Hon'ble Lt. Governor reviews water supply situation in Andaman & Nicobar Islands; Directs for time bound measures to ensure water security

Sri Vijaya Puram, Sept. 29

Hon'ble Lt. Governor, Andaman & Nicobar Islands, Dr. Dinesh Sharma reviewed the overall status of water supply in the Islands during a high-level review meeting held at Lok Niwas today. The meeting was attended by the Chief Secretary (Public Works Department), Commissioner-cum-Secretary (Urban Development), Deputy Commissioner of South Andaman and senior officers of APWD and Sri Vijaya Puram Municipal Council. During the meeting, a detailed assessment of the current water availability in Sri Vijaya Puram Municipal Council area, surrounding rural areas of South Andaman and North and Middle Andaman and Nicobar Districts was presented. The assessment included available water resources, potential water scarcity in the coming months and proposed short-term and long-term measures to deal with the situation, along with their implementation timelines.

Hon'ble Lt. Governor directed all the concerned

Departments to ensure strict adherence to the timelines stipulated under the Water Action Plan prepared for addressing the water crisis. He emphasized that all short-term measures should be implemented on priority basis so that adequate water availability is ensured before the onset of summer season. In view of the deficit rainfall during the current monsoon as well as the last north-east monsoon and the depleting water levels in major water sources including the Dhanikhari dam, the Hon'ble Lt. Governor directed the departments to adopt a decentralized and diversified approach for water supply. Emphasis was laid on developing viable new water sources, including ponds, check-weirs and borewells, to augment local water availability.

The Hon'ble Lt. Governor further directed that the remaining work of Rutland Phase-II be completed by December 2026, so that an additional 9.5 MLD of water can be supplied to the Dhanikhari dam and further distributed to the Sri Vijaya Puram Municipal Council. He also directed that water available in Dhankhari dam and other sources be conserved for use in summer months, wherever possible. Water from water-rich sources like Burmanallah, Lal

Mitti and Junjun Nallah can be suitably diverted to water deficit areas through new water supply schemes. Instructions were given to start and complete such schemes on a war footing and to ensure their operation before the onset of summer.

Major water infrastructure projects to be expedited: Hon'ble Lt. Governor directed for strict monitoring of progress of future major water supply projects including Guptapara, Maccapahad, Rutland Phase-III (springs of Eastern region) and Koila Nallah in South Andaman and Korang Nallah and Khudirampur Dam in North and Middle Andaman at administrative level so that the process of preparation of Detailed Project Report (DPR) can be expedited. Instructions were given to expedite the projects for long term water supply whose DPRs are under preparation or have been prepared to send to the concerned Ministry or competent authority for approval and funding so that permanent water sources can be developed at the earliest. The Hon'ble Lt. Governor emphasized that the projections of future water demand should adequately account for the needs arising from population growth and future infrastructure development, including expansion of the tourism sector. In view of the recurring water scarcity in

South Andaman, it was directed that the request for revision of the time-line for preparation of DPR of Guptapara (4,000 ML) and Maccapahad dam (9,000 ML) may be made to the Central Water Commission and the DPR may be completed within 12 months instead of 18 months. For the Rutland Phase-III, which envisages to supply an additional 10 MLD of water by integrating five natural springs in the eastern part of Rutland, the proposal may be submitted by December 2027. Similarly, the Flat Bay water supply scheme, with an estimated capacity of 11,000 ML, may also be finalised and sent to the Ministry for assessment and determination of suitable funding sources.

Rainwater Harvesting and Focus on Sensitive Areas: Hon'ble Lt. Governor directed to intensify efforts for development of ponds and other rainwater harvesting structures, particularly in South Islands, including Kamorta, Chowra and Nancowrie, and in North and Middle Andaman, where frequent water scarcity occurs during summer due to limited storage capacity. A comprehensive action plan will be prepared covering all the affected villages with the objective of eliminating recurring summer water scarcity in these areas.

Citizen-centric water management: The

Hon'ble Lt. Governor directed all the officers to prioritize public grievances related to water supply and complete the ongoing projects on time. He also directed to conduct Information, Education and Communication (IEC) programmes to promote water conservation, recycling and reuse, reduce domestic water demand and encourage the use of harvested rainwater for non-domestic purposes. Officials of Sri Vijaya Puram Municipal Council and APWD were directed that water supply should not be affected in coming months despite the possible impact of deficit rainfall and current climatic conditions. Appropriate distribution arrangements and timely completion of all ongoing water supply works be ensured under short term measures. The Hon'ble Lt. Governor further directed that surprise inspections may be conducted by senior officers at the administrative level to monitor the progress and quality of ongoing water supply works and to ensure timely implementation, a press release from Lok Niwas said.

