

Hon'ble Prime Minister Shri Narendra Modi participates in Khelo India Dialogue

Khelo India has become a wonderful platform for nurturing sporting talent across the country: Hon'ble PM

New Delhi, Aug. 27 (PIB)

Hon'ble Prime Minister, Shri Narendra Modi today participated in Khelo India Dialogue via video conference. The Hon'ble Prime Minister warmly congratulated the organizers, Union Cabinet members, Chief Ministers, and lakhs of My Bharat volunteers for orchestrating such a magnificent event. Noting the upcoming National Sports Day on August 29, he extended his advance wishes to the youth and the entire sporting community across the nation. "This day is also to remember a great child of Mother India, Major Dhyhan Chand ji," remarked Shri Modi.

Recalling the historic tour of the Indian Army's hockey team to New Zealand a century ago, the Hon'ble Prime Minister highlighted Major Dhyhan Chand's foundational role in establishing bilateral sports relations. Mentioning his own recent visit to New Zealand where he honored the legend's memory, he emphasized the nation's ongoing commitment to enriching those historic ties. "The foundation of relationships that Major Dhyhan Chand ji laid, today India is continuously working for the prosperity of those relationships," affirmed Shri Modi.

Reflecting on the sports vision he recently unveiled from the Red Fort on Independence Day, the Hon'ble Prime Minister stressed that the value of sports extends far beyond simply winning medals. He described sports as a vital campaign to seamlessly integrate the nation's athletic and youth power toward building a Viksit Bharat. "I have always kept saying, those who play, will blossom," remarked Shri Modi.

Elaborating on the broader definition of success in sports, the Hon'ble Prime Minister explained that athletic achievement fundamentally fosters the blossoming of individual personality, familial pride, and national glory. He noted that a single player's success elevates the prestige of their school,

district, and state, firmly placing local regions on the global map. "Every district has the potential to make its mark on the global sports map. It is with an understanding of this immense potential, we have to take this Samvaad program forward," asserted Shri Modi.

Drawing attention to a significant challenge highlighted during his Independence Day address, the Hon'ble Prime Minister lamented India's historical non-participation in nearly half of all Olympic disciplines. Citing the 2012 Olympics where India competed in merely 13 sports, he emphasized that the nation misses out on a massive portion of the medal tally by ignoring over 20 global sporting events. "To increase our medal tally, we will absolutely have

to achieve mastery in these sports as well," asserted Shri Modi.

Highlighting immense untapped potential, the Hon'ble Prime Minister pointed out that despite possessing vast coastlines and mountainous regions perfectly suited for surfing, sports climbing, and winter sports, India remains globally invisible in these arenas. He called for a highly targeted approach to explore and develop specialized sporting ecosystems within diverse districts across the nation.

Outlining a long-term strategy for the 2036 Olympics, the Hon'ble Prime Minister stressed the urgent need to immediately identify and prepare athletes capable of qualifying across a wide spectrum of sports. He reiterated the launch

of a massive national Talent Hunt targeting children aged 5 to 15, emphasizing that the selection process must prioritize both interest and specific physical fitness for respective disciplines. "Whatever support is needed from the Government for this, the Government will walk shoulder to shoulder with you in it," affirmed Shri Modi.

Reaffirming the Administration's commitment to building a modern, 21st-century sports ecosystem, the Hon'ble Prime Minister detailed the ongoing establishment of specialized sports universities and advanced training centers. He noted that the Government is actively increasing international cooperation to share global best practices in sports science, training, and coaching. "A system is being built in the country where, from identifying talent to taking it to the world stage, support is received at every level," observed Shri Modi.

Underscoring the Government's seriousness toward athletic development, the Hon'ble Prime Minister described the Khelo India Samvaad not merely as a discussion, but as a critical platform

Heavy Goods Vehicles advised to ensure proper securing of containers and heavy cargo

Transport Department directs strict compliance with load-securing norms to ensure road safety

Sri Vijaya Puram, Aug. 27

It has been observed that Heavy Goods Vehicles transporting containers and other heavy cargo including heavy machinery, steel products, pipes, timber and construction materials are operated without ensuring proper securing of the load. Improperly secured containers/cargo may shift, topple or become detached during transit, thereby posing a serious risk to road users, causing damage to public and private property, endangering human life and may also lead to road accidents.

The road network in the Andaman & Nicobar Islands comprises narrow carriageways, steep gradients, winding roads, sharp curves and hilly terrain. These conditions, coupled with frequent rainfall and slippery road surfaces, considerably increase the risk of movement or instability of inadequately secured loads during transportation.

In the interest of road safety and in exercise of the powers conferred under the Motor Vehicles Act, 1988, all owners, operators and drivers of Heavy Goods Vehicles transporting containers

and other heavy cargo are hereby directed to ensure that the containers and cargo are properly secured before commencement of every journey.

The following directions shall be strictly complied with:

- The Heavy Goods Vehicle shall possess a valid Certificate of Fitness and shall be maintained in a safe and roadworthy condition.
- Containers shall be properly positioned on the vehicle and secured using twist-locks. The container securing arrangement shall comply

15th Death Anniversary

In Loving Memory of
Late. RATAN SINGH (Ex-P.E.T.)
On 28th August, 2026

"Dear Papa"*

Dear Papa,

There are still so many things I wish I could tell you,
so many moments when I instinctively

look for you.
I wish heaven had a doorway,
just for daughters who miss their fathers-
so I could walk in for a little while,
sit beside you,
and tell you everything I never got to say.
I still carry your voice in my head,
your lessons in my choices,
and your love in the woman I have become.
For a father's place is not a role that another can simply step into;
a daughter who has lost her father carries that absence deeply, forever.
Time hasn't made me miss you less;
it has only taught me to miss you quietly.
And if heaven lets our paths cross again,
I know I will find you first.
Until then, Papa,
you are not just someone I lost-
you are the part of me that heaven kept.
-Dr.Rathika Singh Rawat
