## Govt. blocks 118 Mobile Apps which are prejudicial to Sovereignty & Integrity of India

New Delhi, Sept. 2

The Ministry of Electronics and Information Technology, Government of India invoking its power under section 69A of the Information Technology Act read with the relevant provisions of the Information Technology (Procedure and Safeguards for Blocking of Access of Information by Public) Rules 2009 and in view of the emergent nature of threats has decided to block 118 mobile apps since in view of information available they are engaged in

activities which is prejudicial to sovereignty and integrity of India, defence of India, security of state and public order.

The Ministry of

Electronics and Information Technology has received many complaints from various sources including several reports about misuse of

some mobile apps available on Android and iOS platforms for stealing and surreptitiously transmitting users' data in an unauthorized manner to

servers which have locations outside India. The compilation of these data, it's mining and profiling by elements hostile to national security and defence of India, which ultimately impinges upon the sovereignty and integrity of India, is a matter of very deep and immediate concern which requires emergency measures.

The Indian Cyber Crime Coordination Centre, Ministry of Home Affairs has also sent an exhaustive recommendation for

## Zero tolerance towards encroachment

### Eight new temporary structures from Govt. Revenue land under South Andaman district removed

Port Blair, Sept. 2

In its continuous effort to curb down the menace of encroachment over Govt. Revenue land and as a part of zero tolerance towards the same, eviction drives were conducted by the concerned Tehsildars under South Andaman District.

During the drive, three new temporary structures from Govt. Revenue land at Garacharma (Attam Pahad) under Port Blair Tehsil were removed thereby restoring an area of 700 Sq. mtrs. of Govt.

land. Further, 5 fresh encroachments (4 at Hut Bay & 1 at R.K. Pur) under Little Andaman Tehsil were also removed, thereby restoring an area of 0.380 hec. of Government land.

Meanwhile, the general public have been once again cautioned to refrain from encroaching Govt. land. In case of any of fresh encroachments, the general public can inform the District Control Room at 03192-240127/1070, a press release from Sub Divisional Officer, South Andaman said.

## Solid Waste Management by PBMC

### Initiates 100% door-to-door waste collection in all 24 Wards, promotes compost from bio-degradable waste & usage of plastic waste in road construction

#### 16 Water ATMs installed in city to reduce usage of plastic

Port Blair, Sept. 2

Port Blair Municipal Council (PBMC), the lone Council caters to 100% urban population of A & N Islands by providing basic civic amenities i.e. drinking water including its distribution network, solid waste management including door-to-door collection/ segregation/ transportation etc., construction and maintenance of roads/footpaths/retaining walls and implementation of major flagship programmes of Government of India. The prime motto of Port Blair Municipal Council is to keep the city spic & span by efficient way of collecting and disposing the garbage generated at domestic and commercial level as per rules laid down in the SWM Rules 2016 and PBMC Solid Waste

(Handling & Management) Bye- Laws 2017.

Single use plastic has been banned in Port Blair City. As part of plastic waste management measure, PBMC has installed 16 Water ATMs to reduce the usage of plastic packaged drinking water bottles. PBMC is utilizing the plastic waste in road construction and made it mandatory for using 8-10% of plastic waste not only to increase road durability, but also eliminate plastic footprint from these serene & pristine Islands. So far, around 16 MT of waste plastic has been used for construction of 25KM of roads, within the jurisdiction of PBMC.

PBMC through its continuous efforts has achieved 100% door-to-door waste collection from all 24 Wards of PBMC. The collected segregated waste is then transported to various decentralize Solid Liquid Resource Centers (SLRMC) situated across 24 Wards from where it is further segregated and transported to 6 different locations viz. Gandhi Park, Brookshabad, Anarkali, Junglighat, School line, Dollygunj for its further processing/baling & transportation to mainland through authorized vendors. As per provisions for Solid

Waste Management Rules, 2016, recycling of waste is carried out by PBMC. As part of this initiative, as on date, 225 MT of plastic waste, 172 MT cardboard waste & 67 MT of glass wastes have been transported by PBMC to the mainland for onward processing.

