Revenue Officials trained in Pollution Response during Regional Level Exercise by Indian Coast Guard

Sri Vijaya Puram, Dec. 30

The Revenue Officials of the District Administration, South Andaman, received specialized training during a one-day Regional Level Pollution Response Exercise conducted by the Indian Coast Guard (ICG). The exercise designed to enhance the preparedness, coordination, emphasized the critical role of Revenue officials in managing marine pollution incidents effectively.

The event took place near the Science Centre and the Jetty area, combining

practical demonstrations and theoretical training to prepare participants for real-world challenges. A key highlight of the initiative was the hands-on training session aboard the Indian Coast Guard Ship (ICGS) Vijit, where Revenue officials were equipped with in-depth knowledge and practical skills to tackle oil spills and mitigate their environmental impact effectively.

The exercise also showcased the deployment of specialized pollution response equipment and logistics in simulated scenarios, offering officials invaluable exposure to real-time emergency management practices. These activities underscored the importance of swift and coordinated actions in minimizing environmental

Commemoration of the Historic First Flag Hoisting in Andaman and Nicobar Islands

Sri Vijaya Puram, Dec. 30

A solemn function was organized today at the Andaman Club to commemorate the historic First Flag Hoisting in the Andaman and Nicobar Islands. This event marks a pivotal moment in India's history when the National Flag was first hoisted on the Islands, symbolizing the spirit of freedom and unity during the country's struggle for independence.

In light of the ongoing national mourning, the function was conducted with great reverence and simplicity. Shri Arjun Sharma, IAS, Deputy

Commissioner, South Andaman led the ceremony by offering floral tributes to honour this momentous occasion. The event witnessed the presence of an august gathering, including officers of the Administration, members of the Freedom Fighters and National Service (FANS) and the general public, all of

whom joined to pay their respects. The ceremony began with a solemn address reflecting on the historical significance of the first Flag Hoisting and the sacrifices made by freedom fighters who contributed to India's independence. The gathering also observed a moment of silence to honor the memory of those who laid down their lives for the nation. The commemoration serves as a poignant reminder of the enduring legacy of the Andaman and Nicobar Islands in India's freedom struggle. It was on these Islands that Netaji Subhas Chandra Bose, during his historic visit in December 1943, declared the Islands as the first Indian Territory liberated from colonial rule and hoisted the tricolor. This annual event continues to inspire patriotism and a sense of collective pride among the citizens and serves as a tribute to the values of freedom and unity that define India as a nation, a press release from DC, SA said.

'Desh Ka Prakriti Parikshan Abhiyaan' campaign being implemented by AYUSH

Citizens appealed to get their 'Prakriti' assessed for healthy living

Sri Vijaya Puram, Dec. 30

A nationwide campaign 'Desh Ka Prakriti Parikshan Abhiyaan' was launched with the aim to assess Prakriti (based on Ayurveda principles) of over one crore citizens of the country through a dedicated mobile applications. Prakriti Parikshan is an Ayurvedic examination to identify a person's natural constitution,

which is a combination of physical, mental and emotional characteristics. Prakriti determine an individual's reaction to

environmental circumstances, lifestyle choices, medications and illness susceptibility, making it one of the earliest

known concepts in preventive and personalized genomic medicine. A person's natural state is referred to as their Prakriti. Every person has a fixed Prakriti that is created by the situation of Tridosha at the time of the union of the sperm and ovum inside the uterus, according to Ayurveda, which categorizes people based on their Prakriti. The increasing

Soil testing - a critical component in agricultural productivity & environmental management

Farmers urged to get soil assessed for issuance of Soil Health Cards under Soil Health & Fertility component of RKVY

Sri Vijaya Puram, Dec. 30

Soil testing is a critical component in agricultural productivity and environmental management. It helps determine the nutrient content, composition, and other characteristics such as the pH level and contamination levels of the soil. This information is essential for farmers and agronomists to make informed

decisions about soil management and crop production.

