Committed contribution by ANIIDCO under Corporate Social Responsibility for the Islands

Sets up community kitchen & supplies cooked food packets to COVID-19 patients & on-duty Corona-warriors

Port Blair, July 30

ANIIDCO has played a crucial role in Andaman and Nicobar Islands in its continued fight against COVID-19. Besides door to door provisioning of the basic necessity of milk and milk products throughout the lockdown period and beyond, it has delivered in a major way to the care and management of COVID-19 patients by providing cooked food free of cost. ANIIDCO has catered to the needs of the frontline Corona warriors and has worked for long hours in preparing food in its newly setup Community Kitchen for those on duty during the lockdown phase and beyond.

Corporate Social Responsibility (CSR) expenditure to the tune of Rs. 84 lakhs has been incurred in setting up the Community Kitchen and supplying cooked food packets to COVID-19 patients and on-duty Corona-warriors so far. Over 83,000 food packets have been provided to Health Department and Office of Deputy Commissioner, South

Andaman to cater to the needs. Besides these two major Departments, food supply was also made to Department of Civil Supplies, PBM, APWD, Electricity, Transport and Disaster

Management.

These efforts kept the frontline warriors on a sound footing and helped them to focus on their duties without having to think about leaving duty for having meals at home.

Unlike mainland, where COVID-19 patients are incurring the cost of institutional quarantine, in A & N Islands, ANIIDCO has borne all such expenditure for the COVID-19 patients by

providing free accommodation and food to those quarantined at ANIIDCO operated Megapode Resort and Hornbill Nest Resort.
