PM addresses Foundation Day of Rajiv Gandhi University of Health Sciences

Announces four pillared strategy for boosting Medical Care in the country

New Delhi, June 1 (PIB)

Prime Minister, Shri Narendra Modi today addressed the 25th Foundation Day of the Rajiv Gandhi University of Health Sciences at Bengaluru via video conferencing. He said the World is facing one of the biggest crisis since the two World Wars. Like the world changed pre and post-World Wars, the same way the pre and post Covid world will be different, he said.

The Prime Minister said at the root of India's brave fight against Covid-19 is the hard-work of the medical community and our Corona warriors.

He likened the doctors and medical workers as soldiers but without the soldiers' uniform. Prime Minister said the virus may be invisible enemy but our corona warriors are invincible and in the battle against the invisible vs our medical workers are sure to win. He expressed concern at violent incidents, owing to mob mentality, against the front-line workers and said several steps have been taken by the Government to curb them. He said that the Government also provided an insurance cover of Rs. 50 Lakhs to those on the front-line.

Prime Minister called for a focus on

human centric aspects of development instead of debates on economic issues in the era of globalisation. He said, advancements

PM chairs first Cabinet Meeting of second year in office

Historic decisions for MSME sector, street vendors and farmers taken

MSME definition revised for the first time after 14 years

New Delhi, June 1 (PIB)

The Union Cabinet, chaired by Prime Minister, Shri Narendra Modi met today. This was the first meeting of the Union Cabinet after the Central Government entered into its second year in office. During the meeting, historic decisions were taken that will have a transformative impact on the lives of India's hard working farmers, MSME

sector and those working as street vendors.

Helping hand to MSMEs:

Micro, small and Medium Enterprises popularly called as MSMEs are the

backbone of Indian economy. Silently operating in different areas across the country, more than 6 crore MSMEs have a crucial role to play in building a Nation. That is why stronger and self-

reliant India. In the aftermath of COVID-19 pandemic, PM Shri Narendra Modi was quick to recognise the role of MSMEs in building the Nation. That is why

Initiative under Pradhan Mantri Jan Vikas Karyakram (PMJVK)

Lt Governor clears proposal for construction of Working Women's Hostel at Mithila Village at Rangat

Port Blair, June 1

To cater to the long standing demand of working women for safe and affordable accommodation in Middle Andaman, Admiral D K Joshi, PVSM, AVSM, YSM, NM, VSM (Retd.), Hon'ble Lt. Governor, A&N Islands and Vice-Chairman, Islands Development Agency, has cleared the proposal for construction of a Working Women's Hostel at Mithila Village at Rangat.

Land for this project has been set apart by the District Administration and the 1st installment of Rs.432.67 lakh has been received from Ministry of Minority Affairs, Govt. of India under the Pradhan Mantri Jan Vikas Karyakram (PMJVK).

To be built at a total cost of Rs.865 lakh, the Working Women's Hostel will have total capacity to accommodate 85

working women. The Hostel would consist of 25 double occupancy rooms with attached washroom and kitchen, a 35 bedded dormitory, an office-cum-reception room, kitchen with dining hall, recreation hall, day care room, common wash rooms, parking area, quarters for warden and care taker and security arrangements. Pradhan Mantri Jan Vikas Karyakram

(PMJVK) is a scheme of Ministry of Minority Affairs for creation of infrastructure facilities in sectors of Health, Education, Skill Development, Employment and such other projects for improving the socio-economic condition of minority communities living in the Minority Concentration Blocks (MCB). The Ministry of Pradhan Mantri Jan Vikas Karyakram

is a Mayabunder, Rangat, Ferrargunj, Car Nicobar and Nancowry as Minority Concentration Blocks in this UT. A State level Committee has been constituted under the chairmanship of Chief Secretary, Andaman & Nicobar Administration to recommend the projects to be sanctioned under Pradhan Mantri Jan Vikas Karyakram

Improved variety of seeds for farmers

Agriculture Deptt. procures 10,000 kg of seed paddy; distributes to sub-depots in all three districts

1000 kg of vegetable seeds & organic manure also procured

Port Blair, June 1

The Department of Agriculture, A&N Administration has provisioned for the availability of improved variety of seed paddy and vegetable seeds for the use by the farmers of Andaman and Nicobar Islands. COVID-19 related lockdown has adversely affected the economic activities. To minimize the impact on the farmers special efforts were put in to ensure timely availability of improved variety of seed paddy & vegetable seeds so that the same are available to the farmers through the department sub-depot besides some private retailers.