The Govt. of India mandates recognizing the Government Soil Testing Laboratory through the National Accreditation Board for Testing and Calibration Laboratories (NABL) and aims to uphold the standards of soil testing laboratories, thereby supporting agricultural and environmental

management with high-quality and reliable soil analysis. NABL ensures that the laboratories have infrastructure and processes, so that the test results and reports issued by soil testing laboratories maintain the quality of soil data used for Soil Health Cards. The Soil Testing Laboratory (STL), Goal Ghar, Sri Vijaya Puram under Directorate of Agriculture,

satisfactorily participated in the Proficiency Testing (PT) program conducted by accredited PT provider as per ISO/IEC 17043 and test parameters covered in the last one-year in PT programs were considered for recognition and accordingly, have achieved recognition for Eight parameters from NABL. This was made possible by the

2,361 cadets including 917 girl cadets to participate in NCC Republic Day Camp-2025

New Delhi, Dec. 30 (PIB)
The NCC Republic Day (RD) Camp-2025 commenced at the Cariappa Parade Ground, Delhi Cantt, with Sarva Dharm Pooja today. With the participation of 917 girl cadets, this year's camp will witness the largest number of girl cadets. A total of 2,361 cadets from all 28 States and 08 Union Territories of the country are taking part in a month long camp.

The participation includes 114 cadets from Jammu & Kashmir and Ladakh and 178 cadets from North East Region (NER)

presenting microcosm of "Mini India". In addition, Cadets and Officers from 14 Friendly Foreign Countries (FFCs) will be also participating in the camp as part of Youth Exchange Programme (YEP).

Speaking on the occasion, Lt. Gen Gurbirpal Singh, DGNCC welcomed the cadets by congratulating them on being selected for the most prestigious camp of the NCC. He advised the cadets to display the highest qualities of Character, Integrity, Selfless Service, Comradeship and Teamwork cutting across the barriers of religion, language, caste in spirit of Nation First.

The Republic Day Camp holds the fundamental aim of instilling a profound sense of patriotism, discipline, and leadership qualities among the participating cadets. This annual event serves as a platform to offer cadets valuable opportunities for training, engaging in cultural activities, and participating in social service initiatives, thereby nurturing unity and pride.

damage during such incidents.

The day concluded with a comprehensive briefing on oil spill prevention and preparedness. Experts provided insights into advanced techniques, demonstrated state-of-the-art equipment for oil spill containment and recovery, and emphasized on the marine pollution emergencies.

This joint initiative by the District Administration, South Andaman and Indian Coast Guard underscores its commitment to protecting the marine environment while strengthening inter-agency collaboration. For Revenue officials, the exercise was a pivotal learning experience, reinforcing their capacity as first responders and enhancing their readiness to address emergencies.

Such exercises not only improve operational preparedness but also foster a collective sense of responsibility for preserving the ecological integrity of the region's marine ecosystems. The collaborative efforts of stakeholders ensure that Andaman and Nicobar Islands remain equipped to face environmental challenges effectively, a press release from DC, SA said.

incidence of lifestyle diseases has become a significant public health concern and continues to be the leading cause of death worldwide. Ayurvedic concepts can be used effectively in the prevention and treatment of lifestyle disorders. This approach aligns with modern P5 medicine principles-predictive, preventive, personalised, participatory and precision medicine.

The month long Prakriti Parikshan campaign is being implemented in A & N Islands by the AYUSH Wing of DHS and National Ayush Mission through Medical Officers/Practitioners (Ayush) as Prakriti assessors. Following the assessment, participants will receive on-going Health advice aimed at promoting positive health outcomes. Participants will pledge to adopt a healthier lifestyle and have an opportunity to be part of setting several Guinness World Records, including the largest online photo album of individuals with Prakriti certificates, the most pledges for a health campaign, and the largest video album of participants sharing a campaign message. This campaign is your chance to understand your Prakriti, adopt personalised health practices, and join a nationwide movement for wellness.

