Hon'ble Lt. Governor highlights transformational infrastructure & strategic initiatives in A&N Islands at USI, New Delhi

New Delhi, Feb. 27

Admiral D. K. Joshi, PVSM, AVSM, YSM, NM, VSM (Retd.), Hon'ble Lt. Governor of Andaman and Nicobar Islands and Vice-Chairman, Islands Development Agency (IDA), delivered a comprehensive address today at the United Service Institution (USI) of India, New Delhi, outlining the transformational journey of the Andaman and Nicobar Islands towards the vision of Viksit Bharat. The address was attended by around 250 members comprising think tanks, media representatives, research fellows and faculty.

During his address, the Hon'ble Lt. Governor highlighted the mega infrastructure and strategic developmental projects being undertaken by the Andaman and Nicobar Administration under the aegis of the Islands Development Agency to strengthen connectivity, maritime capability, energy security and tourism potential of the Islands. He emphasized major improvements in surface connectivity, including the expansion and double-laning of National Highway-4, completion of Azad Hind Fauj Setu and the construction of the Middle Strait Bridge, which are expected to significantly enhance inter-island mobility and reducing travel time to less than half. Strengthening digital infrastructure has also been prioritized, with operationalization of the Chennai-Andaman and Nicobar Islands (CANI) submarine cable project and a proposed optical fibre cable redundancy link between Digha and Diglipur to ensure reliable and uninterrupted connectivity.

In the aviation sector, the Hon'ble Lt. Governor noted the inauguration of the new integrated terminal at Veer Savarkar International Airport and the historic maiden landing of an AirAsia flight from Kuala Lumpur, opening a new Gateway to International Connectivity. He further highlighted incentives such as waivers on Aviation Turbine Fuel (ATF), landing charges and User Development Fees (UDF) to attract more direct overseas flights. Plans are also underway for the development of new greenfield airports at Sri Vijaya Puram and Great Nicobar, along with runway expansions at INS Baaz, Campbell Bay and INS Kohassa, Shibpur, with a focus on dual-use. Infrastructure under the UDAN scheme has been finalized and is expected to be handed over to SpiceJet and SkyHop, while helicopter services are being modernized and seaplane services are proposed to be revived to improve access to major tourism Islands.

Highlighting maritime infrastructure, the Hon'ble Lt. Governor informed that Galathea Bay has been notified as the 13th Major Port of India, to be developed under the Public-Private Partnership (PPP) model along with an International Container Transshipment Terminal (ICTT). He also spoke about the proposed development of the A&N Islands as a ship repair and ship construction hub in the Indo-Pacific region. Projects worth Rs. 82,450 crore related to Great Nicobar Island, including the transshipment terminal, power plant and proposed township in terms of maritime trade, connectivity and security that will prove to be a force multiplier in promoting the geo-strategic and

economic interest of our nation. ICTT Phase-I is targeted to commence operations within three years and will ultimately have a container handling capacity of 20.4 million TEUs.

Hon'ble Lt. Governor also underlined the importance of the Port Meadows project for ship-to-ship transshipment and informed that an agreement has been signed with Matsya Shipping. Significant projects are being steered in mission mode by A&N Administration. A pre-feasibility study has been conducted by IIT Madras for the development of a deep-water port at Atlanta Bay in Diglipur under PPP mode, along with ship repair and yacht marina facilities. He further said, with taking up the agenda before Islands Development Agency multiple times, A&N Administration has been able to free up 63.5% of the 6 lakh sq. kms 'No-Go Zone' for Oil with Andaman Basin having been reported as 'Guyana like potential', which could potentially propel India from a \$4 trillion economy towards a \$20 trillion economy. On the energy front, the Administration is working towards achieving 100 percent de-dieselization through renewable energy initiatives, including ground-mounted and rooftop solar projects for homes & Govt. buildings and a 50 MW LNG-based power plant through NTPC Limited, SMR nuclear study. In addition, proposed HVDC link could potentially feed electricity from Paradeep in Odisha which could fulfil the projected peak demand of 79 MW in FY-30 without over-dependence on Diesel gensets.

The Hon'ble Lt. Governor also apprised about the

potential of amazing Andamans in Tourism, Hospitality sector contributing towards the Hon'ble Prime Minister's vision of Viksit Bharat - with Long Island, Aves Island, Shaheed Dweep & Megapode Resort at Sri Vijaya Puram auctioned at 306-1152% premium above reserve price (Rs. 36.80 Cr annual revenue +5% yearly, 2-3.6% sharing). Development of 11 more islands and the Rangachang project is planned through a transaction advisor. He further noted that Radhanagar Beach at Swaraj Dweep has held Blue Flag certification since 2019, while ten additional beaches are being upgraded to meet Blue Flag standards, with Ramnagar, Karmatang and Raman Bagicha already designated as pilot sites. Cruise tourism has also witnessed significant growth, with the recent visit of Vessel Luminara from Sri Lanka to Phuket making a scheduled halt at Sri Vijaya Puram in December 2025.

