## New Education Policy to help armed forces identify youth from rural areas for soldiering: Gen Bipin Rawat

New Delhi, Aug 2  
 Chief of Defence Staff Gen Bipin Rawat has said that New Education Policy (NEP) 2020 will transform the process of learning in the country and will help armed forces to identify youth from rural areas for

soldiering. He said, the multi-entry and exit schemes at the college level will be a welcome change for our youth.

The Chief of Defence Staff said, teaching faculties will have to prepare for this change because they have to lead from the front. The Union Cabinet had on Wednesday, cleared the NEP 2020 proposing multiple changes in school and higher education. (Source: india.gov.in)

## MSME Minister approves unique employment generation programme proposed by KVIC

New Delhi, Aug 2 (PIB)  
 Union Minister for MSME, Shri Nitin Gadkari has approved a unique employment generation program proposed by Khadi and Village Industries Commission (KVIC) to make India Aatmanirbhar in Agarbatti production. The program named as "Khadi Agarbatti Aatmanirbhar Mission" aims at creating employment for unemployed and migrant workers in different parts of the country while increasing domestic Agarbatti production substantially. The proposal was submitted to the Ministry of MSME for approval last month. The pilot project will be launched soon and on full-fledged implementation of the project, thousands of jobs will be created in the

Agarbatti industry. The scheme designed by KVIC on PPP mode is unique in the sense that in a very less investment, it will create sustainable employment and help private Agarbatti manufacturers to scale up Agarbatti production without any capital investment by them. Under the scheme, KVIC will provide Automatic Agarbatti making machines and powder mixing machines to the artisans through the successful private

## Implementation of Pradhan Mantri Jan Vikas Karyakaram scheme Administration gives nod to Infrastructure Development Projects sanctioned under PMJVK for Minority Concentration Blocks in A & N Islands

Construction of PMJVK Anganwadi

Construction of PMJVK Anganwadi

Port Blair, Aug 2  
 Ministry of Minority Affairs, Govt. of India launched the scheme namely Pradhan Mantri Jan Vikas Karyakaram (PMJVK) by restructuring the erstwhile Multi-Sector Development Programme for creation of infrastructure facilities in sectors of Health, Education, Skill Development, Employment and such other projects for improving the socio-economic

condition of Minority Communities living in Minority Concentration Blocks (MCB). The Ministry of Minority Affairs has identified tehsils of Mayabunder, Rangat, Ferrargunj, Car Nicobar and Nancowry as a Minority Concentration Blocks in the UT of Andaman and Nicobar Islands. In this direction, a State-level Committee was also constituted under the Chairmanship of

Chief Secretary, A & N Administration to recommend the projects to be sanctioned under Pradhan Mantri Jan Vikas Karyakaram (PMJVK). Considering the demand and utility, the State Level Committee has recommended and forwarded different projects to the Ministry of Minority Affairs for approval and release of funds. Following the approval from the Ministry of Minority

Affairs, Hon'ble Lieutenant Governor, A & N Islands, and Vice-Chairman, Islands Development Agency has also accorded approval for the construction of New Working Women's Hostel at Mithila Village, Rangat at an estimated cost of Rs.865 lakh. This Working Women's Hostel consists of 25 double occupancy rooms with attached toilet and kitchen, 35 bedded dormitory, office-cum-reception room, kitchen with dining hall, recreation hall, daycare room, common washrooms, parking area, quarters for warden and caretaker with other security arrangements. The land for the same at Mithila village near Rangat town has been set apart by District Administration, North and Middle Andaman. Accordingly, the Ministry of Minority

## Swachh Bharat Mission plays crucial role in ensuring sanitation in India

New Delhi, Aug 2  
 The Swachh Bharat Mission has played a crucial role in ensuring sanitation in the country. The mission has focused on rural and urban areas separately. Since the launch of the mission in 2014, more than ten crore individual toilets have been constructed and as a result, rural areas in all the states have declared themselves Open Defecation

Free (ODF) as on 2nd October, 2019. To ensure that the open defecation free behaviours are sustained, no one is left behind, and that solid and liquid waste management facilities are accessible, the

Affairs has released the first installment amounting Rs.432.67 lakhs and the same has been transferred to APWD, the Construction Agency designated for undertaking the projects under PMJKV for early commencement of work.

Apart from this, various other projects have also been sanctioned under this scheme, which include Expansion of Working Women's Hostel at Car Nicobar at an estimated cost of Rs.265 lakh, Construction of 46 Anganwadi Centres in the Minority Concentration Blocks of this UT at an estimated cost of Rs.1137 lakh and a Sadbhavana Mandap with CSC at Wimberlygunj at an estimated cost of Rs.140 lakh. Further an additional amount of Rs.699.39 lakh as the first installment was also released to APWD for this purpose and APWD has initiated action for commencement of construction of above projects.

The District Administration of concerned Minority Concentration Blocks has already set apart required parcel of land for construction of all the above projects.

MSME Minister approves unique employment ...

(Contd. from page 1)  
Agarbatti manufacturers who will sign the agreement as business partners. KVIC has decided to procure only locally made machines by Indian manufacturers which also aims at encouraging local production.

KVIC will provide 25% subsidy on the cost of the machines and will recover the remaining 75% of the cost from the artisans in easy installments every month. The business partner will provide the raw material to the artisans for making Agarbatti and will pay them wages on job work basis. Cost of artisans' training will be shared between KVIC and the private business partner wherein KVIC will bear 75% of the cost while 25% will be paid by the business partner.

Each automatic Agarbatti making machine makes approximately 80 kg Agarbatti per day which will provide direct employment to 4 persons. One powder mixing machine, to be given on a set on 5 Agarbatti making machines, will provide employment to 2 persons.

The current job work rate for Agarbatti making is Rs 15 per kg. At this rate, 4 artisans working on one Automatic Agarbatti machine will earn minimum Rs 1200 per day by making 80 kg of Agarbatti. Hence every artisan will earn at least Rs 300 per day. Similarly, on powder mixing machine, each artisan will get a fixed amount of Rs 250 per day. As per the scheme, the wages to the artisans will be provided by the business partners on weekly basis directly in their accounts through DBT only. Supply of raw material to the artisans, logistics, quality control and marketing of the final product will be the sole responsibility of the business partner. After recovery of the 75% cost, the ownership of the machines will automatically be transferred to the artisans.

People of all ages can be infected with the coronavirus(nCoV-19) hence everyone should maintain hygiene and social distancing by not going out of house unnecessarily, not undertaking non-essential travel and keeping away from people who are sick

Elderly people and people with pre-existing medical conditions (such as asthma, diabetes, heart disease) are more vulnerable to the virus infection. So to reduce their risk of getting sick, they should -

- Stay at home.
- Wash their hands often.
- Take everyday precautions to keep space between themselves and others (stay 6 feet away, which is about two arms lengths) - especially keep away from people who are sick.

**1** During pregnancy, your immune system isn't as quick to respond to illnesses. This may increase your risk of getting sick with viruses, like **COVID-19**.

**2** Spread of **COVID-19** occurs mainly when a person infected with the virus coughs or sneezes. To protect yourself from the virus, take these steps:

- Wash your hands regularly with soap and water
- Limit or avoid contact with people who are sick
- Clean and disinfect objects you touch regularly
- Try not to touch your eyes, nose or mouth

**3** If you have any of these symptoms, call your health care provider right away:

- Fever
- Cough
- Shortness of breath
