**Brazil ride on Neymar's heroics to beat Mexico, enter quarters**

Samara, July 3  
France had already made a fashion statement at the Samara Arena, turning on the style that would put the runways of Paris to shame. So, Tite's Brazil opted to be clinically efficient and managed a 2-0 victory over Mexico in their World Cup pre-quarterfinal on Monday. Neymar was the fiercest enforcer since his comeback from injury. He broke the deadlock in the second session with a goal that was long due and then set up substitute Firmino to put the issue beyond Mexico. It was hot and humid inside the Samara Arena. Brazilian and Mexican fans ramped up the temperature by several degrees. A who-is-hotter contest was on. The yellow of the Brazilians and the green of the

Mexicans were jostling for space and attention. It was a feast for the eyes, a tremendous visual spectacle difficult to put in words. It's common when two Latin American cultures engage in a non-violent clash on the sporting fields as an expression of life. With the fans enjoying themselves, Brazil left the entertainment card in the dressing-room and decided to go for the pragmatic. Conserving energy, they let Carlos Vela and Hirving Lozano do all the running down the flanks with sweeping moves. But Allison's goal was never under serious threat, as Thiago Silva and Joao Miranda were alive to the raids. The momentum started to tilt towards Brazil in the latter half of the first session as fatigue caught up with the Mexicans.

**International Cricket Council to impose 6 Test or 12 ODI ban for ball tampering**

Dubai, July 3  
The International Cricket Council (ICC) will impose a ban of minimum six Tests or 12 ODIs on ball tampering offenders as it has now been upgraded as a Level 3 offence as per its new code of conduct. The decision was taken at its Annual Conference in Dublin which concluded on Monday. Another significant development is the sanction on number of private T20 leagues that a

player might be allowed to participate so that there is no compromise when it comes to national duty. However the most significant development certainly was tougher sanctions for poor player behaviour. The ball tampering incident involving Steve Smith and David Warner has forced ICC to upgrade it as Level 3 offence which will carry 12 suspension points. The 12 suspension points is equivalent to a ban of 6 Tests or 12 ODIs from the earlier 1 Test and 2 ODIs. The new offence added as Level 1 is the audible obscenity if anything is heard on the stump microphone. Meanwhile ICC wants to reign in on T20 freelancers who are trading national duty in order to play domestic leagues. While ICC didn't clarify how many leagues a player can take part, it is understood to be not more than 3.

mother's wish, the squabbling siblings embark on a strenuous journey through a land in which the Peschmerga are battling IS terrorists.

'Kissing?', a comedy film about Danny and Stella who belong to a generation that has not yet been defined, probably because the events that form its identity are still under way. Achilles visit to Danny's house sparks a discussion about what it means to live in today's reality while giving us an account of Danny's relationship with Stella, from its beginning until now. Using Danny as its key character and through the comic or tragic situations that he finds himself in-or even creates- the film attempts to make a portrait of this generation both with the humour that suits it and with the understanding it deserves.

'Kills on Wheels' is a meaningful action-comedy of a wheelchair-bound assassin gang. Driven by despair and fear of becoming useless, a 20 year-old boy, his friend, and an ex-friend offer their services to the mafia. But things are not what they seem. The boundaries between reality and fiction blur and the story becomes a whirling kaleidoscope showing us gangsters and gunfights, but also the challenge of life in a wheelchair and the pain caused by a father's rejection.
