How waste management play an important role in villages of A&N Islands under SBM-G

Beodnabad village leads by example in waste management & segregation

Generates revenue from waste segregation

Port Blair, July 26

The concept of sanitation and waste management is now one of the basic determinants of the Human Development Index. Over the past several years, it has grown in understanding and perception across the country. Before implementing Swachh Bharat Mission Grameen (SBM-G), open defecation and people did not consider sanitation a matter of concern in the villages of Andaman and Nicobar Islands. Now, villagers are showing interest through community participation in addressing the issues to improve their quality of life.

Beodnabad is a village in Prothrapur Block of South Andaman of Andaman & Nicobar Islands, which was once infamous for open dumping and indoor-outdoor air pollution due to plastic burning at their surroundings, now they treat all the wastes scientifically by proper waste management and making ODF village.

Waste Segregation Cluster and Door to Door Collection

Here's what the village is doing:

Can you imagine a place with no plastic in the form of litter, a village that doesn't have a landfill of waste, a village that generates revenue from waste segregation? One might think it is impossible, but this has become a reality in a village named 'Beodnabad' in Andaman & Nicobar Islands, where villagers practice waste management and segregation. The dry waste is collected door to door daily by the Panchayat workers and transported to mainland for recycling. Villagers have also constructed compost and soak pits in their lands for individual use.

To create awareness and interest in sanitation issues among the community and assist them in utilizing the options provided under various sanitation programs, the GoI also introduced the concept of Information, Education and Communication (IEC) under SBM-G for knowledge dissemination. For ODF village and better waste management, Gram Panchayat Beodnabaad conducted several awareness programmes, training and capacity building for Better Rural Sanitation by Panchayat officials, Asha and Anganwadi workers. IEC activities in Andaman & Nicobar Islands played an important role even during the pandemic (COVID-19) for overall rural sanitation and have been a core component of SBM.

Achievements:

- ☞ Achieved ODF status
- ☞ Construct IHHL and CSC
- ☞ Door to door collection of waste

Better Services to Public

Transport Deptt. launches online Fitness and Renewal of Certificate of Registration

Port Blair, July 26

To bring more transparency and improve ease of doing business, A & N Administration has been continuously taking many proactive initiatives. It has been felt that vehicle owners have to visit the office multiple times to obtain the fitness certificate of their vehicles. In this direction, Transport

Department made the services of 'Fitness of Vehicle and Renewal of Certificate of Registration of Vehicle' online as a part of the ongoing initiatives undertaken by the Transport Department for providing better services to the public.

To stop physical visits to office, these transactions have been made online which was

formally launched by Shri G Sudhakar, Secretary (Transport) in the presence of Dr. Aom Dhole, Director (Transport) today. First slot was booked on behalf of a vehicle owner in the presence of the vehicle owner and related documents were handed over to him.

With the launch of these services, the fee payment, slot booking

RC can be done online by the vehicle owner itself on visiting the urlltts://parivahan.gov.in. After booking the slot as per the convenience of the vehicle owner, the vehicle needs to be taken to the vehicle inspection site for inspection by Motor Vehicle Inspector. The

National Rural Livelihood Mission providing handholding support to rural women

Self Help Groups ensure rural women's prosperity

Port Blair, July 26

National Rural Livelihood Mission (NRLM) scheme is focused on promoting self-employment among the rural unemployed. The basic idea behind this program is to organize the poor into SHG (Self Help Groups) and make them capable of self-employment.

Smt. Bariyo Roy of Rudhra Self Help Group under Diglipur Block, North & Middle Andaman district belongs to a very poor background. She joined the group about 1.5 years ago. She availed loan

from SHG to start some activities to earn some income and help her family. She purchased a sewing machine and started stitching at home. At present, she is earning a sufficient amount to support her husband's sustain her family's

financial needs. But now she desires to open a small shop in the market area from which she can gain new opportunities. For this, she intends to get training as assistance from NRLM to modernize her sewing styles.