Hon'ble Lt. Governor reviews road infrastructure projects; Directs expeditious completion of NH-4 works within stipulated timeline

Sri Vijaya Puram, Sept. 29

In continuation of the directions given by the Hon'ble Lt. Governor, Dr. Dinesh Sharma Ji, for improvement of deteriorated roads and construction of new roads in Andaman & Nicobar Islands, the Public Works Department (PWD) today made a presentation on the proposed road construction projects during a meeting held at Lok Niwas.

The Hon'ble Lt. Governor expressed dissatisfaction over the slow progress of work on National Highway-4 (NH-4) and directed the National Highways & Infrastructure Development Corporation Limited (NHIDCL) to expedite the project and complete the work within the stipulated timeline. He also directed that the difficulties faced by the general public due to the poor condition of roads and delays

in execution of works be addressed promptly.

The concerned Department was further directed to ensure regular monitoring of the project and lay special emphasis on completion of the works within the prescribed timeframe, while adhering to transparent tendering procedures and the required quality standards. Strict directions were issued to ensure timely execution and completion of the construction works.

The review meeting was attended by the Chief Secretary, Commissioner-cum-Secretary (PWD), Commissioner-cum-Secretary (Urban Development), Executive Director (NHIDCL), General Manager (NHIDCL), Deputy Commissioner (South Andaman), Secretary to the Lt. Governor, Chief Engineer (APWD) and other officers, a press release from Lok Niwas said.

Neeru Dhanda wins women's trap Gold, powers India to fifth Gold at Asian Games 2026

Aichi-Nagoya, Sept 29

Indian shooter Neeru Dhanda won the women's individual trap gold medal at the Asian Games 2026 on Tuesday, securing India's fifth gold at the Aichi-Nagoya Games after topping both the qualification round and the final. Dhanda, who had earlier helped India win silver in the women's trap team event, held her nerve in rainy conditions to top the eight-shooter final with a score of 26. China's Sun Yunong and Kuwait's Hajar Abdulmalik finished with 21 points each, while Qatar's Ray Bassil was fourth with 16 points. Dhanda made a

strong start to the final, hitting all five targets in the opening series. She missed once in the second series but quickly recovered, producing a strong run in the latter stages. She recorded a perfect third

series to reclaim the lead and followed it with another consistent sequence, reaching 19 hits out of 20 shots after four series. After 25 shots, Dhanda led Sun 23-21, with Hajar also on 21 before being eliminated.

The Indian held her composure in the decisive stage to secure the gold. The victory caps a successful year for Dhanda, who won her maiden ISSF World Cup gold in the women's trap event in Lonato, Italy, in July. The Indian Army Marksmanship Unit shooter, who holds the rank of Naib Subedar, had also won the Asian Championship title before adding the Asian Games gold to her list of achievements. Dhanda had topped the individual qualification alongside Bassil, giving her the advantage in the event of a tie in the final.

Asian Games: Vithya anchors India to 4x400m Gold as women's relay team end track Gold wait

Aichi-Nagoya, Sept 29

Vithya Ramraj produced another memorable finish to her Asian Games campaign as she anchored India to gold in the women's 4x400m relay, powering the quartet to victory in 3:29.69 on Tuesday.

India's quartet of Kiran Pahal, M.R. Poovamma, Prachi and Vithya held their nerve in a tightly contested final to finish ahead of Bahrain, who clocked 3:30.21, while China claimed bronze in 3:31.02.

The gold marked a fitting

conclusion to a remarkable Games for Vithya, who added her third medal of the competition after winning

silver and bronze in her other events. Just a day earlier, she had rewritten the national record in the

women's 400m hurdles, breaking a mark that had stood for decades.

India started the relay in lane six, with Kiran entrusted with the opening leg. The sprinter handed over in third position, leaving Poovamma with the task of closing the gap.

Adhyaksh, ZPSA inaugurates new CC Road at Wandoor

Sri Vijaya Puram, Sept. 29

A newly constructed Cement Concrete (CC) road connecting the village road to the residence of Shri Sanatan Biswas at Wandoor Ward No. 3 was inaugurated by the Adhyaksh, Zilla Parishad South Andaman, Shri P. Ummer, today. The inauguration programme was presided over by the Chief Executive Officer, Zilla Parishad South Andaman, Shri Rajanish Singh, IAS. Shri Prakash Adhikari, Zilla Parishad Member, Guptapara; Shri Bharat Sharma, Panchayat Samiti Member; Shri Uttam Kumar Roy, Up-Pradhan, Gram Panchayat Wandoor; and Smt. Sukhalata Pahan, Ward Member, Wandoor-03, along with other Zilla Parishad members, PRI representatives and local residents, attended the programme.