Over 10,000 kg of seed paddy has been procured and

MV Nicobar arrives from Chennai ... (Contd. from page 1)

Kolkata and also from Vizag. The details of these sailings are as follows:

Sl No	Route	Name of Vessel	Date of departure & time	Date of Arrival
a)	Port Blair - Kolkata	MV Nicobar	05.06.2020 at 1100 Hrs	09/10.06.2020
b)	Kolkata - Port Blair	MV Swaraj Dweep	08.06.2020 at 1400 Hrs	12.06.2020
c)	Vizag - Port Blair	MV Nancowry	05.06.2020 at 1400 Hrs	08/09.06.2020

The A&N Administration is in constant touch with the concerned officials of West Bengal and Andhra Pradesh Governments to ensure smooth intra/inter state movement of the passengers from their present locations to Kolkata and Vizag Ports respectively. Further the staff of DSS /SCI present at Kolkata and Vizag have also been directed to finalise all administrative requirements in consultation with the respective Port and Health Authorities to ensure that the intended passengers do not face any difficulties.

Due to the ongoing restrictions and requirements to comply with the norms of social distancing, the ships of the Directorate of Shipping Services will be able to carry only 50 % of their capacity i.e 600 passengers each. The ticketing will be on first come first serve basis. Further, the protocol as suggested by the MHA will be strictly enforced for screening and transportation of passengers. All incoming/outgoing passengers would also require to undergo mandatory quarantine as per protocol/ Directives of the respective State Governments in this regard. All personnel will be required to pay for the travel/ ship ticket as per promulgated rates.

Passengers travelling from Port Blair may purchase their tickets from DSS / STARS Counters/CSC's as convenient. Ticketing from Kolkata and Vishakapatnam will be done on the jetty prior to departure of the vessels. Further details, if any, will be elaborated by the DSS through Seva Suchanayein. For any queries contact DSS Helpline No. 03192-245555, 232714 between 0900 Hrs to 1700 Hrs on all working days, a press release from Directorate of Shipping Services said.

Stop Global Warming
Protect future generations from the harmful effects of global warming by reducing emissions from power plants, cars, factories and other sources
You too can help!!

PM chairs first Cabinet Meeting.. (Contd. from page 01)

MSMEs formed a very prominent part of the announcements made under the Atmanirbhar Bharat Abhiyaan.

Under this package, the MSME sector has not only been given substantial allocation but has also been accorded priority in implementation of the measures to revive the economy. Implementation relating to several of the key announcements have been made already.

Today, Government of India has laid down the road map for effective implementation of other announcements under the Atmanirbhar Bharat Package too. These include:

- ◆ Upward revision of MSME Definition. This is yet another step towards ease of doing business. This will help in attracting investments and creating more jobs in the MSME sector;
- ◆ Proposal for provisioning of Rs 20,000 crore as subordinate debt to provide equity support to the stressed MSMEs has been formally approved by the cabinet today. This will benefit 2 lakh stressed MSMEs.
- ◆ Proposal for equity infusion of Rs. 50,000 crores for MSMEs through fund of funds has also been approved by the Cabinet today. This will establish a framework to help MSMEs in managing the debt-equity ratio and in their capacity augmentation. This will also provide an opportunity to get listed in stock exchanges.

Further upward revision of MSME definition:

The Government of India today decided for further upward revision of MSME definition. In the package announcement, the definition of micro manufacturing and services unit was increased to Rs. 1 crore of investment and Rs. 5 crore of turnover. The limit of small unit was increased to Rs. 10 crore of investment and Rs 50 crore of turnover. Similarly, the limit of a medium unit was increased to Rs 20 crore of investment and Rs. 100 crore of turnover. It may be noted that this revision was done after 14 years since the MSME Development Act came into existence in 2006. After the package announcement on 13th May, 2020, there were several representations that the announced revision is still not in tune with market and pricing conditions and it should be further revised upwards. Keeping in mind these representations, Prime Minister decided to further increase the limit for medium manufacturing and service units. Now it will be Rs. 50 crore of investment and Rs. 250 crore of turnover. It has also been decided that the turnover with respect to exports will not be counted in the limits of turnover for any category of MSME units whether micro, small or medium.