People have been appealed to contact the nearest AYUSH Centres situated across the Islands to get their Prakriti (based on Ayurveda principles) assessed. Desh ka Prakriti Parikshan App can be downloaded through following links and QR Code:

Australia registers 184-run victory over India in Melbourne test

Melbourne, Dec. 30
In Border-Gavaskar Trophy Cricket, Australia registered a 184 run victory over India on the fifth and final day of the fourth test in Melbourne. With this loss, India has thin chances for reaching the World Test Championship Final. India bundled out at 155 runs in their second innings while chasing a target of 340 runs. Yashashvi Jaiswal fought a lone battle, scoring 84 runs before a

controversial dismissal. For Australia, Pat Cummins and Scott Boland took three wickets each while Nathan Lyon scalped two. Cummins has been named as the player of the match. He scored 49 runs and clinched 3 wickets in first innings, also hitting 41 runs in the second innings. Earlier, Australia were bundled out for 234 runs after resuming their second innings at the overnight score of 228 for 9 this morning. Indian pacer, Bumrah took a five wicket haul. In the first innings, Australia opted to bat and scored 474 runs supported by Steven Smith's 140. In reply, India managed to score 369 runs shouldered on Nitish Reddy's fighting knock of 114. Australia now leads the 5-match series 2-1. The 5th Test of the Border Gavaskar Trophy, a must-win match for India's WCT Final hopes, will be played in Sydney from the 3rd of January.

Assistant Director (CS&CA)

NOTICE

This is to inform the public in general that my client namely Dr. R. Devdas, S/o Late Raman Pillai, R/o Shadipur, Sri Vijaya Puram, South Andaman District, had entered into a lawful, valid and executable Sale Agreement dated 16th May, 2002 with one Shri Sheik Mukthiyar, S/o Late Mohd Shafique, R/o Shadipur, Sri Vijaya Puram (erstwhile Port Blair), for the purpose of selling the land bearing Survey No. 40/1/6/1 (Old) and corresponding to New Survey No. 2407/1, measuring an area of 240 sq.mt., situated at South Point village of erstwhile Port Blair Tehsil, South Andaman District, in my client's favour. On the same date, a General Power of Attorney was also executed and my client above named was conferred with the powers to develop the aforesaid land and do several other things as indicated in the said General Power of Attorney. My client was handed over with the actual physical possession of the aforementioned land on the same date and he is in the actual physical possession of the said land since past more than 22 years. It is pertinent to mention here that the aforesaid Sale Agreement as well as the General Power of Attorney was duly Notarized before a Notary Public and the same was executed in presence of two attesting witnesses.

Shri Sheik Mukthiyar has received consideration amount in part and over these years, he has been claiming by showing documents that due to certain litigation and injunction orders passed by Hon'ble Civil Court over the same property, the execution & Registration of Sale Deed could not be done and on such pretext, he has been buying time to get the Sale Deed Registered. My client has constantly approached him and expressed his readiness/willingness to pay the balance consideration amount, in terms of the agreement.

It has been brought to the knowledge of my client that recently the litigation has come to an end and accordingly, my client had issued a legal notice to Shri Sheik Mukthiyar, calling upon him to execute and register the Sale Deed within a specified period.

But it appears that Shri Sheik Mukthiyar is not cooperating and not making his intentions clear. It is also learnt through reliable sources that he is contemplating selling or disposing off the said property and trying to create a third party interest.

Hence, the general public is hereby made aware of these aforementioned facts and cautioned not to deal with or enter into any kind of transaction with Shri Sheik Mukthiyar, S/o Late Mohd. Shafique, R/o Shadipur, Sri Vijaya Puram (erstwhile Port Blair), in relation to the aforementioned land bearing Survey No. 40/1/6/1 (Old) and corresponding to New Survey No. 2407/1, measuring an area of 240 sq.mt, situated at South Point village of erstwhile Port Blair Tehsil, South Andaman District, in any manner whatsoever. Anybody entering into any transaction, contract or transfer of the said property in any manner whatsoever in relation to the aforementioned property, would be doing so at their own risk and consequences.