She expressed her gratitude towards the Department of Rural Development that she had fulfilled her dreams, and it couldn't have been possible if she was not in an SHG group. NRLM, will provide handholding support to the rural women in all possible ways by enrolling them with the line Departments like RSETI, in order to facilitate their training, improve their capabilities to empower them and strengthen women prosperity, a press release from Secretary (RD) said.

#AmritMahotsav : Quiz on India's Freedom Struggle by Kala Kendra Society

Port Blair, July 26

As part of 75th year of India's Independence (Azadi Ka Amrit Mahotsav), the Kala Kendra-A&N Islands Society for Promotion of Art & Culture under the

Department of Art & Culture, A&N Administration will be organizing a Quiz programme on August 10, 2021. The quiz will be based on India's Freedom Struggle.

The quiz is open for age group 18-24 years, preferably for the students of class XII and Colleges. Interested persons can form a team of three members and participate in the written

preliminary round of Quiz. First five teams with highest scores in the written quiz will be selected to participate in the final round of Quiz on the same day.

Scientists-Farmers' Interaction meet by ICAR-CIARI held at Shoal Bay

Port Blair, July 26 A Scientists-Farmers' interaction meet was held at Shoalbay in the presence of Director, ICAR-CIARI, Dr. E.B. Chakurkar on July 22. It is noteworthy to mention that under Biotech Kisan Hub, a community based mini incubator has been established at Farmer's Field in Shoal Bay. Through regular skill development programmes, the hatching facility is being utilized by the farmers to hatch desi poultry chicks, ducklings and quail chicks.
Dr. Jai Sunder, Pr. Scientist and Hub facilitator briefed about the objective of the Biotech Kisan Hub to improve the livelihood and socio-economic upliftment through rural poultry production and goat farming. Dr. D. Bhattacharya, HoD (I/c), Animal Science Division highlighted the significance of Ranikhet Disease Vaccine and biosecurity measures to be adopted in the rural poultry production. Dr. T. Sujatha, Sr. Scientist and Dr. A.K. De, Scientist, coordinated the whole programme.
During the programme, Smti. Rani Anbumalar, a successful farmer who is Farmer Fellow Ambassador of Biotech Kisan Hub narrated her success story of becoming a role model by supplying rural chicks to the farmers of the locality. She expressed her gratitude to CIARI for providing the required technical support. The Director along with the team visited and inspected the mini incubator facility and also distributed chicks and vegetables seeds to the beneficiaries, a press release from ICAR-CIARI said.

How waste management play...
(Contd. from page 1)
Segregation of waste and composting wet waste and use in individual kitchen gardening
Construction of community and individual compost and soak pits

Centre accredits 236 academies across country under Khelo India Scheme

New Delhi, July 26

The Centre has accredited a total of 236 academies across the country under Khelo India Scheme for the training of the Khelo India Athletes. In a written reply of question in the Rajya Sabha, Minister of Youth Affairs and Sports, Shri Anurag Singh Thakur informed the initiative of Khelo India envisages support to national, regional and state sports academies.

He said, under this scheme, 360 Khelo India Centres (KICs) and

24 Khelo India State Centres of Excellence (KISCES) have been notified. The Minister said, under

the State Level Khelo India Centre Scheme, his Ministry has decided to establish 1,000 Khelo

India Centres across the country.

Replying to another question, Shri Thakur said, the government is taking care of training and competitive exposure to sportspersons preparing for international sports events including Olympics.

He said, help being provided under the Target Olympic Podium Scheme (TOPs) with aim to customized training of medal prospects. (Source:india.gov.in)

Govt. proposes to set up National Research Foundation to strengthen research ecosystem

New Delhi, July 26

Education Minister, Shri Dharmendra Pradhan has said that the Government proposes to set up a National Research Foundation NRF to strengthen the research ecosystem in the country. NRF is being envisaged as an umbrella structure that will improve linkages between Research and Development, academia and industry. In a written reply in the Lok Sabha today, Shri Pradhan said, the total proposed outlay of NRF is 50 thousand crore rupees over a period of five years. He said, one

of the main objectives of NRF is to seed, grow and facilitate research at academic institutions, particularly at universities and colleges, where research capacity is currently in a nascent stage. The Minister said, it will also fund and support high-impact, large-scale, multi-investigator, multi-institution and, in some cases, interdisciplinary or multi-nation projects in collaboration with relevant Ministries, Departments, and other Governmental and non-Governmental entities, especially industry. (Source:india.gov.in)