The Hon'ble Lt. Governor also informed about the receipt of key green clearance for Great Nicobar's strategic development with respect to planned 4 verticals.

Concluding his address, Hon'ble Lt. Governor expressed confidence that the ongoing and planned initiatives will position the Andaman and Nicobar Islands #NewAndamans projected to emerge as India's significant contributor towards Hon'ble Prime Minister's Independence Day vision for driving Aatmanirbharta, self-reliance, innovation & citizen empowerment, a press release from Lok Niwas said.

Significant boost to Eco-Tourism site at Pilot Blue Flag Beach, Ramnagar

Diglipur, Feb. 27

In a significant step to promote eco-tourism and sustainable coastal development, the Forest Department, Diglipur Division, unveiled a statue of Lord Buddha at the pristine Pilot Blue Flag Beach, Ramnagar today. The statue was unveiled virtually by Dr. A. Anil Kumar, Chief Conservator of Forests (Territorial).

Known for its untouched sun, sea, and sand, Ramnagar's Pilot Blue Flag Beach stands as a symbol of cleanliness, serenity, and eco-friendly tourism. The installation of the Buddha statue adds a spiritual dimension to the beach, reinforcing the message of peace, mindfulness, and

harmonious co-existence with nature. The artwork beautifully depicts local biodiversity, highlighting the importance of ecological balance. The statue has been sculpted and crafted by the renowned sculptor Shri Mahananda Gomasta, a proud son of the soil of Ramnagar village, whose artistic excellence has added cultural significance to the eco-tourism site.

The programme was attended by Dr. S.H.K. Murti, Divisional Forest Officer,

Diglipur Division; Shri Shivendra, ACF (DP); PRI members; officials; and local residents, with over 200 participants present.

Addressing the occasion, Dr. A. Anil Kumar emphasized the relevance of Lord Buddha's teachings in promoting coexistence and environmental responsibility. The event concluded with a vote of thanks by Shri Shivendra, ACF (DP), a press release from Diglipur Forest Division said.

Training prog. on goat milk marketing conducted at Ferrargunj to empower farmers

Sri Vijaya Puram, Feb. 27

The Department of AH&VS conducted a one-day training programme on Feb. 21, at the campus of Disha Foundation, Caddlegunj, Ferrargunj, aimed at creating awareness about the growing market demand for goat milk and its value-added products. The initiative encouraged farmers, particularly in rural areas, to explore goat farming as a sustainable and profitable livelihood option, highlighting its potential to generate additional income through innovative processing and marketing strategies.

The event was graced by the Senior Veterinary Officer (AHTI), Senior Veterinary Officer (Animal Health), and Senior Veterinary Officer, Veterinary Dispensary, Port Mout, who provided expert insights and interacted with

the participants. SVO, AHTI, delivered an insightful lecture on the marketing prospects of goat milk, emphasizing how village women can become self-reliant entrepreneurs by adopting scientific goat farming practices and tapping into the rising demand for goat milk. SVO, AH, explained the supply chain of goat milk, detailing the journey from the farmer's field to processing units and markets, underscoring the importance of quality control and efficient transportation to maximise returns. SVO, VD, Port Mout, highlighted the role of Artificial Insemination in goats for genetic upgradation and improvement of local breeds, enabling farmers to produce higher-yielding animals suited to island conditions.

The session was highly interactive, fostering a two-way exchange of knowledge between experts and farmers, with practical discussions on challenges faced in goat rearing and solutions for market access. A total of 52 farmers actively participated and benefited from the training, expressing enthusiasm for implementing the learned techniques to enhance their farming operations and income potential.

The programme concluded with a vote of thanks delivered by Shri Michael Raj, Officer in charge of Disha Foundation. The programme aims to motivate more rural women and farmers to adopt goat farming as a viable income-generating activity in the region, a press release from Deptt. of AH&VS said.

and other issues in the distribution system. Immediate repairs and maintenance are being carried out by the concern sections to minimize unnecessary water loss.

The campaign also encourages active participation from the public. Residents are requested to regularly check their household plumbing, repair leaking taps and pipes and prevent overflow from overhead water tanks. As part of the campaign, the Council is distributing pamphlets outlining the dos and don'ts of water conservation to create awareness and encourage responsible use of water among the public.

SVPMC further advises citizens to install float valves in overhead tanks to automatically control water flow and avoid overflow, which can save a significant amount of water. The support and cooperation of residents, institutions and commercial establishments are essential for the success of this campaign.

The Council emphasizes that water conservation is a shared responsibility and urges all citizens to actively support the "Stop the Leakage, Save water" Campaign to build a water secure and sustainable Sri Vijaya Puram. All citizens have been requested to inform the Municipal Control Room at 231179 about any water leakage, burst pipelines, overflow, or misuse of water noticed anywhere in the city. For complaints pertaining to rural areas, the public may contact the APWD Water Control Room at 251185 or 18003451666.

Timely information will enable the authorities to take swift action and prevent unnecessary wastage of water. The Control Rooms are functioning 24 x 7 for the convenience of the public, a press release from SVPMC said.
