup> April 2021.

2. With a rise in COVID 19 trajectory across the country in April and May 2021, many States and UTs have undertaken restrictions and containment measures as per the aforesaid implementation framework. As a result, the trajectory of COVID 19 pandemic in the country is presently showing a steady decline.
3. In view of the declining number of cases being reported many States have initiated the implementation of relaxation measures. In this context it is critical that the lifting of restrictions/providing relaxations be carefully calibrated with continued focus on containment efforts to curb the spread of infection.
4. In order to bring uniformity in implementing graded restriction/relaxation measures for COVID 19, the need for following the framework earlier shared with the States for either imposition of restrictions or allowing relaxations based on the burden of disease and strain on healthcare infrastructure still remain important. Prompt and targeted actions need to be implemented by the States as detailed below:

**A. Guiding Principles**

- Monitoring of cases with districts as administrative units be done on a regular basis. Necessary action for containment and health infrastructure upgradation be done, by further micro analysis based on clusters of cases at the district level
- Case positivity calculated based on total positive cases vis-a-vis samples tested during the week is one of the prime indicators of the spread of infection in a district. Higher case positivity would imply the need for stringent containment and restrictions so as to control the spread of infection
- Similarly, each district needs to analyze bed occupancy oxygen and ICU beds) vis-a-vis the available health infrastructure to ensure that it doesn't get overwhelmed and seamless patient admission and follow up can be done. Higher bed occupancy is an indicator that the district needs to undertake specific measures to upgrade the available beds while focusing on containment activities equally vigorously. It is important to emphasize that a lead time is required to upgrade health infrastructure (a month or more) and hence districts need to plan such upgrades after having duly analyzed the case trajectory on a regular basis.
- In view of the above, for prioritizing districts which need intensive follow up, States may continue to utilize the classification of risk profile of districts as already communicated by Ministry of Health and Family Welfare on 25<sup>th</sup> April 2021.

**Accordingly:**

- i) States/UTs may identify districts which require highest level of restrictions
- ii) Remaining districts may be allowed higher degree of relaxations based on **lower weekly case positivity or a relatively low Bed occupancy (Oxygen and ICU beds) rates.**
- iii) District with **high weekly case positivity or a high Bed occupancy (Oxygen and ICU beds) as detailed above,** would need intensive monitoring and hence State may consider appointing a senior officer from State headquarter as the Nodal Officer for these districts.
- iv) **District Nodal Officer** will work in coordination with District Collector /Municipal Commissioner to identify cluster of new cases and ensure implementation of required containment activities including intensive action in areas reporting higher cases
- v) Restrictions once imposed will remain in force for a minimum period of 14 days
- vi) in remaining areas of the district not under containment action, clearly defined relaxations/restrictions may be provided.

**B. Monitoring mechanism**

o State government may consider monitoring the status of classification parameters on a weekly basis and ensure their wide publicity so as to inform community at large and obtain their support in management of Covid-19 while restrictions are imposed or relaxations are allowed.

o While positivity rates and bed occupancy rates are vital criteria that need to be monitored for selection of high focus districts requiring intensive public health action, States/UTs shall also regularly monitor districts with higher numbers of active cases per million population as it is an important indicator to predict need for upgrading health infrastructure and logistics so as to manage the cases.

**C. Continued focus on 5-fold strategy for effective management of COVID-19**

o COVID-19 is an ongoing challenge and hence it is important that States continue working on five pillars of COVID-19 Management i.e. **"Test-Track-Treat-Vaccinate and adherence to COVID Appropriate Behavior"**.

o Early identification of cases is important for curbing the spread, and for this **adequate testing is crucial.** RT-PCR machines and sufficient kits to ensure required level of testing should accordingly be maintained (both RT-PCR and RAT) in all districts.

o **Tracking and tracing** through active case search by special teams and contact tracing and screening should be undertaken proactively.

o In addition to **following Clinical Management Protocol, States should focus on upgradation of health infrastructure, timely commissioning of PSA Plants in hospitals, adequate planning for availability of medical oxygen, availability of logistics, maintaining buffer stock of drugs and taking up necessary action for creation /redesigning of appropriate COVID dedicated healthcare infrastructure,** especially in peri-urban, rural, and tribal areas.

o There is need for **upskilling/reskilling of human resources** on latest Clinical Management Protocol.

o Furthermore, **effective planning for vaccination focusing on prompt coverage of priority groups and hubs of economic activity should be prioritized.**

o COVID-19 management can succeed only through a whole of government & whole of society approach. Community engagement is critical & **adherence to Covid appropriate behavior** is crucial to guard against any surge in infection. This involves diligent use of masks/face covers, following physical distancing (2 gaz ki doori) and practicing respiratory & hand hygiene.

5. This normative advisory will aid the States/UTs to clearly define their policies and streamline their approaches for implementing graded restrictions/calibrated relaxation for management of Covid-19.

6. States/UTs can also plan additional public health measures as deemed necessary, based on their local context and situational analysis at the field level.

7. I am sure under your able leadership; we will be able to keep the momentum going and build on the progress made so far to bring the pandemic situation under control. Ministry of Health & Family Welfare will continue to provide requisite support to the States/UTs in this ongoing and collective effort.

**Yours sincerely**  
**(Rajesh Bhushan)**  
**Secretary**

**Annexure II**

**NATIONAL DIRECTIVES FOR COVID-19 MANAGEMENT**

1. **Face coverings:** Wearing of face cover is compulsory in public places; in workplaces; and during transport.
  2. **Social distancing:** Individuals must maintain a minimum distance of 6 feet (2 gaz ki doori) in public places. Shops will ensure physical distancing among customers.
  3. **Spitting in public places** will be punishable with fine, as may be prescribed by the State/ UT local authority in accordance with its laws, rules or regulations.
- Additional directives for Work Places**
4. **Work from home (WFH):** As far as possible the practice of WFH should be followed.
  5. **Staggering of work/ business hours** will be followed in offices, work places, shops, markets and industrial & commercial establishments.
  6. **Screening & hygiene:** Provision for thermal scanning, hand wash or sanitizer will be made at all entry points and of hand wash or sanitizer at exit points and common areas.
  7. **Frequent sanitization** of entire workplace, common facilities and all points which come into human contact e.g. door handles etc., will be ensured, including between shifts.
  8. **Social distancing:** All persons in charge of work places will ensure \_adequate distance between workers and other staff.

**A & N ADMINISTRATION  
OFFICE OF THE DEPUTY COMMISSIONER  
NORTH & MIDDLE ANDAMAN  
MAYABUNDER**