Govt. of India working towards ensuring environmentally sustainable development

New Delhi, July 26 (PIB)

Kandla SEZ (KASEZ) was awarded IGBC Platinum Rating today. KASEZ is the First Green SEZ to achieve the IGBC Green Cities Platinum Rating for Existing Cities. The plaque was presented to KASEZ team consisting of Shri Satyadeep Mahapatra, Joint Development Commissioner and Shri Chandan Singh, Appraiser in the presence of senior officials of the Department Commerce and DGFT.

The efforts of KASEZ team were applauded especially noting the fact that this was accomplished in Bhuj region where water conservation and afforestation are critical interventions. This was major achievement and is part of

activities envisaged under the commitment of the Government to the Green SEZs Mission as part of celebrations marking India@75 - Azadi ka Amrut Mahotsav. It may be noted that Government of India working towards ensuring environmentally sustainable development through a series of measures and efforts that encompass many Ministries.

IGBC Platinum rating has been awarded for 'Green master planning, policy initiatives and implementation of green infrastructure' by CII's Indian Green Building Council (IGBC). The recognition is set to pave way for all the other SEZs in the country to emulate the green initiative and efforts of Kandla SEZ.

Steps taken by the Government to promote Agriculture Sector through Education

New Delhi, July 26 (PIB)

The Indian Council of Agricultural Research (ICAR) has informed that to promote agriculture sector through Education, 63 State Agricultural Universities, 3 Central Agricultural Universities, 4 Deemed to be Universities and 4 Central Universities with agriculture faculty are working in the country.

ICAR has also informed that in order to promote agricultural education and attract students in agricultural education, various National/International scholarships are provided to students at different levels.

Further, the National Education Policy, 2020 envisions that both capacity and quality of agriculture and allied disciplines must be improved in order to increase agricultural productivity

through better skilled graduates and technicians, innovative research, and market-based extension linked to technologies and practices. The preparation of professionals in agriculture and veterinary sciences through programmes integrated with general education will be increased sharply. The design of agricultural education will shift towards developing professionals with the ability to understand and use local knowledge, traditional knowledge, and emerging technologies while being cognizant of critical issues such as declining land productivity, climate change, food sufficiency for our growing population, etc.

The information was given by the Union Minister of Education, Shri Dharmendra Pradhan in a written reply in the Lok Sabha today.

NSDM envisages to train a minimum of 300 million skilled people by the year 2022

New Delhi, July 26 (PIB)

Ministry of Skill Development and Entrepreneurship has launched the National Skill Development Mission (NSDM) to provide the overall institutional framework to rapidly implement and scale up the skill development efforts across India. NSDM envisages to train a minimum of 300 million skilled people by the year 2022.

Ministry of Skill Development and Entrepreneurship promotes establishment of model and aspirational skill centres known as Pradhan Mantri Kaushal Kendra (PMKK) in every district for imparting skill training throughout the country in Public Private Partnership (PPP) mode. As on 30.06.2021, 812 PMKKs have been allocated across the

country, out of which 721 PMKKs have been established.

Under Pradhan Mantri Kaushal Vikas Yojana (PMKVY), short term training (STT) is being imparted through empanelled Training Centres (TCs) including PMKKs. As on 10.07.2021, 3,415 TCs are operational across the country that includes 721 PMKKs. Targets to TCs are being allocated for approved job roles as per extant guidelines of the scheme and training is being imparted in batch size of maximum 30 candidates.

The information was given by the Union Minister of Skill Development and Entrepreneurship, Shri Dharmendra Pradhan in a written reply in the Lok Sabha today.