Supporting hardworking street vendors:

The Ministry of Housing and Urban Affairs has launched a Special Micro-Credit Facility Scheme - PM SVANidhi (PM स्वनिधि) - PM Street Vendor's AtmaNirbharNidhi, for providing affordable loans to street vendors. This scheme will go a long way in enabling them to resume work and earn livelihoods.

Over 50 lakh people, including vendors, hawkers, thelewalas, rehriwala, theliphadwala etc. in different areas/ contexts are likely to benefit from this scheme.

The goods supplied by them range from vegetables, fruits, ready-to-eat street foods, tea, pakodas, breads, eggs, textiles, apparel, footwear, artisan products, books/ stationaries etc. The services include barber shops, cobblers, pan shops, laundry services etc.

The Government of India is sensitive towards the problems they have faced in the wake of the COVID-19 crisis. In such a time, there is an urgent need to provide affordable credit to them to ensure their business gets a boost.

Urban Local Bodies will play pivotal role in the implementation of the scheme.

This scheme is special due to a number of reasons:

1. A historic first:

This is for the first time in India's history that street vendors from peri-urban/ rural areas have become beneficiaries of an urban livelihood programme.

The vendors can avail a working capital loan of up to Rs. 10,000, which is repayable in monthly instalments in the tenure of one year. On timely/ early repayment of the loan, an interest subsidy @ 7% per annum will be credited to the bank accounts of beneficiaries through Direct Benefit Transfer on six monthly basis. There will be no penalty on early repayment of loan.

The scheme provides for escalation of the credit limit on timely/ early repayment of loan to help the vendor achieve his ambition of going up on the economic ladder.

It is for the first time that MFIs/ NBFCs/ SHG Banks have been allowed in a scheme for the urban poor due to their ground level presence and proximity to the urban poor including the street vendors.

2. Harnessing technology for empowerment:

In line with the Government's vision of leveraging technology to ensure effective delivery and transparency, a digital platform with web portal/ mobile app is being developed to administer the scheme with end-to-end solution. The IT platform will also help in integrating the vendors into the formal financial system. This platform will integrate the web portal/ mobile app with UdyamiMitra portal of SIDBI for credit management and PAiSA portal of MoHUA to administer interest subsidy automatically.

3. Encouraging digital transactions:

The scheme incentivises digital transactions by the street vendors through monthly cash back.

4. Focus on capacity building:

MoHUA in collaboration with State Governments, State Missions of DAY-NULM, ULBs, SIDBI, CGTMSE, NPCI and Digital Payment Aggregators will also launch a capacity building and financial literacy programme of all the stakeholders and IEC activities throughout the country during the month of June and loaning will commence in the month of July.

Igniting the spirit of Jai Kisan:

For the Kharif season 2020-21, the government has kept its promise of fixing the MSP at a level of at least 1.5 times of the cost of production. Today, the MSP of 14 crops for the Kharif season 2020-21 has been announced, based on the recommendation of CACP. The return over cost for these 14 crops ranges from 50% to 83%.

The Government of India has also decided to extend repayment date up to 31.08.2020 for all Short-Term loans up to Rs.3 lakh advanced for agriculture and allied activities by banks. Farmers will also get benefit of interest subvention and prompt repayment incentive.

The agricultural short-term loan due between 1st March 2020 and 31st August 2020 will continue to get benefit of 2% Interest Subvention (IS) to Banks and 3% Prompt Repayment Incentive (PRI) to farmers.

Government of India's decision of providing such loans to farmers through banks @ 7% per annum, with 2% per annum interest subvention to banks and 3% additional benefit on timely repayment by farmers thus provides loans upto Rs.3 lakh at 4% per annum interest.

Interest Subvention Scheme (ISS) was started to provide concessional short-term crop loans including loans availed through Kisan Credit Cards to the farmers. In the last few weeks, many farmers are not able to travel to bank branches for payment of their short-term crop loan dues. Hence the cabinet decision would help crores of farmers.