Speaking on the occasion, the Adhyaksh said that development of

basic infrastructure at the village level is an important component of the Zilla Parishad's efforts towards improving living conditions in rural areas. He stated that proper road connectivity plays a vital role in facilitating the movement of residents and ensuring easier access to schools, healthcare facilities, markets and other essential services. He further highlighted that the Zilla Parishad is giving due importance to addressing the infrastructure requirements of different villages through need-based development works.

The Adhyaksh also

acknowledged the active support and cooperation of the PRI representatives and the local community in the execution of the development work. He reiterated that the Zilla Parishad would continue to undertake works aimed at improving rural connectivity and strengthening essential infrastructure in the Panchayat areas.

The local residents welcomed the completion of the CC road and expressed their appreciation for the initiative, stating that the improved connectivity would be of considerable benefit to the people of the area, a press release from ZPSA said.

Asian Games: Gulveer completes medal hat-trick with 5000m bronze

Aichi-Nagoya, Sept 29

India's Gulveer Singh scripted a slice of history at the Asian Games 2026 as he completed a hat-trick of medals by winning bronze in the men's 5000m final at the Mizuho Park Athletic Stadium, Nagoya, on Tuesday.

Gulveer clocked 13:32.75 to finish third in a closely fought race, adding another medal to the silver medals he had won in the 10,000 m and 1500 m events earlier in the Games. His latest podium finish also

made Gulveer the first Indian athlete in 40 years to win three medals at a single edition of the Asian Games after former athlete and current Indian Olympic Association (IOA) chief P.T. Usha, who won four medals in the 1986 Seoul Asian Games.

Gulveer stayed with the leading pack through the early stages of the 5000 m final and was placed third after the opening 2000 m. He maintained his position as the race entered its decisive phase but

could not challenge for the top two spots.

Directorate of Social Welfare conducts island-wide campaign during 9th Rashtriya Poshan Maah

Sri Vijaya Puram, Sept. 29

The Directorate of Social Welfare, Andaman & Nicobar Administration, is conducting island-wide awareness and community engagement programmes across all 720 Anganwadi Centres (AWCs) in the Union Territory as part of the 9th Rashtriya Poshan Maah, being observed from September 9 to October 8.

Spanning all five ICDS project areas-Urban (Sri Vijaya Puram), Ferrargunj, Rangat, Diglipur and Nicobar-the month-long campaign aims to reach households and communities across the islands, including remote and tribal areas, with a focus on improving awareness and promoting community participation in nutrition and early childhood development.

The campaign is anchored around the national theme "Hamari Anganwadi Hamari Jimmedari" (Our Anganwadi, Our Responsibility), with activities across all 720 AWCs centered on five key pillars viz. Dietary Diversity & Adequate Protein; Fresh Hot Cooked Meals (HCM); Community Ownership & Accountability; Early Childhood Care & Education (ECCE) and Pradhan Mantri Matru

Vandana Yojana (PMMVY).

The 720 Anganwadi Centres serve as frontline platforms for nutrition, early childhood care and maternal and child welfare. Through coordinated activities across South Andaman, North & Middle Andaman and Nicobar districts, the campaign seeks to strengthen access to nutrition education, health and growth monitoring, early childhood care and various Government schemes and services for mothers and children.

Field functionaries, including Mukhya Sevikas and Anganwadi Workers (AWWs), are leading community-level activities such as nutrition rallies, cooking demonstrations, health and growth-monitoring activities, awareness sessions and community outreach programmes in their respective areas.

The Directorate of Social Welfare encourages islanders to actively participate in Poshan Maah activities organized at their nearest Anganwadi Centre and support the collective effort towards improved nutrition, healthy childhood development and maternal well-being, a press release from Directorate of Social Welfare said.

AFFIDAVIT

I, SREYA GANGULY, W/o Shri Sudeep Banerjee, R/o Junglighat Village, Sri Vijaya Puram Tehsil, South Andaman District, do hereby solemnly affirm and declare as follows:

1. That I am a permanent resident of these Islands.

2. That my name has been inadvertently entered as SREYA BANERJEE instead of SREYA GANGULY in my Son's Birth Certificate (SAYAN BANERJEE) issued by the Jalpaiguri Municipality, Govt. of West Bengal, Department of Health & Family Welfare.

3. That my correct name is SREYA GANGULY as appearing in my Aadhaar Card bearing No. 930449722330 as SREYA GANGULY.

4. That I say that my name as SREYA BANERJEE and SREYA GANGULY are one and the same and both the names belong to me Only. Hence this affidavit.

That the statements made from Para 1 to 4 are true to the best of my knowledge and belief.