Union Minister for Women & Child Development to Launch Nation-Wide 24/7 Helpline for Women Affected by Violence New Helpline Aims to Facilitate Integrated Range of Complaint & Counseling Services for Women Affected by Violence

New Delhi, July 26 (PIB)

The Union Minister for Women and Child Development, Smt Smriti Zubin Irani will be launching a 24/7 helpline number for women affected by violence on July 27, 2021. The aim of the helpline is to provide round the clock emergency and non-emergency complaints and counseling services to women affected by violence by linking them with appropriate authorities such as police, hospitals, District Legal Service Authority, psychological services and providing information about women related government programmes across the country through a single uniform number. The

Helpline is in line with several initiatives taken up by the Ministry of WCD and National Commission for Women giving utmost priority to women's safety.

The new helpline aims to facilitate integrated range of services for women affected with violence under one roof such as help from police, psycho-social counselling and access to One Stop Centres among other services. The helpline will be functional round-the-clock to facilitate help on issues related to violence against women. The helpline will function with a team of trained experts. Any girl or woman aged 18 years and above can seek

help by calling on this Helpline which will be operated from the premises of the National Commission for Women, New Delhi. NCW under its statutory mandate has been looking into complaints under various categories of violence/deprivation of women rights from across the country. These complaints are received in writing or online through its website www.ncw.nic.in. The Commission processes complaints to facilitate in providing adequate and expeditious relief to women ensuring suitable redressal of grievances. In order to strengthen and expand the complaint platform, the

Commission took the initiative to start this Digital Helpline. This helpline service has been developed in collaboration with Digital India Corporation, Ministry of Electronics and Information Technology.

The helpline will be launched by the Union Minister for Women and Child Development, Smt Smriti Zubin Irani in the presence of Madam Chairperson Ms Rekha Sharma, Members of the Commission, Shri Indevvar Pandey, Secretary, Ministry of Women and Development and Shri Abhishek Singh, MD and CEO, Digital India Corporation.

Steps taken by Government to improve learning levels

New Delhi, July 26 (PIB)

Education being in the concurrent list of the Constitution and majority of the schools are under the domain of respective State and UT Governments. The Department has shared a COVID Action Plan with the States and UTs which includes tracking of children and their learning levels. States and UTs have been advised to develop effective home learning program which includes access to grade appropriate textbooks; content identification and curation; content dissemination physically or through various platforms - WhatsApp, Website, TV, Radio; content engagement; assessment of learning and tracking and monitoring.

In order to ensure that education reaches each & every student, a multi-pronged approach has been adopted leveraging technology to reach the students. E-content for all grades in 31 languages, Digital Infrastructure for Knowledge Sharing (DIKSHA), study webs of active-learning for young aspiring minds (SWAYAM), PRAGYATA guidelines on digital education, e-textbooks and e-content on national repository of open educational resources (NROER), online virtual labs (OLABS) for practical's related e-content, activity-based and highly engaging modules for special resources for teachers focusing upon experiential learning and competency-based education, NISHTHA (National Initiative for

School Heads and Teachers for their Holistic Advancement) online for capacity building programme for elementary school teachers and school heads etc. are used by schools, to provide learning facilities. Further virtual learning offers a good substitute to classroom learning in the time of pandemic like COVID-19, but it cannot replace the classroom education. To improve the internet connectivity in rural areas, the CSC e-Governance Services India Ltd (CSC-SPV) of MEITY has been assigned the task of providing Fibre to the Home (FTTH) connectivity to the Government Institutions, including schools.

Where the internet facility is not available, Ministry of Education has taken many initiatives like One Class One Channel of SWAYAM PRABHA to impart education through TV and One DTH channel is being operated specifically for hearing impaired students in sign language. Community Radio Stations, a podcast called Shiksha Vani of CBSE, Textbooks, Workbook, Worksheets supplied to residence of learners, Handbook on 21st Century Skills and community/mohalla classes are being organized. Innovation Funds of Department of School Education & Literacy used to set up mobile school/ virtual studios/ virtual class rooms in schools. Continuous Learning Plan (CLP) for States/UTs have been initiated in all States/UTs. Pre-loaded tablets are also

being provided under Samagra Shiksha in various states and UTs to schools where online classes are difficult.