Caring for the poor the Government's top focus:

The poor and vulnerable are at the top of the priorities of the Government led by the Prime Minister. During the Coronavirus pandemic, right from the day of announcement of the lockdown, the government has been sensitive to the needs of the poorest of the poor. This was seen in the announcement of the Pradhan Mantri Garib Kalyan Yojana package on 26th of March, 2020, within just two days of the start of lockdown.

From ensuring coverage of around 80 crore people with food security to direct cash transfers into the bank accounts of 20 crore women, from putting money into the hands of senior citizens, poor widows and poor Divyangs to front-loading of the PM-KISAN instalment to crores of farmers, steps were announced. These covered a wide range of vulnerable sections who would have borne the brunt of the lockdown if not for the immediate intervention of the government. Moreover, these were not mere announcements. Within days, assistance reached crores of people directly, either in cash or kind.

As part of the Atmanirbhar Bharat initiative, One Nation One Ration card, free food grains even for those without ration cards, a new affordable rental scheme for their housing and many more measures have been announced for the welfare of the migrant labourers.

Massive reforms were announced for farmer welfare, freeing farmers from the chains that bound them and giving their income prospects a significant boost. Along with this, more investments into farm infrastructure were proposed. Allied activities such as fisheries too received a financial package.

At every step, the Government of India has shown compassion and alacrity in serving the needs of the most vulnerable.

PM addresses 25th Foundation Day.. (Contd. from page 01)

nations make in the health sector will matter more than ever before and that the Government had taken many initiatives in health-care and medical education, in the last 6 years.

Prime Minister called for a four pillared strategy to improve the health care, its infrastructure and its access to one and all. He said the first pillar would be Preventive Health Care wherein the emphasis would be importance of Yoga, Ayurveda and General Fitness. He said more than 40,000 Wellness Centres were opened with a key focus on controlling life style related diseases. The success of Swachh Bharat Mission is another key area of preventive health care.

The second pillar is - Affordable Healthcare. Prime Minister highlighted the success of Ayushman Bharat- the world's largest healthcare scheme and how in less than two years, One crore people have benefitted from it, especially women and those living in rural areas.

The third pillar is- Improvements on the supply side. Prime Minister said that a nation like India has to have proper medical infrastructure and medical education infrastructure. He said, work is under-way to ensure a medical college or post-graduate medical institute in every district of the country. Prime Minister underlined the fact that the country has seen rapid progress in setting up 22 more AIIMS. He said over the last five years, we have been able to add over 30,000 seats in MBBS and 15,000 seats in post-graduation. This has been the largest increase in the five year term of any government since independence.

Prime Minister also spoke of the setting up of National Medical Commission to replace The Medical Council of India through an Act of the Parliament.

The fourth pillar, he said would be Mission mode implementation of all the schemes and that it is very crucial for the success of a good idea.

He cited how the implementation of National Nutrition Mission is helping youngsters and mothers and also how India is determined to eliminate Tuberculosis by 2025, which is 5 years ahead of the global target of 2030. He also spoke of Mission Indradhanush where the annual rise in vaccination coverage has increased by four times.

Prime Minister said that the Central Government has recently approved the introduction of a new law for expanding education of more than 50 different allied and healthcare professionals, which will address the shortage of shortage of para-medical personnel in the country. He urged the gathering to discuss and ideate on three issues namely how to make advances in Tele-Medicine; how to make gains in health sector through 'Make In India' and how to bring about more of IT related services into health care. He was appreciative of how the initial gains in the area of Make in India where the domestic manufacturers started production of PPEs and N-95 Masks and already supplied over 1 Crore of PPEs and 1.5 Crore of Masks.

Prime Minister also appreciated how the ArogyaSetu App is helping in the fight against Corona virus.

Ayurvedic Immunity Promoting Measures

1.

Take Chyavanprash 10gm (1tsf) in the morning. Diabetics should take sugar free Chyavanprash.
2.

Drink herbal tea / decoction (Kadha) made from Tulsi (Basil), Dalchini (Cinnamon), Kalimirch (Black pepper), Shunthi (Dry Ginger) and Munakka (Raisin) - once or twice a day. Add jaggery (natural sugar) and / or fresh lemon juice to your taste, if needed.
3.

Golden Milk- Half tea spoon Haldi (turmeric) powder in 150 ml hot milk - once or twice a day.