It is pertinent to mention that due to source segregation efforts, PBMC has successfully closed the existing dumping yard and stopped smoke emission.

Further, in order to promote compost from bio-degradable waste generated in the town, the PBMC has been relentlessly collecting the cattle dung, egg shells from fast food shops, lemons from street vendors and thereafter transform it into manures/other products. PBMC utilizes these manures for maintaining the green patches/public parks and also make available to the general public through the counter set-up at Gandhi Park, on payment basis. Visitors approaching the counters are also motivated to transform their household waste into compost.

Athletes from 20 new disciplines will now be eligible for Govt. jobs under sports quota

Addition of new disciplines will help create a positive environment for overall development of sports: Sports Minister

New Delhi, Sept. 2 (PIB)

The Department of Personnel and Training (DoPT), Government of India, has accepted the proposal of the Department of Sports to grant benefit of the sports quota to athletes of 20 new disciplines yesterday. The list of sports which qualify for appointment of meritorious sportspersons in Central Government offices has now thus been revised from 43 to 63, and includes indigenous and traditional sports like Mallakhamb, Tug-of-War, Roll Ball.

Speaking about the decision, Union Minister of Youth Affairs and Sports, Shri. Kiren Rijiju said, "To ensure the overall welfare of our athletes is of primary importance for the Government, and the proposal to include more sporting disciplines in the DoPT list is a step in that direction.

It will be beneficial not only to boost the morale of the sports persons who are performing at National and International events but will also help to create a positive environment for overall development of sports in the country".

Earlier, athletes of 43 disciplines were eligible under the sports quota for jobs in the Government of India and in various Ministries. The Ministry of Youth Affairs and Sports took up the matter with the Department of Personnel and Training for revision of the list of sports, which was last revised in October, 2013. It has been reviewed and now

20 more disciplines, including indigenous and traditional sports, have been added. Meritorious athletes who have performed well in international events such as the Asian Games, Olympics, and other championships in these newly added disciplines will now be benefitted under the sports quota.

The revised list, issued by the DoPT, has included 20 new disciplines: Baseball, Body Building (was included as part of Gymnastics previously), Cycling Polo, Deaf Sports, Fencing, Kudo, Mallakhamb, Motorsports, Net Ball, Para Sports (disciplines included in Paralympics and Para Asian Games), Pencak Silat, Roll Ball, Rugby, Sepak Takraw, Soft Tennis, Shooting Ball, Tenpin Bowling, Triathlon, Tug-of-war and Wushu.

blocking these malicious apps. Likewise, there have been similar bipartisan concerns, flagged by various public representatives, both outside and inside the Parliament of India. There has been a strong chorus in the public space to take strict action against Apps that harm India's sovereignty as well as the privacy of our citizens.

On the basis of these and upon receiving of recent credible inputs that information posted, permissions sought, functionality embedded as well as data harvesting practices of above stated Apps raise serious concerns that these Apps collect and share data in surreptitious manner and compromise personal data and information of users that can have a severe threat to security of the State.

In the interest of sovereignty and integrity of India, defence of India and security of the State. And using the sovereign powers, the Government of India has decided to block the usage of certain Apps, used in both mobile and non-mobile Internet enabled devices.

This move will safeguard the interests of crores of Indian mobile and internet users. This decision is a targeted move to ensure safety, security and sovereignty of Indian cyberspace.

Central Crime Station destroys 600 liters of fermented wash & bhatti apparatus from Ferrargunj

Port Blair, Sept. 2 for an hour, they recovered four iron drums containing 600 liters of Fermented wash (Lehan), two iron tins, and other bootlegging, illegal and bhatti articles used for making desi liquor.

Accordingly, the team conducted a search for accused persons in the jungle of Hazaribagh but could not find anyone. The recovered Fermented wash (Lehan) and other bhatti articles were destroyed on the spot under camera. Preparation of such alcoholic beverage under uncontrolled bootleggers in environment is illegal and can be highly toxic, a press release from SP (CID) said.

After persistent efforts and developing specific information, the staff of PS Central Crime Station carried out a jungle search operation against bootleggers in Hazaribagh, Ferrargunj jungle. After searching