With a view of addressing the issues related to gaps and/or loss of learning among students, during and after the lockdown, National Council of Education Research & Training (NCERT) has prepared 'Alternative Academic Calendar'. Week-wise plan for grades 1 to 12 has been developed in three languages. It consists of interesting activities and challenges related to topics/themes in the syllabus. It maps the topics/themes with the learning outcomes & facilitates teachers/parents to assess the progress in students' learning in a variety of ways. Also links for e-resources have been provided for those learners who have access to the internet. NCERT has also

developed bridge course for out-of-school children including lots of activities which are helpful for the bridging the learning gaps across classes 1-8 and the States/UTs have been requested to prepare and implement School Readiness Module/Bridge Course in classrooms for initial one or two months for each grade. Once school reopens, the grade related syllabus should be undertaken only after the bridge course is completed, so that students can adjust to the changed school environment and do not feel the stress or left out, especially students who did not have access to alternate means of education.

The information was given by the Union Minister of Education, Shri Dharmendra Pradhan in a written reply in the Lok Sabha today.

Mandatory to clear all dues of MSMEs within stipulated time of 45 days: Centre

New Delhi, July 26

Centre today said in view of COVID pandemic it has made it mandatory to clear all the dues of MSMEs within a stipulated time of 45 days to provide relief to such entities. In reply to a question in the Lok Sabha, Finance Minister, Smti Nirmala Sitharaman said all the dues of MSMEs pending at the Centre are being cleared under this stipulated time frame. On the clearance of GST related issues she said the GST Council has to

take a call on pending GST. The Minister also said to provide further support to ailing small business units, micro and small industries and other unorganized sector entities, the RBI has announced special three year long term repo operations (SLTRO) of 10,000 crore rupees. Finance Minister said the fund will be deployed for fresh lending of upto 10 lakh rupees per borrower and the facility will be available till October 31st this year. (Source:india.gov.in)

District Delegate
Civil Judge Senior Division**

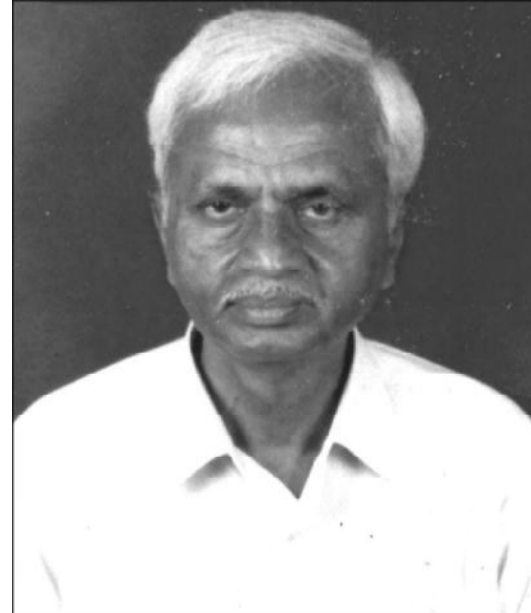

AFFIDAVIT
I, K.JAYAPRAKASH, S/o Late G. Kanagaraj, R/o Indira Nagar village under Campbell Bay Tehsil in the District of Nicobar do hereby solemnly affirm and declare as follows:-
1. That I have been retired as SBE0 from Electricity Department, Campbell Bay Sub Division in June, 2021.
2. That in my service book inadvertently my name has been shortly recorded as JAYA PRAKASH instead of my correct name K. JAYAPRAKASH and my father's name has also been wrongly recorded as KANAK RAJ instead of his correct name G. KANAGARAJ which is recorded in my Aadhaar Card, PAN Card, Savings Bank Pass Book and other documents available with me.
3. That my actual and correct name K. JAYAPRAKASH and my father's correct name G.KANAGARAJ, hence, which is applicable for all official purposes.
4. That the names JAYA PRAKASH, S/o KANAK RAJ and K. JAYAPRAKASH, S/o G. KANAGARAJ belongs to same person and belongs to me and my deceased father.
5. That I am swearing this affidavit for recording my correct name as K. JAYAPRAKASH and my father's correct name S/o G. KANAGARAJ in my service book.
The abovesaid statements are true and correct to the best of my knowledge and belief.
